BRITISH FLIER HOPS OFF FOR TRIP TO U. S.

Captain Courtney to Make Stop at Horta Azores, Where He Will Take on Fuel.

London, Sept. 3.—(AP)—A message picked up by the Devizes Radio station from Captain F. T. Courtney's trans-Atlantic flying boat this afternoon said he was making for Corunna (Spain) as there was too much headwind to continue on toward the Azores.

Plymouth, Eng., Sept. 3.—(AP)—Captain F. T. Courtney began his long deferred Atlantic flight at 6:26 a. m. this morning (1:36 a. m., Eastern daylight time), his immediate destination being Horta, Azores, about 1,200 miles distant, which he hoped to reach by ten o'clock tonight. At Horta he will refuel, fly to Newfoundland and then New York. He is accompanied by Lieut. Downer, as navigator and R. F. Little, engineer.

There was also a passenger aboard, described by air force officials as a "Canadian millionaire," who is said to have paid 1,500 pounds (\$2,250) for a seat in the plane.

The British airman made two unsuccessful attempts to leave the water in his flying boat, the *Whale* but he could not rise because of lack of wind. On the third attempt the plane gathered a speed of about 80 miles an hour, when a fresh breeze caught the wings and the *Whale* gently took the air.

He headed her almost directly south towards Eddystone lighthouse amid the cheers of the crowd gathered at the Royal Air-force seaplane base and was lost to view within a few minutes.

Mrs. Courtney arrived in the air station shortly before midnight and remained to watch her husband's last minute preparations.

When the seaplane finally took off, she clapped her hands excitedly and cheered her husband probably louder than any of the other spectators. She remained waving her handkerchief until the plane was out of sight.

London, Sept. 3.—(AP)—A wireless message picked up at Quessant Island, France, from the trawler *Ondac*, and relayed by the Lands End Radio station says the trawler sighted a gray airplane in latitude 48.20 north and longitude 8.49 west at 8:35 a. m. (3:36 a. m., Eastern daylight time), flying at a height of about 200 metres (about 650 feet) bound south.

The position given by the trawler is about 270 miles southwest of Captain Courtney's starting point Plymouth.

Expect Action For Compromise In Mill Strike

Henderson, N. C. Sept. 3.—(AP)—Action toward a compromise of differences between operatives and mill officials of the Harriett Cotton Mills in South Henderson was expected over the week end, following expressions from some of the 800 striking workers that they would be willing to return to work Monday morning.

The striker's relief fund, subscribed to by Henderson citizens and some outsiders was reported today as practically spent. The committee in charge of relief and spokesmen for the strikers declared itself unable to do more toward getting the factions to agree on any sort of compromise.

This was the last day for five mill families to occupy mill houses as legal ejection papers were posted and effective today. However, the mill management announced that papers served on four of the original nine employees had been withdrawn.

NEW WAKE FOREST HEAD TO SPEAK AT RALEIGH

Raleigh, Sept. 3.—(AP)—Dr. Francis P. Gains, newly elected Wake Forest college president and formerly of the faculty of Furman University, Greenville, S. C., will deliver the Sunday morning sermon at Tabernacle Baptist church.

Dr. Gains, having recently completed a class of lectures at Columbia University Summer School completed moving this week from Greenville to Wake Forest. Dr. Gains, who is 37 years old, is one of the youngest college presidents in the country today.

TODAY

With Eyes Staring.
The Devil's Property?
They Produce—We Talk.
\$36,000 a Year.

(By Arthur Erlabane)

Copyright 1927, by Star Co.)

There are weak and ugly spots among the sixteen hundred millions of immortal souls that inhabit this earth. How low the average is, is hard to say.

Near Canton, in China, the well known bandit, Chief Leong She, invited other bandit leaders to a dinner for the discussion of important business.

To show that he was a business bandit, Chief Leong She had the table decorated with the heads of kidnaped captives whose families had refused to pay ransom.

It isn't so much cutting off the head that impresses you as the fact that a Chinese, in power after five thousand years of Chinese civilization, should, with his friends, really enjoy his dinner with those sightless eyes staring at him.

The "fatal car" of Sarajevo, in which Archduke Francis of Austria and his wife were murdered, thus starting the war, has been offered for sale for the twenty-fifth time. Nobody will buy it. Four owners have been killed by the car since the original international killing. Several others have been killed by the car.

It is now called the "property of the devil." The chauffeurs say it has "an evil eye." However, they don't say which eye.

The Smithsonian Institution will have a weather station in South-west Africa. There, high up in the air, in the dry, clear atmosphere, science will study the sun, calculate solar radiation, and, if hopes are realized, predict weather as much as a week or a month, and even a year in advance.

It has taken men a long while to find out that what they have and what happens to them depend largely on the big star that lights their short lives.

Germany's "Luftthansa," the name of the great air traffic company which is practically a monopoly, plans a regular airplane service from Berlin to Peking, each plane to carry twenty passengers. Europeans really PRODUCE and USE flying machines. But they can't beat this country when it comes to talking about flying machines.

In Canada the Canadian government (Continued on Page Six)

MR. COOLIDGE TALKS TARIFF

Relieve Topic Will Not be Objectionable Issue of Next Political Campaign.

Rapid City, S. D., Sept. 3.—(AP)—Dragging out of the tariff discussion at the summer executive office has led to the opinion that this topic will not be objectionable as an issue in the next campaign, so far as President Coolidge and his party are concerned.

Mr. Coolidge has noted with pleasure an editorial in a recent issue of the Saturday Evening Post which declared that the banker's manifesto of a year ago attacking trade barriers was aimed against the tariff walls existing between the European countries and was not applicable to the American tariff.

Although the manifesto was issued many months ago it has been recalled voluntarily by the President because he had felt there has been considerable confusion in the press and in the minds of some members of Congress about its application. The manifesto was signed by many international bankers in this and other countries and was made public in London. The editorial in the Saturday Evening Post which meets the view of Mr. Coolidge points out that those who would cancel the war debts were quick to endorse the manifesto as applying to this country. The President has always fought any move looking to cancellation of these debts.

WEATHER OUTLOOK FOR NEXT WEEK

South Atlantic States—Mostly fair weather but occasional local thundershowers are indicated. Temperature near or slightly above normal.

FIND BODY OF MISSING MAN AT REIDSVILLE

Woman's Confession Of Crime to Minister Leads to Finding of Body.

Danville, Va., Sept. 3.—(AP)—The body of Smith Petty of Reidsville, N. C. missing for several months, was found today in the basement of a house in that town by the authorities who arrested Mrs. Eugene Gatlin, wife of the Fire Chief, charged with murder.

Reidsville, N. C., Sept. 3.—(AP)—Buried deeply in the basement of a house once occupied by the family of R. Smith Petty, officers working in the direction of solicitor Gwynn of Rockingham, court at noon today found the body of Petty.

Immediately after Mrs. Alma Petty Gatlin, daughter of the dead man was arrested on a charge of murder and her husband, Eugene S. Gatlin, chief of the Reidsville fire department was taken into custody pending investigation.

Acting on a tip given them the Rev. Thomas F. Pardue who claims to have been told by the girl that she struck her father on the head with an axe and later disposed of the body, authorities have been making a search for several days for Petty. As a last resort they went to a house where the Petty's once lived and began excavating the basement in an effort to exhaust the last possibility.

Mrs. Gatlin, who is 29 years old pretty and popular, denies that she killed her father or ever confessed having done so. She asserted today that she thought he had gone away as he had a number of times prior to his final disappearance a year ago and that until his body was found she believed he would be found alive.

Gatlin said that he knew nothing of the slaying. He and the girl were married recently, several months after Petty disappeared.

Battle of Verdun Will Be Refought Armistice Day, 1928

London, (INS)—In every country of the world the battle of Verdun will be fought over again on Armistice Day, 1928.

Preparations have been completed for the production of a French super-film, "Verdun." This picture has been designed not only to reconstruct the heroic endurance of the French army during the great struggle from 1916 onwards, and a memorial to the 400,000 Frenchmen killed in that district, but also, by its veracity and magnitude, to be peace propaganda.

The story is being built around the area known as "Bayonet Trench," about fifty French soldiers awaited attack with bayonets fixed to their rifles. They were buried there all alive, leaving only their bayonets showing above ground. These bayonets still remain to this day, protruding above the earth, and the story of "Bayonet Trench" will be related in this film.

This area still remains a waste and here the film will be made. Armies will again be hurled against each other and guns will again plough up the land.

"Verdun" will be completed during the next year and is to be released simultaneously all over the world, on Armistice Day, 1928.

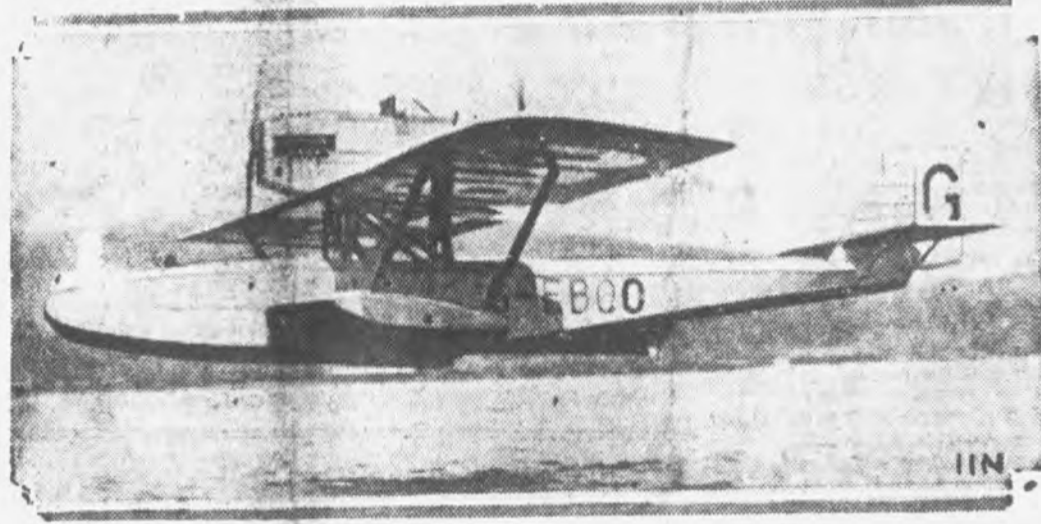

TEACHES WOMEN CLUB AFFAIRS BY RADIO TALKS

Chicago, (AP)—Women's clubs are not merely "in the air," they are actually "on the air," in more than a score of States, Miss Judith Waller of Chicago, chairman of the radio committee of the General Federation of Women's Clubs, attributes increased membership to radio aid.

The radio is largely responsible for the growing interest in club work and the rapid increase in club and federation membership, said Miss Waller. "An entirely new audience has been found by the State Federation and individual clubs. Through the courtesy of their nearest broadcasting stations they are sending out live programs which relate either directly or indirectly to club work.

"In this way thousands of people who have never known or cared about women's clubs, and what they are trying to do, have become interested. Now there are other jointing our ranks or helping us to accomplish some of our aims."

BOUND FOR NEW YORK FROM ENGLAND

Here is the all-metal Dornier-Napier plane in which Captain F. T. Courtney and three companions are winging their way from Southampton, England to New York.

SLIGHT HOPE HELD OUT FOR THE PRINCESS

Rumors of Plane Being Sighted off Labrador Causes General Search.

St. Johns, N. F., Sept. 3.—(AP)—Rumors received here that the English trans-Atlantic plane *St. Raphael*, led by the government, had been sighted off Labrador, led the government to order all wireless stations, light-houses, customs and other officials to institute a general search and to report immediately if anything is discovered to substantiate the reports.

Minister of Fisheries Windsor, who is familiar with the lonely rugged Labrador coast, said he feared that unless the plane descended immediately on reaching the coast the situation of the flyers would be hopeless. He pointed out that the wilderness of the interior is inhabited only by solitary trappers and a few wandering bands of Indians. Colonial Secretary Bennett is directing the government investigation of the reports.

CHIEF OF POLICE FILES SUIT AGAINST PUBLISHER

Greensboro, N. C., Sept. 3.—(AP)—Suit for \$30,000 was filed in Guilford Superior Court today by George P. Crutchfield, chief of police of Greensboro, against the J. M. Rees Publishing Company, publishers of the Greensboro Daily Record. The suit is the outcome of publication by the newspaper on July 17, of an article dealing with charges which were filed with the acting city manager against the police chief during the course of a police investigation. Demand for retraction was served upon the newspaper, but no such retraction was ever made.

MODERN DANCES BETTER THAN STOMACH BITTERS

Paris, (INS)—"The modern dances are better than all the stomach bitters and other cures ever invented for indigestion," declares Van Dongen, the Dutch painter living in Paris, exponent of everything that is new and modern.

The artist believes that the Charleston, the Black Bottom, Banana Slide and all the other choreographical movements of the present time are excellent for the health and induce the healthiest kind of digestion. He is advising all persons suffering from a sluggish liver and kidney ailments to take them up.

Mademoiselle Paiva, premiere danseuse at the Opera Comique, is not of this opinion, declaring the Negro dances are lacking in grace and gaily, and thinks they are injurious to the health besides. She much prefers the sprightly Scottish jig, the Basque dances or the Farandole of Provence and thinks there is nothing quite as lovely as the old polka, mazurka and quadrille.

250 SPANISH WOMEN NOW RUN DRUG STORES

Madrid, (INS)—During the past year 250 Spanish women received licenses to open drug stores in Madrid. Already there are a large number of women druggists throughout Spain, many of whom do their own research work as well. In the forthcoming year the government intends to spend a large sum to advance interest in pharmaceutical work and it is expected that the women are going to be stiff rivals of the men in this career.

DEAL APPOINTED TO SUCCEED PARKER

Raleigh, Sept. 3.—(AP)—Roy L. Deal, city attorney of Winston-Salem, was today appointed to succeed Judge Raymond G. Parker, who died in Asheville last week. The announcement was made by Edwin B. Brides, commissioner of Pardons, for Governor McLean.

LONDON TRIP NOT RESUMED THIS MORNING

Plane Sir John Carl- ing Delayed, Royal Windsor Hopped off This Afternoon.

St. Johns, Que., Sept. 3.—(AP)—The plane Royal Windsor bound from Windsor, Ont., for Windsor, England, hopped off from St. Greogire, near here at 2:35 p. m. Eastern standard time today planning to take route by way of Portland, Me.

Caribou, Maine, Sept. 3.—(AP)— Captain Terry Tully and Lt. Jas. McNeill decided not to resume today their flight from London, Ont., to London, Eng.

This decision was definitely reached at noon after they had received very unfavorable weather reports from Harbor Grace, N. F., their next stop and had visited their monoplane, the "Sir John Carl-ling" in a rain soaked field near Washburn, where they alighted Thursday night.

Fire Prevention Week Oct. 9 to 15

Raleigh, N. C., Sept. 3.—(AP)—Two hundred and eighty-six lives were lost and \$6,649,039 worth of property was destroyed by fire in North Carolina during 1926, Governor Angus W. McLean said today in proclaiming the week of October 9-15, inclusive, as fire prevention week in the State.

Most of the deaths and a great part of the property loss was caused through carelessness, said the governor.

Governor McLean earnestly requests the co-operation of every citizen, Chambers of Commerce, Rotary, Lions, Kiwanis and Women's Clubs, and all other civic bodies and the press, in stamping out the fire hazard in North Carolina.

Warehousemen Contribute To Publicity Fund

Seven tobacco warehouses of the city have contributed \$25 each to the advertising campaign for the city of Greenville, according to announcement made this morning from the office of the secretary of the Merchants Association.

THREE PRISONERS KILLED IN TRAIN WRECK TODAY

Princeton, Ind., Sept. 3.—(AP)—Three persons were killed and another injured, probably fatally when west bound Southern Railway passenger train No. 2 hit an open switch and swung head-on into a big four coal train at Francisco Mine No. 2 early today.

AGREEMENT IS REACHED AT HICKORY

Suit of Town of New- ton Against High- way Commission Compromised Today

Hickory, Sept. 3.—(AP)—Official announcement came from the closed conference of parties representing the town of Newton and the State Highway Commission in their effort to compromise on the long litigation centering around Route No. 10, at 1:30 o'clock this afternoon that a tentative agreement had been reached by both the plaintiff and defendant which met with the satisfaction of all concerned.

This agreement, the announcement said, will be subject to the approval of the courts. All information concerning the route of the road or roads which was agreed upon as a compromise was agreed upon as a compromise between the two sides explained that whatever agreement was reached between them must be submitted to and approved by the courts before the settlement is final.

Those who took part in the conference were Frank Page, chairman of the State Highway Commission; Commissioner Wilkinson and attorney Charlie Ross, on the part of the Commission; and Clyde Hoey, W. C. Peimser, W. A. Self, Wilson, Warlick on the part of Newton.

Mr. Ross, who gave out the official statement to the press in the presence of the other men said:

"We have decided that you may announce that we have reached a tentative agreement on the litigation involving a road between Statesville and Newton, subject to the approval of the courts, under which all towns interested will be given satisfactory State highway mileage. Both the plaintiff and the defendant wish to express appreciation for the splendid work of the committee of citizens which was largely responsible for this agreement."

Mr. Ross added further that he expected it would take about 40 days to present the matter to the courts and obtain a final judgment, at which time courts approving work will begin on the highway system of Catawba county.

While the official statement, and all members of the conference party, refused to divulge any information as to the proposed route of the new compromise route it was generally felt that the recommendations of the citizens committee had been substantially carried out. When the meeting at the Hotel Hickory was breaking up Newton was shaking hands with the highway commission and the highway commission was patting Newton on the back. There was a most remarkable feeling of good will among the members present.

And a litigation which has raged for many years, which has caused enmity and ill-feeling in Catawba County, passed in to history.

And the great missing link, the mud-hole of North Carolina's main street, will be paved and the mountains and the sea will be connected.

TWINS ABANDON CHANNEL SWIM

Cape Gris Nez, France, Sept. 3.—(AP)—The 13-year-old New York twins, Phillis and Bernice Zittenfeld, who started from here at 11:43 o'clock last night in an attempt to swim the English channel, had to abandon the effort after swimming more than four hours. One of them left the water at 4:07 a. m. and the other at 4:30.

HANFORD MCNIDER DENIES REPORT OF HIS RESIGNATION

Washington, Sept. 3.—(AP)—Declaring that he had no intention of giving up his post as assistant-secretary of war, Hanford McNider has authorized a categorical denial of a statement appearing in today's issue of the army and navy Journal that he has tendered his resignation to take effect December 1.

OFFICERS GET THREE STILL

Revenue Agents Make Big Hauls in Par- mele and Bear Grass Communities.

Revenue agents Frenchman, McDuffie and W. J. Manning today reported the capture of three stills, two white operators, 10 gallons of whiskey, a 10 horsepower boiler and 3,000 gallons of beer in a series of raids made near Parmele and in the Bear Grass community.

John and Charles Carraway, who were with one of the outfits when taken by the raiders, were given preliminary hearing before Commissioner Manning at Williamston and bound over to Federal court under bond of \$250, each.

Nothing of any importance is attached to the two stills taken in the Parmele community, the officers stated today. But they did get sufficient information to enable them to swear out warrants for those believed to be directly connected with the operation of the stills.

The outfit captured in Bear Grass was one of the best seen in months. The still was built of copper and operated by the 10 horsepower boiler. Numbers of kegs and jugs stored in proximity to the still location caused the officers to believe that rum had been produced and sent out in considerable quantities.

TAYLOR DRAWS TERM IN PENN

Decision Returned in Manslaughter Case During The After- noon.

Frank Taylor, white man of this county, was this afternoon sentenced to not less than six nor more than twelve years in the state penitentiary by Judge W. C. Harris, presiding over this term of Pitt county criminal court, on a charge of manslaughter in connection with the killing of John Little, colored, which occurred at Red Banks Landing some time last May.

The verdict of guilty was returned by the jury following deliberation of less than three hours. Taylor is not only alleged to have fired the shot that resulted in the death of Little, but also to have inflicted painful but not serious injury to another negro by the name of Babe Brown. Taylor, himself, sustained painful bullet wounds which necessitated his confinement to a hospital for several days. He jail, and released under bond.

He was later removed to the county penitentiary where he was confined during a picnic conducted by negroes at Red Banks. Taylor is alleged to have engaged in an altercation with Little, which resulted in his going to the hospital.

The defense has maintained all way through the trial that Little was killed in self defense, and considerable evidence in this direction was produced from time to time.

Only one other case was disposed of yesterday that being a charge of assault with deadly weapon against Jesse Taft, 16-year-old colored boy who was ordered to be confined at the county home for a period of six months.

WAYNE B. WHEELER TAKEN TO HOSPITAL AT BATTLE CREEK

Selby, Mich., Sept. 3.—Wayne B. Wheeler General Counsel for the anti-saloon league was brought to a hospital here Thursday from his summer home at Little Point Sable near here and yesterday was removed to a sanitarium at Battle Creek. It was learned today.

WORLD FLIERS LEFT BAGDAD EARLY TODAY

Brock and Schlee Hopped Off at Seven O'clock for Abbas, Persia.

(By The Associated Press)
Karachi, British India, Sept. 3.—(AP)—American round the world monoplane *Pride of Detroit* piloted by William S. Brock and Edward F. Schlee arrived at Bunder Abbas, from Bagdad at three o'clock this afternoon, Indian time.

Sept. 3.—(Eight Day)—Took off from Bagdad, Iraq, on 885 mile flight to Bunder Abbas, Persia, after having flown 5025 miles, more than one-fifth circumference of globe holders of present record 281-2 days, traversed Russia on eighth day.

August 27-28—Harbor Grace, N. F. to Croydton, Eng., 2,350 miles.

August 29—Croydon-to-Munich, Germany 600 miles.

August 30—Munich-to-Belgrad, Jugoslavia 500 miles.

August 31—Belgrade-to-Constantinople, 500 miles.

Sept. 1—Delayed by Turkish authorities.

Sept. 2—Constantinople to Bagdad, 1,075 miles.

Bagdad, Iraq, Sept. 3.—(AP)—The round the world fliers, William S. Brock and Edward F. Schlee, continued their flight hopping off here at 7 o'clock this morning bound for Abbas, Persia, 885 miles away.

Before their departure they announced their intention of staying at Bunder Abbas, overnight and then continuing on to Karachi, British India Sunday. The distance from Bunder Abbas to Karachi is 710 miles.

The American airmen arrived at Bagdad from Constantinople in their plane the *Pride of Detroit*, at 9:30 o'clock last night having made the non-stop flight of 1,075 miles in fourteen hours. They were the guests overnight of the Royal Air Force, fifty fifth squadron, having failed to locate the airdrome of the Imperial Airways because of darkness.

Basrah, Persia, Sept. 3.—(AP)—The *Pride of Detroit* American round-the-world plane, passed over this city at 10:30 o'clock this morning en route to Bunder, Abbas. (From Basrah to Bunder Abbas is about 560 miles.)

SELECTS SITE NEAR KINSTON FOR NEW STATE FARM COLONY

Raleigh, Sept. 3.—(AP)—Five hundred acres of land located on state highway No. 10 near and belonging to Caswell Training School at Kinston will be the site for the new State Farm Colony for older women offenders.

Directors of the Farm Colony, appointed by Governor McLean, recommended to the council of state that the site be used. Board members, including Roland Beasley, Monroe, T. J. Murphy, Greensboro; Mrs. W. T. Shore, Charlotte; and Mrs. Eugene Little, Wadesboro, hope to have the buildings erected by the time the 1928 legislature meets.

Recall Election Seems Certain at Greensboro Today

Greensboro, N. C., Sept. 3.—(AP)—A recall election in this city appeared a certainty today when City Clerk E. G. Sherrill, announced that the recall petition lacked only 12 signatures of the necessary number to make the election mandatory. John Michaux, attorney for the recall forces, then stated that the necessary signatures would be furnished at once and Mr. Sherrill indicated the petition would be laid before the council at its meeting Tuesday.

Under the law, if the petition is found regular, council must order an election within twenty days from Tuesday. The recall forces seek to unseat Mayor E. B. Jeffries and Councilmen Ridenhour, Ford and White, on charges of not carrying out campaign promises, not taking steps to reform the police department and failure to act in such a manner as to ensure economical administration of the city's affairs. They have been in office about four months.

GEHRIG ONLY ONE HOMER BEHIND RUTH

(By The Associated Press) Pittsburgh's dash for the elusive lead in the National League had become sufficiently bolstered today for the Pirates cohorts to take a nap without danger of awakening to find their entry knocked off the pinnacle.

But even so, the Buccaneers had only time to grab an extra wink. The launty world champions fell victims at the Pittsburgh rendezvous yesterday by 5 to 3 while the Reds were adding to the woes of the Cubs with a 5 to 0 whitewashing.

That gave the Corsairs a full game lead on Chicago enabling them to end the week in the lead regardless of today's game.

The Giants, who have won seven straight had an open date yesterday.

Pittsburgh has won five straight while Chicago has had as many losses in a row.

Alexander the Great could not stop the Pirates and was biffed for 15 hits although he tightened up at critical times preventing heavy scoring. Ray Cremer stopped the champions with nine safe raps.

Rabbit Maranville made his initial start with the Cardinals at shortstop.

At Cincinnati Jackie May gave out three measly hits to the Cubs. His opponent, Percy Jones got into trouble in the fourth inning by walking three batters, which, coupled with two boots by his mates, gave the Reds a four run lead.

The Braves scalped the Robins by 3 to 2 to resume sixth place in the standing. Farrell's single in the ninth driving Wesh across the plate with the winning inn.

The Yankees maintained their heavy gait by thrashing the Athletics 12 to 2, swapping Walberg and Gray with 20 hits. Gehrig amassed two homers for a total of 43 and Ruth belted one, his 48th.

Nineteen players were used by the White Sox but to no avail as the Indians dashed off with a 7 to 6 victory. Johnny Mostil made his first appearance of the year with the Sox, running for Crouse in the seventh.

Gaston vanquished Stoner in a pitchers' duel which Gaston settled with a single on top of Williams' triple in the ninth for the deciding margin, in the Browns 3 to 2 triumph over the Tigers. O'Neil had a double and scored with the tying outpour on the three base smash.

The Senators and Red Sox were without a schedule.

Hearn Probably Will Not Manage Bugs Next Season

Raleigh, Sept. 3.—(AP)—Bun Hearn probably will not be manager of the Wilson Bugs in the Virginia loop next season, after declining to accept a contract with club owners which was tendered him.

His announcement took fans somewhat at a surprise but hope was expressed that he would continue with the club as pitcher.

Wilson lost again to Richmond; Kingston dropped a contest to Portsmouth and Norfolk and Petersburg split a double bill.

Use Monday for shopping—we wash.

AFRAID TO EAT

Bloating Spells, from Indigestion, Put an Oklahoma Man in a Miserable Fix, But He Found Relief.

Swink, Okla.—In describing how he suffered from indigestion, Mr. S. T. Strain, of this place, says: "I have been a user of Black-Draught for four or five years. I have been taking it for stomach trouble. I suffered after eating with bloating and a 'tight feeling'."

"I had spells when I could not eat much of anything. I had severe headaches. I would be nauseated and hurt a lot. I was in a pretty bad fix."

"I began taking Black-Draught. It seemed to help me wonderfully. I hadn't found anything that benefited me as Black-Draught did. I certainly can recommend it."

"There were times when I just did without anything to eat until I was too weak to go. I was just miserable, and when I ate, my system seemed clogged."

"I had very severe headaches. So I didn't know just what to do. I knew I couldn't work if I didn't eat. Seemed like what I spit up was bitter as could be. I took Black-Draught pretty regularly and got where I could eat, and I don't have to take it so regularly now." NC-177

Morger Chalks Up Twenty Third Win Of The Season

Raleigh, Sept. 3.—(AP)—Harry Morger, Raleigh ace today had 23 pitching victories to his credit, after mowing down the leading Piedmont League Salisbury Colts in a 4-1 contest here yesterday.

Rocky Mount, battling desperately for a chance at the pennant, took the lowly Durham Bulls for 13 innings to nose out a win 5-3. Winston-Salem returned home to take a double bill from High Point.

Football Teams To Get Down To Work Monday

Raleigh, Sept. 3.—(AP)—With coaches and assistants on the scene of action, North Carolina College football squads are slated to get down to earnest training for the coming season, beginning Monday.

Coaches Collins, University of North Carolina, and Tebell, State College, landed on their respective campuses yesterday to start the conference eleven in full swing Monday, coaches Younger and Tison were at Davidson today, where word drifted out that they are pleased with backfield prospects but somewhat worried over their "thin red line."

Collins has 18 letter men for the big blue Varsity while Tebell is counting on 12 veterans for State's gridiron representatives, including passers and punters who starred as freshmen last season. Practically all players of the 1926 Blue Devil Varsity is expected to return.

At Wake Forest coaches Baldwin and Emmerson have been silently going over their prospects in view of replacing the famous Rackley-Riley attack that put the Deacons back into the championship running the past three years.

Dick Gurley is already at Lenior-Rhyme to whip his mountaineers in shape. Pat Crawford goes to Guilford Monday and D. C. Walker has reported at Elon.

The season of dashing end-runs and bullet-like forward passes is just around the corner.

Where They Play

Announcing The Imperial Landau at a New Low Price

The Chevrolet Motor Company announces a price reduction on the beautiful Imperial Landau—made possible by the tremendous nationwide popularity that has greeted this aristocrat of all low-priced cars!

Beauty of line and color... elegance in interior appointments... an air of fleetness and distinction... advanced, modern design—

—these are the features that the public demands above all others in a motor car—

—and you need only to inspect the Imperial Landau to understand its sensational popularity in every section of the land.

The "Body by Fisher" is of special design and is finished in ultra smart

colors of genuine Duco. Oblong windows, a low roofline and brilliantly nicked windshield frame and landau bars emphasize its stylish, dashing appearance. Upholstery and interior appointments are strictly in keeping with the exterior richness and beauty.

You owe it to yourself to see this masterpiece of craftsmanship and value—to see how it combines all the advantages of Chevrolet's advanced engineering and proved design... smoothness, snap and high speed roadability... unfailing dependability, finger-tip steering and restful comfort.

Come in today—and go for a ride in this finest of all Chevrolets!

There is a rumor that President Coolidge will become an author when he leaves the White House. If he does he will need to be watchful in his use of "choose" as well as careful to avoid the split infinitive.

BOND ISSUE NEEDED

The citizens of Greenville School District, early in October, will be called upon to vote for or against the issuance of \$100,000 worth of bonds to be used for the erection of a new junior high school building and enlargement of the negro school building.

While it is realized that there are many of our citizens who always feel that bond issues call for higher taxes and a short road to the poorhouse, a study of the situation here shows clearly that the bond issue is essential or else the money must be raised by direct taxation, as provided under the laws, as there must be facilities for taking care of the children who are required by law to attend school.

The situation as set forth by the Board of Trustees is just this: Insurance received from the recent fire totalled \$56,000. Of this amount \$30,000 must be paid to cover an outstanding indebtedness that came about by reason of the fact that the last \$200,000 bond issue failed to take care of the erection of new buildings, improvements of other buildings and other outstanding indebtedness. After paying the \$30,000 note there will be left only \$26,000 with which to replace the junior high school building and make additions to the negro school that are absolutely essential.

The lowest estimates for the new building place the cost at \$80,000 with an additional \$10,000 necessary for equipment, making a total cost of \$90,000 for

the new junior high school building. With \$26,000 remaining out of the insurance money the board asks for a bond issue of \$100,000 which will give a total fund of \$126,000 to cover the cost of the new building and improvements necessary to other buildings to care for the situation here.

As we see it, the citizens have no alternative but to pass the bond issue. The laws provide that the children must attend school. In order that this may be possible there must be school buildings and those buildings cannot be built without the necessary money. The money must be raised one way or another and the bond issue at this time is the plausible course.

Let us show you how it's done.

A BETTER CAR A LOWER PRICE

\$875

TWO-DOOR SEDAN BODY BY FISHER

f. o. b. Lansing, Michigan

Never before has Oldsmobile been so thoroughly desirable, so utterly enjoyable as it is today.

To all those qualities which stamped it as a top value in the \$1000 field, are now added new smartness, new luxury, new colors and thrilling, smoother performance.

And the amazing thing about it is that all this has been added along with lower prices.

Formerly \$950, today the smarter, finer Oldsmobile

Two-Door Sedan is spectacularly priced at \$875!

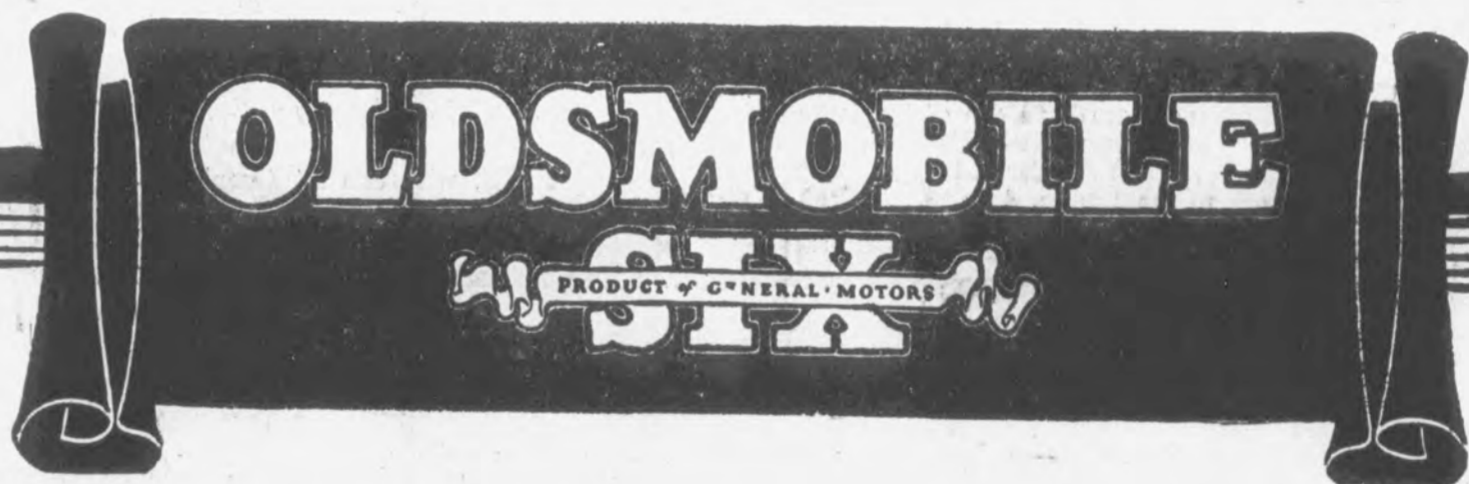

All through the whole resplendent line similar sharp reductions—reaching as high as \$115—set a new pace in value giving!

These are the facts—but plain, cold facts that fall far short of doing justice to the value you will instantly recognize when you see for yourself this latest Oldsmobile triumph—a better car at a lower price.

TAR RIVER LIVESTOCK ASSOCIATION TO MEET

The annual meeting of Roanoke and Tar River Livestock Association will be held on the farm of Ben F. Shelton, between Hobgood and Speed, on Thursday, September 8th, at 10 o'clock, according to announcement made this morning by M. W. Hayes, secretary of the organization.

Library Hours Changed
Beginning Tuesday, September 6 the public library will be open from two to nine p. m.

Birth Announcement
Born to Mr. and Mrs. A. W. Clement, a daughter—Annie O'Neal Sept. 3, 1927, at Pitt Community hospital.

Announcement
Mr. and Mrs. R. J. Barbee, of Raleigh, announce the birth of a son, on Friday, September 2, at Rex hospital. Mrs. Barbee was formerly Miss Alice Whitehead, of this city.

NOTICE TO PATRONS OF THE GREENVILLE HIGH SCHOOL

Please note that registration for the fall term begins Friday, September 2, 1927, at 9 a. m., and will continue until September 8, 1927, when school opens.

Please note that only those who have not filled out choice slips already need register at this time. Those who filled out blanks for registration last spring need not come to school until September 8th at 8:30 a. m.

Be sure that your child starts school the first day. It is impossible to do good work when pupils start late. Please have pupils register before the 8th, which is Thursday. It is absolutely essential that pupils start school the first day.

ANNOUNCEMENT

Grid Training To Begin Here Monday Morning

All who wish to take part in training for high school football are invited to meet in the gymnasium of the high school building on Monday morning at 9:30, according to an announcement made this morning by C. W. Porter, director of athletics.

Mr. Porter stated that two practice periods would be held daily. The first will consist of field workouts. The afternoon will feature drill in rules and regulations of the game.

Many of the old players will return for training this season. It was stated by Captain Whedbee a few days ago, and it is believed a smooth working organization will be perfected by the opening of the gridiron season.

ANNOUNCEMENT

Miss Leola Higgs announces her association with the Barksdale Studios of Interior Decoration, Greensboro, N. C. She will be in this city until September 15 and will be glad to discuss your home-furnishing problems with you. Any orders entrusted to her will be executed by the Barksdale Studio.

The season for air conditioning is approaching, and with it the problems of window draperies and the accessories that give your home charm and individuality. Call 283-J, prior to Sept. 15, and she will confer with you at your convenience. After that date she can be reached at the Barksdale Studio, Greensboro, N. C.

County Home Sow Real Pork Factory

Speaking of hogs and pigs—read this. On September the record second ton litter was weighed out at the County Home. This litter weighed 2,213 pounds at exactly 80 days from birth. The first litter weighed 2,483 pounds at 180 days of age. The lightest pig weighed 180 lbs. and the heaviest one weighed 273 lbs. In the last litter B-4 these litters were farrowed by the same sow. On August the 29th 1925 this sow farrowed 11 pigs ten of which lived and as stated above at six months of age weighed 2,483 lbs. and on March 6 the second litter of 11 was farrowed ten of which lived and weighed out 2,213 lbs. on Sept. 2nd. This same sow farrowed 11 pigs on August 29 which give her a record of 4,696 pounds of pork and 10 living pigs in the short space of 12 months.

To Attend Elon College

Any desired heat at the turn of the switch—like turning on the light.

Less work, as dirt, carrying of fuel, and scouring soot from pots and kettles is eliminated—electric heat is clean, odorless and smokeless.

Less shrinkage in meats and cheaper cuts are made more tender and palatable.

Oven Heat Control

Automatic Heat Control keeps the oven at an unvaried and even heat, making it always possible to maintain the exact heat desired in the oven, so previous cooking results can be easily duplicated.

LETS GO TO CHURCH

SEASONAL SABBATH DESECRATION.

(By REV. W. S. HARDEN) Each season of the year has its own temptations to desecration of God's day, and neglect of church attendance...

(This page is paid for by the following list of firms who believe the churches represent the greatest force for good.)

Flanagan, leader. Nazareth Guild. Friday, 10:00 a. m.—Litany service, read by John L. Horne. A hearty invitation is given to all the services of the church.

St. Peter's Catholic Church There will be Mass Sunday morning at 11:00 o'clock. Rev. C. J. Gable. Presbyterian Church Forenoon services will be conducted in the old church building on Sunday. The morning and evening services will be led by Rev. J. N. H. Summerell, D. D., of New Bern, N. C., first pastor of the church and under whom the church was organized and built.

TODAY

(Continued from Page One) ment will run a peat bog for one year to show that peat can be used economically. Perhaps somebody in the Dakotas will find a way to use the "lignite" coal, which is far better than peat—stored away in the Dakotas and elsewhere, hundreds of millions of tons of it. "Time is of the essence," as lawyers say. A Frenchman is going to harness the hot water of the tropical ocean. Americans are already harnessing, and the British are planning to harness, the power of the tides. Soon somebody will harness the sun and then the power problem will be settled for the next hundred million years anyhow. Great Britain intends to protect ignorant investors against get-rich-quick stock salesmen and other schemers. Peddling stocks from door to door is to be stopped. Selling stocks through the rail restricted and watched. The oil, real estate and mining schemes that rob investors in this country would not be possible in Great Britain. A stock broker, whose wife wanted \$66,000 a year alimony while waiting for a divorce, complained that the lady bought 28 pairs of shoes in three days, averaging more than \$15 a pair. He made over

COTTON New York, Sept. 3.—(AP)—Prospects for rather unsettled weather in the south over the week-end led to considerable covering in the cotton market today and opening declines were just about recovered. December sold up from 22 1/4 to 22 7/8 or back to Friday's closing quotation, but there was a little realizing in the late trading and that delivery closed at 22 1/2. The general market closed steady at net declines of 6 to 12 points. Futures closed barely steady; 5 1/2 to twelve lower. Spot quiet, middling 22.60.

Table with columns: High, Low, Close, P. C. Rows for Jan, Mar, May, Oct, Dec, and Opening Jan 22.58, Mar 22.80, May 22.86, Oct 22.35, Dec 22.60.
