SITUATION AT HANKOW GROWS STEADILY WORSE SAYS WIRELESS REPORT

Soviet Government Issues Warning Repetition of Raids Upon Russian Consulates

Shanghai, April 7.—(AP)—"Situation growing worse steadily" said a wireless report received here today from Hankow, where riotous anti-foreign outbreaks occurred over the week-end.

From all accounts, lawlessness in Hankow is increasing, with apparently no effort to check it. The commander of the United States Yangtze River patrol is pressing Americans still in the city to hasten their evacuation.

At Tchang, further up the Yangtze from Hankow, 100 Japanese men, women and children have taken quarters aboard gunboats and tugs because of the threatening situation.

Peking, April 7.—(AP)—Dr. V. K. Wellington Koo tendered his resignation as premier today to Marshal Chang Tso-Lin. It is reported that General Yang Tu-Ting, Chang's chief adviser, will become premier.

Shanghai, April 7.—(AP)—The Soviet consul general, Wilhelm P. Lind, today talked on the Norwegian consul general as dean of the consular corps here, and announced that if the Soviet consulate in Shanghai was raided as were the buildings attached to the embassy in Peking yesterday, he would hold the consular body responsible.

Washington, April 7.—(AP)—Authorization for the search by Chinese local authorities of "certain private properties" of the Dual Bank and the Chinese Eastern Railway adjacent to the Russian embassy in Peking diplomatic quarters was granted by the Netherlands minister as the senior diplomat, American Minister MacMurrough reported today to the State Department.

In the course of the raid the Chinese, it appears went beyond the authorization and raided also the compound of the former Russian legation guard lying westward of the private properties in question the State Department's announcement added.

Four Russians barricaded themselves in a house and set fire to various papers, it was said, but they were eventually overpowered without having fired on the Chinese and there was no fighting or serious injury on either side.

Lost Diamond Found in Chicken Gizzard

Scratching away in the dirt on the farm of R. L. Smith, a few miles from Greenville a year old chicken deposited in his craw a diamond which had been lost by Mrs. Smith three years ago. Knowledge of the unusual gastronomic feat was not divulged however until yesterday when the diamond was found in the chicken's gizzard by a young woman who was preparing the fowl for cooking.

Mrs. Smith stated today that she lost the same stone three times but that it always came back to her. The last time she lost it under a grape vine at the farm.

Mildred Worthington, daughter of the tenant on the Smith farm, found the stone. She had just found out upon the chicken's gizzard when she noticed something sparkling in the pan of water being used in the cleaning process. Thinking it nothing more than an optical illusion she didn't hurry about investigating. A few moments later, however she reached to the bottom of the pan and brought up what turned out to be the diamond which Mrs. Smith had lost under the grape vine.

Mrs. Smith was immediately notified of the incident, and readily identified the stone as the one that had disappeared twice before, always to return in some unexpected manner.

AMERICAN CITIZEN KILLED IN MEXICO

Novalles, Ariz., April 7.—(AP)—A dispatch received here today said that Fred Combes, 37 and American connected with the La Dora Mining Company at La Dora, Mexico, was murdered last Saturday while enroute from Espanza railway station to La Dora in his automobile. A Chinese cook with him also was slain, the dispatch stated, adding that the murderer is attributed to Mexican bandits.

GOVERNOR BEGINS IRONING OUT THE FISCAL ACT FLAWS

Goes in Conference With Treasurer Lacy Following Return from North

Raleigh, N. C., April 7.—(AP)—Governor McLean, back from a week's absence in the North, went into conference here today with State Treasurer B. R. Lacy and Assistant Attorney General Frank Nash on steps to be taken to iron out alleged flaws in important fiscal acts of the last General Assembly. The flaws were said by Chester B. Masslich, New York bond attorney, to be in the county finance act, the permanent improvements appropriation measure and an amendment to the municipal finance act. He recommended enjoining Secretary of State W. N. Everett from printing the public laws containing the acts in question.

No injunction proceedings had been started and several State officials expressed opinion that there would be none. Mr. Everett was out of his office "on a fishing trip," assistants said.

Work on the laws is going ahead in a Charlotte printing house and unless legally impeded the volume is expected to be ready for distribution early next week.

Special session talk virtually being down here today, but probably of Supreme Court test cases continued strong.

Mr. Masslich was not here for the conference with the Governor, having departed for Tallahassee, Fla., soon after an unfruitful recovery of the alleged defects.

TWO ARMED MEN ROB EXPRESS CAR

Chicago and Alton's Lincoln Limited Relieved of Valuables and Cash

Chicago, April 7.—(AP)—Two armed men, their faces shadowed by closely drawn caps and partly covered by black netting masks, last night robbed the express car of the Chicago and Alton's Lincoln Limited of cash and valuables variously estimated from \$2,400 to \$20,000 as the train sped between Joliet and Chicago.

A. A. Gotthoff, the express messenger, told union station police that there was \$20,000 or more in cash, drafts and bonds in the safe. Express company officials declined to estimate the amount taken, although Stephen Healy chief special agent of the company denied that the safe contained \$20,000 in valuables. Another unofficial estimate was that the \$2,400 in currency was obtained from the car strong box.

The robbers, who appeared to be about 22 years old, and short in stature, boarded the train at Joliet, the last stop before Chicago. They entered the combination smacking express car and trussed and gagged Gotthoff and the conductor James Cannon.

Gotthoff was forced at a revolver's point to reveal the combination of the express company safe. Frank Wenglass, dining car employe and George Mitchell, a negro porter, entered the car while the robbery was in progress and were overpowered, bound gagged and placed on the floor with Gotthoff and Conroy.

Contents of the safe were placed on the floor of the car and the negotiable and non-negotiable papers separated. The later was burned. The remainder was divided between the two.

REWARD FOR NEGRO

Raleigh, N. C., April 7.—(AP)—Reward of fifty dollars for the apprehension of Will Matthews, Davidson County negro, was offered here today by Governor McLean. Matthews is charged with murdering Annie Irby, negro woman, on March 30.

TRANSPORT READY TO SHOVE OFF FOR SHANGHAI, CHINA

Crowd Gathers at San Diego Pier to Wave Farewell to Departing Marines

San Diego, Calif., April 7.—(AP)—Bound for Shanghai, China, with 1,500 officers and men of the sixth regiment United States Marines aboard, the transport Henderson dropped its lines at the municipal dock at 8:45 o'clock today and began moving into the channel.

The Henderson sailing via Honolulu is due at Shanghai in about 22 days.

San Diego, Calif., April 7.—(AP)—Loaded to the rails with artillery, airplanes, machine guns and supplies, and carrying 1,500 adventure-hungry marines, the transport Henderson got up steam today and awaited the signal to shove off for Shanghai.

The last bit of equipment that could be stowed aboard was made ready for the voyage last night and the marines, composing the sixth regiment, went aboard after having said goodbye to wives, sweethearts and friends. So packed was the ship that six airplanes scheduled for space had to be left at the pier. They will be taken across later.

Several 75 millimeter guns were strapped to her upper deck. The sixth regiment goes to reinforce the regiment already at Shanghai, under command of Brigadier-General Smedley D. Butler.

The men of the sixth, making their journey under command of Colonel Harold Snyder, were not worried, apparently by the fact that some flying machines had to be left behind they were eager to go. They made that evident as they went aboard, making room for the marine base for several hundred more marines who had come here on special trains to form another regiment.

A crowd gathered at the pier early today to wave farewell to the departing marines. The "Leather Necks" were made happy by a lot of farewell gifts, but none of them brought more pleasure than did 400 pounds of candy which was sent to the Henderson by General Joseph E. Kuhn, retired, and now living in Colorado. The General sent the candy in the name of the San Diego chapter of the Red Cross.

Repairs for the Henderson's engines kept a force of men busy last night on the transport, but Captain Robert Morris, commanding the big troop ship, had promised that the Henderson would cast off early today.

Many Delegations Face Commission

Raleigh, N. C., April 7.—(AP)—Delegation after delegation appeared before the State Highway Commission today in public hearings on location and acquisition of new State roads.

Interest was added to the hearing by the decision of the commission to add 1,241 miles to the present State system for maintenance—this represents the full 20 per cent authorized by the last General Assembly.

A fierce battle was waged between the delegations from the towns of Swepsonville and Saxapex in Alamance County to have a proposed road running from the present route ten to Chapel Hill and Durham pass their towns. The matter was taken under advisement.

Among the long list of other roads requested were: Carthage (Moore) to Siler City; (Chatham) Pittsboro to Apex; (Wake) Franklinton (Franklin) to Creedmoore; (Durham) Lenoir (Caldwell) to Newland; (Avery) Goldsboro (Wayne) to Dunn; (Harnett) from Southern Pines to Pinehurst, from Lexington (Davidson) to Troy (Montgomery), and from Henderson north to the Virginia line.

There were numerous other requests for local connecting roads which were taken under consideration by the commission.

COURT AFFIRMS DEATH SENTENCE DURHAM NEGRO

Raleigh, N. C., April 7.—(AP)—Ernest Walker, Durham negro convicted of first degree murder of another negro, will be electrocuted April 22, by affirmation yesterday by the Supreme Court of lower court judgment.

The law provides for electrocution on the third Friday after affirmation.

Heroes of the Battle of Nanking

It was Henry Olin Warren (left), of Olin, N. C., who climbed to the roof of the Socony Building at Nanking and, amid the fire of rioters, signalled to gunboats to rescue beleaguered foreigners. Ray D. Plummer (right), of Ralston, Iowa, a member of the American Consulate guard, was wounded by Chinese rioters, but continued at his post.

TABLE SETTING CONTEST WILL BE HELD SOON

There will be a county wide table setting contest held in Pitt county under the direction of the County Home Demonstration Agent. Any girl or woman in Pitt county who lives on a farm is eligible to enter the contest.

Home Demonstration Department to Conduct Contests During Month of April

Best Jewelry Company is operating and is offering a 29 piece set of Community Silver as a prize. Demonstrations in table setting will be given at the following dates and places. If you are interested you are invited to attend the one most convenient to you.

Don't gamble, it's silly and ruinous. But whatever you do don't sell the United States, or anything in it, short, unless you are sure it is worthless, even then you can't be safe.

Andrew Carnegie wouldn't take common or perfered stock in the largest steel company as a gift. He said it was air not even water look at it now.

Four British film companies form a "great merger," amounting to \$12,500,000, don't laugh the British are serious.

Here we might capitalize one moving picture actor for \$12,500,000, but if you tried to unite our four greatest moving picture concerns it would amount to a dime a sum.

The British used to sing, "We've (Continued on page eight)

Johnson Hayes Appointed Judge

Washington, April 7.—(AP)—Johnson J. Hayes of North Wilkesboro, N. C., was appointed judge of the newly created middle district of North Carolina today by President Coolidge.

Appointment of Johnson J. Hayes as Judge of the Middle District of North Carolina by President Coolidge several months before Hayes and Frank Linney of Boone, who was district attorney for the old Western District of North Carolina.

Due to failure of the deficiency appropriation bill to pass it had been expected that the appointment might be delayed as activities of courts were expected to be somewhat curtailed by the lack of funds.

Mr. Hayes, who is about 29 years old, is Republican National Committeeman for the State and in 1925 was a candidate for the U. S. Senate.

COOLIDGE VETOES PHILIPPINE MOVE FOR PLEBISCITE

Immediate Independence of the Islands Not Considered Wise by Coolidge

Washington, April 7.—(AP)—President Coolidge has vetoed a move by the Philippine Legislature for a plebiscite on the question of immediate independence for the islands on the grounds that it would tend to divert attention toward the pursuit of political power rather than the maintenance of a well-governed community.

A bill proposing a vote on this question was passed by the Insular Legislature over the opposition of Governor General Wood, but the action of the President, announced yesterday, definitely shelve the measure.

In a 2,000 word message, the President assailed the plebiscite suggestion, opposed the present agitation for independence and declared that "the plebiscite, under conditions provided for in fact, now possible, would not accomplish the stated purpose. The result of the vote would be unconvincing."

Advisability of immediate independence recently was opposed by Carmi Thompson, who went to the islands as a special investigator for the President.

"It may fairly be stated that the result of a vote would not be convincing," the President said, and would not put an end to the assertion frequently made that the people of the Philippine Islands do not want immediate, absolute and complete independence."

"A plebiscite on the question of immediate independence would tend to divert the attention of the people towards the pursuit of mere political power rather than to the consideration of the essential steps necessary for the maintenance of a stable, prosperous and well-governed community."

The President stressed the economic effect on the islands which would result from independence and said that a government crippled by direct loss of revenue, by increasing interest rates on loans and by the paralyzation of its industries, also would be called upon to meet other expenses such as the maintenance of a diplomatic corps and an army and navy.

NOTED SPEAKERS TO BE IN FINALS AT E. C. T. COLLEGE

Eighteenth Annual Commencement Exercises to be Held June 3 to 6th

Programs of the eighteenth annual commencement of the East Carolina Teachers College were issued today. Exercises will begin Friday, June 3, and continue until Monday June 6th.

The commencement sermon will be delivered by Dr. J. R. Jeter, of Winston-Salem, Congressman Lindsey Warren, of Washington, will deliver an address before the graduating class Monday morning at 10:30.

The complete program follows: Friday June 3 8:30 P. M. Music Recital Saturday June 4 10:30 A. M. Meeting of the Alumnae Association. 1:00 P. M. Alumnae Luncheon 8:00 P. M. Class Day Exercises 8:30 P. M. College Entertainment for Alumnae.

Sunday June 5 11:00 A. M. Commencement Sermon, Dr. J. R. Jeter, Winston-Salem, N. C. 6:30 P. M. Y. W. C. A. Vesper Service, West Campus. Monday June 6 10:30 A. M. Address, Congressman Lindsey C. Warren, Washington, N. C. 11:30 A. M. Graduating Exercises.

Soviet Officials Dismissed

Kharkov.—Several high officials of the Soviet government have been dismissed because they declined to learn the Ukrainian language, which is obligatory in all state organizations in the Ukraine.

GOVERNMENT IS SEEKING FIRST HAND KNOWLEDGE IN NICARAGUAN TROUBLE

Former Secretary of War Today Appointed President's Representative to Visit Central American Republic

Washington, April 7.—(AP)—A determined move on the part of President Coolidge to solve the Nicaraguan problem was indicated today in the appointment of Henry L. Stimson, former secretary of war, to go to the war torn Central American republic as a representative of the President.

In pursuance of his visit as described at the State Department will be to take to American Minister Eberhardt and Admiral Latimer, in charge of American marines in that country, views of the American government which could not be conveniently taken up in correspondence and to gather information for department officials. The department added, however that "strife and bloodshed now going on in Nicaragua was a matter of great regret" and that the necessity of protecting American interests also was "very great."

Appointment of Mr. Stimson was made after a long conference at the White House, participated in by President Coolidge, Secretary Kellogg and Assistant Secretary Olds of the State Department, and Mr. Stimson. Announcement of the appointment said it had been made at the suggestion of Mr. Kellogg.

The text of the announcement reads: "The Honorable Henry L. Stimson of New York, former secretary of war, has consented to make a trip to Nicaragua as a representative of the President at the suggestion of the secretary of state in order to take to our minister, Mr. Eberhardt, and Admiral Latimer, certain views of the administration which can not conveniently be taken up by correspondence and in order to get information from them as to the entire situation in that country to bring back for the use of his government which they can not very well give to us through correspondence."

"This suggestion has been presented to both Mr. Eberhardt and Admiral Latimer, who concur in it as a method that might be helpful in securing information of which this government can more intelligently base its future action.

"The strife and bloodshed that is going on in that country is a matter of great regret, and the necessity for protecting the interests of our citizens there and the large interests of the United States Government is very great."

Developments which might have been led to the appointment were not disclosed either at the White House or the State Department.

COMPLETE JURY IN TURNER TRIAL

Presentation of Evidence By State to Begin Immediately

Courtroom, Sanford, N. C., April 7.—(AP)—The jury to hear the evidence in the Turner murder trial was completed today after the calling of 44 of the men summoned on the second venire.

Immediately upon reconvening of court at 2 p. m. the State prepared to begin presentation of its evidence against the four alleged slayers of the sheriff, who was fatally shot in course of a recent liquor raid.

The jurors are: J. Cook, of Dunn, traveling salesman; W. C. Logg of Neals Creek township, farmer; T. S. Jones, of Backhorn township, farmer; W. J. Godwin, of Duke, weaver in cotton mill; L. E. McGee, of Black River township, farmer; J. C. Ammons, of Averasboro, farmer; Leonard Dean, of Backhorn township, farmer; D. R. Pope, of Duke township, farmer; E. O. Adams, of Duke township, farmer; W. F. Huff, of Black River township, farmer; H. B. Bortaux, of Hesters Creek, farmer; and Stuart McDonald of Upper Little River township, farmer.

Greenville Among Winners in Junior Queen's Contest

Rocky Mount, N. C., April 7.—(AP)—Six little misses trudged along to school today bearing the title of "Beauty Queens" following their triumph in the Junior Queens contest of the Eastern Carolina Exposition, in which entries ranged between the age of 8 and 12 years.

Lula Carrington Gravelly, daughter of Mayor and Mrs. L. L. Gravelly, was chosen Rocky Mounts Junior Queen, while Little Miss Elm City, represented by Elsie Carter, was triumphant among the out-of-town contestants.

Margaret Williams and Grace Gay won second and third honors respectively for Rocky Mount, while Miss Greenville, represented by Martha Jane Gates, and Miss Whitakers, who is Sadie Lee Blount, were other winners in the Eastern Carolina contest. Balloting in the contest held forth yesterday afternoon, and officials announced as to the winners follow ed today.

The little Queens will be crowned along with their older royal sisters Friday night when the senior Queens contest comes to a close with coronation ceremonies.

Bigger Than It Seems

Boston.—The population of Boston proper is 787,000 but suburban residents raise the total to more than 2,000,000.

PREDICTS LARGE SPUD CROP FOR THIS SECTION

Agriculture Department Says Prospects for Potato Crop Unusually Good

Raleigh, N. C., April 6.—(AP)—Prospects for the State's early potato crop are considered by the State Department of Agriculture as unusually good.

Planting started several days earlier than usual during the favorable season, and the frost damage to the plants was less in February and seed germination started before the cold rain and snow could damage them very materially. Plants are up and give promise of one of the best early potato crops in several years. Late frosts and frost may do considerable damage to one of the best early potato crops in several years.

Early Irish potatoes in Eastern North Carolina were planted Sunday about April 1, and were beginning to grow fast according to observations of representatives from the Department of Agriculture, touring through the potato fields. While it is too early to state definitely how many bushels of spuds will move out of the commercial territory this year, some facts concerning the crop are given.

Bethel Spuds
Farmers around Bethel, Pitt County, have decreased their plantings this year, possibly from 15 to 20 per cent as indicated by seed shipments this season and late. Some planted their crop early and report a good condition, while others who were planting just prior to the heavy snow in March have found that a large percentage of seed rotted due to excess moisture. A few who had seed replanted.

Farmville Spuds
The extent of damage from rot is problematical, averaging possibly from 5 to 50 per cent in places.

Beaufort County Spuds
The potato acreage planted in Beaufort County is increased this season from 8 to 10 per cent, according to growers at Aurora and Waco, N. C. There has been some damage from rot, though this is not expected to affect the crop very much as most of this area was planted earlier than usual and had a good start when the cold and snow occurred. While it is early to make definite statement regarding stand and condition, potatoes seemed to be coming up fine and growers were very optimistic about the condition on April 1st. The crop is about at the point where a freeze would damage it seriously at present. Prospects average considerably better than the 1926 crop.

Reports from Pamlico indicate an increased acreage but possibly a slight decrease, while in the Tarboro area immediately surrounding Washington, the average acreage is about the same for a third year.

Tyrrell County Spuds
Farmers in sections around Coopersville in Tyrrell county reported their intention of increasing their acreage slightly. A recent report from that section indicates that this was done to an extent of about 5 per cent. No reports on conditions are available at this time.

Pasquotank Spuds
Reports from Elizabeth City indicate a slight acreage decrease in potatoes. Information on this area is not very complete at this office.

Pamlico County Spuds
Reports from Pamlico County around Bayboro are conflicting in their opinions concerning the acreage planted this year as compared with last. Some state that there has been no change in acreage while others estimate an increase ranging from 10 to 15 per cent. The average opinion would seem to indicate a 5 to 10 per cent increase in that section. While plantings were earlier than usual, some rot is reported, though few had examined sufficiently to estimate the

damage definitely. Potatoes were coming up and gave promise of good stands.

Craven County Spuds
While no considerable acreage is planted in Craven, reports indicate that the condition of early truck crops that locality is good and prospects favorable.

In Way's County (Mt. Olive)
Seed shipments to the Mt. Olive section are reported as about the same as last year. About two cars less to Mt. Olive and about two more to Calypso. While, as a rule, this is considered a definite indication of total plantings, growers state that there is an increase in acreage in this section of from 5 to 15 per cent. No definite reports on damage from rot were available, as few had examined their fields extensively. However, much optimism was expressed concerning the crop outlook.

South Eastern Counties
In the counties surrounding the Wilmington section, as a whole, there seems to be no definite change in potato acreage this season. Reports show a normal acreage and prospects are unusually encouraging for all early truck.

COLLEGE DEBATES TO LINK THREE STATES

Durham, N. C., April 7.—(AP)—Six college debating teams in action the same evening in three widely separate cities will link North Carolina, Georgia and Florida in important inter-collegiate arguments.

Tonight finds Duke University debating the University of Florida at Gainsville, Fla., while Emory University meets the Methodist here.

All will argue the Nicaraguan intervention by the United States.

SEA SCOUT BAND TO OPEN LEGION EXPOSITION HERE

Contract Signed Today With Members of High School Musical Organization

The Sea Scout Band of the Greenville, High School will open the American Legion Civic Automobile Show and Exposition here Monday Night, April 10th, according to an agreement made this morning by George Mart director.

The program for this feature of the attraction has already been completed. It provides for a short concert up town. Following the concert the band will march to the exposition hall and appear on the stage.

The American Legion March, by Parker, will be featured during the musical program.

The Sea Scout Band is the pride of Greenville. It has appeared in numbers of entertainments during the three and a half years it has been functioning. It is the only organization of its kind in the United States, with exception of one at the University of Michigan.

The band was organized by E. F. Robeson the present director. It is composed of thirty-four pieces. Each member is neatly uniformed and presents a striking appearance.

GIVES WORTHLESS CHECKS AND GETS IN DEEP TROUBLE

Beaufort County Man to be Turned Over to Officers Probably Today

J. E. Hubbard, of Beaufort county, who has been held in jail here the past two weeks awaiting adjustment of bad check charges, will be turned over this afternoon to Beaufort county officers. It is understood Hubbard is wanted at Washington for passing off a number of worthless checks among business men of that city. Hubbard was arrested by local

officers sometime ago on warrant sworn out by people to whom he had given bad checks. It is understood that his release here today is the result of payment being made in most of the cases in which he was involved.

Girls! Buttermilk Makes Dull, Lifeless Complexions Radiantly Beautiful

There is no secret about it nor is there any doubt about the results—its just common, ordinary buttermilk in the form of a wonderful cream. The directions are simple and it costs so little that any girl or woman can afford it. Simply ask at your favorite drug or toilet goods counter for a tube or jar of Howard's Buttermilk Cream. Pitt Drug Co. sells lots of it—Al.

Special offer to the readers of this paper

WE want you to know that each of the seven quality automobiles named below is a General Motors car. We want you to know how General Motors doubly guarantees these cars—how it is passing the savings of vast manufacturing operations (1,200,000 cars last year) on to you—in finely built engines, Fisher Bodies, Duco finish, quality materials in those vital points where quality counts most in comfort, safety, long life and high resale value.

Read about the General Motors line. "A car for every purse and purpose." See the wide choice of models—the wide range of prices. Decide which car interests you most; then clip and mail the coupon.

As a special offer, we will also send you a wonderfully interesting little book about the General Motors Proving Ground. It gives facts which you ought to have before you select any car. Fully illustrated. And its reading may save you hard cash. Act today.

CHEVROLET 7 models—\$525 to \$745
The quality car of the low-priced field. 3-speed transmission. Strong rear axle. Smooth dry-disc clutch. Over-head valve engine. Fisher Bodies. Duco finish. Alemite lubrication. Fully equipped. CHEVROLET TRUCK CHASSIS: ½-ton, \$395; 1-ton, \$495.

PONTIAC 5 models—\$775 to \$975
A low-priced "six" which is a quality product in appearance and construction. Has largest 6-cylinder engine in its price class. Beautiful, stylish lines. Fisher Bodies. Duco finish. All conveniences included. Value proved by unprecedented sale.

OLDSMOBILE 11 models—\$875 to \$1190
Gratifies your finer taste; satisfies every need. A truly fine car at moderate cost. Beautiful Fisher Bodies. Duco finish. Powerful 6-cylinder motor. Harmonic balancer. 4-wheel brakes. Many other new improvements. And a wide range of models to choose from.

OAKLAND 7 models—\$1095 to \$1295
Winning and holding goodwill everywhere because of its advanced engineering and precision construction. Fisher Bodies. Duco finish. Rubber silenced chassis, 4-wheel brakes. A "six" whose quality is doubly assured as a product of General Motors.

BUICK 18 models—\$1195 to \$1995
Everybody knows Buick's worth. General Motors emphasizes Buick's statement that its new models represent "The Greatest Buick Ever Built." Vibrationless beyond belief. Famous 6-cylinder valve-in-head engine. Bodies by Fisher. Duco finish. Many models.

LASALLE 6 models—\$2495 to \$2685
General Motors' latest contribution to the fine car field. This is the new and beautiful car designed and built by Cadillac as a companion car to Cadillac. Has V-type 6-cylinder engine. Fisher Bodies. Duco finish. Now on display.

CADILLAC 50 body styles and types—\$2995 to \$9000
The pioneer in the 8-cylinder field. Standard of the world. Improved V-type 90-degree engine. Marvelous bodies by Fisher and Fleetwood. Duco finishes. A choice of 500 different color and upholstery combinations to emphasize individuality in ownership.

ALSO—
FRIGIDAIRE electric refrigerators. The largest selling electric refrigerator in the world. Built by General Motors. Many models—many prices.
DELCO-LIGHT electric plants. Another General Motors product. Brings you all the conveniences and labor-saving devices of electricity.

[ALL PRICES F. O. B. FACTORIES]

CLIP THE COUPON

WE WANT YOU to know more about General Motors and its cars and other products. Check the car that interests you most and mail in the coupon. We will send you, free, interesting illustrated booklets telling all about that car and what General Motors is doing to assure you of both value and satisfaction in car ownership. Clip the coupon now. Mail it TODAY. Don't wait.

Steak sears instantly

Ready in 10 minutes
Steaks cook "right to your taste" on the latest Perfection Stove!

Touch a match to the wick. Intense, gas-like heat pours up the long chimney. Heat covers the entire cooking surface of skillet or broiler. It's not focused on one tiny spot. That's why steak is always so well cooked on the newest Perfections.

Only 10 minutes to fry a steak 1 inch thick! For best results use a flame with yellow tips 1 1/2 inches high above the blue area.

Perfection Stoves give best results for all kinds of cooking—frying, broiling, toasting, boiling, baking. They burn kerosene, the safe fuel. Ask any dealer to demonstrate.

New color combinations, many with porcelain enamel tops. Perfections are priced from \$7.25 for a one-burner stove to \$130 for a five-burner range.

Miss Rosa Michaels says—
"Steak cooks thoroughly, brown and juicy, on the Perfection Stove."

DON'T DO IT

From time to time word has come to us from other tobacco growing states and from various sections of our own state that many farmers have expressed intentions of increasing their tobacco acreage the coming year. Already the tobaccoists of the nation have warned the farmers against such action and to this we add our warning in a single word, don't.

The low price of cotton is set forth by some farmers as their reason for planting more tobacco and less cotton this season but if the farmer will think before he takes such a step he must realize that an excessive crop this year will do to tobacco prices what the bumper cotton crop the pass season did for cotton prices.

Not more tobacco but less tobacco with more attention to the production of better grades is the best plan to be followed by the tobacco farmers of Eastern North Carolina and other sections this season.

Remember a bumper crop means low prices which in the long run will make the farmer much worse off than a normal yield of high grade tobacco for which he can get high prices.

CHILD HEALTH DAY

For the fourth consecutive time National Child Health Day is to be celebrated all over the United States on May 1. Health departments, welfare organizations, clubs and individuals will unite to make the observance a success.

In honor of the occasion Dr. S. J. Crumrine Executive of the American Child Health Association, the organization which originated

the idea of National Child Health Day, has appropriately enough released a definition of health. It is his hope and that of those associated with him that the working out of the ideal of National Child Health Day will eventually bring to every child physical, mental and moral health.

"For" says Dr. Crumrine, "we need to be reminded again and again, that the body is not alone flesh and bone and blood, but also a habitation of the mind and the citadel of the soul thru which man may express his personality and orient himself to the social and cultural environment in which he lives."

Dr. Crumrine's definition of health follows:

"Health is a state of physical, mental and moral equilibrium, a normal functioning of body, mind and soul. It is the state when work is a pleasure, when the world looks good and beautiful, and the battle of life seems worth while. Health is the antithesis of disease, degeneracy, and crime.

"The laws of health are as inexorable as the law of gravitation, as exacting as eternal justice, as relentless as fate, and their violation is the beginning and cause of all disease, suffering and sin."

"Health is the most desired of earthly blessings. When finely lost, it cannot be purchased by uncounted millions, restored by the alienist, or returned by the pulpit.

"Health is that state of happiness, faith and love whose prototype was the first man—Adam; whose ideal is the Christ."

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

County fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

Daily News Letter

Gossip of Staff Correspondents at World Centers of Population

Moscow. Around the Soviet Union is the highest tariff wall, the most difficult barbed-wire entanglement of passport regulations and the strictest most far-flung border patrol of any country in the world. But there yearly takes place across its frontiers an emigration and immigration of millions of creatures who until recently have escaped the least supervision.

Now however, the Biostation in memory of Timirazey has begun to achieve results from its efforts to check the flight of birds from the far northern borders of the Soviet Union on the Arctic Ocean to its southern boundaries and across them into western Europe.

Stations of the "Bio-Station" established in Siberia, Turkestan, the Caucasus, Crimea and Ukraine, have caught and branded 4,000 wild birds of every description, ducks, geese, storks, sea gulls, vultures, eagles and smaller birds such as flycatchers and peewees. On the band attached to every bird's leg is inscribed the locality and date of banding. Efforts are then made through ornithological societies abroad to capture these banded and thus trace their flight.

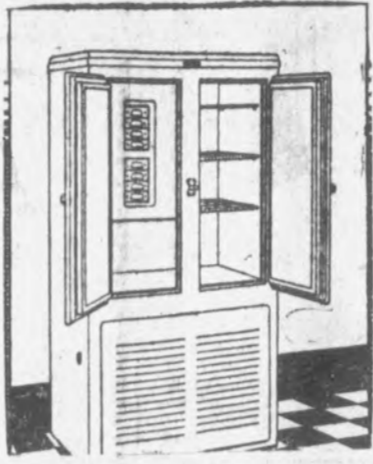

It has already been established that the crows which are such a distinctive part of the Russian landscape and in winter literally darken the sky in flocks of hun-

Soviet citizens at all. They spend a good part of their time in Germany and France.

One of the sections of the customs wall which is producing considerable dissatisfaction in the Soviet Union is the tariff on tea, the

national drink even more popular than vodka. How severely the average Russian has been struck by the tariff on tea is shown by the protest Kiazanov, a delegate to the Central Executive Committee, made at the last session of the Soviet "parliament."

"Once," he said, "we Russians were known as the greatest tea drinkers in the world. Before the war a Russian drank nine times as much tea as an Englishman. But an Englishman drinks forty times as much tea as a Russian. Moreover one Englishman eats as much sugar as 100 peasants in the Soviet Union. In Germany a pound of tea in England costs 68 kopecks or ten costs 65 kopecks or 32 cents.

Major Leaguers Heading Homeward For Opening Of Season Next Week

(By The Associated Press.)
With the opening of the 1927 baseball season just five days distant Major League teams today were rapidly drawing nearer home and the make-up of teams seemed nearer that expected to last out the summer season.

The only real uncertainty among the more prominent players is whether or not Rogers Hornsby can continue as a near baselall magnate owning a large block of stock in one club while playing with another. This question is due for another step toward solution with magnates today. Whether or not meeting of the National League Club will take the matter into courts if the magnates back up President Heydler in his stand that Hornsby can not play and own stock in another club remains to be seen.

The two Boston clubs, the Red Sox of the American League and the Braves of the National have closed their barnstorming training season. They will both be on the home lots by tomorrow ready for the season opening.

The Chicago Cubs are in Kansas City, a short jump from home for a series that will wind up Monday and the White Sox are in Memphis, just a good daylight ride from home.

The Philadelphia Athletics, with Ty Cobb in the line-up, are on the home lot playing a home town series with the Phillies of the National League. The series will wind up this week giving both teams time to rest up for the opener.

The Washington Americans are back home ready for a tilt with the New York Giants in their 1927 "petting party." The Giants and Senators have taken kindly to one another in the pre-season series and today they give the Washington folk a peek at Tris Speaker in a new uniform.

The Brooklyn Nationals are just

24 hours from Broadway, having played the Atlanta Crackers at Atlanta yesterday while the Yankees are a little farther way, meeting St. Louis Cardinals in a game at Nashville, Tenn., today.

Pittsburgh is still in Texas meeting the Dallas team today but will get started for home real soon.

The Detroit Tigers are awaiting the opening of the season.

Cincinnati is barnstorming close home having played Louisville just 110 miles away yesterday and meeting Indianapolis, the same mileage from Cincinnati today. They meet Cleveland at Cincinnati tomorrow.

ATHLETICS AND PHILLIES CLASH AGAIN TODAY

Philadelphia, April 7.—(AP)—The veteran Jack Scott was the Phillies' probable pitching selection for the fourth game of the five-game series with the Athletics today. Encouraged by their 6-3 victory yesterday, the National Leaguers were confident of making it two straight and evening the series. The Athletics won the first two contests.

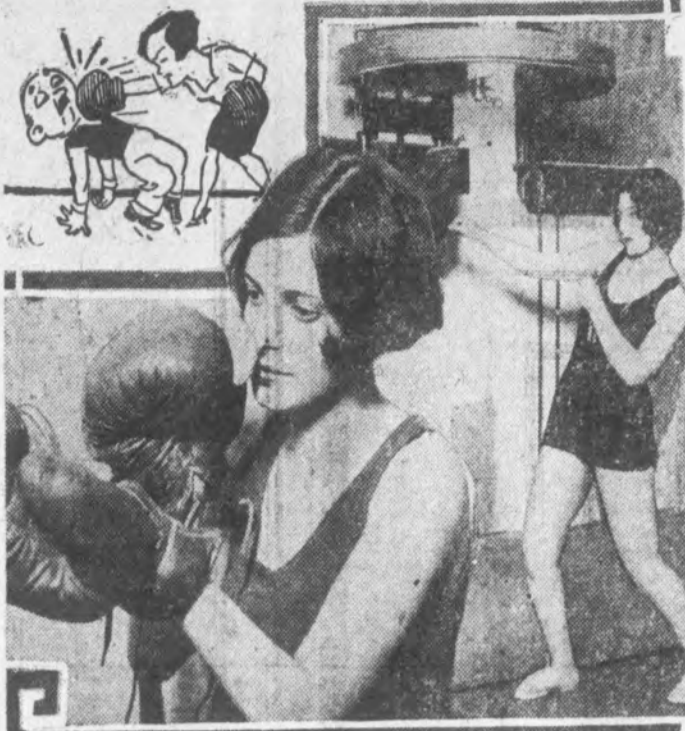

REISELT WINS BACK BILLIARD TITLE

Chicago, April 7.—(AP)—Otto Reiselt of Philadelphia has won back the world's three-cushion championship, held for seven weeks by Augie Kieckhefer, of Chicago. Reiselt last night finished a five-block match of 300 points against Kieckhefer with a lead of sixty points over the Chicagoan. Only one point block went to Kieckhefer, while in two of them he was beaten 69-29 and 49-37.

TARBORO WINS GOLF MATCH

Tarboro, N. C., April 7.—(AP)—The East Carolina Golf Association's meet today was well under way here. Rocky Mount lost to Tarboro yesterday, 32 to 3, 24 players participating.

They'll Knock Your Eye Out

To call a member of the New York Y. W. H. A. a "knoekout" will be no idle phrase from now on. Members have formed a boxing team. Ruth Plechnow is shown warming up while Roselle Silver primps up for a few rounds.

Hornsby Stock Tangle Will Be Heard Tomorrow

New York, April 7.—(AP)—Rogers Hornsby, New York's "Giant" second baseman, and the 1,047 shares of stock he holds in the St. Louis Cardinals, together form a problem which will engage the combined concentration of all the National League club owners tomorrow morning.

Meeting at 11 o'clock at the William Penn Hotel in Pittsburgh, at the call of President John A. Heydler, they will endeavor to decide whether he is right in ruling that so long as Hornsby is financially interested in a rival club he can not play ball with the Giants.

Hornsby had the stock last year when he was manager of the Cardinals and retained it when he was traded to the Giants. His lowest price for the stock has been \$195 a share while the highest Sam Breadon, president of the Cardinals, has offered is \$60. Heydler's plan for arbitration have not gone through. If the owners back up their president and the Giants persist in their intention of playing Hornsby the possibility of an injunction by the New York Club against the league is seen. McGraw has stated that that step would be taken as a last resort.

Another possibility is that the owners will refer the matter to Commissioner Landis.

Such contingencies would be averted if Charles H. Stoneham, owner of the Giants, is prevailed upon at the meeting tomorrow to bench Hornsby until his stock can be disposed of.

TRADITIONAL MUDDLE AMONG COLLEGE TEAMS TREATENS TO REPEAT

Raleigh, N. C., April 7.—(AP)—Tar Heel college athletic teams, famous for their ability to win or lose at the wrong time, thereby putting championship hopes of each other in traditional muddles today threatened to repeat.

The 1927 State collegiate baseball title early this season is about to find itself, experts agree, lacking a proper host. "Big Five" members, with the exception of Ashmore's University of North Carolina Club, have battle scars on their records. Carolina has yet to launch into its main drive for State-wide honors, however, but its hopes for a clean slate are dampened with apparent weak spots in its line-up creeping to the surface.

State, Davidson and Wake Forest already have lost to opponents. Duke University, winners over Davidson, must face the others before its claim is entered upon the championship book. State, lost to Wake Forest, but in turn, Wake's Deacons suffered twice at the hands of Charlie Carroll's fighting Elonites. Elon suffered bitterly when Carolina nosed out a one unit margin for a victory.

With no coach of the opposition

Contest Legality Rickard Contracts With Prize Fighters

New York, April 7.—(AP)—A ruling by the State Athletic Commission on contracts will be regarded today as a blow to the popular practice among light promoters of making options on the service of boxers.

The commission holds that a contract for a fight is not a contract unless signed by two fighters. It is now figured that Tex Rickard

has no contract at all with Gene Tunney, Jack Dempsey, Jack Delaney, Jim Maloney, or Jack Sharkey.

If a rival promoter should get the signatures of one of them and an opponent, the other promoter would have the only binding contract in sight.

The question arose when the commission passed on a case very similar, except that the fighters involved are welterweights instead of heavies. Humbert Pugazy had signed Joe Dundee for a championship go with the welter king, Peter Petro, although Dundee was under blanket contract with Rickard

The board held valid the contract with Pugazy because had two fighters' signatures and the best Rickard could show was Dundee's and his own.

KINSTON DEFEATS ROCKY MOUNT

Kinston, N. C., April 7.—(AP)—Duke University's Blue Devil baseball team was here today for a contest with the Kinston Eagles of the Virginia loop.

Kinston yesterday defeated the Rocky Mount Piedmont Leaguers 5 to 0. The two clubs meet again Saturday.

RALEIGH PLAYER PAINFULLY HURT

Raleigh, N. C., April 7.—(AP)—Old man Jinx today threatened his unearthy illness upon the Raleigh Caps.

G. J. Augustine, Washington, D. C. hurler is suffering with painful burns sustained when he backed against a stove in a frolic with a playmate in the local club house. He is out for 10 days, doctors said.

A reported deal Owner Dawson made with Charlotte, Sally League club owners was branded untrue by the local magnate.

ANNOUNCEMENT!

A New System in Tire Sales for Greenville. Insured Tires for Cash or Credit, replaces the old Guarantee that was no good to the user.

Certificate of Insurance of Tire Mileage

THIS CERTIFIES THAT — JOHN DOE
Address — Greenville, N. C.
has this date, April 5th, purchased a tire, Serial No. 44625; Size 29x4.40, which hereby insured by THE CREDIT TIRE STORES, the seller, for a period of six months from date, against stone bruises, blowouts, rim cuts, tread separation or any other defects or accidents that would put this tire out of use.

In case this tire becomes unfit for service through any of the foregoing causes, it may be presented to any CREDIT TIRE STORE or to any CREDIT TIRE STORES authorized dealer and adjusted with a new tire for a charge for the actual service rendered, this charge to be based on the number of months of service at a rate per month that the purchase price bore to SIX MONTHS.

For Example, a \$12.00 tire would be adjusted at the rate of \$2.00 per month for the period of service.

In the event that this time is used for commercial purposes, this insurance policy is limited to a period of three months instead of six months.

Your tongue says: "Thank you!"

GOOD old Prince Albert in the bowl of your pipe . . . a cooling current of smoke pouring over your tongue . . . the wonderful taste of a wonderful tobacco . . . nothing to compare with this anywhere, Men, I tell you. You can smoke a pipe and enjoy it—with P. A. for packing.

I was pipe-shy for years, before I discovered Prince Albert. I wanted to smoke a pipe. Other men seemed to get so much comfort and enjoyment from pipe-smoking. Then one happy day, Prince Albert crossed my trail. It was cool and kind to my tongue and throat. I've stuck!

No matter what your previous experience has been; no matter how satisfied you appear to be with your present set-up, I advise you to try Prince Albert. You know you are in for some glorious smoke-sessions the instant you get a whiff of P. A.'s fragrance.

The first pipe-load confirms the pleasure promised by the aroma. Cool as an open window. Sweet as milk fresh from the dairy. Mild and mellow as a tropic night. Mild, yet with that full, rich tobacco body that satisfies to the limit. I know you are going to like P. A.! Buy a tin today!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and punch removed by the Prince Albert process.

PRINCE ALBERT

—no other tobacco is like it!

NOTICE
North Carolina, Pitt County In the Superior Court Effie Mozelle Griffin vs. Edgar Griffin
The defendant, Edgar Griffin will take notice that an action as above entitled has been commenced in the Superior Court of Pitt County to obtain an absolute divorce from the bonds of matrimony. And the said defendant will further take notice that he is required to appear at the office of the Clerk of Superior Court of Pitt County in Greenville, North Carolina, on the 6th day of May 1927 or within twenty days thereafter, and answer or demur to the complaint of the plaintiff, or the plaintiff will apply to the Court for the relief asked in the complaint.
This the 5th day of April 1927
J. F. Harrington
Clerk of Superior Court.
Julius Brown
Attorney for plaintiff April 7-4w

It's 12 degrees colder without ice—

Yet Frigidaire makes plenty of ice

Be sure the electric refrigerator you buy is a genuine Frigidaire—it makes you completely and permanently independent of outside ice supply. The direct frost cooling gives you a food compartment colder without ice—a dessert and ice-making compartment always below freezing.

Frigidaire prices are surprisingly low and the General Motors plan of deferred payments makes it easy for you to pay. Come in today and let us demonstrate Frigidaire to you.

MYERS SENTENCED TO COUNTY ROADS

Negro Appeals to Superior Court Following Conviction on Larceny Charges

John Myers, colored found guilty on two separate charges of larceny, was sentenced to six months on the county roads in each case by Judge W. A. Darden in yesterday's session of county court. He immediately filed notice of appeal to Superior court under bond of \$250.

Court was in session only a short while yesterday morning as only a small number of cases were brought over from the day before.

The docket Tuesday was one of the most congested in several sessions. It consisted largely of violations of prohibition laws, larceny and charges of assault.

C. M. Bowen, charged with abandonment, was found not guilty of abandoning his wife. He was adjudged guilty, however, in the case of his child. Prayer for judgment was continued.

Curtis Owens was fined \$50, and cost of action on charge of carrying a concealed weapon.

KINSTON CHURCH CALLS REV. ANTHONY PARSHLEY

Kinston, N. C., April 7—(AP)—The vestry of St. Mary's Episcopal Church here extends a formal call to the Rev. Anthony H. Parshley, of Lanchester, N. H. Mr. Parshley was ordained a

Future in Doubt

The political amnesty granted to James E. Ferguson (above), impeached Governor of Texas, while his wife, the famed "Ma," was Chief Executive of the State, has been repealed under the terms of a legislative bill signed by Governor Dan Moody. What effect, if any, the action will have on Ferguson's political future (he is known to aspire to the United States Senate) is problematical, for legality of the repeal is doubted.

Rector in North Carolina, having lived at Clinton for a time. Kinston Episcopalian today were inclined to believe he would accept the call and come here this spring.

Cooking Chats with 6 Famous Cooks

(Courtesy of the Domestic Science Department, Perfective Store Company)

Carolina and California Meat Recipes which Satisfy

(Editor's Note: This is one of a series of cooking articles by 6 famous cooks.)

"Almost everyone enjoys meat," says Miss Rosa Michaelis, the New Orleans cooking authority.

It's highly nutritious, because of its high protein content. It contains valuable fats, mineral salts, and important vitamins.

Carolina Broiled Steak

Steak is especially good when prepared "Carolina broiled." Be sure to select a tender steak, preferably 1 1/2 inches thick.

For frying steak you need a very hot fire. If you use an oil stove with long chimney burners, you will get most satisfactory results by turning the flame until yellow tips appear, about 1 1/2 inches high above the blue area.

California Peppers

Mrs. Belle DeGraf, San Francisco home economics counsellor, is very fond of California stuffed peppers and West Coast pot roast.

For the former, select short, plump peppers; cut off tops and remove seeds. Put in a saucepan and cover with boiling water to which has been added a bit of soda the size of a pea.

Mix 1 1/2 cups boiled rice with 1 cup of minced ham and 1 cup of savory sauce. Add 2 tablespoons of melted butter to 1/2 cup of dry fine bread crumbs and place on top of filling. Serve with sauce.

West Coast Pot Roast

Select not less than 4 pounds of beef from the round. With a sharp-pointed knife make deep incisions and force in stuffed olives. Make about 15 incisions. Sprinkle meat with salt and pepper then dredge with flour.

Heat 3 or 4 tablespoons of beef drippings and brown meat on all sides. Then add 3 cups of boiling water, 1/2 teaspoon salt and one onion for each person. Stick 3 whole cloves in each onion and add to meat.

Cover closely and cook over a low flame under boiling point until meat is tender, about 1 hour for each pound of meat. Keep about the same amount of water in the kettle, adding more as it cooks away. When cooked, remove meat and onions and thicken gravy.

The best oil stoves are designed for woman's convenience and comfort. Their cooking surface is 22 inches from the floor, just like a kitchen table. This makes bending or stooping totally unnecessary.

Veal Birds

Try veal birds once, and you'll want to cook them often in the way suggested by Mrs. Vaughn, director home economics department, Los Angeles Evening Express.

8 slices veal of loin cut thin (1/4 lb.) Flour, salt and pepper to taste 4 tablespoons bread crumbs Savory Dressing 1 tablespoonful lemon juice 1/2 onion 2 tablespoonfuls butter 3/4 cup cream

Brown well on one side. Dredge with flour, salt and pepper and put in the center of each a tablespoonful of bread crumbs seasoned with savory dressing and a few drops of lemon juice and onion (1/4).

Bring the birds together as nearly in the shape of a bird as possible and tie with a strong string. Fry slowly until a golden brown in two tablespoonfuls butter in a pudding pan.

Then cover with 3/4 cup cream. Place in hot oven for 20 minutes (450° F.). Remove the cover from the vessel and allow to brown for seven minutes. The drippings in the pan may be used for gravy, if liked.

Ham and Raisin Sauce

Ham with raisin sauce is delicious, and can be cooked in 45 minutes according to Mrs. Vaughn's recipe.

1 slice ham (1 lb. 10 oz.) 1 cup brown sugar 2 tablespoonfuls cornstarch 1/2 cup water 1/2 cup vinegar 1/2 cup raisins

Place slice of ham in oven 400 degrees F. in a small baking pan. Mix sugar, cornstarch in saucepan and add water and vinegar slowly, stirring until thick. Add raisins. Cook ham for 45 minutes, pour the raisin sauce over ham and continue to cook for 10 minutes longer.

TODAY

(Continued from Page one)

got the men, we've got the ships we've got the money, too." The American moving picture industry, as "punch" points out can sing "we've got the money, we've got the stars, we've got the sunshine, too," also, it has the BRAINS, more important than money, sunshine or stars. Brains create money, develop stars, and get along without sunshine.

Henry Ford stores will be run only for his employes hereafter. That ends agitation among mer-

chants who planned a boycott on the ground that they couldn't compete with Ford's low prices. The financial end of the business didn't interest Ford, his profit being only \$400,000 a year, a sum not worth noticing. To one who asked him recently "Is the Lincoln car making money yet Ford replied, "well, no or rather come to think of it, I believe it did make about \$4,000,000 last year but that isn't what you can call making a profit."

Civilization's problem is cheap distribution of life's necessities, giving citizens full value for their dollars. This doesn't mean business men shouldn't make the profit to which they are entitled. It means modern business tends more and more to "low profit, big volume."

Chicago election will be over when you read this, not so many dead, only a few wounded. By way of teaching our Chinese friends the ways of self-controlled democracy we ought to have brought over a Chinese committee to watch the Chicago election.

Another high school boy kills himself asking his father's and mother's forgiveness, writing: "I have been a complete failure," in his last message. No boy is a complete failure until he runs away from the battle of life, then he is a failure. Every man that runs away

from a battle probably has a god excuse in his mind, but every one is a coward. If boys would get that fact into their heads there would be fewer youthful suicides.

Chicago election will be over when you read this, not so many dead, only a few wounded. By way of teaching our Chinese friends the ways of self-controlled democracy we ought to have brought over a Chinese committee to watch the Chicago election.

6 GOOD REASONS WHY YOU SHOULD BUY THE ERSKINE SIX CUSTOM FOUR-DOOR SEDAN

\$995 F.O.B. FACTORY

- 1 All steel body, custom design, with deep drawn steel stampings forming beautiful curved lines at the back, and curved side members carried over the top, constituting the finest possible body construction. Body trimming of Bedford cord and broadcloth. Novel instrument board in duotone colors, with cigarette and glove boxes built in, gasoline gauge and customary instruments. Fine hardware and interior decoration. Entire body much superior to any competitive \$1,000 job ever offered in America. Comparisons are urgently invited and will prove convincing. 2 Chassis of modern simplified design. Material and workmanship of Studenbaker quality throughout, comparable to the finest obtainable. Self-energizing four-wheel brakes, nickel plated bumpers front and rear, odometer, beautiful crown fenders, and numerous other quality features never before furnished in a \$1,000 car. 3 Beauty and smartness characterize the car. The body, fenders and general outlines were designed by R. H. Dietrich, one of the foremost custom body designers of the country. The car has irresistible style appeal. It created a sensation at all of the European automobile shows and the shows in this country, where it was viewed by over two million people. 4 The performance of the car is remarkably efficient and much superior to most, if not all, cars in the \$1,000 field. It will accelerate from 5 to 25 miles in 8 1/2 seconds; climb an 11% grade in high gear and develop 60 miles per hour. It is free from mechanical defects and will stay out of the repair shop. 5 The car is well balanced, with scientific spring suspension and seat cushioning. The result is the superior riding qualities of the big, high priced cars. In riding comfort, the car is equaled by few, if any, small cars on the market. 6 The price of \$995 f. o. b. Detroit is low compared with half a dozen other Sixes selling for more money. Actual comparisons with such cars, ranged alongside an Erskine, will demonstrate the truth of this assertion.

If you appreciate quality and value, examine and drive an ERSKINE SIX before you buy any car this Spring Other models are the Tourer, seating five, \$945; the Custom Coupe with dickey seat, seating four, \$995; and the Business Coupe seating two, \$945 f. o. b. factory, with excise tax and freight to be added.
