

BARKER DELIVERS TIMELY ADDRESSES TO LOCAL PEOPLE

Noted Lecturer Spoke to Women in Afternoon and Men Last Night

SOUNDED WARNING AGAINST NEGLECT OF THE CHILDREN

Women and Men Urged to Keep Themselves in Proper Physical Condition

Dr. Charles E. Barker, noted lecturer of Grand Rapids, Michigan, who was a guest of the Rotary club in this city yesterday, lectured before two large and appreciative audiences yesterday afternoon and last night.

Last night Dr. Barker addressed a large audience of men on "A Father's Responsibility to His Son," bringing out many splendid points vitally affecting the life of the young man today.

In his address before the women of the city yesterday afternoon, Dr. Barker used as his subject "A Mother's Responsibility to Her Daughter. He said it is a great day for

GREENVILLE WINS OPENING CONTEST FROM WASHINGTON

High School Club Won Yesterday's Affair by the Score of 8 to 7

The Greenville high school baseball team defeated the Washington high school at the fair grounds in this city yesterday afternoon by the score of 8 to 7, in the opening game of the season.

Brown pitched a remarkably fine game for Greenville after relieving Satterthwaite in the third inning, striking out a total of thirteen men in six innings.

Things looked rather serious for Greenville in the sixth inning when Washington led by two scores. But in the seventh two runners were sent around the circuit, tying the score, the winning runner reaching home in the eighth.

Captain Harrington caught a decidedly steady game for the locals, and was largely responsible for the determined way they played every inning. D. West figured largely in the score getting, banging out a total of two hits out of four trips to the plate.

The lineup for Greenville and Washington follows: Greenville — Harrington, c; D. West, 2b; F. Satterthwaite, 3b; Harber, 1b; C. B. West, cf; Williams, lf; Forbes, ss; Jenkins, rf; C. Satterthwaite, p; G. Brown, p; Hardee, lf.

Selma high school will play Greenville here next Tuesday, according to an announcement made this morning by Coach Duncan.

NORFOLK TO PLAY SYRACUSE CLUB IN GREENVILLE SOON

Game to be Played at Fair Grounds Next Wednesday At Four P. M.

Much interest is centered around the ball game to be played at the fair ground in this city Wednesday, April 12, between Norfolk and Syracuse, two of the fastest teams ever playing in this section of the state.

Both Hudgins and Beale, former members of the Greenville baseball club, in all probability will be seen in action on the Norfolk club, according to information reaching this city, and fans who want to see how they show up in big company will have an opportunity of doing so.

The Syracuse club, members of the national league, will afford everyone an opportunity of gauging the approximate strength of the big leagues with the class of ball playing in his section.

Sport lovers are urged to attend the game in large numbers, and show their appreciation to those instrumental in bringing these clubs here.

FARMERS MUTUAL FIRE INSURANCE ELECTS OFFICERS

Splendid Meeting of Organization Held at Court House April 6th

The annual meeting of the Pitt county branch of the Farmers Mutual Fire Insurance association was held in the court house here April 6th, and resulted in election of officers for the ensuing year, and a general report of the business condition of the organization.

Officers elected were G. T. Tyson, president; L. W. Tucker, vice-president; J. L. Little, secretary and treasurer.

Supervisors for the ensuing year are Woody McLawhorn, Ayden township; Ivey Smith, Beaver Dam township; W. A. House, Bethel; J. T. Hodges, Belvoir; A. B. Congleton, Carolina township; Marcellus Smith, Falkland township; Jonas Dilda, Fountain township; L. A. Arnold, Chicod township; J. J. Turnage, Greenville; J. T. Moore, Pactolus; Canada Moore, Swift Creek township; Josephus Cox, Winterville; A. J. Moye, Farmville township.

Agents to represent the company for the ensuing year are R. Williams, J. A. Lang, Jesse Cannon and S. M. Jones.

Considerable interest and a feeling of satisfaction was manifested by the members in the report of the secretary-treasurer, which showed resources available amounting to \$13,985.85.

Consisting of the following: Money on time deposit \$4750.00; Liberty bonds, \$4000.00; Victory bond, \$3000.00; war stamps, maturity value, \$1000.00; cash in bank, \$385.85.

ODD FELLOWS TO MEET NEXT TUESDAY EVENING

The Odd Fellows will meet Tuesday evening at 7:30 o'clock. After a short session the members will go in a body to the high school to attend the concert by the children from the Oxford Orphan asylum.

CABINET TO LOOK OVER PROPOSALS FOR SAVING COAL

Super-Power Project Would Minimize Effect of Future Strikes

PROJECT DISCUSSED BY CABINET MEMBERS IN SPECIAL SESSION

Would Link up Industrial Fields on the Atlantic Seaboard

Washington, April 8.—The proposed "super-power project" for the Atlantic seaboard between Boston and Washington was taken up by President Harding and his cabinet today during a general discussion of the coal strike as a means of minimizing the effect of similar strikes in the future on the economic fabric of the country.

The discussion was based on the report of a commission of engineers for such a project which was submitted to congress nearly two years ago and has since laid dormant. Secretary Hoover, who was a member of the engineers' commission, submitted the proposition for discussion today and it was said that the cabinet intends to continue its study of the subject with its possibilities of "opening a new era" in the power field.

The Atlantic seaboard superpower project, according to engineers, would save 5,000,000 tons of coal annually and in addition stabilize the coal industry by providing regular employment at the coal mines.

Under the scheme worked out, all industries in the "super-power zone" on the Atlantic seaboard described in the report as "the finishing shop of American industry," all industries, railroads and other consumers of electricity would be supplied by a unified power system.

Large generating plants would be erected at strategic mining centers convenient to the larger industries which would feed into a great power line, and then out to the consumers.

The project as conceived would not entail any outlay of money by the government, it was said, but contemplated the erection of a unit at a time through financing by the cooperation of public utilities and other large power companies and users of electricity. The cost, it was said, probably would be between \$200,000,000 and \$300,000,000.

Secretary Hoover is understood to have recently discussed the feasibility of the project with representatives of many public utilities.

JACOB TOMLINSON OF WILSON KILLS HIMSELF IN BED

Prominent Man Dies as Result Of Self Inflicted Wound This Morning

Mr. Jacob Tomlinson, one of the most prominent business men and merchants of Wilson, died from a pistol fired from his own hands this morning about five o'clock. Mr. Tomlinson was in bed when found by his wife, who was sleeping in an adjoining room, and who was awakened by the report of the pistol.

Mr. Tomlinson was in the habit of sleeping with a pistol under his pillow, and it is thought by some that the pistol may have been fired accidentally. He was in good financial condition, but had been in poor health several months.

The deceased was prominently connected, having lived here all his life. He leaves a wife and five children.

Fishermen Getting Busy. Weldon, April 8.—The fishermen are getting busy. A few beautiful white shad and rockfish have been caught and a few more warm days will bring swarms of these fish to this market.

SEVERAL GUESTS ATTEND REGULAR KIWANIS MEETING

Interesting Program Rendered At Meeting at the Rotary Club Last Night

DR. BARKER MAKES INTERESTING TALK ON KIWANIS LIFE

Other Guests of the Club Deliver Interesting Talks During Evening

The regular meeting of the Greenville Kiwanis club was held at the Rotary building last night, and proved to be one of the most interesting in many weeks. The business part of the program was practically dispensed with because of the many guests and the speaking at the high school and revival services at the Christian church.

The meeting was presided over by President J. B. James. After invocation by J. L. Little, Mr. Roy Flanagan was made sheriff of the evening. The program opened with singing led by E. E. Williams, after which minutes of the last meeting were read and approved.

Visitors present were Dr. Ben M. Edwards, Mr. and Mrs. R. W. Pollock, Dr. Charles Barker, Messrs. G. T. Gardner and J. R. Harvey of Grifton, J. L. Hassell, Paul Clodfelter, W. D. Pruitt, W. H. Rogers, Jr., Mr. Spencer, Ned Laughinghouse, James Brown, S. T. White, J. H. Rose and C. O. H. Horne.

Each visitor was called on for a short talk, several of which responded, expressing their pleasure of being with the club.

The talk of Dr. Barker was filled with great interest, as it dealt directly with Kiwanis activity. He spoke on "What A Real Kiwanian Was." He said so many people didn't realize what it meant, and that any Kiwanian, who was not always ready to help his fellowman, who not a real Kiwanian. He said we have to live by the high standard set by the mother club, and that such service always makes a man happy.

Mr. Pollock rendered a couple of solos which proved of more than general interest. One was a parody on the Irish song, "A Little Bit of Heaven, and produced much amusement.

H. A. White, chairman of the ways and means committee for attending the Columbia convention the latter part of April made his report, and a committee of three were named to determine how many members were planning to attend the convention. The club hopes to make the trip as near one hundred percent strong as possible and the committee will work with this end in view.

Several members were anxious to hear Dr. Barker deliver his lecture at the high school and Dr. Edwards in the revival at the Christian church, and business was dispensed with for the evening.

HARDING'S ACTION STARTS WHISPERS GOING AT CAPITAL

Engraving and Printing Department Still Under the Senate's Fire Today

(By International News).

Washington, April 8.—The closing down of the government money making machine starting Monday added fuel to the order of current rumors which have kept the capital in a whisper all the week.

Officials expect to inventory the stock of materials in the bureau of engraving, printing and reveal the shortage in official circles. It is generally admitted the shortage will be around six hundred thousand.

Officials hastened to explain that no criminality in the department is expected to be brought out, but the investigation is due to the high pressure under which the bureau has been working.

MANY KILLED BY CYCLONE AROUND OKLAHOMA CITY

Ballenger, Tex. April 8.—Six persons were killed last night in a cyclone in southwestern Oklahoma City, April 8.—At least ten persons were killed in a cyclone in southwestern Oklahoma. It was reported that four or five persons were killed near Lawton. Wires are down and communication cut off. Texas also reported heavy wind storms this morning with considerable damage to railroads and telegraph wires.

URGE HARDING TO USE INFLUENCE IN STOPPING STRIKE

Congress Itself to Ask President to Call Conference Immediately

(By International News). Washington, April 8.—Congress itself will appeal to President Harding to call the miners and operators together in hope of ending the strike, it was stated authoritatively this morning.

Chairman Nolan, of the House labor committee, made this plan in announcing to the committee his purpose of continuing the inquiry.

EASTERN CHAMBER TO HOLD MEETING IN WILMINGTON SOON

Joint Meeting of Directors and Executive Committee Scheduled For Apr. 12th

A joint meeting of the directors and the executive committee of the Eastern Carolina Chamber of Commerce has been authorized by the organization's president, Dr. C. J. Ellen and the chairman of the executive committee, W. A. McGirt of Wilmington, to be held in Wilmington Wednesday, April 12th.

Mr. N. G. Bartlett, of Dublin, Ga., recently elected manager, is expected to arrive in Greenville Monday and will join those who go from this section to the Wilmington gathering. Mr. Bartlett's coming to Greenville is for the purpose of looking over the files of the temporary secretary, H. L. Smith, so that he may become acquainted with the correspondence to date and to confer with President Ellen about the general work in advance of the conference at Wilmington.

The Wilmington meeting is called for the purpose of becoming acquainted with the managers, Messrs. Bartlett and Eddy; to study the plan of finance which Wilmington has put over in such a splendid manner, and to lay the foundation for a whirl wind campaign to be waged throughout the Coastal Plain Region. Other matters such as determining budget; adopting constitution and by-laws, etc., will be up for attention.

Permanent headquarters has not yet been determined. This is in charge of the executive committee, who no doubt will make their report during the month of April.

Among local men who are vitally interested in the Eastern Carolina Chamber of Commerce and who are lending their hearty support are: Dr. C. J. Ellen, J. I. Morgan, J. E. Winslow, Dr. W. W. Dawson, all of whom are directors in the organization.

SIX PERSONS KILLED IN AIRPLANE WRECK

Paris, April 8.—Six persons were killed today when airplanes on the Paris-London aerial express route collided over the village of Thigley, 70 miles north of Paris, and crashed to earth.

The dead are: Bruce Yale, a New York exporter, and his wife, who were homeward bound by way of England in the French machine.

KENTUCKY MAN TO SPEAK TWO TIMES IN CITY SUNDAY

Dr. G. M. Hammond to Speak At Methodist and Baptist Churches

A great deal of interest centers around the coming of Dr. G. M. Hammond of Kentucky, the distinguished orator. His subject, "The Challenge of the Times" will be presented in a most interesting way. He will deal with Law Enforcement, which is worthy of the thought and attention of God-fearing and law-abiding citizens.

Dr. Hammond will speak at the Methodist church tomorrow morning at 11 o'clock, and in the evening at 8 o'clock at the Memorial Baptist church. The evening service will be a union meeting, comprising the Immanuel and Memorial Baptist churches, together with as many individuals at large as may come. Since such an able man is coming on so important a mission, every citizen—man and woman, boy and girl in Greenville and Pitt county should avail themselves of this opportunity. A full house should be accorded Dr. Hammond at the morning and evening services.

Quoting from a prominent man: "Those who respect the law and stand for enforcement must be up and doing. Dr. G. M. Hammond will visit Greenville. Give him a crowded house. Give personal invitations to friends to attend the meeting. Use your telephone. Advertise the meeting. Boost the speaker. He is great."

Those who love the American flag and the things for which it stands should attend this meeting in large numbers. The call of womanhood; the protection of our firesides; the safety of our republic—all these—make a demand and a bid for your support and attendance upon the two services tomorrow.

THEIVES MAKE BIG HAUL OF CLOTHING AT BETHEL STORE

\$700 Worth of Clothing Taken From Whitehurst-Andrews Company Last Night

Robbers entered the store of Whitehurst-Andrews & Company at Bethel this morning about two o'clock and made away with clothing, shoes and general merchandise amounting to approximately \$700, according to information given The Reflector by telephone today.

The robbers made their entrance to the store through the back door by breaking through the panels and removing staples on the lock. After entering they plundered through the stock selecting fifteen complete suits of men's clothing, fifteen pairs of pants, several pairs of shoes, collars, peas and sugar. The haul was one of the biggest made by thieves in this section in some years, and indicates the men went prepared to do business.

While the police had been unable to make no arrests up to the noon hour today, they are working diligently on all facts in hand, and hope to bring the culprits to account. That the robbers were not seeking money was evidenced by the large haul. Owners of the store thoroughly investigated the stock, and roughly estimated the loss would be seven hundred dollars if not more.

MILK DRINKING ADDS WEIGHT TO CHILDREN

Elizabeth City, April 8.—An average gain of ten per cent in weight is shown by the twenty-eight retarded children for whom the milk distribution plan was specifically undertaken in January at the primary schools for white children at this city. The report for the month of March, which has just been made public, and which gives the weights recorded shows that two pupils gained five pounds; one two and half.

REVIVAL LEADER AGAIN DELIVERS TIMELY SERMON

Dr. Edwards Told of the Beacon Light in Sermon Here Last Night

NO SERVICES TO BE CONDUCTED AT THE CHURCH TONIGHT

Services to be Held Tomorrow Morning and at the Usual Evening Hour

Dr. Edwards read a portion of the fifth chapter of Matthew relating the Sermon on the Mount, in the beginning of his sermon at the revival services at the Christian church last night. He based his text on the sixteenth verse where it says "Let your lights so shine before men that they may see your good works and glorify your Father which is in heaven."

He brought out the effect which this sermon had on the people, as it was recognized as the greatest ever heard before. He spoke of Christ as the beacon light to the church, repeating that portion of scripture in which he declared "ye are the light of the world."

Dr. Edwards brought out the great power of this light, and said it affected everyone. The power of Christ's teachings are reflected to the church through the beacon light which is the light that illuminates the soul, and prepares us for the higher Christian life.

He said the Lord is depending on the individual to give this light to mankind. Darkness can never overcome it. People can alleviate suffering in the lives of their fellowmen showing them the power of the light today, he declared. He closed his sermon by telling of the effect of the light, using several beautiful and effective illustrations to bring the truth home.

There was no service tonight, but tomorrow evening Dr. Edwards will preach at eleven o'clock and again in the evening at eight o'clock. Singing will be conducted by Mr. and Mrs. Pollock, whose songs proved a big feature in last night's services.

DR. EDWARDS DELIVERS COMMENCEMENT ADDRESS

Dr. Ben M. Edwards, who is conducting the series of revival services at the Christian church in this city, delivered the commencement address at Cannon Swamp schoolhouse yesterday. The exercises were largely attended and much interest manifested in the address.

Huldah, the little four year old daughter of Mr. and Mrs. L. A. Hays, who reside near this city, was buried at the Proctor burying ground yesterday afternoon, funeral services being conducted by Dr. W. F. Shanhart, pastor of the Christian church of Greenville.

PLAN MOVEMENT TO CUT EUROPE'S LAND ARMAMENT

Matter to be Considered at Opening of Geneva Economic Confab Monday

(By International News).

Geneva, April 8.—The first great concerted movement since ending of the war to reduce Europe's land armaments as a safeguard for international peace will be undertaken when the general economic conference opens Monday, it was stated in official circles today.

Premier Lloyd George of England will be the leading spirit behind the movement, and the only marked opposition is expected to come from France and Poland, the former claiming fear of Germany and the latter fear of Russia.

Keen disappointment has been expressed by delegates over the participation of the United States.

Saturday, April 8th, 1922

Daniel Willard, president of the Baltimore & Ohio railroad, says all the railroads need a chance. But what others need is money.

Fatty Arbuckle took the stand in his defense with a smile on his face. He can smile now but when those attorneys get through presenting bills he won't have enough left to raise a smile.

The miners say they are ready to negotiate, but the administration says "hands off." If a post office job had anything to do with it every Republican at the capital would have "hands on."

The coal diggers are said to be having a big time during their "holiday." It may be mighty fine now, but later when the wolf gets to lingering around the doors things may be somewhat different.

Completion of Wilson Dam at Muscle Shoals is recommended in the report by the congressional committee. The work could be done much cheaper by Henry Ford than the government, although the public will never be able of judging the difference.

The President has incurred the displeasure of the public in an effort to satisfy pie hunters. He shouldn't be in such hurry to clear the decks next time. In fact he may have more regard for civil service regulations before this business is through.

It is gratifying to note the city has purchased a new fire truck. This was badly needed, and in case of a large fire we will be much better prepared than formerly. Greenville's equipment at the present time is far too inadequate to cope with a large fire, and the aldermen are to be commended for recognizing and providing the great need.

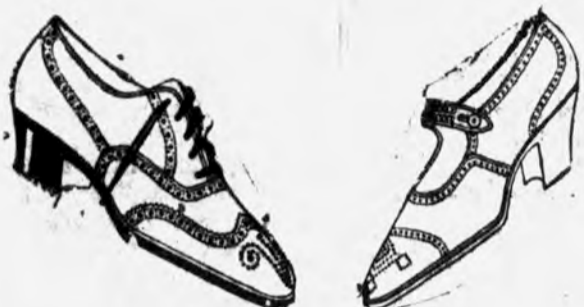

If civil service rules are to play the same important part in the future as in the past the Republicans have got to change their way of doing considerably. President Harding has lowered the bars so much already that getting them back in place again is going to be a serious matter. The Democrats, who observed the rules faithfully during their administration, are justified in scoring the president for not observing the regulations. They should bring him to account if possible by letting the public know exactly what has been going on.

BETHEL NEWS

Bethel, N. C., Apr. 7.—The Bethel church was host to some forty odd delegates from the Men's Clubs of the Baptist churches of this section of the Hoenoke association. The ladies of the church served a splendid luncheon in one of the Sunday school rooms of the church to the visitors and local men of the club. Mrs. L. L. Vaughan, of Nashville, was toast master. After a brief statement of the work of these clubs, Mr. A. D. Odum, of Nashville,

was called and he responded in a splendid five minute talk on the value of the club work. Other responses were Dr. C. J. Ellen, of Greenville, Prof. S. J. Husketh, of Bethel, Mr. Hughie Johnson, of Scotland Neck, Mr. S. J. Everett, of Greenville, and Rev. W. O. Biggs, of Wilson. After the supper hour was over Dr. Charles Anderson, of Scotland Neck, delivered a brief but intensely interesting message in behalf of the Baptist Seventy Five Million Campaign. The representatives of the clubs present voted to accept the invitation for the next quarterly meeting of the clubs to go to Scotland Neck, the latter part of June. Our community greatly appreciated the splendid program rendered by the

RED CROSS HOME SERVICE IN MEETING

The monthly meeting of the Home Service section was called for 4 p. m. yesterday afternoon by Chairman H. E. Austin, in the Red Cross office.

The Home Service Department of the American Red Cross was begun during the war to give information and assistance to families of our men in the army or navy.

The Red Cross was asked to continue this service until it was thought that the need for the same was over.

At the present time their work consists in filing claims for the men, to procure hospitalization and authorization for medical treatment.

Four men from this county have begun vocational training this month. Between fifty and sixty thousand in insurance has been converted. Six persons needing hospitalization, have gone since the last meeting.

Mr. Austin has been intimately connected with the work all during the war and the Pitt county chapter is fortunate in having one so earnestly interested in the ex-service men and also so conscious of the government's ruling as chairman of this work.

Miss Mulhard reported that we had 99 active cases, 27 colored cases and two civil cases.

The next Home service meeting will be held on the first Monday in May at 11 a. m.

To Hold Prayer Services

The Missionary Society of the Christian Church will hold prayer services next Monday, Wednesday and Friday afternoons at 3:30 o'clock in the church. Every woman of the church, especially the members of the society, are earnestly requested to attend these meetings.

CIRCLES OF MISSIONARY SOCIETY TO MEET

The circles of the Woman's Missionary Society of the Methodist church will meet on Monday at 3:30 p. m. as follows:

Circle No. 1 with Mrs. Chas. Cobb.

Circle No. 2 with Mrs. Judson Blount.

Circle No. 3 with Mrs. E. W. Cobb.

Circle No. 4 with Mrs. J. E. Winslow.

Circle No. 5 with Mrs. T. A. Parsons.

Circle No. 6 with Mrs. W. T. Roseman.

Circle No. 7 with Mrs. A. B. Ellington.

Circle No. 8 with Mrs. Margaret Barden.

Mr. and Mrs. C. L. Parker Entertain

On Monday evening, April 3rd, Mr. and Mrs. C. L. Parker of Bethel, entertained in honor of Misses Aline and Myrtle Chambers, of Hayesville, N. C., and Eva O'Neal, of Poplar Branch, N. C. The dining room was prettily decorated, the color scheme being carried out in gold, white and blue.

After a delightful evening, the guests were ushered into the dining room where an ice course was served by Mrs. C. L. Parker and Mrs. W. R. Tyson. Those present including the guests of honor were: Misses Alberta, Fannie Belle, Corinne and Emma Beale Eppard, Margaret Dupree, Bettie Spain, Ruth Brinkley, Anna Bell, Letha and Brownie Fleming, Gladys and Nannie Bullock, Messrs. William Briley, Glenn Bullock, Paul Dupree, Clarence Williamson, Lloyd Balance, Charlie Roe, and Laurence Earle Pollard, Jack, Robert, Hubert and Howard Warren, Charlie and Jasper Harris, Judy Bell, Joe Stallings and Bennie Fleming.

MISSIONARY AND AID SOCIETIES TO MEET

The Missionary Society of the Memorial Baptist church will meet Monday afternoon at 4 o'clock in the Baraca class room. Immediately after adjournment the ladies Aid Society will meet.

Kitchen Shower

On Friday afternoon at her home on Fifth Street, Mrs. Pattie Eades

delightfully entertained at a kitchen shower complimentary to Mrs. Roy Bachelor who expects to begin house-keeping in a few days. The library and hall were decorated with dog-wood. Several tables for bridge were arranged in the library. After many interesting progressions a large basket containing a beautiful shower of aluminum ware, kitchen towels, receipts, books and other articles necessary for the kitchen was brought in and presented to the honoree.

The tables were marked with knives and forks and the favors were suggestive of the occasion.

The hostess assisted by Mrs. C. L. Graves served short cake.

TO OBSERVE WEEK OF PRAYER HERE

The Woman's Missionary Society of Immanuel Baptist church will observe next week as a week of prayer, for Home Missions, with a special thank offering; that does count on your 76 million pledge. So please make this contribution just as large as possible.

Meetings will be held in the church parlor, beginning 3:30 o'clock p. m. Each member of the society is expected to attend, if possible to do so.

and a hearty invitation is extended to all the ladies and congregation of the church.

Program as follows:

Sunday, April 9, Leader, Mrs. T. H. Pleimmons—prayer and praise for more laborers, also Charlotte W. W. II. meeting report.

Monday, leader—Miss Nellie Wyman, Church Extension.

Tuesday, leader—Mrs. C. C. Parkerson—Enlightenment.

Wednesday evening 7:30, Dr. Pleimmons—Evangelization and Enlightenment.

Thursday, leader—Mrs. V. E. Station—Cuba and Panama.

Friday, leader—Miss Arley Moore, Inter-Racial Interests.

NOTICE—SALE OF VALUABLE LAND

By virtue of the power of sale contained in that certain mortgage deed executed and delivered by Louis Forbes and wife Anna Forbes to J. L. described as follows:

"All that tract or parcel of land lying and situate in the county of Pitt and State of North Carolina, near the Town of Greenville and being farms No. 10 and part of 12 on plat of land formerly owned by Ed. H. Shelburn, plat of which is on record in Pitt county register of deed's of-

file in Map Book one at page 7, to

which said plat reference is hereby made for a more perfect description. Farm No. 10 containing 26.66 acres to satisfy said mortgage deed. Terms of sale: CASH. This the 8th day of April, 1922. J. L. SIMMONS, Trustee.

Henry F. Miller Baby Grand

Piano

The instrument illustrated here is the Henry F. Miller Piano Co., make which is suffice to say to those that know and appreciate a piano of high quality of tone and build.

Another feature attached to the Henry F. Miller instrument is that they are beautiful in appearance, being artistically designed.

We are anxious that the lovers of music of Eastern Carolina visit our show rooms and allow us to demonstrate the high qualities of this instrument.

Mrs. E. J. White Dies.
Mrs. E. J. White, age 80 years, died at her home on Chestnut street on Saturday, April 1st. Mrs. White had been ill for about five weeks and her death although expected was a shock to her loved ones and friends.

Funeral services were conducted from her home on Monday by Rev. V. P. Seoville. Immediately after the services the remains were taken to Fort Barnwell for interment.
Mrs. White's life was one of love and service for her community. She possessed a lovely disposition and was loved by all with whom she came in contact. During her illness she was nursed by her children who came from distant cities to be with her. She was a devoted mother and dearly beloved by her family.
She is survived by her aged husband and several sons and daughters.

BARKER DELIVERS TIMELY ADDRESS TO LOCAL PEOPLE

(Continued from page one)
The human race when we can get the thinking men and women of a large city to pause in the midst of their work and recreation and for two or three days sit down together and consider some of the very serious problems that are now confronting this country.

One of these problems—perhaps the most important—is the breeding and training of the oncoming generation, so as much as in me lies, I shall endeavor to bring conviction and enlightenment to this fine audience of women as I try to answer the question, "What is a mother's responsibility to her daughter or children?"

First of all, Dr. Barker said, I wish to address myself to the prospective mothers who are here. By this time I mean all of you younger women, married or single, who in all probability, will bear children in the future. Did you ever stop to consider that you have a great responsibility to these unborn children? To put it in another way, unborn children have "rights," and one of these is to be born well physically.

According to our very best scientific minds today, the question as to whether a child when he is born will have a strong, healthy constitution or not, will depend very much on the physical condition of the mother, both before and during pregnancy, and if this be true, it is plainly the duty of every young woman to get herself into the very finest possible condition physically.

It would actually seem that many women "enjoy poor health" for they go through life refusing to do the simple things which would, in most cases, insure good health and abundant vitality, and then because of this unwillingness to pay the price of abounding health, the child also has to pay the bill with a handicapped constitution.

What is this price which a young woman must pay if she is to have and hold splendid health for herself, as well as to pass this on to her children, Dr. Barker asked.

In answering the question, he said first, she should wear sensible clothing which permits freedom of movement in every part of her body; second, adopt a rest and sleep program which calls, in most cases at least, for eight to ten hours in bed daily; third, by all power she can learn to avoid worry, which is the cause of so much ill health; cheerfulness is just as much a habit of the mind as is worry, and you can have your choice; fourth, she should eat her meals regularly, slowly and in moderation; fifth, let her form the habit of taking daily from fifteen to twenty minutes of exercise, giving special attention to the muscles of abdomen and chest. Perhaps many of you women will say that you have not the time for this daily exercise, but as a matter of fact, if you will form the habit it is easy to keep.

From this advice to young women Dr. Barker drifted to the responsibilities of the mother, bringing out many fine points of value.

To the men last night Dr. Barker brought out the responsibility of the father to the son, showing that every man owed it to his son to be as near a model as possible. The crime of today results from the early training of the young man. Many of them were raised in homes with negligent fathers and followed the same path, only going further. Our men should dive like gentlemen, remembering the coming up, as he is to be influenced by action of the fathers.

IT'S SATISFACTORY
THE STAFF OF LIFE
"Bread is the staff of life." said Dean Swift. And good old Matthew Henry told why, for, and he:
"Here is bread, which strengthens man's heart, and therefore is called the staff of life."
Bread is WHAT LIFE LEANS ON. And if the staff be unsound and weak, life shall fall.
Get GOOD bread. Get BLUE RIBBON BREAD, for it is good.
And your life shall have a stout, sound staff.
