SEVERAL IMPORTANT MATTERS DISPOSED OF BY ALDERMEN

Will Defray Expenses of Supervisor Who Will Assist in Taking Census; Mr. D. D. Overton Elected Fire Chief

The Board of Aldermen met in regular session last evening with the mayor and seven members of the board present. Several important matters were discussed many of which were disposed of.

An ordinance was passed requiring owners of dogs to have them given the anti-rabies serum inoculation. This step was taken in order to protect the public against the danger of being bitten by rabid dogs.

Mr. J. E. Kittrell representing the Rotary Club appeared before the board and asked that it defray the expenses of a government man who will supervise and assist the Rotary Club in taking a census of Greenville. The board complied with the request.

D. D. Overton was elected chief of the fire department to succeed F. A. Haskins, while S. A. Smith was re-elected assistant chief.

G. A. Clark was authorized to erect a suitable dog pound on the ravine in the eastern part of the city. The present place having become inadequate to meet the demands of the city.

J. L. Wooten was elected to succeed E. B. Higgs as a member of the Water and Light Commission. Mr. Higgs' term had expired and both he and Mr. Wooten were placed in nomination. Mr. Wooten being elected.

Higgs Bros. were granted permission to move the small building on their property on Dickinson Avenue in front of Quinn-Miller and Company Messrs. Higgs stated that it was their intention to erect store buildings on the site.

Mayor Clark read the list of the aldermen of the various committees.

C. W. Schiff appeared before the board in regard to the placing of gutters on east Fifth Street. The petition being in complete in details it was deferred until an adjourned meeting which will be held next Tuesday night.

Youth Confesses Killing His Father Wounding Mother

Parkersburg, Iowa, Aug. 7.—Warren Vandervoort, 17, today confessed that he shot and killed his father, the Rev. Robert J. Vandervoort, Methodist Episcopal minister, here last night. Marshall James Mitchell announced today.

The youth also admitted, the Marshall said, that he shot and wounded his mother when she appeared in the doorway of the pastor's room apparently to investigate the shot that wounded her husband. Then he followed her into the bedroom and shot her again. The boy gave no reason for the shooting. Coroner's inquest is being held today.

Mrs. Vandervoort's only words since she was found this morning about 2:30 a. m., were "Warren, he did it, he did it."

Young Vandervoort was taken into custody about two o'clock after a physician had found him in the Vandervoort automobile, which had run off the highway about two miles from town. The boy told the physician someone had shot his parents and that the murdered man had forced him into take the family car and help the killer escape. Except for a statement that he would make the details the shooting public in a signed confession, the boy has had nothing to say, and has given no reason for committing the crime.

America to Consider Belgium's Share Of Debt First

Washington, Aug. 7.—With early negotiations looking to the funding of the bulk of the remaining \$12,000,000,000 of unfunded foreign debt now a definite prospect, the American Debt Commission is ready to consider first the conditions of repayment of Belgium's share of this total amounting to \$480,000,000.

SCOTT TO EXPIATE FOR MURDER IN THE INSANE ASYLUM

After Being Saved From Noose for Two Times, Jury Returns Verdict That Prisoner is Insane, "Cell Shock"

Chicago, Aug. 7.—In an insane asylum instead of on the gallows Russell Scott, erstwhile Canadian financier, will expiate the murder of a drug clerk in a holdup. "Cell shock," insanity resulting from fifteen months in jail and the ordeal of two narrow escapes from the noose, was the verdict of a jury last night in a sanity test which saved him.

The jurors findings and Scott's removal to the Chester insane asylum today ended a fight for life that probably was the most desperate in Cook county criminal annals. Seven ballots and three hours and forty minutes deliberation were necessary before the jury agreed.

Two times since Joseph Maurer was killed in a drug store office in the hall in April 1924, Scott has faced death. Within the last three weeks a few hours before the death march, Scott was saved once by a week's reprieve and again by a stay of execution on a petition declaring him insane.

Had he been sane, Judge David would immediately imposed a death sentence once more. Even in the asylum Scott faces death on the gallows should he ever be found to have regained his sanity. Warned against a demonstration, spectators and principals greeted the verdict with a dramatic silence. Scott's eyes never left the slip of paper the jury foreman passed to the clerk. His mouth twitched nervously and after the judgment had been entered he was hurried away by guards. His relatives heard the verdict with expressions of emotion, while Jacob Maurer, father of the slain youth, who attended each day of the sanity hearing, was disappointed.

"It's a shameful and disgraceful verdict," added Assistant State's Attorney Harry Pritzker. "Scott is no more insane than any man in the room. They can take life and get away with it. The jurors in this case did not know the first principals of the law involved. They are too ignorant."

KLANSMEN ARRIVE WASHINGTON FOR DEMONSTRATION

By Train and By Motor Klansmen Come From As Far As Texas to Attend Demonstration Saturday

Washington, Aug. 7.—By train and by motor, Ku Klux Klansmen were arriving in the capital from far and near today as the advance guard of the more than 50,000 visitors expected for the Klan demonstration here tomorrow.

Among the early arrivers were a number of high officers of the order who will lend a hand for the arranging for the reception of the big influx of a Klansmen. Meanwhile a Government reservation of 23 acres assigned for a camping place for Klansmen on the outskirts of the city, was rapidly filling up with the arrival of numerous motor car caravans, some coming from as far as Texas.

Washington, Aug. 7.—A parade of 50,000 robed members of the Ku Klux Klan moving down Pennsylvania Avenue from the Capitol to the White House was promised for tomorrow afternoon in final plans made today by headquarters of the organization here. The members walking 16 abreast will start at 3:30 o'clock and will finish their parade in the Parkway near the Washington monument, where telephone amplifiers will be installed to carry the voices of speakers, who will take part in the ceremonies, to all parts of the crowd expected to gather there. Some officers expected the parade to last until midnight. The first arrest in connection with the Klan demonstration occurred today when Thomas L. Aysant, who has been violently assaulting the organization in hand bills he distributed, was taken into custody. No charges were placed against him and he was subsequently released. A Fiery Cross will be burned at the Arlington Horse Show grounds on the Virginia side of the Potomac facing Washington on Sunday night. The Klan declares it will be the largest cross ever burned by the organization.

Points Out Advantages Book Rental System

Fayetteville, Aug. 7.—Professor Harry Howell, superintendent of the Fayetteville public schools, has issued a statement in which he pointed out the advantages of the book rental system which it is planned to put into effect here. "The chief advantages are that this plan saves money for the parent he said, and renders him a more hardworked long and hard to rid its convenient service. At the same time it enables the school to do its work more effectively."

HARD SURFACED ROAD TO STOKES OPEN FOR TRAVEL

Opening of Stokes Road Brings County's Total Hard Surfaced Highways to More Than Hundred Miles

The hard surfaced road to Stokes is now open for traffic, bringing Pitt county's total hard surfaced roads now in use to slightly more than a hundred miles with another additional four miles from Eden to Scuffleton now under construction. With the completion of the Stokes road Greenville has seven hard surfaced highways entering it giving easy access to every section of this and adjoining counties.

With its large number of miles of hard surface roads Pitt county occupies an enviable position in that it has not exceeded its appropriations from the state and on the other hand appropriation of nearly half a million dollars are due the county by the state which funds are to be used for new projects when received. In commenting on the condition of the county from a road standpoint a member of the county board stated that our present roads are behind us and that all future projects must be accomplished without allowing the tax rate to exceed the dollar mark.

The work of surveying the road from Cox's Hill, seven miles from this city, to the Craven county line is now underway and already appropriations for the grading of this project have been made by the county board. It is indicated that within another year this portion of road will be hard surfaced and an effort will be made to get Craven county to pave the portion of the road from Vanceboro to the Pitt county line connecting Greenville and New Bern by hard surfaced roads. The completion of this project will form a connecting link between Rocky Mount and New Bern via Greenville and will afford southbound travel out of Richmond and points north the most direct route to the Coastal Highway.

Gen. J. Van B. Metts Accepts Resignation of Major Bowman

Raleigh, N. C., August 7.—The resignation of Major Wade Vance Bowman, of Hickory, commander of the second squadron of the 109th cavalry of the North Carolina National Guard, has been accepted by Adjutant General J. Van B. Metts. The resignation was offered following Major Bowman's arrest for an alleged assault on a 12 year old girl Tuesday evening, July 28, in an unfinished apartment house in Hickory.

No reason is offered in the resignation for its being tendered. It was understood that General Metts would not take final action in the matter until it had been settled legally, although Major Bowman's troops left without him for summer training at Fort Oglethorpe last week in accordance with orders from General Metts. The case is expected to be fought out in the November term of the Catawba County Superior Court. Until then Mr. Bowman is being held under a \$7,500 bond, a probable cause of assault with intent to commit rape having been found at a preliminary hearing by the City Recorder.

Takes Up Question of Protecting Cattle Tick Infestation

Raleigh, Aug. 7.—Commissioner of Agriculture Graham today announced that he had taken up with the Virginia authorities the question of protecting North Hampton, Herford, Gates and Currituck counties ties in eastern North Carolina against cattle tick infestation of Virginia. The Commissioner recently took the matter up with the Federal authorities and was advised that the question was one within the discretion solely of the states involved. He then communicated with the Virginia authorities asking that they cooperate in affording these North Carolina counties protection. "It's a matter that should have been taken up long ago," the commissioner said today. He pointed out that North Carolina is a more backward long and hard to rid its convenient service. At the same time it enables the school to do its work more effectively."

PITT COUNTY HEALTH DEPT. ANNOUNCES MILK GRADES HERE

Greenville First Town in Eastern Carolina to Announce Milk Grades; Two Dairies in B Class

During the first grading period it was necessary to grade both the dairy farms and the milk from each in accordance with the provision of the Standard Milk Ordinance, which fixes very definite standards for the different grades.

The grades as awarded are based on the individual records attained during the past six months. As quickly as the necessary changes are made, application for a higher grade can be had, and when conditions are found to comply, the higher grade will be awarded. The next formal announcement of all grades will be made about Nov. 1.

The enforcing feature of the Standard Milk Ordinance is that after the work of grading has been completed a label or placard shall be placed upon each bottle, can or package containing milk, showing the grade of the contents, and failure to so label or placard is an indictable offense.

Attention is called to Harvey's and Riverside Dairies, which appear in grade B column. These dairies have conformed to all items of equipment, sanitation and bacteria count for grade A, but were unable to meet requirements for construction of milking barn. In the latter case a bacteria count. However, they will be entitled to regrading at such time as barn is completed.

The list of milk producers is given below according to trade name of the dairy:

- Grade A Milk. Allen's Dairy, Onan Allen, proprietor, Greenville, R. 1; Copeland Dairy, J. C. Copeland, Greenville; Flanagan Dairy, R. C. Flanagan, Greenville, R. 1; Hornes' Dairy, C. O'H. Horne, Greenville; Hines' Dairy, A. P. Caton, Greenville, R. 4; Ross Dairy, C. H. Ross, Bethel, R. F. D. Grade B Milk. Harvey's Dairy, R. L. Thomason, Greenville, R. 2; Riverside Dairy, S. I. Dudley, Greenville, R. 4. All other milk or cream sold in Greenville must be labeled grade D, if it is delivered. A higher grade may be made by complying with the rules for same.

Miss Gertrude Ederle to Attempt to Swim Channel on Aug. 17

Boulogne, France, Aug. 7.—Announcement was made this morning that the attempt of Miss Gertrude Ederle, the American swimmer, to swim the English Channel from the French to the English coast, has been postponed until August 17. Although there was a change in the weather this morning making conditions for a chance to swim none so suitable, Miss Lillian Harrison, the Argentine girl, may still start tonight in accordance with her plans. Arrangements had been made for Miss Ederle to start for the English coast about the same time as Miss Harrison, but she became unexpectedly physically indisposed and her trainer and advisors recommended postponement until the next favorable tide, which is on August 17.

Two White Men Arrested on Charge Manufacturing Liquor

B. A. Braxton and J. T. Oakley, white men, of Winterville Township were arrested Tuesday night by Deputy Sheriff, Whitehurst, D. N. Seymour and C. G. Moore on a charge of manufacturing whiskey and are under bond for their appearance here at the next term of court. The men were arrested at a still which they were preparing for operation. The still was of a 60 gallon capacity and the men had first begun firing same when the officers arrived on the scene. No whiskey was found as the still was not in operation but 120 gallons of beer were poured out.

RANK OF STAR SCOUT AWARDED TO THREE SCOUTS

First Class Scouts Jake Skinner, Edward Thomas and Ray O'Brian First to Reach This Rank of Star Scout

The rank of Star Scout was awarded to First Class Scouts Jake Skinner, Edward Thomas, and Ray O'Brian at Court of Honor held at the local high school last night, these three being the first Greenville Scouts to reach this rank. Several promotions and awards of merit badges were also made. To attain the star rank a Scout must be first class and have passed satisfactory examinations in five Merit Badge subjects. The purpose of the Merit Badge program is to give the boy a practical idea of the various trades and professions that he may be better equipped to choose his life work. At present Merit Badges may be earned in 71 subjects so the field that a Scout may choose from is large.

In addition to the above promotions the following advances in rank and awards of badges were made: Tenderfoot Second class, Glenn Robeson; second to first class, Billy Brown; Merit Badges, Sam Underwood Firemanship, Zack Vanduyke Firemanship, Personal Health, Edward Thomas Firemanship, Cycling, Handicraft, Jake Skinner Firemanship, Public Health, and Cycling. Examiners in these subjects were Firemanship D. L. Cox and Geo. W. Gardner of the local department, Cycling B. P. Skittleharpe and Wyatt Brown, Personal Health Dr. C. O'H. Laughinghouse, Public Health, Dr. C. L. Outland.

The splendid showing made was a fine tribute to the retiring Scoutmaster Victor M. Davis who will leave in a few days to take up his new position with the University of Tennessee.

Hope to Be Able to Recommend a Tax Reduction \$350,000,000

Washington, Aug. 7.—Treasury officials now hope to be able to recommend a tax reduction of \$350,000,000 or even \$400,000,000 to the next session of Congress. Heretofore the understanding has been that \$300,000,000 would be the limit of recommended cuts. The subject of a greater reduction resulted from greater tax receipts this year than had been expected together with a further paring that of last year's budget. A budget of \$3,100,000,000 for the fiscal year of 1927 now is the aim of director Lord of the Budget Bureau, who today began preparing his fiscal program. The total is about \$290,000,000 less than the expenditure for the present year, and on the basis of present figures will be the lowest of any year since the war.

FORMER MAYOR OF HENDERSONVILLE SHOT AND KILLED

Sam Y. Bryson Shot to Death By Bonnie L. Brooks When They Meet After Long Interval

Hendersonville, Aug. 7.—Upon agreement between counsel for the defense, the solicitor, and coroner, preliminary hearing was waived here this morning for Bonnie L. Brooks, barber, who late yesterday shot and killed Sam Y. Bryson, former mayor of Hendersonville in a sensational revolver duel. Brooks was remanded to jail charged with murder in the first degree and will be held without bail for action of the Hendersonville county grand jury.

His twelve year old son, Murray Brooks, was held under \$3,000 bond charged with being accessory to the murder. This bond was made by Charles E. Brooks, Vice President of the Citizens National Bank and an uncle of the boy. Funeral arrangements had not yet been completed today for the victim of yesterday's tragedy. An examination of the body revealed that only one bullet had entered Bryson's body. This entered the left side and penetrated the heart. Witnesses appeared to agree that Bryson had not been shot until he had emptied his own revolver. The slaying yesterday was the result of a feud between the principals which had its beginning on December 26, 1924 when Brooks surprised the Mayor of Hendersonville in his home with Mrs. Brooks. After the case had been aired in court a financial settlement of a suit for alienation of affection was reached and the matter was settled out of court on condition that Bryson leave Hendersonville for two years. He had been away less than half of this time when he re-appeared three week ago and yesterday was the first time the two men had come together.

Bryson had been talking in the Block Filling Station for nearly an hour when Brooks and his son drove up at the filling station in an automobile. They climbed out and with the car between them and Bryson the battle began. No words were spoken between the men. Brooks kept the car between him and Bryson, and after the first two or three shots Bryson retreated behind the tank of the filling station and sought to cover his body. Meanwhile he got out his revolver and returned Brooks' fire. Bryson exhausted his pistol before he fell fatally wounded and others interfered and stopped the battle.

Henderson, Aug. 7.—Evidence gathered by authorities on the scene and testimony of eye witnesses was to be presented when the inquest over the body of Sam Y. Bryson, former mayor of Hendersonville, opened here this morning. Bonnie L. Brooks, a barber of the city, and his twelve year old son, Murray Brooks, were held in the county jail as the result of a gun battle occurring yesterday when Brooks and Bryson met after a three week's interval. Bryson, whom Brooks claimed opened the firing, was killed. The boy was held for alleged participation in the exchange of shots as the result of his joining his father in the shooting after he was handed a revolver by the parent, according to Brook's story to the police.

THE NEW TOLLGATE

Seldom in history has a tax proved so painless to the payers as the gasoline tax, not only in North Carolina, but in the forty three other States that now have such a tax. The motorist public had become so accustomed to fluctuations in the cost of gas that when the tax was added it was looked upon as just another boost but the real reason that the motorist does not complain is that he sees where money is going. He finds better roads under his wheels roads that are maintained with the money that he pays for his automobile license

and gasoline tax, and he is pleased.

When the toll turnpikes began replacing wilderness trails more than a century ago, our great grandfathers were mighty glad to pay the tolls demanded, so obvious were the advantages of the new "pikes" over the old roads. So with today's motorists when he turns on an unimproved cross road into a paved or well maintained soil highway. The contrast is so great that he almost feels thankful for the gasoline tax that makes it possible to keep the state highway in first class condition.

Indeed, the red, blue, yellow, or white pump at the filling station has become the present day toll-gate. However, the motorist of today enjoys two decided advantages that his turnpike travelling ancestors knew not. In the first place, actual saving in fuel, oil, tires, and wear and tear, more than pays the toll, and the added comforts and conveniences are all velvet. In the second place, the toll we pay at the pump is only a fraction of the toll, mile for mile, that our ancestors paid when he halted his team at the tollgate to drop a coin in the cup-on-a-stick thrust forward by the gatekeeper.

It has been estimated by an authority that the tax of four cents per gallon, the North Carolina rate, costs the motorist an average of slightly less than three-tenths of a cent per mile. What motorist is not willing to pay this insignificant amount to have the roads properly maintained and marked so as to make travel both comfortable and safe?

SELF-SUPPORT FOR FEDERAL PRISONS URGED BY OFFICIAL
 Tacoma, Wash.—Lester C. White, superintendent of federal prisons, when here recently to inspect McNeil Island penitentiary, said federal prisons should be made more nearly self-supporting. He pointed out that the population had increased largely in recent years, and that the burden on the taxpayers could be alleviated by the establishment of proper industries.

He announced that a canning plant would be put up at McNeil Island and that the prisoners would raise and can enough vegetables to supply themselves and other government institutions. He added that the prisoners would receive some money for their work and would be taught useful trades as far as possible.

AN OLD ENGLISH BEAUTY RECIPE 'HOWARD'S BUTTERMILK CREAM'

Says It's Nothing More Than Old Fashion Ordinary Buttermilk in the Form of a Wonderful Cream Is Guaranteed by Pitt Drug Co. and All Good Drug and Department Stores

Big Demand Amazes Druggists

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic. The most wonderful thing about it is the fact that while it turns the duldest, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greatness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, crows' feet or lines around the mouth, ugly finger nails, or just a simple roughness of the face, hands

or arms caused by wind or sun, you will find that any or all of these troubles will quickly disappear with the use of Howard's Buttermilk Cream. To prove this to your complete satisfaction, get a small quantity today at your favorite toilet goods counter, at your favorite toilet goods counter, and you will freely return the purchase money should you be dissatisfied.

Here's the Reason WHY

THERE IS AN ESSEX OR HUDSON SOLD IN PITT COUNTY EVERY OTHER DAY

I purchased the first ESSEX SIX COACH shipped to Greenville eighteen months ago, have driven it more than FIFTEEN THOUSAND MILES, have spent nothing for repairs, and sold it today for SEVEN HUNDRED DOLLARS, with service like this it is useless to say that I now have my order placed with The Lang Motor Co., for another ESSEX.

Dr. Wright says, "If I sold my car today I would buy another Hudson Coach. I am now using my third Hudson. I am sure the Hudson is the best car for the money on the market, the repair cost is very small. My family and I have driven our car twelve hundred and one miles with one hundred gallons of gasoline. This is both town and country driving."

MR. ELIJAH MILLS HOST AT BARBECUE DINNER

Mr. Elijah Mills was host on Thursday, at a delightful barbecue dinner, at his country home in Chiod township, having as guests the members of the Greenville Tobacco Board of Trade and a few friends. Mr. Louis Arnold asked the blessing after which the guests were served barbecue and lemonade. The day passed most pleasantly.

LITTLE MISS MARY CATHERINE WOOLARD ENTERTAINS

Little Miss Mary Catherine Woolard daughter of Mr. and Mrs. W. H. Woolard, was hostess on Thursday afternoon to a number of her friends at a delightful party in honor of her fifth birthday.

Upon arrival the guests were received by the hostess and served punch. After all had arrived they were invited to the lawn where several interesting games under the direction of Mrs. Leo Burke and Miss Gladys Nelson were enjoyed.

After the games the birthday cake with its five candles was cut and much merriment ensued. An ice course was served and was greatly enjoyed by the little guests.

The out-of-town guests enjoying the hospitality of the hostess was Misses Florence Woolard and Fannie Spain Holliday, of Dunn, and her grandmother, Mrs. R. D. Woolard, of Everetts.

Mary proved a charming hostess and was the recipient of a large number of beautiful and useful presents.

The guests enjoying the hospitality of the club were Mrs. J. C. Lanier, Mrs. J. K. Young, Mrs. R. D. Harrington, Miss Wilson, Misses Louise Goggins, Margaret Blow, Ruth Andrews and Miss Featherstone.

After the games the hostess served ice cream in cantaloupes.

DELIGHTFUL CONCERT GIVEN AT EASTERN CAROLINA T. COLLEGE

A delightful concert was given last evening in the auditorium of the East Carolina Teachers College by Mr. Edwin Swain, Baritone, accompanied by Miss Mary Bertolet at the piano.

Among the most popular selections were "Lungi Dal Caro Bene" by Secchi; "The Song of the Flea," by Moussorgsky; "Mandalay," and "Morgen," by Strauss, which carries with it a piano solo which was rendered beautifully by Miss Bertolet.

Although Mr. Swain was born in Florida, reared in Indiana and now lives in New York City, he traces his ancestry back to a close proximity to the North Carolina Swains, and especially Governor David L. Swain.

"SINNERS IN SILK," LATEST JAZZ FILM, COMING HERE NEXT WEEK

"Sinners in Silk," a Metro-Goldwyn picture, will come to White's Theatre next week. This picture is described as something new in the way of jazz stories. It concerns not only the younger set getting older, but also the older set getting younger. The rejuvenation theory of Dr. Steinach, the famous Viennese specialist, is the foundation of the plot. In the picture an elderly man, not far from death's door, takes the treatment and enters the world of pleasure in which the younger set of today is surrounded.

Hobart Henley, whose directorial accomplishments are well known to photoplay followers, handled the megaphone for "Sinners in Silk." It is his first production since coming under the banner of Metro-Goldwyn, and the first feature to be completed at the Culver City Studios since the merger of the two companies.

Menjou Plays Roue. The role of the roue of other days who becomes a jazz enthusiast of the present is played by Adolphe Menjou, whose characterizations have become a by-word for suavity, finish, and humor. According to all advance reports, he has his biggest opportunity yet in "Sinners in Silk."

MR. L. J. SMITH MOVES OFFICE TO EAST FOURTH STREET

Mr. L. J. Smith, has moved his insurance and real estate office from Evans street to east Fourth street, with Mr. W. B. Wilson.

LOCAL WILFORD IN THE HOSPITAL SUFFERING FROM BROKEN LEG

Jack Wilford, of Farmville, is in the Pitt Community Hospital suffering from a broken leg. The accident happened while he was loading ice. He would be glad to have his friends in the city call to see him, especially his school mates.

Delivers Address On Significance of Pan-Americanism

Williamstown, Mass., Aug. 7.—The significance of Pan-Americanism was

the subject of an address at the Institute of Politics today by Dr. Leo S. Rowe, director general of the Pan-American Union in Washington. Dr. Rowe said his views were purely personal and did not express the official viewpoint of the 21 Governments belonging to the Pan-American Union. "Pan-Americanism," Dr. Rowe said, "is an attempt to develop a continental system based on co-operation and community interest, a system from which fear of aggression has been eliminated, and in which physical power is not the dominating influence. The Monroe Doctrine is essentially negative, a series of prohibitions whereas the Pan-American system must be based on positive constructive principals.

The most important of these will accept all the principals of non-aggression, not further territorial acquisition either by means of war or under the threat of war, and judicial settlement of international disputes. The permanent organ of this system is the Pan-American Union."

Edgecombe County Game Law Is Now in Effect

Rocky Mount, Aug. 7.—The Edgecombe county game law, passed at the 1925 session of the General Assembly, and made contingent upon the approval of the board of county commissioners, has been given proper approval and is now in effect.

Under the provisions of the act, hunters must secure special licenses.

VARICOSE VEINS

If you or any relative or friend is worried or suffers because of varicose veins, or bunches, the best advice that anyone in this world can give is to get a prescription that literally hundreds of people all over the country are using with complete satisfaction.

Simply ask your druggist for an original two-ounce bottle of Emerald Oil (full strength) and apply night and morning to the swollen, enlarged veins, rubbing gently upwards and towards the heart as blood in the veins flows that way. Soon you will notice that they are growing smaller and the treatment should be continued until the veins are of normal size. Emerald Oil is a powerful, yet harmless germicide and results are guaranteed by Pitt Drug Co., and all good druggists.

RHEUMATISM Leaves You Forever

James H. Allen, of 26 Forbes St., Rochester, N. Y., suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allantoin, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers.

"The blessed relief this marvelous prescription quickly gives has made for it thousands of friends," says Pitt Drug Co., who has been appointed agent in your city. "If you live out of town ask Mr. Allen to send you full particulars.

Sciatic Neuritis

The sciatic nerve, situated at the back of the hip joint is frequently the subject of Neuritis, giving rise to the painful disease Sciatica. The symptoms are intense pain which shoots down the thigh to the foot, often aggravated by walking, and with painful points along the course of the nerve, very tender to the touch.

The disease is a very obstinate one and does not readily respond to ordinary treatment. It takes more than the usual pain sedative even to alleviate the pain.

The quickest, safest and surest way to get rid of the persistent nerve racking pains of Neuritis is to get a bottle of Allantoin Special Formula No. 2, which comes in capsule form. Take them as directed and notice how in about 24 hours they have considerably reduced, if not entirely banished, all pain and soreness. Continue until the Neuritis has entirely disappeared and you are able to work and rest in comfort once again. Pitt Drug Co. keeps this special formula No. 2 in stock all the time and sells lots of it.
