

MEMORIAL DAY IS WELL OBSERVED IN GREENVILLE TODAY

County and City Turn Out to Pay Homage to Veterans of the Confederacy

THIRTY TWO MEMBERS BRYAN GRIMES CAMP PRESENT HERE TODAY

Parade Appropriate Exercises and Dinner Feature Activities of Day

Memorial day was appropriately observed in Greenville today and both the city and county joined in paying homage to soldiers of the Confederacy.

The parade of school children was one of the outstanding features of the day, the pageant forming at the high school and proceeding to the court house where the old soldiers fell in line after completing their meeting.

The old veterans, whose ranks have been thinned by each succeeding year, fell in line at the court house, and stepped as sprightly as possible to the steady beat of the boy scout drum.

At the cemetery the graves of the dead were decorated with flowers. Prayer was offered by Dr. W. P. Shambart after which a song was sung, tap: sounded and the marchers proceeded to the high school building where an appropriate program was rendered.

Prayer was offered by Rev. V. P. Scoville, followed by a reading by Mrs. J. B. Cherry. R. C. Fitzgerald, superintendent of county schools was introduced by J. C. Lanier and paid a glowing tribute to the heroism and intrepid spirit of the men in gray who fought so valiantly for a cause they thought to be right.

Mr. Fitzgerald touched lightly upon the historical features of the great war between the states. He told of the spirit behind the wearers of the blue and gray and said one fought to preserve the Union and the other that a great cause might be saved. They both fought for what they thought to be right and as they stand united today each can say that a truer, greater nation was the outgrowth of the loyalty and bravery of the men of the north and south.

After the address Mrs. J. L. Fleming presented a prize to Joe Moyer for the best essay on the life of Bryan Grimes, leader of the men who gathered here today to pay respects to their dead comrades. She also presented flags to the high school in behalf of the King's Daughters.

After the singing of appropriate selections the gathering repaired to the Teachers College campus where dinner was served by the Daughters of the Confederacy. The veterans apparently enjoyed themselves as they have always done in past years, and rewarded the Daughters of the Confederacy by partaking freely of the dinner and refreshments.

The meeting of veterans at the court house featured in the re-election of Captain J. J. Laughinghouse as commander, W. H. Hyman, vice-commander and R. Williams, secretary. There are about 61 members of the post at the present time living, of which about thirty-two were present at the reunion today. The Confederate reunion at Richmond was called to the attention of the meeting and several members signified their intention of attending.

The following were present today: J. W. Braxton, J. A. Briley, Ivory Corbett, Allen Crawford, Simon Everett, G. W. Eason, J. R. Forbes, W. J. Fleming, G. G. Hathaway, Franklin Jackson, J. T. Jenkins, J. A. Lang, W. R. Munford, Gray Morgan, L. C. Moore, G. L. Moore, Franklin Mc-

SENATOR CAPPER URGES OPERATION OF MUSCLE SHOALS

Declares the Farmer Will be Saved \$125,000,000 Dollars Annually.

MUSCLE SHOALS CAN PRODUCE MUCH HIGHER GRADE OF FERTILIZER

Champions Henry Ford's Offer for Great Nitrate Project in Alabama.

(By Senator Arthur Capper.) Copyright by the International News. Washington, May 10.—My statement in which I said that I believed the American farmer could be saved a hundred and twenty-five million dollars annually in fertilizer bills by proper development of Muscle Shoals has been questioned by some sources.

This country spent three hundred and twenty-six million, three hundred and ninety nine thousand and eight hundred dollars for commercial fertilizers during the year of 1919 according to a census just completed.

The people paid the Chilean trust nearly a billion dollars for products much inferior to what can be manufactured at home. The most important welfare issue now before the country is Ford's offer to take over Muscle Shoals on a long time lease, put the enormous enterprise at work for the people and nation.

This is the best remedy for the present time to combat the high cost of living. The system of agriculture will find a great friend in Ford's purchase of the giant nitrate plant at Muscle Shoals.

GOVERNOR HARDING PREDICTS GREATER BUSINESS OUTLOOK

Tells Birmingham Business Men there is no Room Today for Pessimist

Birmingham, May 10.—Predicting better times ahead Governor Harding, of the federal reserve system in an address before the southern whole sale dry goods association, said there is no room in the United States for the business pessimist.

He said advertising by merchants draw American dollars from their hiding places and operate to drive the depression out of business. The use of printer's ink is one of the greatest stimulants to trade, he said.

There is also every evidence of improvement in all sections of the country. The time to enter business was never better. There is no use in sitting down and lamenting over the past. More time should be devoted to working out the day's problems and when this is done business will be everything desired.

DECLARES BUSINESS HAS LEFT DEPRESSION FAR BEHIND TODAY

New York, May 10.—A nationwide survey of trade shows business has left depression behind, John Egerton, of Nashville, president of the National association of manufacturers announced at a convention of the association there today. He said the advance today is sane and stable. Business is on the upgrade, all branches of industry being represented.

RETAIL PRICE OF FOOD SAID TO BE INCREASING

Washington, May 10.—Further increases in the retail price of food during the month ending April 15th range from five tenths to one percent, and in some instances three percent, the state bureau of labor announced this afternoon.

PROMINENT CHURCH LEADERS WHO WILL ATTEND DES MOINES MEETING

Dr. Edgar P. Hill, Nelson H. Loomis, Dr. William F. Schell, William A. Harbison, Dr. J. S. Mudge, Rev. Henry R. Master.

Des Moines, Iowa, will be turned into a Mecca for church leaders when the Presbyterian General Assembly meets there during the week of May 18 to 25. Prominent ministers and laymen from all parts of the nation will be in attendance. Here are pictured six men who will play prominent parts in the conduct of the assembly. Dr. L. S. Mudge, Stated Clerk of the Presbyterian Church, is the chief permanent official of the general assembly. Rev. Henry R. Master is general secretary of the board of relief and sustenance. Dr. Edgar P. Hill is general secretary of the board of general education. Dr. William F. Schell is secretary of the foreign missions board. William A. Harbison and Nelson H. Loomis are members of the laymen's council, New Era Movement.

OFFICIALS PLAN TO SPRING SURPRISES IN WAR FUND PROBE

Department of Justice Plans Sensation with Indictment of Officials.

(By International News.) Washington, May 10.—The department of justice will soon spring a sensation in the war fund probe by causing the indictment of a number of former government officials, it was stated in authoritative circles this afternoon.

Department officials said the indictments only have been delayed to allow a more searching investigation in order to connect all who have conspired with profiteers to rob the government.

HUGHES DENIES CHARGES THAT UNITED STATES IS SEEKING GAIN IN MEXICO

Washington, May 10.—The state department entered a full denial of charges made by the Nation's New York magazine that the United States is seeking trade and recognition of Mexico for special privileges of Mexico for special privilege of American interest in that country, Secretary Hughes said today. He characterized the statement as absurd in every sense of the word.

WHAT A WOMEN'S CLUB SHOULD BE

To make a club what it should be we first need the co-operation of all the ladies of all the clubs in our town and community. Secondly, a place where all the people interested in the social, moral and political uplift may meet, exchange ideas and discuss places for the betterment of all. The woman's club should stand as a beacon light for up-lift and a guiding star for children.

KINSTON BASEBALL OUTFIT WILL PLAY HIGH SCHOOL HERE

Two Clubs to Clash in final Contest at Fair Grounds this Afternoon.

The Kinston baseball team arrived in Greenville today and this afternoon will play the Greenville high school at the fair grounds. This game promises to be one of the most interesting of the season because of the ten tie which the two clubs ended with in the first game of the season.

Manager Duncan is confident the locals will come out victorious in the game this afternoon as they are in best condition of the season. In fact, it is the first game the boys have participated in since last Friday because of other activities at the school and there is no reason on earth why they should not come out with the big end of the score.

Kinston, however, is equally determined to win and plan to put up a stubborn fight for honors. Both clubs are exceptionally strong, as both are members of the high school league the victory is of more or less importance.

The Greenville high school season will be brought to a close during the present week, and those interested in its showing should turn out to final games in large numbers. The last game in all probability will be played here Friday, and Coach Duncan hopes the public will make it a point of attending in order to strengthen the financial condition of the club. The boys should be given as much encouragement as possible, he declared, as this is necessary to final success.

The Greenville club has made an exceptionally fine showing considering that this is their first season. Each member of the team has exhibited more than ordinary interest in perfecting the organization and

COMMUNITY SING TO BE HELD HERE SUNDAY, MAY 14TH

Arrangements Completed at Meeting of Executive Committee Yesterday.

REV. L. J. PADGETT TO MAKE SHORT TALK ABOUT MOTHERS' DAY

Sing to be Held in The Woods of the Teachers College Mothers' Day.

The executive committee of the Pitt county community sing met in the Red Cross office yesterday afternoon to make final arrangements for the Pitt county community sing to be held at 4:30 Sunday 14th Mothers' Day, in the woods of the E. C. T. College Campus. Members present were Chairman W. B. Brown, Mrs. R. Williams, Mrs. Hugh Rippe, Misses Muffley, Maupin, Hubbard, and A. B. Corey.

The Girl Scouts, leader Miss Corinna Mial, are to be asked to distribute the song sheets. The United Daughters of the Confederacy Mrs. J. L. Fleming, chairman were asked to distribute flowers to all—red for one whose mother is living and white for ones whose mother is dead.

Dr. R. H. Wright will give the invocation and introduce sing leader, J. H. Rose and later the speaker, Rev. L. J. Padgett from Farmville will be asked to make a five minute talk relative to Mothers' Day. Mrs. M. K. Blount is to be accompanist and the famous Ayden quartette composed of E. F. Pittman, leader, G. W. Prescott, L. E. Tennage, Roy Turnage, and Mrs. R. F. Pittman, accompanist, will give two special numbers.

The committee wishes every one to know that the sing sheets were furnished by ads: given by John L. Horne and Co., Youngs, Batchelor Bros., Carolina Bldg. Supply Co., and that the piano is being furnished by S. G. Wilkerson Undertaking Co.

Jim Applewhite was appointed treasurer of the committee. The secretary, Miss Hubbard, reported that Mrs. Claude Grant had finished writing all the letters which went to different sections of the county.

A special part of the grounds will be reserved for the colored people. A special number will be given by their Methodist choir, and as this is to be a Pitt county community sing—every one is asked to make themselves a committee of one to see that every one in the county gets a special invitation.

AMERICAN LEGION TO MEET IN CITY NEXT WEDNESDAY

Regular Meeting of Body to Meet at the Rotary Building at Seven-thirty.

The executive committee of the Pitt County Post American Legion met in Greenville last night. It was decided to have the next regular meeting of the post in Greenville, May 17th, 1922 at 7:30 p. m., at the Rotary Building. The entertainment committee has arranged an attractive program for that night and we are going to have some fun.

Our minstrel committee reported that costumes and all the paraphernalia necessary for the "Minstrel Beauty Show," which will put on soon is arriving daily and that the date will be announced within the next few days. Watch the paper for the date.

There are now about 175 members and the post is growing every day.

This has been an important factor in the final outcome of the season. The Wilson high school will play Greenville here Friday afternoon at four o'clock and this probably will be the final game of the season, unless Coach Duncan should decide upon an extra game.

GREATER INTEREST IS MANIFESTED IN CATHOLIC MISSION

Congregations Continue to Increase at series of Services Here this Week.

The interest in the Catholic mission was manifested by an increase in the congregation which attended last night to hear Father Reginald explain his message from the dead. The message was contained in an inscription seen on some of our old tombstones.

"Remember this as you pass by, As you are now, so once was I; As I am now, so you must be. Be ready then to follow me."

The sermon was an amplification and an application of that warning given by the dead to the living. In his application the preacher remarked that the last line of the inscription was a repetition of the warning often given by our Lord Himself: "Be ye also ready for at what hour you know not the Son of Man will come. He told us to be ready, but did not tell us when, where, or how death would come, because He wished our whole life to be a preparation for death by the devout preacher of His religion.

A sermon in answer to the question! Can a Priest forgive sins has been announced for tonight.

BOARD OF HEALTH BEGINS CAMPAIGN AGAINST SYPHILIS

Physicians of Several Counties to Conduct Campaign to Determine Scope.

(By DR. P. J. CHESTER.)

The Guilford County Medical Society at its last regular meeting invited the North Carolina State board of Health to conduct a campaign in High Point and Greensboro to see to what extent syphilis existed among people not able to pay for the administration of salvation.

Similar invitations have been extended by physicians in Richmond, Anson, Union, Robeson, Duplin, Sampson, Wayne, Lenoir, Craven, Beaufort, Bertie, Martin, Pitt, Wilson, Edgecombe, Halifax, Northampton, Vance, Granville, Person, Iredell and Johnston counties.

Through the co-operation of local physicians who have been behind these demonstrations, surprising and satisfactory results have been obtained. 1991 examinations have been made and 418, or 21 per cent, found to be need of treatment. 1201 treatments have been given. About 50 per cent of these thought themselves to be perfectly well, but the "blood test" which they applied for revealed the hidden truth that they had syphilis.

The intent of the demonstration is to make permanent provisions for treatment for the class of patients who for financial reasons have neglected themselves. The plan is worked out and approved by local medical societies. The idea is being carried out in most counties where demonstrations have been completed.

In Lenoir county much interest has been shown by the physicians and they have co-operated with the local health department in the work. The demonstrations conducted in February found thirty people in need of treatment. The profession saw the great need of continuing the work. Since then over seventy additional cases have been to the clinic run by the physicians and over 700 treatments given. As high as 91 have been treated in one week.

A large percentage of people visiting these clinics are negroes—the people who do your washing, cook your food and raise your children. The above facts seem to be of sufficient interest to demand the attention of everybody in this county.

KNIGHTS TEMPLAR ATTEND CONCLAVE IN WINSTON SALEM

Fifty Members of Bethlehem Commandry Left this Morning on early Train

TO HAVE HONOR OF STAGING OPENING GRAND COMMANDRY

Opening Drill To Be presented by Members of Local Order Led by J. H. Waldrop

Members of Bethlehem Commandry, Knights Templar, left on the Atlantic Coast line passenger train this morning for Winston-Salem where they will be accorded the honor of opening the grand commandry tomorrow. About fifty members of the fraternity from Pitt county were passengers on the two pullmans that were hooked to the early train this morning, and for the next two days they will play an important part in the conclave at the Twin City.

The drill team of the commandry was in splendid order for carrying out the opening drill and will be able to make a fine showing during the two days spent away from home. The team will be in charge of Herbert Waldrop, who had the training of the men in charge the past two weeks. Grand Commander Dunn will take part in the opening exercises, having drilled with the Bethlehem commandry during his recent visit here.

Some eight hundred or more Masons from all sections of the state will attend the Winston-Salem meeting, and indications point to one of the greatest events of its kind in history. The Twin City has been making elaborate preparations for the day and everything no doubt will be in readiness when the grand commandry arrives.

The Bethlehem commandry practically by its initiation is considered one of the finest institutions in the state, and its showing at the conclave this week will give its members even greater prominence. Officers have taken much pride in preparations for attending the state meeting, and it was through their efforts that such a good showing will be made.

URGES AMERICA TO ACCEPT ASSURANCE OF OBREGON PARTY

John Lind Believes this Country Should Arrive at Definite Understanding

(By International News.)

Washington, May 10.—The United States should accept assurances of President Obregon of Mexico at face value and extend immediate recognition to the Mexican government, John Lind, former governor and for more than a year special envoy to President Wilson in Mexico.

Mr. Lind expressed this view today in an exclusive interview granted correspondents of the International News Service.

Secretary of State Hughes and President Obregon have arrived at no definite understanding, though this is no fault of their own, but is the result of inherited difficulties brought about during the Wilson administration.

AYDEN SUNDAY SCHOOL PIC NIC AT PARK

That rupture between England and
France can't afford to be anything
more than imaginary.

Dreams are certainly coming true.
Consider improvements at the court
house and the Norfolk Southern rail-
road tracks on Dickinson avenue.

The Republicans are doing every-
thing possible to put the tariff
through, but they forget the fighting
spirit of Senator Simmons.

The United States will certain
troops on the Rhine until the last of
June. That's right. Better let the
boys get the money before leaving.

Unification of Methodists is being
considered at the conference at Hot
Springs. Unification of most any
denomination might be advisable. It
could do no harm.

Eternal hammering is the price of
success, according to Greenville busi-
ness men who have taken part in cam-
paigns looking to improvement of the
municipality.

The people must pay the tariff, but
the tariff isn't an actuality at the
present fortunately. And if Senator
Simmons has anything to do with it
the matter will be delayed for some-
time to come.

Everybody will be glad when the
new fire truck arrives, as this is an-
other improvement the town is glad
to boast of. Adequate fire fighting
apparatus is necessary to the welfare
and prosperity of every town and
Greenville is no exception.

May day festivities at the Teachers
College were worthy of patronage of
town people, as all attractions of the
school prove to be. College is an ac-
quisition which Greenville couldn't
very well do without, and it is the
duty of everyone to partomize en-
tertainments given from time to time.

Cotton is climbing upwards these
days, and if prices continue like
they've started the farmer will be
able to tide over the tight times.
This is gratifying indeed. There is
nothing to be appreciated to a greater
extent than improvement in prices
of agricultural products. When the
farmer is prosperous the rest of the
country as a rule is the same way.

Manager Guy Smith is offering a
season pass to the person suggesting
the most appropriate name for the
Greenville baseball club this season.
He doesn't like the old-holl weevil
cognomen hitched on to the club last
year, and no one blames him. The
holl weevil evidently had the boys
the first part of the season but when
they changed to Eagles things im-
proved.

Knights Templar of Greenville who
left this morning for Winston-Salem
will have the distinction of opening
one of the greatest conclaves in the
state's history. This is recognition
which the public as well as members
of the local lodge have reason to be
proud of. The lodge is in its infancy,
but the honor of opening the grand
commandary shows they are being re-
cognized throughout the state.

Balloting for directors of the cham-
ber of commerce is now in progress
and members of the organization
shouldn't fail to cast their vote. This
is imperative as everyone should have
something to say when it comes to
selecting the men to direct the opera-
tions of the institution. The cham-
ber is county wide in scope now and
as much interest to people in Ayden,
Farmville, Bethel and Grifton as
Greenville. If you haven't signed
your ballot, get busy and do so at
once.

The campaign to increase the mem-
bership of the Pitt county chamber of
commerce should meet with gratify-
ing success, as this is an institution
in which every individual should feel
special interest. The chamber has

done much for the civic betterment
of Greenville in the past few years,
and it is as capable of performing
public missions today as ever. No
organization however can go forward
as it should without proper support
and to have this support it must have
an influential and large membership.
If you haven't joined get busy and
do so to-day.

BETTER CONDITIONS URGED.

The need for shorter hours, a
minimum wage, and better working
conditions for women are emphasized
in a bulletin, entitled "Women in
Rhode Island Industries," which is
soon to be issued by the Women's
Bureau of the U. S. Department of
Labor, as a result of a survey made
in Rhode Island in the fall of 1920.
One of the pertinent facts set forth
in the bulletin is, that of a group of
10,352 women employed in 70 repre-
sentative stores, factories and laun-
dries in this important industrial
State, almost one-half (45.5 per cent)

had a working week of more than
48 hours. Such a statement is of
particular interest at this time be-
cause of recent legislative failure in
Rhode Island to enact the 48-hour
week bill after its passage in the
survey had proved themselves more
progressive than the State law, by
adopting a schedule of 48 hours a
week or less for women employed in
their plants.

The importance of protecting wom-
en workers in Rhode Island is ap-
parent from certain facts quoted in
the bulletin. About one-third of the
females over ten years of age in the
state were gainfully employed, a
larger portion than in the neighbor-
ing states of Massachusetts,
Connecticut, and New York. Two-
thirds of all the girls between 10 and
20 years of age in the state were wage
earners. Furthermore, about one-
fourth of the women of the survey

who reported on conjugal condition
were married, widowed, or divorced.

The bulletin points out what some
legislators and employers fail to real-
ize, that "the burden of women wage
earners is likely to be double, that of
bread-maker as well as bread-winner
since they perform only their indus-
trial jobs outside the home, but house-
hold duties besides, frequently doing
the cooking, cleaning, washing, iron-
ing, sewing, and caring for the family
before and after their regular work-
ing hours. When these hours are
unduly long the women are unable
to do justice to the job, to the home,
or to themselves, but driven by econo-
mic necessity they must struggle
along under their burdens. If the
energies and health of women, who
are the mothers and future mothers
of the race are broken down, then
the strength and efficiency of the na-
tion are weakened.

LOAN TO LIBERIAN REPUBLIC FAVORED IN UNITED STATES

Senate Urged to Pass Bill So American Influence Will Not Suffer.

By **MARRY L. ROGERS,**
 International News Service Staff Correspondent.

Washington.—The United States must authorize a loan of \$5,000,000 to the Republic of Liberia, or see American influence in that country superseded by Great Britain or France.

This is the view of the American State department, which has earnestly recommended that the pledges made by the United States during the war be kept. Both President Harding and Secretary Hughes have said as much in communications to the Senate, where the proposal for the Liberian loan now awaits action.

The administration is unmoved by outcries in the French press to the effect that the United States is about to establish a protectorate over the "Black Republic." Administration officials admit the traditional interest of the United States in the Republic of Liberia, they point out, was established under the auspices of President Monroe, after whom the capital of Monrovia was named, and which represents the highest ambitions of the American negro.

Liberia is bound on one side by Sierra Leone, British territory, and on the other by the Ivory Coast, which belongs to France. If the pro-

posed American loan is not forthcoming, either France or British interests are said to be ready to advance the necessary funds, provided their respective governments are permitted to assume control over the fiscal affairs of the negro republic.

American Plan Outlined.
 While administration officials shy at the phrase "an American protec-

torate," they freely admit that it is part of the American plan to take up the outstanding indebtedness of \$1,600,000, and to oust the international commission which now supervises the administration of Liberian fiscal affairs. This commission undoubtedly would be superseded by an American commission, which would have absolute direction of Liberian financial affairs.

Such control is regarded as necessary by administration officials, if proper safeguards are to be maintained over the expenditure of funds furnished by the United States. State department experts believe that this loan to Liberia constitutes an investment for the United States, inasmuch as the "Black Republic" is known to be rich in natural resources require only capital for development.

Nobody before ever got so much tire value in the neighborhood of ten dollars.

They never had to question the quality—with the makers of U. S. Royal Cords behind it.

They couldn't help admiring the price—spontaneously made to meet the new economy times.

A tire that would be high value at more than \$10.90.

At \$10.90 it is unapproached.

EDITH HALLOR GIVES THE THREE R'S THAT SHE AVOIDS IN DRESS

Star of New Selanick Picture Comedians Ruffles, Red and Run Down Heels.

"Three R's that I avoid in dress are ruffles, red, and run-down heels," says Edith Hallor, popular screen star who has just completed a new Select Picture, "Just Outside the Door."

"I don't think women should spend all their time thinking about clothes—the world is so full of so many much more wonderful things, but I do think every woman ought to give enough thought to her appearance to formulate a definite clothes policy.

"It's positively appalling the number of pretty women who neutralize their looks by wearing things they shouldn't, and the number of actually homely women who create an illusion of beauty just because they know what to wear.

"I find that I get the best results by wearing shades of blue or brown.

DISCOURAGED AND MISERABLE Virginia Lady So Weak She Could Hardly Get Around—Says Cardui Helped Relieve a Serious Condition.

Ringgold, Va.—Mrs. D. T. Barker of a well known Pittsylvania County family, residing on Route 2, here, says that upon reaching a critical period of her life she was "in a very serious condition."

"I was so weakened until I couldn't get around," Mrs. Barker relates. "I couldn't sleep. I was so blue and out of heart. I had no appetite.

"I would . . . try medicines, and grew weaker and weaker, more out of heart every day. I would get up and try to drag around, and feel so miserable, and creep back to bed.

"My husband bought me Cardui. I thought the first bottle helped me, and when I began the second, I knew it did. I kept it up—each day growing a little stronger, a little more like my former self, and I began to eat and sleep.

"I sure want to tell you that I was up and around like another woman. No more dragging, no more weak and blue feeling. It cured me. I used seven bottles in all."

Thousands of women have suffered as Mrs. Barker describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui. If troubled with womanly ailments.

Take Cardui, the woman's tonic. For sale by all good druggists.—Advertisement.

Don't Be Fooled by "Low Price" Talk

It's typically American to "go the limit." Not so long ago many men wanted to spend all they could for a shoe, just to blow it in. Now they're swung to the other extreme. They want a small price, regardless of anything else. They fail to realize that they're losing money buying cheap shoes, particularly when good shoes can be had at reasonable prices. Pay a fair price and demand your money's worth in return. You can't lose if you do that. We handle shoes of reputation. Such as Stacy Adams, Johnson and Murphy, also several other makes in lower priced shoes. We know how to fit you—thereby eliminating foot troubles. Every desired size in stock. Let us show you.

MANY A NIGHT SHE COULD NOT SLEEP AT ALL

Distressing Stomach Trouble Removed Entirely by Taking Tanlac, And she Gains 58 pounds, says Pittsburgh Woman.

"Before I took Tanlac I had been confined to a sick bed for months," said Mrs. A. E. Chronicle, 1909 Bradford Ave., Pittsburg, Pa. "My stomach was so weak and disordered I could not retain any solid food and I simply suffered agony from gas. I had awful headaches and felt like I would suffocate. My nerves were all undone, and many nights I did not sleep at all. I fell off to only ninety-six pounds, had pains all through my body and was about to give up.

"The way Tanlac has restored my health and built me up is simply astonishing. I weigh one hundred and fifty-four pounds now. All my food agrees with me and I sleep fine. I could not ask to feel better, and all the credit belongs to Tanlac."

Tanlac is sold by Greenville Drug Co., and leading druggists everywhere.
