PASSENGER TRAIN DERAILED TWENTY REPORTED KILLED

From Twenty-Five to Thirty Are Injured When Train Is Derailed and Rolls Down Embankment; Relief Train Rushed to Scene

Memphis, Tenn., Oct. 27.—(AP)—Twenty dead and more than 30 injured is the known toll taken when the Sunny Land fast St. Louis and San Francisco passenger train left the rails today near Victoria, Miss., and tumbled into a tangled mass down a 40 foot embankment. At least 20 persons were killed outright or died before relief trains could reach the scene, and probably twice that number were injured. The train traveling about fifty or sixty miles an hour apparently spread the track about 300 yards from the station and about 200 feet from a 40 foot trestle. The engine cleared the trestle, as did the first baggage coach and the engine did not leave the track. Three coaches and pullmans made up the train. All of the coaches except the last pullman rolled down the 40 foot embankment. The three day coaches were a tangled mass of wreckage. One of them dived headlong into the clay bank by the side of the track and the others rolled to the bottom, jamming together and piling the occupants in the top and ends of the cars. Few of the passengers sleeping in the last three pullmans suffered many injuries and if any, these who directed the rescue work and first aid before relief trains arrived.

Memphis, Oct. 27.—(AP)—Sixteen persons were killed and between 25 and 30 injured when the Sunny Land fast St. Louis and San Francisco railroad train south bound from Birmingham to Kansas City was derailed near Victoria, Miss., today, according to official report received shortly before noon at the office of the railroad here. About ten persons are reported killed and from fifteen to thirty injured when a Frisco passenger train number 108 north bound from Birmingham to Kansas City was derailed today near Victoria, Miss., about forty miles south of Memphis. Only meager reports had been received here up to nine o'clock, about two hours after the accident. The train was reported to have derailed and rolled down a steep embankment. At the office of the railroad here it was stated no definite report as to the number killed and injured had been received. Relief trains were sent from Memphis and physicians and nurses were hurried from other points to the scene of the wreck.

Drought Situation in Gaston County Continues Serious

Gaston, Oct. 27.—(AP)—From the standpoint of the cotton mills, the drought situation in Gaston county continues serious. Gaston county mills are still running less than three days a week, due to the water shortage. The little rain that has fallen in this county has not produced any appreciable effect on the after situation. Only continuous and heavy rains for several days will have any real effect toward relieving the situation, officials say. The mill owners are said to be beginning to feel the pinch of the drought. It is pointed out that New England mills, idle for several months, are now running full blast, but the mills in this county are forced to stand idle half the time. Mills served by the Southern Power Company are running every hour allowed them up to midnight Saturday night.

3,000 PRIESTS TO HELP 10,000,000 NEW VOTERS Tokyo.—Japan's newly enfranchised citizens, amounting to about 10,000,000 who were given the right to vote by the universal manhood suffrage law passed by the last session of the Diet, are to be instructed in their duties as voters by 3,000 priests. The Nishi Hongwanji, a Buddhist temple in Kyoto, is training the priest who will join in a campaign to teach the populace the full meaning of the suffrage law.

Sues Over Double Chin Photo

Beryl Halley, stage beauty of New York, feels there is due her \$75,000 from a facial specialist. Beryl charges her name appeared under photographs "before and after," one showing her with a double chin, something, she says, she never carried.

COUNCIL ORDERS GREEK FORCES TO LEAVE BULGARIA PREMIER PAINLEVE AND HIS CABINET RESIGNED TODAY

Edict of Council of League of Nations May Lead to Naval Demonstration if No Obeyed; All Hostilities Ordered to Cease

Paris, Oct. 27.—(AP)—A naval demonstration before Athens is possible should the government of Premier Pangalos decline to bow to the edict of the council of the League of Nations that it must cease all hostilities and remove the Greek forces from Bulgarian soil. The council hopes and believes that the Greek Government will accept the decision but it learned in authoritative circles today that the advisability of the naval blockade has already been discussed privately. Although M. Carapanos, the Greek Minister, told the council today that both Greek and Bulgarians had reached a direct accord through the good offices of Roumania to suspend hostilities and retire behind their frontiers, the Bulgarian representatives declared they had no confirmation of this report. Indeed M. Morloff, speaking for the Sofia government, informed the council that a direct intente with Greece was impossible because of Greece's persistent refusal to listen to Bulgaria's repeated offer to appoint a joint commission to inquire into the border trouble. M. Morloff said the latest dispatches from Sofia showed that up to yesterday the Bulgarian losses were 48 killed or wounded. There was a possibility also of other victims whose names were unknown.

Three Durham Girls Chosen Officers of Freshman N. C. C. W.

Greensboro, Oct. 27.—(AP)—Three Durham girls, Misses Margaret Teague, Virginia Kirkpatrick, and Marie Rich, were recently chosen officers of the freshman class at the North Carolina College. Miss Teague was made secretary of the class, Miss Kirkpatrick, treasurer, and Miss Rich, cheer leader. The class had previously elected other officers.

PIANO NO LARGER THAN TYPEWRITER TO BE SOLD FOR \$30

Moscow.—A piano no bigger than a typewriter, with a register as big as a concert grand, is the latest invention of a Russian. Experts of the Government Institute of Music have examined the instrument and declared it the equal of first-class grand pianos. It weighs about 30 pounds, has a keyboard of four banks, and may be mastered for simple playing in three months. If produced in wholesale quantities its price would be about \$30, according to estimates of the Institute of Music.

JUDGES SELECTED TO GREEK GOVERNMENT MAKE FINAL COUNT ORDERS ITS FORCES AND DECIDE WINNERS TO LEAVE BULGARIA

Workers Run Neck and Neck With Close of Automobile Campaign But a Few Hours Away; Strong Finishers Will No Doubt Win Leading Awards

The following gentlemen will act as judges at the close of The Reflector Campaign, making the final count and awarding the prizes: F. J. Forbes, Cashier National Bank of Greenville. J. H. Waldrop, Ass't. Cashier, Greenville Banking and Trust Co. J. M. Short, Cashier, Farmers Bank of Greenville.

Everything is all set for the close of the Reflector's great circulation and prize campaign on Thursday night at eight o'clock sharp. The judges are selected and announced and the ballot box will be installed in the office of the campaign manager Thursday morning ready for what reserve votes you may have on hand, and you must have these votes in the box before the stroke of eight Thursday night. The ballot box will be locked and sealed and the keys turned over to the judges to be opened by them at close of the campaign. What votes are found in the box plus total number of votes appearing to your credit in the paper will be your final standing.

Bids for Part Tax Reduction Mellon Continue Pile Up

Washington, Oct. 27.—(AP)—Bids for portions of the treasury's \$300,000,000 tax reduction Mellon continued to pile up before the House Ways and Means Committee today. Tax payers representing various interests sought relief from the special levies, a majority of them pressing for repeal of the taxes in the Revenue measure which the committee will start drafting next week. With today's appeal the committee now has been asked to repeal almost every miscellaneous tax now levied, a program which would mean a reduction of probably several times the total of \$300,000,000 recommended by Secretary Mellon. He suggested that \$140,000,000 of this be allotted to a reduction of the income taxes.

Says County Needs A More Extended Knowledge Politics

Birmingham, Ala., Oct. 27.—Commemorating the birth of Theodore Roosevelt at a Southern Republican League in annual session here today launched the first concentrated movement ever attempted to break sectional, one body government. Along broad lines, the convention whose members came from the great tier of states from Arizona to Virginia set out "to promote and advance" the economical, educational and cultural interest of the people as well as to teach that it is "no less politics but a more extended knowledge of politics" that the country needs today.

Says City of Rome Traveling 10 1-2 M. Time of Collision

Boston, Oct. 27.—(AP)—The City of Rome was traveling at about 10 1-2 miles an hour at the time of the collision with submarine S-51 on the night of September 25 when the submarine sank with 33 men. This was the testimony of Chief Engineer William Bell, at a resumed hearing today of the Naval Board of Inquiry investigating the sinking of the S-51.

Resolution Condemns Teaching Evolution in Baptist Church

Gastonia, Oct. 27.—(AP)—Resolutions condemning the teaching of evolution and favoring election of school trustees of Baptist institutions by the Baptist State Convention, directly, were adopted recently by the Gaston County Baptist Association, meeting here. The resolution, offered by Rev. J. J. Beach, pastor of the Cherryville Baptist church, was unanimously adopted. The resolution known as "that on evolution" read in part as follows: "We affirm our belief in the proposition that the trustees of all schools fostered by our Baptist State Convention should be elected by the convention and thus be amenable to the convention and through it to the Baptist people of our state."

LOCAL TOBACCO MARKET AVERAGED \$35.92 MONDAY

According to official figures given by Secretary K. W. Cobb, the Greenville tobacco market on yesterday averaged \$35.92, the highest average since the war. The market sold during the day 621,862 pounds for \$223,385.96.

Hist! Watson!

LOCAL HOSPITAL ON APPROVED LIST

Pitt Community Hospital One of Twenty-nine Unqualifiedly Approved in State by American College of Surgeons

Greenville, Pitt County and the whole of eastern North Carolina has every reason to be proud of the Pitt Community Hospital. Because it has again been unqualifiedly approved by the committee on Hospital Standardization. The Pitt Community Hospital, Greenville, N. C., is one of the twenty-nine hospitals unqualifiedly approved in North Carolina by the American College of Surgeons. The list of approved hospitals is the result of the annual hospital standardization survey made by the American College of Surgeons for the year 1925. Out of the 2395 hospitals examined into by the American College of Surgeons in the United States and Canada only 65.7 per cent of such hospitals met the American College of Surgeons' necessities for standardization.

Says County Needs A More Extended Knowledge Politics

In the State of North Carolina, out of 49 hospitals surveyed, 29 or 59.2 per cent met the requirements of standardization. The Pitt Community Hospital being one of these. The hospitals approved by the American College of Surgeons have shown that they are fulfilling the most modern requirements for satisfactory service to sick people. That such hospitals have an efficient staff organization; adequate laboratories therapeutic and diagnostic facilities; trained personnel, complete case records, a system of complete checking up of case records and of study of the clinical work of the hospital. Among the hospitals in the state approved by the American College of Surgeons, are the Pitt Community Hospital, Greenville; City Memorial Hospital, Winston-Salem; Rex Hospital, Raleigh; St. Leo's Hospital, Greensboro; Watts Hospital, Durham; A. C. L. R. Hospital, Rocky Mount; Biltmore Hospital, Biltmore; High Point Hospital, High Point; Highsmith Hospital, Fayetteville; Lawrence Hospital, Winston-Salem; Lincoln Hospital, Lincolnton; Long's Sanatorium, Statesville; Marti Memorial Hospital, Mount Airy; New Charlotte Sanatorium, Charlotte; Orthopedic Hospital, Gastonia; Park View Hospital, Rocky Mount; Pittman Hospital, Fayetteville; Rutherford Hospital, Rutherfordton; Bullock Hospital, Wilmington; Cumberland General Hospital, Fayetteville; Richard Baker Hospital, Hickory; Wesley Long Hospital, Greensboro.

Resolution Condemns Teaching Evolution in Baptist Church

Gastonia, Oct. 27.—(AP)—Resolutions condemning the teaching of evolution and favoring election of school trustees of Baptist institutions by the Baptist State Convention, directly, were adopted recently by the Gaston County Baptist Association, meeting here. The resolution, offered by Rev. J. J. Beach, pastor of the Cherryville Baptist church, was unanimously adopted. The resolution known as "that on evolution" read in part as follows: "We affirm our belief in the proposition that the trustees of all schools fostered by our Baptist State Convention should be elected by the convention and thus be amenable to the convention and through it to the Baptist people of our state."

Autos Not Be Parked on Wilmington Streets Between 1 and 6 a. m.

Wilmington, Oct. 27.—(AP)—Autos may not be parked on any paved or improved street in Wilmington between 1 and 6 o'clock a. m. This rule is that adopted as an ordinance of the city, declared to be in the interest of public safety. One object of the ordinance, it is said, was to make more effective the work of the newly purchased motor pick-up sweeper while it is doing its cleaning job in the early hours of the day, unoccupied street.

NEGRO ATTACKS ON WHITE WOMEN STIRS ASHEVILLE

Preston Neely Identified as Assailant by White Woman Carried Out of City to Prevent Mob Violence

Asheville, Oct. 27.—(AP)—Asheville was quiet today after its second mob demonstration within five weeks. Preston Neely, 23, arrested here late yesterday afternoon and identified by a white woman as the negro who committed an attack upon her last Thursday, was reported safe in a jail somewhere east of Asheville after vigorous attempts had been made last night to locate the negro and visit mob punishment upon him. Reports received here early today from Charlotte that Neely had been taken from the automobile, in which he was being carried away from Asheville, somewhere between High Point and Greensboro, were discounted by Sheriff Mitchell, of Buncombe county. Without disclosing where the prisoner is now located the sheriff said he had messages assuring him that Neely is now safe in jail and that the officers were not molested during their frantic drive to carry the prisoner away to safety last night. Neely was arrested here yesterday afternoon about 4:30 o'clock after he had been seen in a local store by his victim. The woman followed him from the store to the post office where she called an officer and informed the policeman that the negro was her assailant. The officer followed the negro and later arrested him. Shortly after dark crowds began gathering and these reached large proportions in front of the court house. Some of these visited the county jail where they were allowed to make an inspection and no trace of the negro was found. While this was in progress crowds on the streets were said to further indignation by reports of another attempted attack on a white woman by a negro. LeRoy Reeves, ex-convict, was arrested on complaint of a white woman and when the mob made a gesture against this negro they were outwitted by the officers, who would not permit the woman to identify the man last night. Reeves was convicted in police court today of annoying a white woman and was sentenced to serve two years on the county chain gang.

Four Trainmen Are Injured When A. C. L. Train Is Derailed

Sumpter, S. C., Oct. 27.—(AP)—Four trainmen were injured, two probably fatally, when Atlantic Coast Line train No. 35 bound for Augusta was derailed early today one mile south of Lone Star near here.

Home Coming Day To Be Celebrated At Davidson Oct. 31

Davidson, Oct. 27.—(AP)—Following the annual custom of having the Home Coming day here for Davidson graduates at a time when a college football game is scheduled, this year's celebration will be held here on Saturday, October 31, when Davidson plays N. C. State on Davidson ground. Plans are also under way for the N. C. State-Davidson cross country race to take place between halves of the game on Saturday. Athletic authorities are making arrangements to handle a crowd equally as large as that which last year witnessed the Carolina-Davidson game. Approximately 6,000 were present for last year's game.

THE INDUSTRIAL SOUTH

The New South Which Dr. Frank Bohn describes in another section of today's Times is the industrial South. Florida is not in his picture, the Florida where men by converting leagues of sand and swamp into winter resorts and modern cities have amassed great wealth in a few years. The industrial South has had a slower growth, but of late its developments seem to have come with a rush. People forget that the foundation of the Florida expansion was laid many years ago by farsighted Northern capitalists, who only now are receiving their reward. Miami, for instance, is a flourishing city and promises to be a metropolis. Skyscrapers and institutional buildings have risen from its sands, but it is not the wand of magician that has worked the transformation. Practical men with long purses have wrought the change. The New South has risen from the ruins of the war between the States, which left the partisans of the Lost Cause only the natural resources of their country. Of money they had none, and credit, founded upon labor, was of painfully slow growth. The turn of the wheel has brought them a wonderful prosperity, which is reflected in the earnings of the Southern railroads.

The industrial South sweeps from Danville, in Virginia, to Birmingham, in Alabama. Its area is less than 50,000 square miles. For most of its length, extending through five states, the Blue Ridge looks down upon it, sending many rivers to the sea, which will be the source of inexhaustible electric power. The industrial South is built upon cotton, steel and tobacco, the raw material and the manufactured products. Massachusetts is still the foremost cotton factory State, but North Carolina has worked into second place, South Carolina into third. The largest cotton factory in the world has just been built at Danville. La-

bor is cheaper in the South because housing and food and the raw materials that enter into manufacture are cheaper. Dr. Bohn says that "a wage of two dollars a day in Southern Piedmont is equivalent to at least four dollars a day in New England." That is one reason why the cotton industry is moving from New England to the South. In 1923 the number of operatives in the cotton mills of Massachusetts was 113,707; the total for North Carolina, South Carolina and Georgia was 190,567. Wages were much lower in the South. The average income of a worker in the Massachusetts cotton mills was \$1,012, while the South Carolina operative received \$650. Nevertheless, "the purchasing power of the yearly wage gives an "advantage to the worker in the South."

Birmingham, the steel city of the South, has doubled its population between 1910 and 1920. Alabama has become the third iron and steel state, displacing Illinois. At its door Birmingham has all the coal it needs for manufacturing. In tobacco products the North is still in the lead, but the South is steadily closing the gap. North Carolina is first in the value of tobacco products. The water power resources of the industrial South greatly exceed those of the North. In the Blue Ridge, Great Smoky Mountains and the Cumberlands rain clouds are constantly gathering, and hundreds of streams rising in their gorges carry the precipitation down to the lowlands and the sea. At Horse Cove the average yearly rainfall is ninety-six inches, at Highlands ninety-one. Incalculable electric power can be provided to factories in the industrial South. It enjoys the benefit of cheap bituminous coal. The industrial South promises to be more and more a white South, for the negro is not mechanical. With a climate like that of Italy, but blessed with resources which Italy lacks, the industrial South faces a prosperity to which no bounds can be set. It is a theme not only for the economist, but for the historian, this transformation of a people who lost the great Civil War and found themselves.—N. Y. Times.

Scientists inform us that we must wait 200 years to learn whether Mars is inhabited. What's it to be—a surprise?

It's funny, five or ten dollars will buy a good book on history which cost billions of dollars to make.

It is reported that the younger generation is divided over the question of whether corporal punishment should be inflicted upon parents.

Another Lady Tells Us Her Experience With Farbo—

"My husband swore every time I asked him to kalsomine my walls. Said it was all the time coming off on his dark suit. Last Spring his paint man recommended Farbo, and, just as he said, we all found that Farbo, won't rub off."

For white wood work use Farboil Enamel Paint.

Many Greenville Folks Have Felt That Way

Feel all out of sorts? Tired, achy, irritable? Back lame and stiff? It may be the story of weak kidneys. Of toxic poisons circulating about upsetting blood and nerves. There's a way to feel right again. Help your weakened kidneys with Doan's Pills—a stimulant diuretic. Doan's are recommended by Greenville people: E. M. McGowan, grocer, 1101-2 5th St., says: "A cold settled on my kidneys and I felt stiff and lame, mornings. There was a steady ache across my back and I usually felt tired before the day was over. When I did any bending and then tried to straighten, dizziness came over me. I got Doan's at the Greenville Drug Co. and after using two boxes, I was rid of the trouble." One, at all dealers: Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Good Health, Good Looks

MRS. J. E. HENDERSON

"For about five years I was in very poor health brought on thru a nervous breakdown," said Mrs. J. E. Henderson, who resides at 423 S. Columbia St., Gastonia, N. C. "I lost in weight, got very thin and almost too weak to get around. I could not sleep or get any rest, had no appetite, was completely worn out and suffered so with my head that I would nearly go mad. I had backaches and pains in my side. I doctored and took medicine but it was Dr. Pierce's Favorite Prescription that finally restored me to health. It was worth hundreds of dollars to me, for it made me a well woman. I gained back my weight and have enjoyed the very best of health since."

You should obtain this famous Prescription now at your nearest drug store in tablets or liquid, or send 10c to Dr. Pierce's Invaluable Hotel in Buffalo, N. Y., for trial pkg. Write for free medical advice.

Is There Anyone in a Better Position to Tell You About the Quality of a Dodge Brothers Car Than the Owners?

Is There Any-one in a Better Position to Tell You About the Long Life and Low Up-Keep? If YOU Know of Any Car That Will Last Longer and Cost Less to Keep Up, BUY IT, That is Common Sense and Good Judgment. Ask These Owners Who Have Recently Purchased a New Dodge Product:

J. W. Holes, Farmville; J. A. Applewhite, Greenville; J. M. Doughtie, Greenville; A. M. Kaltman, Rocky Mount; F. R. Elmore, Greenville; S. L. Cox, Greenville; M. M. Mills, Greenville; G. E. Moore, Farmville; Ben Carr, Greenville; John Johnson, Farmville; W. S. Williams, Greenville; Monroe Cammeron, Farmville; J. M. Hill, Greenville; L. H. Moss, Greenville; W. L. Patrick, Greenville; S. Evans, Fountain; M. H. Tucker, Snow Hill; F. M. Park, Greenville; Bryan Ellis, Winterville; G. A. Ayers, Williamston; John M. Short, Greenville; Mrs. R. W. King, Greenville; M. F. Jolley, Greenville; J. N. Woolard, Farmville; W. C. Jones, Farmville; Geo. D. Moye, Winterville; K. R. Rowe, Greenville; Jim Simons, Bethel; C. B. Jones, Farmville; R. A. Joyner, Farmville; R. W. Moore, Farmville; J. B. Jolley, Ayden; M. R. Carr, Farmville; M. B. Lipscomb, Farmville; R. O. Lang, Farmville; Mr. Horton, Mayor of Farmville.

IF THERE IS A SINGLE DISSATISFIED OWNER WE DON'T KNOW IT, AND IF THERE IS WE WANT TO KNOW ABOUT IT. COULD WE OFFER BETTER PROOF OF DODGE QUALITY.

USED CARS

Junk cars we sell at junk prices. Our re-built cars are guaranteed. To prove this, could we do better than to refer you to those who have bought used cars from us? Don't we know that it is just as necessary to build up a reputation for selling good used cars, as new ones? Ask the owners:

E. D. McDowell, Greenville; J. H. Hawkins, Greenville; H. M. Stokes, Ayden; F. E. Applewhite, Greenville; H. B. Bunn, Wilson; Charlie Anderson, Winterville; B. H. Manning, Ayden; Claude Carter, Ayden; Mr. Freeman, Farmville; C. R. Mills, Winterville; Henry Peaden, Tarboro; C. A. Stokes, Greenville; Dr. B. McKay Johnson, Greenville; Simon Smith, Morehead City; Lonnie Mills, Winterville; D. G. Bryant, Greenville; A. J. Britt, Williamston; J. H. Heath, Greenville; Sam Horne, Greenville; J. A. Mills, Greenville; J. C. Cherry, Rocky Mount; L. H. Moss, Greenville; Dr. E. C. Hargett, Ayden; E. P. Pippin, Farmville; F. L. Thomas, Farmville; B. M. Lehw, Greenville; J. H. Johnson, Greenville; Fred Austin, Greenville; Hayord Hunt, Greenville; R. A. Parker, Farmville; J. W. Lovick, Greenville; O. L. Tyson, Farmville; Ben Carr, Greenville; E. R. Bryson, Greenville; J. A. Van Wagenen, J. C. Reives, Greenville; O. A. Teel, Greenville; Elles Nassar, Greenville; J. H. Gray, Greenville.

There are three reasons why our Used Cars are the lowest priced. First, We don't trade them in too high. Second, We figure to let them go at practically cost. Third, Our over-head expense is low, low rent, no high priced employees. We do all our own work. We fully expect some of our business policies, even methods of advertising, to be copied. We don't mind, it brings out individuality, and distinction. Ask both the owners of our new and used cars, if we are right and you approve of our business policies, then do business with us, if not—Don't.

North Car. Carrying On Victorious Fight Against Tuberculosis

Raleigh, Oct. 26.—(AP)—North Carolina during the past 10 years has been carrying on a victorious fight against the ravages of tuberculosis.

While there were 2701 deaths in this state from the disease, in its various forms, last year—nearly one for each 1,000 population and despite the fact that that figure, being higher the number for 1923, is discouraging to those interested in seeing the disease brought under control, a comparison of figures for the past 10 years show that there is a gradually decreasing number of deaths in this state from tuberculosis, and an even larger decrease in the ratio of deaths in comparison with population.

The figures compiled by the bureau of vital statistics of the State Board of health show that the total number of deaths in this state from tuberculosis in all forms decreased from 3,710 in 1915 to 2,545 in 1923. The figures also show that the number of deaths per 100,000 population dropped from 156.4 in 1915 to 94.7 in 1923.

In 1914 there were 3,260 deaths in North Carolina from tuberculosis, or 139.3 for every 100,000 population. The next year, 1915, showed a big increase, both in the number of deaths and in the rate per population. The total number jumped to 3,710 in 1915 and the number for each 100,000 population to 156.4.

Since 1915, there has been a steady decline, both in the total number of deaths and in the rate of deaths from tuberculosis for each 100,000 population. The decrease continued steadily, each year, through 1923, but last year showed an increase.

The total number of deaths from tuberculosis in 1923 was 2,545, as compared with 2,701 an increase of 156 in 1924. The rate per 100,000 population increased from 94.7 in 1923 to 99.1 in 1924.

Commenting on the death rate in North Carolina from tuberculosis, Dr P. P. McCain, superintendent and medical director of the North Carolina Sanatorium for the Treatment of Tuberculosis, at Sanatorium, gives an explanation of the high rate in this state. His statement, also, may partially explain the increase in tuberculosis deaths last year although he does not refer to that.

He points out that there are tuberculosis patients from all over the United States at the government hospital at Oteen, and further:

The death rate from tuberculosis in North Carolina is also considerably higher than it would be were it not for the number of deaths in this government hospital, and on account of the large number of deaths in Western North Carolina, due to the fact that it is a tuberculosis resort for people from all over the United States."

STOCKHOLDERS OF GREENVILLE COTTON MILL.

There will be a stockholders meeting of all holders of stock, common and preferred, of the Greenville Cotton Mills, in the office at the plant on Friday, October 30th, at 10:00 A. M. It is absolutely essential to the interest of every stockholder that each share of stock be represented in person or proxy and that each stockholder bring or send to this meeting their certificate of stock both common and preferred. The common stockholders must also pay in ten 10 per cent assessment at this time.

It is needless to say that if this is not attended everyone will suffer a total loss of stock and a heavy loss to endorser. A disregard of this notice will have a serious result.

This October 26th, 1925.
GREENVILLE COTTON MILLS,
27 St J. G. Moye, Vice-President.

The Woman's Federation will meet Wednesday afternoon at 2:30 o'clock in the Methodist Church. A large attendance is desired.

MR. AND MRS. L. O. COX ENTERTAIN.

Grifton, Oct. 27.—At the spacious and palatial home of Mrs. L. O. Cox, last evening the witches did their worst, the black cats screamed their loudest, owls hooted their loudest, while the bats meantime were not idle. Mesdames L. O. Cox, C. T. Gardner and R. C. McCotter had invited the faculty of the Grifton public school to the home of Mrs. L. O. Cox, where the witches were to do their worst. The teachers dared fate. The residence of Mrs. Cox was artistically decorated for the occasion. Behind the grinning features of the numerous pumpkins gleamed the mellow, witchy candle's light. Jack O' Lanterns helped to create an atmosphere of mysticism, while here, there, and everywhere were witches, owls, bats and cats.

Delicious iced drinks and sandwiches were served, after which a cheating game contest was enthusiastically indulged in. Supt. W. G. Coltrane won the first prize for making the most perfect animal out of the chewed gum. Miss Beatrice Link won the consolation.

Weird, mystic music and Ghost stories were features of the evening. Delicious refreshments, consisting of nut cake, coconut cake, fruit jelly with whipped cream and bonbons in appropriate witchy cups were served. The favors were mystic, weird and attractive.

After having spent a most delightful evening, the guests departed, fond in their praise of their charming hostesses.

GOLFERS URGED TO ENJOY COURSE AT THE COUNTRY CLUB

The golf course at the Greenville Country Club is open every week and the golfers are urged to go out and take advantage of the wonderful weather conditions, and the splendid golf course.

BIG FARM SALE IN NORTHAMPTON COUNTY ON THURSDAY, NOV. 5

Mr. G. D. Gurley, general manager of the National Realty and Auction Company of Greensboro, was in Greenville today in interest of a big farm sale which his company will conduct in Northampton county, near Jackson, N. C., on Thursday, Nov. 5, at 10:30 o'clock.

The farm known as the Odom place and belonging to Mr. H. F. Swanson, had fled from home in Edgerton, has been subdivided into small tracts and will be sold at auction. It is located at Boone's Cross Roads on Roanoke River, near the State farm, and three miles from Jackson, 14 miles from Weldon in Jackson High School District. It is desirable farm land and will be sold on easy terms.

After the sale the company will be host at a barbecue and Brunswick stew. Music will be furnished by the company's rag-time band.

GREENVILLE CADET TAKES ACTIVE ART AT DANVILLE MILITARY INSTITUTE

Danville, Va., Oct. 27.—S. J. Everett, Jr., Greenville cadet at Danville Military Institute, is taking an active part in student and athletic organizations. He is playing a fighting guard on the Tiger eleven, which has lost but a single game in the present year; he has been appointed ranking cadet corporal of the corps, and has recently been elected president of the Carolina Club, an organization formed to foster the "down home" spirit and to furnish a means for the unity of expression of Carolina boys at the Institute. Emerson Dameron, of Clinton; George Farr, of Asheville; and Phillip Koonce, of Tarboro complete the officer list of the Carolina organization.

CAST FOR "ROSE TIME IS ONE OF BEST OF LOCAL AMATEURS

The cast for the presentation of "Rosetime," the musical comedy to be presented at White's Theatre on Tuesday night of next week under the auspices of the Woman's Club has been selected and rehearsals are in progress now each afternoon and evening. Those who are to appear in the principal parts are favorites because of their former work in local performances, and the young ladies chorus, its equal which is seldom found among amateurs, is the same seen here in the past. The dances and chorus work of the little tots is especially attractive, and Miss Lynch the coach has expressed herself as never better pleased than with those who comprise the entire cast.

CARD OF THANKS.

We wish to thank our many friends for their kindnesses and expressions of sympathy at the time of the death of our beloved husband and father. Your thoughtfulness helped us to bear our greatest grief. May God bless each of you.

Mrs. G. A. Forrest and Little Daughters.

GLORIA SWANSON HEIRESS TO IMMENSE "FORTUNE WITH A STRING" IN NEW FILM

If you were left an immense fortune in a will that placed a restriction on your conduct would you regard it as "an insult from the dead?"

This attitude is felt by many heirs and heiresses, who find that stringent clauses contained in wills are exacting in respect to what they may and may not do.

An interesting situation of this sort occurs in "The Coast of Folly," Gloria Swanson's new starring picture for Paramount, directed by Allan Dwan and playing White's again today.

Joyce Gathway, portrayed by Miss Swanson, is left millions by her father, with the provision that should she ever become involved in any scandal she automatically loses her fortune.

There will be only one show, curiously, her mother, also acted by Miss Swanson, had fled from home in search of the gamsour and excitement of new love affairs, and there by disgraced the family.

The girl, being highspirited, resents the distrust of her conduct which emanates from the grave. A tremendously dramatic situation is involved in the working out of the story.

WHAT IS IT?

That is a question that has been asked hundreds—yes, thousands!—of times during the past week in the City of Greenville.

WHAT IS THIS CLUB OF ONE THOUSAND

And the thousands who have asked the question, who have been interested in knowing what it is, will be even more interested in it after getting that information!

The Club Of One Thousand Is--

A group of Greenville's leading spirits—men and women keenly alive to their own opportunities for success, but never forgetting their greater opportunities and responsibilities in service to Greenville.

An unofficial, unchartered organization of volunteers who during 1925 will make an investment of \$130,000.00 for themselves—an investment that will pay them approximately 6 per cent, TAX-FREE, with the utmost safety and security.

A body of men and women who, while thus profiting themselves directly, will profit themselves and all of Greenville by the investment of that \$130,000.00 in homes for a still Greater Greenville.

With An Individual Investment of Only \$2.50 a Week

The Club Of One Thousand

Will Finance the Building of Over 300 New Homes in Our City During the Next 6 1-2 Years

How will they do it? Simple enough: Each member of this CLUB OF ONE THOUSAND will subscribe for at least ten (10) shares of Stock of the Home Building & Loan Association. Their joint effort—a weekly investment of ONLY \$2.50 EACH—will make available \$130,000.00 a year for the financing of Greenville homes. The average home loan is slightly over \$2,800. That will mean the addition to our city of approximately 50 new homes a year for a period of six and a half years!

Can you Imagine a Finer Service to the Community?—Or One That Is Possible With So Little Individual Effort?

The Club of One Thousand will be composed of many people who have never before discovered the opportunities and privileges for themselves, and the service to their city, offered in the Building and Loan plan; and of many others who have long participated in both its profits and its service. To the latter, this story of service is more or less familiar; but a part of it is worth repeating:

We Aided 57 Greenville Citizens to Build During 1924

Applications For Loans Now On File 37

—a very large percentage of them for new construction

Are Much In Excess Over Available Funds

It is evident, therefore, that there is open to the Club of One Thousand a very large service to Greenville—one of which the city is in pressing need. It is a fortunate circumstance that the thousand rare spirits of this Club can perform that service and at the same time profit themselves through steady investment in one of the strongest savings-investment plans known to the world; their money handled under strict State supervision and safeguarded to them by first mortgage liens on Greenville real estate! Of course you will want to join the Club of One Thousand. Its membership, being voluntary and unhindered, will not only be a mark of distinction in civic service, but a tribute as well to your keen business judgment—for here is an investment that pays profits in two directions, direct and indirect—Big profits, too!

Join At Once—the First Opportunity You Have—Let's Write a Club List That Will Make History in the Home-building of Greenville

Home Building & Loan Association

Supreme Court to Hear Appeals From the Eleventh Dist.

Raleigh, Oct. 27.—(AP)—Appeals 27.

from the 11th district will come before the North Carolina Supreme Court when it begins its ninth week of the fall term here Tuesday, Oct. 27. Next week's calendar contains 21 appeals, most of them coming up from Forsyth county. The 11th district appeals on the calendar follow: State vs. C. T. Neal, Forsyth county.

Cutting The Corners To Serve You In a More Helpful Way

We interpret the meaning of "Service" as Helpfulness. Hence, all our efforts toward "serving" you are really endeavors to help you—save your time, lessen the effort incident to shopping, eliminate all worry attached to buying new goods, and also save you money when it is possible to lower prices without mitigating against the quality you have a right to expect.

Exactly what you want

As far as it is possible to do so, we stick to advertised goods of a known reputation, things you can ask for by name and be sure of what you are getting. Our policy is that there is nothing "just as good" as the thing you have tried, found satisfactory, and want more of. We do, however, try to offer helpful suggestions to customers who are in doubt as to the thing to buy. We recommend only such merchandise as we know is good.

Striving always to please

Every customer who enters our store is an appreciated customer. We desire an ever increasing steady trade and we render to total strangers the same courteous attention as given to our oldest customers and closest friends. Especially do we strive in every way to please the children—the big buyers of tomorrow—making them feel that their small purchases rank with equal importance to the larger purchases of grown-ups.

Service to your door when the need is urgent

In all cases of urgent need, where you cannot come to our store for the things you want, you have but to step to your phone, give us the order, and the articles are delivered right to your door. We use extra care in selecting merchandise to fill phone orders—to insure your getting the desired article without delay and eliminate the annoyance of having to send it back for "exchange."

Dependable Prescription Service

In our Prescription Department every facility is available for quickly and correctly filling your doctor's orders. Nothing is left to chance. Only the purest drugs and chemicals are used by us, and compounded into the proper medicines by the most thorough knowledge and experienced skill. We respectfully solicit your patronage.

Lumber Statistics Show Output Thirty-Six Billion Board Feet

Raleigh, Oct. 27.—(AP)—"The census bureau's lumber production statistics for 1924, showing an output of 36 billion board feet, reveal in part the extent to which America's virgin timber stands are being drained to meet the nation's requirements," W. B. Greeley, chief of the forest service, United States Department of Agriculture, is quoted as saying in a Department of Agriculture bulletin just received here. "The fact that nearly all important and agricultural regions are consuming billions of feet of virgin timber from the South," declared Mr. Greeley "and the far west and growing but little on the forest lands within their own boundaries is far from reassuring to those interested in forest conservation." Figures compiled by the forest service show that in 1923, when lumber production reached its highest point

since the depression faded. Prominent among these are the populous states in the northern and eastern sections of the country where more than 30 million acres, once heavily timbered, now contribute but little to the nation's lumber output. It is further pointed out that California, one of the states still possessing large virgin forests, consumed in 1923 more than twice as much lumber as was produced in the state. Expressed in figures, California imported nearly three billion board feet to meet its needs in 1923, the last year for which lumber distribution figures are available. Other states which imported between one and two billion feet are New York, Illinois, Michigan, Ohio, and Pennsylvania, all of which, except Illinois, were once leading states in lumber production.

"The drain upon the nation's timber supply is a predominant domestic issue," said Mr. Greeley, "and the American people must regard it as such until the rate of timber growth catches up with the rate of consumption. This drain is now believed to be four times the re-growth. The solution is plain—all forest land must grow timber crops and further inroads upon the country's virgin timber should not result in increasing the present vast acreage of idle forest land."

National Apple Day Will Be Observed On Halloween Day

Raleigh, Oct. 27.—(AP)—Halloween Day, Saturday, October 31, has been designated as National Apple Day this year, according to Professor C. D. Matthews, head of the department of horticulture at State

College. From Saturday, October 31 to Friday, November 6, he says, has been designated as National Apple Week. During this period, publicity will be given to the apple for the purpose of widening its distribution, increasing its consumption, and says Professor Matthews, bringing health, happiness, and good cheer to upwards of 100,000,000 people.

"National Apple Day was first observed in 1913, and in 1920 National Apple Week was established," he states. "This week begins on National Apple Day and since 1920 both day and the week have been widely observed. The slogan adopted this year is "Everybody an Apple Eater."

Professor Matthews states that Apple Day and Apple Week are both observed in an organized way in all of the larger cities of the United States, and in many of the smaller ones. In the larger cities, the organization is made up of the chambers of commerce, boards of education, bankers, lawyers, doctors, grocers, hotels, restaurants, railroads,

the press and agricultural college officials. The day and week, he says, are also featured by timely press articles, fruit sales, apple shows, street parades and floats, public school exercises, distribution to charitable organizations, and in other smaller ways.

"This popularizing of the apple is a worthy work," Professor Matthews declares, "for this fruit is a food, a tonic, a condiment, and a cosmetic all in one."

NEWSPAPER IN MOSCOW

Moscow—Moscow will soon have a regular American skyscraper, 12 stories, or 203 feet high, to house the editorial and typographical departments of Izvestia, the official daily newspaper of the Soviet Government. Work has been begun, and in order to complete the building soon, the work is being carried on 24 hours a day. The structure is being built of reinforced concrete and steel.

PALE, NERVOUS

West Virginia Lady Says That She Was in a Serious Condition, But Is Stronger After Taking Cardui.

Huntington, W. Va.—"I was in a very weak and run-down condition—in fact, was in a serious condition," says Mrs. Fannie C. Bloss, of 1964 Madison Avenue, this city.

"In my left side the pain was very severe. It would start in my back and sides. Part of the time I was in bed and when up I didn't feel like doing anything or going anywhere.

"Life wasn't any pleasure. I was very pale. I was nervous and thin, and so tired all the time.

"My druggist told me that Cardui was a good tonic for women and I bought a couple of bottles. I took two bottles, then I noticed an improvement. I kept on and found it was helping me. I have taken nine bottles. I'm stronger now than I have been in a long time."

Cardui is made from mild-acting medicinal herbs with a gentle, tonic, strengthening effect upon certain female organs and upon the system in general.

Sold everywhere. NC 163

CHAS. KRAMER PLAYERS BACK AGAIN.

The Chas. Kramer players that scored a big hit at White's Theatre last Tuesday in the rollicking farce comedy "Cheating" will appear here again Wednesday night presenting the dramatic thunderbolt "Out of the Chorus" a comedy in four acts that mixes to please as well if not better than their last offering.

The Kramer Players have received wonderful praise throughout Eastern Carolina this week and Greenville if fortunate to be numbered among the cities of this section to be played by this company during the coming months. The Kramer players are offering something new and different from anything that has heretofore been offered the theatre-goers of this section, and they are well deserving of patronage.

There will be only an eshow, curtain rises eight-thirty and from all indications there will be a packed house to greet their second appearance in Greenville.

PUBLIC LAND SALE.

Under any by virtue of power of sale contained in that certain deed of trust executed by Sallie P. Harding and W. F. Harding to E. B. Thomason and L. O. Lehmann, trustees, on the 1st day of February, 1924, said trust deed being recorded in the public registry of Pitt county in book C-15, page 17, with full power of sale in case of default and default having been made in the payment of the indebtedness therein expressed, the undersigned trustees will sell at public sale before the court house door in Greenville, N. C. to the highest bidder for cash on **Friday, November 27th, 1925 at 12 o'clock Noon,** the following described lands, to-wit: Situated in Pitt county near Grifton, N. C., and beginning at the mouth of a four feet ditch and running up said ditch N-55 W. 39 1-2 poles to the corner of lot No. 2; thence up another ditch with the line of lot No. 2 south 49 W. 19 thence south 68 W. 12 poles; thence N. 74 3 2-3 poles to a stake; thence S. 8 7-8 W. 227 3-5 poles to a stake in L. AUTO MOVIES

by THE PRUETTE & MCGOWAN GARAGE

YOU MIGHT AS WELL TRY TOGET ALONG

ON SQUARE WHEELS

AS TRY TO DO WITHOUT THE SERVICES OF AN EXPERT AUTO MECHANIC

Mr. Car Owner, don't you know that you need the advice and services of a crack repairman? It is better to prevent an accident than to wait until one happens. This is the prevention shop where inspections are reasonably priced.

Robert M. Koenig Found Remedy For Pimply Skin

For years my skin would break out every once in a while—and ointments did very little to help me.

I read a doctor's article stating that pimply skin usually comes from the stomach—and bowels not getting rid of the poisons.

I tried Carter's Little Liver Pills for a few days—and since that time my skin is smooth and clear. Now I tell my friends the right way of getting rid of a broken out skin—and also

of steering clear of upset stomach and sick headache. Carter's are all you claim for them.

Karpen Living Room Suites

The biggest, prettiest and most complete line of Living Room Furniture ever seen in Greenville.

The new designs in Karpen Furniture assembled on our floors especially for this season, are so exceptional that you will want to come in to just see and admire them.

Here you will find beautifully conceived Living Room groups—Luxurious comfort—See the grace of the pieces displayed here. Distinguished high back period chairs. Windsor Chairs of unusual character. Infact any odd piece desired is here for you.

Quinn-Miller & Co.

"We Are Exclusive Dealers in Pitt County for Karpen Furniture"

Highest Sale Since 1919 At Moye & Gentry

We had our house full Monday and averaged \$36.73. This is the highest sale we have made in four years. And we think the highest that has been made in Greenville. All the companies seem anxious and competition stronger than at any time this season. We sold lots of tobacco from 90c to \$1.00 per pound. Several people who saw our sale, told us it was the best they had seen in years. If you are not selling with us—It will pay you to come over and see what we are doing.

Bring us your next load—We will make you the best sale of the season.

FIRST SALE WEDNESDAY. FIRST SALE FRIDAY.

Moye and Gentry
