SPLENDID REPORTS FEATURE MEETING OF LOCAL CHAPTER

Red Cross Executive Committee Meets in Office of M. K. Blount

COMMITTEES REPORT ACTIVE SERVICE BY MOST EVERY BRANCH

Several Important Issues Discussed During Interesting Session

A meeting of the executive committee of Pitt county chapter of the American Red Cross was held Wednesday morning, April 12th, at 10:30 in the office of M. K. Blount.

The Home Service report showed that its work is steadily increasing, having now about one hundred active cases. The Junior Red Cross work, as reported by Miss Maude Lee was very gratifying.

Dr. Pace, representing Dr. Chester appeared before the commissioners and asked for an appropriation for several treatments in this county.

Mr. W. B. Brown made a request for a community sing to be held every Sunday afternoon in some central place. This is intended to be especially attractive to the young people of the town.

ARBUCKLE GIVEN FREEDOM BY JURY IN SAN FRANCISCO

Movie Comedian Heaves Sigh Of Relief as Foreman Says "Not Guilty"

San Francisco, April 13.—A verdict of acquittal was returned by a jury tonight in the third trial of Roscoe C. (Fatty) Arbuckle on a manslaughter charge growing out of the death of Miss Virginia Rappe, motion picture actress.

Edward Brown whose presence on the jury was objected to by the prosecution, was foreman. There was a slight delay when the jury returned, due to the absence of the district attorney.

The defendant was deeply affected. He received the verdict with a great sigh of relief. There was no demonstration, the court having warned against it.

REPUBLICANS ELECT N. C. AND U. S. LEADERS Winston-Salem, N. C., April 13.—W. C. Braham, of Durham, was elected state chairman and Charles A. Reynolds, of Winston-Salem, national committeeman by the state republican convention this afternoon.

TEXAS EVANGELIST APPEALS DIRECTLY TO BUSINESS MAN

Dr. Edwards Delivers Powerful Sermon on Conversion of Business Man

SONG SERVICES BY THE POLLOCKS ALSO SPLENDID FEATURE

Mr. Pollock Was at His Best And Led Singing in a Spirited Manner

The main auditorium at the Christian church was filled again last night to hear Dr. Edwards deliver a sermon of unusual interest and full of Evangelistic fire and enthusiasm. The minister took as his subject "The Conversion of a Business Man," using as his text the first few verses of the nineteenth chapter of the Gospel according to Luke.

But Zacchaeus ran around all difficulties in his way and placed himself in the way which Jesus was to pass. Some of you men and women doubtless need to go around the thing that is in your way.

Some divine has said, "that we need to find out which way God is going and then get things out of His way and fall in line after Him."

Mr. Pollock was at his best last night in leading a splendid song service and his special message in song was greatly appreciated.

The slogan seems to have changed from votes for women to smokes for women.—Syracuse Herald.

STRINGFIELD NOT TO BE WITH LOCAL CLUB THIS SEASON

Former Short Stop to Remain Home With Parents During Summer

MASSEY DECLARES HE IS WILLING TO COME ANY MOMENT

Manager Smith is in Touch With Two Hurlers of Recognized Ability

Guy Smith, manager of the Greenville baseball club, is getting a definite line on players for the approaching season, and when the first ball is pitched Greenville will probably have one of the fastest clubs in the league.

It was stated this morning that correspondence had been exchanged with a number of players, and that two splendidly rated hurlers would probably be signed up within the next few days.

Massey also said he was ready to report for duty in time for practice. "Don't ask me if I can come; but tell me how soon you want me," was the reply.

Fans will regret to learn that Stringfield, former short stop, will not be a member of the team this season. In a letter received from him this week, he said he had been away from home the past five years and desired to spend his vacation this year with his parents.

STEAM PLANT STILL CAPTURED TODAY IN RAID NEAR BETHEL

Sheriff Dudley Gets Largest Outfit Captured in Several Months

Sheriff Ernest Dudley succeeded in landing an effective blow against the liquor traffic this afternoon in the capture of a large steam plant whiskey still on the old J. A. I. Manning property, situated a few miles from Bethel.

The plant combined two stills, and at large vat for fermentation of beer. Only one still was captured this afternoon, however, as the other had been removed a short time prior to the capture.

The still is constructed of copper, with worm and all auxiliaries. Whiskey had been run only a few hours before capture, it is believed, and if officers had arrived sooner it is probable operators might have been captured on the job.

This is the second time since prohibition went into effect that county officials have succeeded in capturing a still operated by steam. As a rule they are constructed only temporarily because operators are forced to move from one section to another to avoid capture.

NAVY BILL MEETS REAL OPPOSITION IN HOUSE DEBATE

Opponents of Reduction of Enlisted Strength Claim a Definite Lead

OPPOSITIONS WAGE VIOLENT BATTLE AGAINST ISSUES

Both Factions Claim Lead, Without Anything Definite To Show

Washington, April 13.—The 1923 naval budget ran through hostile waters in the House today.

As the weary end of solid hours of debate was reached tonight, with less than a corporal's guard on the floor, the air was filled with claims by leaders opposed to the bill's provision for an enlisted force of 65,000 that votes enough had been pledged to beat it.

This prediction, coupled with violent attacks on the measure, took the edge off Chairman Kelley's smile, and once or twice he put on his fighting clothes. Time and again the chairman broadly charged that back of the movement for a bigger navy was the desire of members from navy yard districts to increase the total appropriation so that the activities of these establishments might not be curtailed.

Suggestions from some sources that the committee add a little to its personnel strength were cast aside by Chairman Kelley with the declaration that the bill had to stand or fall as represented, and that if the enlisted figure was raised to 86,000 there would be a record vote in the House.

Most of the speeches today were against the bill. Representative McArthur, of Oregon, Republican member of the naval committee, in announcing that he would offer an amendment providing for 86,000 men told the House it ought not to shift the responsibility of writing the bill to the shoulders of the Senate.

There was a constant squabble over the enlisted strength of the British and Japanese navies, the statement being repeatedly made and denied that their figures were greater than those allotted the American navy under the bill.

SOUTHERN TARIFF FORCES CLAIM TO BE SERVING SOUTH

Factions in South lining Up With The Republican Bloc Activity

Washington, April 13.—The Southern tariff association, claiming to represent fifty-seven industries of the south has agreed to co-operate with twenty-five Republican senators in western and middle western states composing the senate agricultural bloc in urging high protective rates for agricultural products.

Pushing enactment of the new tariff bill so as to insure schedules desired is one of the main things under consideration. Increases in the number of rates in the bill are declared vitally essential if certain agricultural industries of the south get adequate protection.

TWO MARRIAGE LICENSES ISSUED SINCE YESTERDAY

Two marriage licenses have been issued by the register of deeds since reports of yesterday afternoon. Those Phillips to Nettie Ellis of Fountain section; Roy Chapman to Carrie Moore, of Chicod township, both couples being colored.

Rural mail carriers will take a census of the swine in fourteen states. Who's going to do it for the downtown districts of our cities?—Cleveland Plain Dealer.

CONGRESSMAN BRINSON DIES FOLLOWING SHORT ILLNESS AT NEW BERN

Washington, April 13.—Congressman S. M. Brinson, of the Third North Carolina district died at his home in New Bern today following short illness, according to information received by members of the North Carolina delegation here today.

A report from the New Bern General hospital last night was to the effect that Mr. Brinson's condition was considered precarious. While Dr. Duffy termed his condition as desperate, he had given up hope of his life until this morning.

Mr. Brinson continued conscious, and realized the seriousness of his condition. He made a brave fight for life, and bore the physical suffering without complaint. News of his death will be received with general regret throughout the entire state where he is well known and admired.

SYRACUSE ROMPS AWAY WITH TARS IN CONTEST HERE

International Outfit Won Exhibition Game by Score Ten to Nine

In a game featured by heavy hitting and rather ragged fielding at times, the Syracuse Internationals yesterday afternoon defeated the Norfolk Tars of the Virginia league at the fair grounds in this city by the score of 10 to 9.

The Internationals literally romped away with the Tars in the first few innings, but after awhile they appeared to lose their indomitable ambition for run getting and permitted the less ambitious Tars to experiment a little themselves.

Norfolk swatted the horsehide freely in early stages of the game, but their inability to hit safely resulted in disastrous gains by the opponents. They scored one run in the third inning and waited until the sixth to really show what they could do.

A Syracuse player managed to land on the old apple for the entire circuit in the fifth frame. One man was on base at the time, three having preceded him in the same inning. Three base hits and doubles were ordinary occurrences throughout the game. The Internationals probably having the majority in their favor.

DISASTROUS FIRE WIPES OUT TOWN AT SEVEN SPRINGS

Whitehall Visited by \$75,000 Blaze Shortly After Midnight

Seven Springs, April 13.—Fanned by the one of the strongest winds that has swept this section, the entire business section of White Hall, known also as Seven Springs, 21 buildings and the postoffice, were destroyed by fire early Wednesday morning, totalling a loss of about \$60,000 to \$75,000 par. covered by insurance. The fire's origin is unknown.

GORMAN PRESENTS FACTS REGARDING WAREHOUSE SALE

Local Tobacco Man Explains Why He Was Induced to Join Association

DECLARES MOVEMENT IS GREATEST SO FAR STARTED IN COUNTRY

Financial Leaders See Possibilities and are Supporting The Movement

The following correspondence from J. N. Gorman regarding his action in turning over his warehouse to the Co-Operative Marketing association will be read with interest here, as rumors to the effect have created considerable speculation in all branches of industry.

For the past several weeks I have been looking into the operation of the Co-Operative Movement. I have made several trips to Richmond and one trip to New York, where I have conferred with my friends in the lead end of the tobacco business, men who had no connections with the pool movement but who were conversant with its activity and operations in Kentucky.

I was not convinced of the magnitude of the movement and its success where tried, until Monday night when I heard the speeches of Judge Bingham and Mr. J. C. Stone at Raleigh. Mr. Stone handled the selling end of the Kentucky Tobacco Co-Operative Marketing association.

After hearing these speeches which explained the financing and the method of selling, I was convinced that this method of selling the farm products has come to stay and will be the means of putting our farmers and our section on a permanent and sound footing.

I then agreed to let the association have my warehouse and was offered the management of same for the coming season. I am convinced that this method of selling the tobacco crop will mean the salvation of the tobacco planter, in that it means a living wage and interest on his investment each year and that when the planter is successful that our banks, merchants and

PUBLIC OPINION IS SWINGING OVER TO THE WET ELEMENTS

Hot, Dry Breath of Anti-Saloon League Getting on Nerve Of Nation

Washington, April 13.—For the first time since the anti-saloon league blew its hot, dry breath across the United States, the small liberal element of congress believes the tide of public favor is turning against the Volstead law so strongly that something can soon be done towards modifying the law, probably along the line of light wines and beer.

The belief is shared by a surprisingly large number of dry congressmen. Three notable victories in politics this week contributed largely to this belief, it was stated.

In the thirty-seventh New York districts democrats elected wets in the Republican stronghold. In the elective Illinois district Frank Reis defeated Representative Ira Copley, one of the oldest members of the Illinois delegation, running as a wet. In the sixteenth Illinois district William Hull, wet, defeated Ireland, Republican.

EASTERN CHAMBER OUTLINES WORK IN WILMINGTON MEET

Local Men Return Greatly Pleased With Prospects Of Future

SEC. BARTLETT TO REMAIN HERE UNTIL PLANS ARE COMPLETE

Wilmington Business Men Are Ready to Support Organization Plans

Secretary H. L. Smith, of the Pitt county Chamber of Commerce, Mr. J. L. Morgan, of Farmville and manager N. G. Bartlett, of the Eastern North Carolina Chamber of Commerce, returned this morning from a trip to Wilmington, where they went yesterday to attend a meeting of the executive committee of the Eastern North Carolina Chamber of Commerce.

This meeting was called to make definite arrangements to get actively in the work, inasmuch as the new manager Mr. N. G. Bartlett, is here and on the job. In addition to the executive meeting held in the office of McGirt in Wilmington, the visitors were guests of the Kewanee club at luncheon, and at this time, Mr. Bartlett was called on to outline in a brief way the function of the organization. His talk was well received and was assured of the cooperation of the members of the Kewanee club at luncheon.

A meeting was held in the afternoon in the rooms of the Chamber of Commerce, with the presence of Mr. Bartlett, and other business men who were present at the Kewanee luncheon had previously discussed the plans and purposes of the organization outlined by them.

At this meeting the business men of Wilmington, expressed themselves as being thoroughly in accord with the organization, and that Wilmington could be counted on for her part in putting over this project.

ANOTHER TOBACCO FIRM IS FORMED BY CITY DEALERS

Foxhall, Cannon and McGowan an Incomplete Johnston & Foxhall House

Foxhall, Cannon and McGowan have leased the brick warehouse of F. V. Johnston and will be open to the public for the sale of leaf tobacco during the coming season. Mr. Foxhall was a member of the firm of Johnston & Foxhall, and one of the best known tobacconists in the city.

Mr. McGowan was formerly employed by the same firm and is also well known. Mr. Cannon is considered one of the best auctioneers in the country, having been connected with the Greenville market several years. Announcement of this change will be received with considerable interest by tobacco growers in this part of the state, as each member of the firm has been connected with the Greenville market many years.

Advertisements concerning the operation of the new firm will appear in the columns of this paper from time to time, and the public will be well posted concerning future activities.

FARMVILLE TO HAVE EASTER DANCE FOR THE BENEFIT BASEBALL CLUB Farmville, April 13.—Plans are being made here for one of the most elaborate dances ever held in Farmville to be given for the benefit of the local baseball club, on next Monday night. Special favors and entertainments have been ordered for the occasion and dancers from all parts of Eastern Carolina will be sought to attend.

Thursday, April 13th, 1922

A Russian delegate favors complete
dismantment of Europe. He might
start with his native country, as most
the trouble seems to be there.

It is rumored that Morehead is
planning to retire because the pie isn't
being distributed according to the
way he wants it. That sorrow will
not be universal is certain.

Greensboro has voted for the erec-
tion of an entirely new union depot.
They are to be congratulated. Such
action is expressive of a spirit of
thrift that is commendable indeed.

The Greenville tobacco market
will be open to the farmers this sea-
son with greater facilities than ever
before. Many inquiries have been
received here lately regarding the
opening date, and in every instance
the inquisitive ones have been inform-
ed in the affirmative.

Plans to promote greater commerce
in the United States deserve to re-
ceive the consideration of every per-
son interested in advancement and
expansion of our industries. Com-
merce is something every county is
reaching out for now the war is end-
ing and activity increasing, and if the
United States is to keep pace she
must get a good start before others
are too firmly situated.

**Gorman Presents Facts
Regarding Warehouse Sale**
(Continued from page one)

other tradesmen are bound to be
helped. All big business ventures
have been successful and made their
money because they stuck together
and Co-Operated.

This movement of the farmer at
present is the biggest and most pow-
erful company ever formed in the
United States, and are giving it their
support.

The financial leaders have seen its
possibilities and are giving it their
support and if the farmers will not
be misled by false propaganda; cir-
culated by people who have made no
effort to get enlightened but are re-
peating what other people say, who
are no better posted than they are,
but stick together they have the op-
portunity of making farming as pro-
fitable as any other line of business
because they cut out the gamble of
selling their crops.

The officers of the association have
used good business judgment in that
they have secured men of ability,
who themselves have made a success,
to handle the financial and the sell-
ing end of the association.

While I have endeavored to get
posted and get enlightened on the
methods etc. of the association. The
speeches of Judge Bingham and Mr.
Stone removed many of my doubts of
the success of the movement and dis-
abused the idea I had gained that the
co-operative marketing method of
selling would be harmful to the larger
tobacco towns, unless these towns
kept the association out.

Since I have been in the warehouse
business I have endeavored to keep
posted and have given the farmers
the benefit of what I have learned.
I believe the steps I have now taken
will enable me to render much aid to
the farmers and help build up East-
ern Carolina as well as help Green-
ville hold and add to its prestige in
the tobacco world.

Judge Bingham will speak in Wil-
son Monday night and in my opinion
it will pay the farmers and business
men of Pitt county to hear this ex-
ponent of co-operative marketing for
he has made it a study and his efforts
to establish co-operative marketing of
tobacco has not been for personal
gain, but to help uplift the depressed
farmer.

How Ironized Yeast Fills Out Figure

And Puts New "Pep" and Energy in Thin, Nervous, Rundown Folks

Hundreds of thousands of people all over the country are now taking IRONIZED YEAST tablets for health with results which in many cases are actually astonishing. For thin folks to gain five pounds or more on the very first package is not unusual. Complexions blotched with pimples, etc. are very often entirely cleared up within 10 to 14 days. As for increasing "pep" and energy, apparent "miracles" are reported by folks who were formerly run-down, weak, and lacking in physical and mental vigor.

FREE! Mail coupon below for Amuzu Three Day Trial Treatment of IRONIZED YEAST. Watch the Results!

Here is The Secret!
Nature intended that you should have a well developed figure, with the clear skin, sparkling eyes, strong nerves and rugged strength that goes with it. And if you are now thin and run-down it is because certain of Nature's laws have been disobeyed. Nature requires that you get a proper amount of vitamins and iron into our systems. But these two essential elements are lacking in the modern diet. That is why so many of us are thin and run-down.

Yeast Best When Ironized
The thing to do is to supply this lack by taking with each meal two tiny IRONIZED YEAST tablets which contain in highly concentrated form, a specially cultured yeast grown under the strictest supervision for medicinal purposes—a yeast unequalled for its richness in the essential Water Soluble B vitamins. In addition it contains the correct amount of the two other vitamins—Fat Soluble A and Water Soluble C—which are equally important to health. These three vitamins bring excellent results even if taken alone—but when taken with a proper amount of easily assimilated organic iron, as in IRONIZED YEAST, these results are secured often in just half the usual time!

Watch The Results!
Note how IRONIZED YEAST immediately increases your appetite—how it enables you to get real joy out of every morsel of food you eat. See how quickly it drives away pimples, blackheads, etc. and how your newly acquired "pep" makes hard work or play a pleasure instead of a task. Try IRONIZED YEAST today! Pleasant to take—will not cause gas or in any way upset the stomach. Each IRONIZED YEAST tablet wrapped air-tight in waxed sanitape when made, thus assuring 100% purity and strength. Special directions for children. Go to your druggist or mail coupon today—NOW!

WARNING!
Not all yeast will give the desired results. There are certain types of yeast which have absolutely no value medicinally. By insisting on the genuine IRONIZED YEAST, and refusing cheaper imitations or substitutes you can be sure that you are taking a vitamins tonic treatment which is unsurpassed in effectiveness, convenience and genuine health-building value.

"The Ladies' Store"

ONE PRICE TO ALL

Your Grocer Knows

that you want the most delicious syrup at the lowest price when you order Karo. It is a great spread on bread for children. And there is nothing better on pancakes, hot biscuits, and for making gingerbread.

Also, use this recipe to make Brown Bread

1 cup Rye Meal	1 cup Yellow Cornmeal
1 teaspoon Salt	1 cup Graham Flour
1 teaspoon Soda	2 tablespoons Maltol
1 cup Kaffee	2 cups Sour Milk
1 1/2 teaspoons Baking Powder	
1/2 cup Karo, Blue Label	

Mix together all dry ingredients. Add molasses, Karo, Maltol, and milk. Mix thoroughly and fill one-pound can one-half full. Steam three hours. Makes four loaves.

FREE Write for beautifully illustrated Cook Book to Corn Products Refining Co., Dept. A, Argo, Ill.

The Great American Syrup

NEW FIRM

To Tobacco Growers of Pitt and Adjoining Counties:

The Johnston Brick Warehouse has been leased by F. D. Foxhall, J. Madison McGowan and Biggs T. Cannon, of Ayden, and will be operated by them for the sale of leaf tobacco at Auction, opening Aug. 8th, 1922, under the firm name FOXHALL, CANNON & MCGOWAN WAREHOUSE, Greenville, N. C.

Our Mr. Biggs T. Cannon (formerly with Gorman & Co.) is the best auctioneer in the State and numbers his friends by the hundreds and will always be glad to see you and get the highest bid for your tobacco. Our Mr. Foxhall and Mr. McGowan will have charge of sales and see that your every interest is looked after at all times. We thank you for the favors you have shown in the past and promise to earn a continuance of same in the future.
