Price Five Cents

PRICES GO UP ON GREENVILLE LEAF MARKET

Highest Average of Season, \$24.15 Made on 1,109,504 Pounds Tobacco Yesterday

The highest average of the season was made on the Greenville tobacco market yesterday when 1,109,504 pounds of tobacco sold for \$267,937.86 at an average of \$24.15 per hundred pounds, according to official figures given out today by K. W. Cobb, secretary of the Tobacco Board of Trade.

This was four cents above the highest average price paid on the market for any single day last year.

The general increase in the price situation, which has been predicted by prominent tobaccoists for the last several days, produced the best of feeling among the hundreds having offerings on the market yesterday. Opinion was expressed that prices would remain strong the remainder of the season.

Congestion of warehouse floors and factories which existed here during the earlier part of the season has been completely eliminated, and it was stated today that sales were expected to move along smoothly during the remainder of the year.

Greenville has maintained near a million pounds a day average for the twenty sales days of the year. This is something over six million pounds sold for the same period last year.

Wilson Sets New Sales Record

Wilson, Oct. 4.—(AP)—Record breaking sales were in order on the local tobacco market yesterday and two marks fell before the onslaught of the auctioneers and buyers. The daily high record was moved up to 1,688,444 pounds as compared to the old record of 1,429,000 and an individual warehouse record of 465,606 pounds was set, as compared with the old mark of 411,000.

Both records were established last night and a third mark, the weekly record, appeared today to be threatened. Warehouse men are selling this year with a speed never before believed possible.

The world's weekly mark now is 6,675,000 pounds and in two sales this week 2,796,724 pounds have been sold, according to official figures. The highest daily average price paid this season was received by growers yesterday when prices climbed to an average of \$22.88.

Rocky Mount Averages \$20.84

Rocky Mount, Oct. 4.—(AP)—The highest average of the season prevailed on the Rocky Mount tobacco market yesterday when 627,300 pounds sold at an average of \$20.84 per hundred. With heavy offerings which covered the warehouse floors sales were blocked for the day but tobacco men said the congestion would be cleared today.

Yesterday's sales brought the total offerings for the season here up to 10,667,300 pounds.

The increased average yesterday was explained by the greater percentage of medium tobacco and tips in the offerings.

Disorder Breaks Out in Belmont Mining District

St. Clairsville, Ohio, Oct. 4.—(AP)—Belmont county, hot bed of the Ohio mine difficulties since the general suspension of operations in April first, has become the center of new disturbances. Sheriff C. C. Hardesty, however, reported the situation well in hand.

Disorders broke out at three mines last night. At the Webb mine, Sheriff Hardesty and his deputies were threatened with violence, at the Florence, a non-union laborer was beaten and stoned; and at the Florence some fifty union pickets who refused to abandon their positions, were arrested.

The sheriff said that he and his three deputies were forced to run a gauntlet of 1,000 men and women union sympathizers as they were escorting thirty non-union workmen to the Webb mine, near Shady-side.

No one was seriously hurt and no one attempted to stop them, Sheriff Hardesty said. The crowd demanded release of eleven of their number, including W. T. Roberts, secretary of the sub-district number five, United Mine Workers of America; Adolpho Pacifico, vice-president; and Attore Del Guzzo, international organizer. The eleven union men had been given a hearing earlier in the day at Steubenville on charges of violating the federal court injunction restraining them from interfering with operation of non-union mines and after they had been released on bond they returned to jail as a "protest against persecution" to await their arraignment in federal court.

Warren C. King, prominent New Jersey Republican, marries Miss Eloise Zello, artist and lace expert and descendant of ancient and noble Italian family.

Greenville Rotary Club Carries Spirit Rotary To Fountain Community

The spirit of Rotary was carried into the Fountain community last night when members of the Greenville Club held the first "friendship meeting" of its kind probably ever before conducted in this part of the State. Numbers of prominent business and professional men of the town of Fountain were guests of the club during the evening, and the session proved to be of value and profit to everyone.

Supper was served by members of the Parent-Teachers Association of Fountain, after which a program consisting of songs, speeches and Rotary stunts held attention of the gathering. The remainder of the evening. The outstanding features in connection with the musical program were several song selections presented by a quartette from Greenville, composed of Bill L. E. W. M. Seders, E. S. Williams and Mr. Story. They sang first before supper was served. The number was received so enthusiastically that other selections were presented, the last coming at the end of the meal.

President W. H. Rogers presided over the session. He welcomed the guests in a most happy vein, assuring them that Greenville had come to Fountain for the purpose of renewing old acquaintances and friendships.

"We didn't come over here with any ulterior motives in mind," he vigorously declared. "We came to bring the spirit of Rotary to you—the spirit that causes men to rub elbows with one another in complete understanding, realizing that friendship, after all, is the connecting link uniting one human being to another, and likewise one community to another."

"All of us are citizens of Pitt County. We have the same common ties that other communities have had since the dawn of history, and it is for us to keep those ties fresh in mind—living and vibrant—if this great section of ours is to continue to prosper and grow."

The response was made by F. L. Eagles, mayor of Fountain. He extended a most cordial welcome to the visitors. He said he realized how invaluable was the spirit of brotherhood which the capital of Pitt County was extending to its neighboring town, and expressed belief that the future would see this spirit expand to great proportions.

Other speakers of the evening were F. C. Harding, Jasper Winslow Haywood, D. A. Fountain, and Dr. Beasley, R. A. Fountain, J. M. Horton, L. R. Bell, R. E. Boyd, C. M. Smith, L. C. Campbell, Theodore Fountain, Mack Smith of Fountain. Mr. Harding spoke on the subject, "What is Rotary?" He gave a careful interpretation of the ideals of the organization, declaring that friendship is the very foundation upon which life of the organization had built. He told the guests that the friendship of the organization had been extended to them.

J. B. Kittrell, chairman of the program committee, entertained with two or three stunts. In a drawing contest he awarded packages containing, as he expressed it, two automobiles. This was followed by a stunt participated in by Rev. H. Frederick Jones, E. F. Arnold, Mr. McGinnis and Mack Henderson. As result of the gymnastic feat which the assistants were put through to complete the stunt, they were designated as the most "stuck up" men in town.

J. H. Rose, superintendent of Greenville public schools directed the singing. A rising vote of thanks was extended to the Parent-Teacher Association for the splendid supper served, and also to members of the quartette who responded so liberally to encores during the presentation of their numbers. The following Fountain people were guests of the club: R. A. Fountain, J. H. Fountain, T. K. Fountain, J. L. Peel, Hardy Johnson, M. E. Smith, H. F. Owens, C. M. Smith, M. D. Yelverton, L. W.

REPUBLICANS DISCUSS NEXT PARTY LEADER

Names of Hughes and Hoover Predominate At Gathering in Washington City.

Washington, Oct. 4.—(AP)—Political gossip concerning the Republican Presidential nomination next year came to the forefront in the national capital simultaneously with the conferences of the party's national committee on the 1928 convention's plans. The opinions on the Presidential outlook in the party, however, did not emanate from the members of the national committee. Chairman William M. Butler declined to comment on whether he regarded President Coolidge's statement as definitely excluding him from the field. In the prognostications the names of Hoover and Hughes predominated.

Meeting a dozen committeemen yesterday, Mr. Butler listed three more party leaders to confer with him today. The conferences deal with canvassing the party's affairs and discussing the convention city. Mr. Butler announced that he would continue the conferences all day.

A report of a political trade involving Secretary Hoover was a sensational feature of one politician's views on the Presidential outlook. Chairman Madden of the House Appropriations committee revealed that Mr. Hoover had agreed to support the Boulder Canyon Dam bill in return for a promise by Senator Johnson of California for that state's vote in the convention. The secretary declined to comment on his friends recalled that he had endorsed the Swain-Johnson Boulder Dam bill at the last Congress before the President's noted statement. Two Pennsylvanians, former Governor Sprout and Senator Reed, both agreed the President had eliminated himself and named Hughes and Hoover as possessing considerable strength in their state.

Among the cities being considered for the convention were Minneapolis, Chicago, Cleveland, Detroit, Kansas City, San Francisco, Philadelphia, Atlantic City, Miami, New York, San Antonio and Memphis. No decision will be made, Butler announced, until the committee meets here early in December.

Mr. Butler also announced the committee gathering was not considering the filling of the vacancy of the national committee in Wisconsin. The chairman had scheduled today three conferences with party leaders including C. Bacon Slemm of Virginia, former secretary of the President, William H. Crocker of California, and Maurice Masnick of Ohio.

Bright Sunshine Follows Rain Old North State

Charlotte, N. C., Oct. 4.—(AP)—Bright sunshine today flooded the Carolinas which yesterday were alternately whipped by wind and rain blustered by unseasonable heat or blanketed by heavy clouds.

Following the storm that whipped in from the ocean near Charleston late Sunday night, late crops in many sections were showing improvement as a result of the drouth of more than a month that has hampered many sections being broken.

Telephone, telegraph and power companies in many sections, however, were busy today repairing torn down lines and poles and for a damage caused by high winds that time yesterday severed communications to some sections. Eastern North Carolina was, for a time yesterday virtually isolated as to wire communications when wind storms in the vicinity of Raleigh, Siler City and points to the west and south of Seama and along Virginia border tore down wires.

There was no loss of life or injury to humans reported. Heavy rains that accompanied the storm in many sections did not serve to put rivers up to anything like the danger point but in many places small creeks went out of their banks.

Serrano, together with General Carlos A. Vidal, Governor of Chiapas, had been captured and executed. The 800 soldiers of the Mexico City garrison who left their last Sunday night were last reported by airplane scouts to be near Texfco, thirty miles east of the capital, head of Puebla.

More than 2,000 loyal troops were sent in pursuit and the President predicted that the rebels would be quickly suppressed.

TODAY

High Sky, Blue Clouds. Some Farmers Happy. Bonfires, King Optimist. Why Have Mammoths? (By Arthur Brisbane) Copyright 1927, by Star Co.)

This is written in a most beautiful country, between Albuquerque and Gallup, on the Santa Fe road. On either side the train, hills and plains roll toward the horizon, the weeds beautiful in their emptiness. These tracks are five thousand feet above the sea, and the sky, blue with majestic white clouds floats in it, seems five thousand miles above the earth. You can imagine coming from these hills a voice as if old saying, "Come unto me, all ye that labor and are heavy laden and I will give you rest."

In this beautiful country are rest, peace, happiness and health for millions that will one day bless the maker of this continent.

It is a new country and an old country. Here masses of rough black broken stone, and smoothly roofing stone that was hot lava thousands of years ago, tell where volcanoes spouted. In the cliffs you may see houses where peaceful Indians lived and hid from marauders.

With all this country to choose from, they would not let each other be in peace, but in busy places where this is printed, men are not so much interested in blue sky, white clouds, or what used to be as in the question, "How things are now." They learn that not all farmers are depressed and unhappy. An intelligent Kansas City editor advises the farmers not to "talk misery" too much, "for the east may believe you and refuse to lend money needed for further development."

At Albuquerque, left just behind, the editor of the Albuquerque Journal has only good news. Heavy rains have put the cattle ranges and sheep ranges in wonderful condition. Prices of cattle and sheep are high. Albuquerque has doubled its population in a few years and (Continued on Page Six.)

PAYS FINAL TRIBUTE TO DEAD CHIEF

Tennessee stops today To Pay Farewell to Gov. Peay, Who died Yesterday.

Nashville, Tenn., Oct. 4.—(AP)—The wheels of state government ceased to turn today, while Tennesseans paid final tribute to their beloved chief executive, Governor Austin Peay, thrice chosen to stand at the helm of his commonwealth finally stricken from his post by death.

The state capitol, its colonial columns draped in crepe, was the scene of the final obsequies here. It was the shrine in which the state leader's widow agreed that his body lie in state, so that the city of Nashville and the state of Tennessee might ceremoniously do him honor.

A long and solemn march thru city streets, from the executive mansion to the state house, the procession's last few yards slowly progressing through a double file of Tennessee national guardsmen standing at attention, was all the outside display planned to bring the casket to its flower laden bier, at nine o'clock this morning, where thousands might view it during the seven hours the body was to lie in state.

A poignant note of sadness was added to the proceedings by the contrast of today as it is and today as it was to have been, in the state-wide grief had not been for the postponement of the visit here of Colonel Charles A. Lindbergh. Bunting and decorations had already been displayed to welcome the illustrious aviator, but they have now given way to crepe; flags that were raised in his honor have been lowered to half-mast to bemoan the Governor's passing.

Funeral services today in the House of Representatives hall will be followed tomorrow by final rites at Clarksville. Governor Peay's former home, and interment Thursday.

Trip to be Made by Way of the Azores, Then From New Foundland or Bermuda.

Rose Sarlo, 17-year-old Sunday school teacher of Woodbury, N. J., who was beaten, shot and strangled, then thrown into a creek. Police say George Yaro, an admirer of girl, confessed crime.

GERMAN PLANE HOPS OFF FOR UNITED STATES

Trip to be Made by Way of the Azores, Then From New Foundland or Bermuda.

Berlin, Oct. 4.—(AP)—Reports received by Luft Hansa, the German Aerial League, say that the Junkers plane D-1230 which hopped off from Norderney for the United States, by way of the Azores, landed at Schellingswoude, near Amsterdam, at 5:30 p. m.

Norderney, Germany, Oct. 4.—(AP)—The Junkers hydro-airplane D-1230, ready for its scheduled flight to the United States by way of the Azores, took the air at 4:45 p. m., today and started off in a westerly direction.

The first destination of the D-1230 was the Azores. The plane took the air after a start of about 150 yards.

The plane D-1230 which took off in an attempt to span the Atlantic, east to west, is a three-engine hydro-airplane, originally a passenger Junkers plan. It is modelled and equipped with positions at Norderney. Much secrecy surrounded the preparations.

The route was planned to take the plane by way of Vigo, Spain, to the Azores. From the Azores the plane will go to either New Foundland or Bermuda and thence to the United States.

One of the pilots in the new venture, Frederick Loose, piloted the Junkers plane Bremen in its attempt on August 14 to make a non-stop flight across the Atlantic.

The Bremen battled bad weather over England and when off Ireland the plane put back landing safety was secured. The landing on the afternoon of August 15, the companion plane, Europa, which had started at the same time ran in to a dense fog over the North Sea developed engine trouble and having become separated from the Bremen, turned back and landed at Bremen, Germany, August 14.

Frederick Loose was born in 1897 at Wiesa, Czechoslovakia. As a marine he fought in the battle of Jutland. Soon afterward he took a course in flying. At the close of the war he became a policeman and after four years service returned to aviation. During the Moroccan war he flew an ambulance plane for the Spanish Government. Since then he has been flying for the Junkers Company and holds five records for weight carrying feats.

Tobacco Season Opens at Salem

Winston-Salem, Oct. 4.—(AP)—The 1927-28 tobacco season opened here today with an estimated 1,000,000 pounds of leaf tobacco on the floors of the eight warehouses in the city.

Four sales were conducted during the day and the breaks were regarded as so large that doubt was expressed whether all of the offerings could be disposed of. While most of the leaf offered is of low grade primings, early price indications were somewhat disappointing. It was said. Indications were that the average for the day would not run over 15 or 16 cents a pound.

Warehousemen today were predicting large breaks throughout the week due to yesterday's rains which put tobacco in fine shape for handling. Warnings have been issued to growers to market their tobacco slow so as to avoid blocking sales.

Demands \$70,000 From United States

Springfield, Ill., Oct. 4.—(AP)—Demand has been made on the United States by the Mexican government for \$70,000 to identify the families of Bernardo Roa and Roberto Torres, convicted murders of Deputy Warden Peter Klein of the Illinois penitentiary. Gov. Len Small was advised today by the United States Claims Agent, Torres was hanged but Roa is at large. Roa, with the aid of a Mexican sweetheart in Chicago escaped from the Will County jail last winter and killed two policemen before he made this escape.

Torres made a break from the jail at the same time but was recaptured and paid the penalty for his participation in the crime. He was hanged, with Charles Duchowski and Walter Staleski early in July. The Federal Government asked Governor Small for information concerning the case. Attorney General Carlstrom is preparing the records.

GERMAN PLANE HOPS OFF FOR UNITED STATES

PITTSBURGH AT FEVER HEAT ON EVE SERIES

(By BRIAN BELL)

Associated Press Sports Writer
Pittsburgh, Oct. 4.—(AP)—Pirates and Yankees camped today on the outskirts of the battlefield and waited for a fog sun to do its duty in drying out Forbes Field for the first games of the world's series tomorrow.

Rain yesterday brought rest to the players, needed by the Pirates but not by the Yanks, anxious to put the finishing touches on their preparations. The rain came when the Yanks had only a few minutes batting practice and kept the Pirates off the field altogether.

However, the downpour brought no rest to the carpenters building temporary seats which have already been sold. The craftsmen wrestled with slippery hammers and saws as they built benches to seat 4,000 more than the big playing field normally offers hospitality.

The sound of the hammers beat time to a cry from the fans for tickets and more tickets. But there were no tickets except in the hands of speculators, who think they are worth more than their price tag would indicate. The scalpers hop the sentimental value of the past-boards will be realized before game time. With a day to pass before the first act of the annual classic can be staged, Pittsburgh was practically in the hands of experts. Old inhabitants said the stronghold of the bold Buccaneers had never before been subjected to such intensified experting.

Most of the information came straight from the feed box, many of the players using the hands that will later wield bats and toss curves to pound typewriters in giving the fans the "low down." This information has been valuable and consistent thus far. Every Yankee writer has predicted victory for the American League while the count was evened by the Pirates' scribes who to a man pick the National League entry.

The fans, who seem to know a good deal about the situation, are weighing the credits and debits of the contesting clubs with careful thought, arriving at the conclusion that this is the question mark at the end of the world series sentence.

"Can the pitching Pirates still the mighty bats of the Yankees?" There were many questions that only Wednesday afternoon can answer, and then only in part. The duel of managerial minds was certain to be interesting as the two "mighty atoms," Donie Bush and Miller Huggins, crossed wits.

Leading the ring wedge of the Yankees, Babe Ruth and Lou Gehrig who hit 107 American League home runs between them, were the objects of sharp scrutiny by Pirates pitchers. The Corsairs deep thinkers made no secret of the fact that the big fellows will not get good balls to hit.

The Pirates' batting aces, Paul Waner and his brother, Lloyd, make up in speed what they lack in weight and the homefolk were confident that the Oklahoma "twins" would be able to hold their own with Ruth and Gehrig in spite of giving away a hundred pounds in tonnage.

The rival managers were expected to put their best pitching bets forward. Waite Hoyt for New York, and Ray Kremer for Pittsburgh. Both are right handers and neither needs any introduction to the world series.

Wiley Moore, the best advertisement in baseball for the long distance telephone, since he was brought from the Greenville club of the "Sally" League through that medium, is slated to share the main Yankees pitching assignments with Hoyt. Moore has an underslung ball called a "sinker" which seems

REFLECTOR WILL FURNISH REPORTS ON WORLD SERIES

Through arrangement with the Associated Press, the Reflector will receive play by play reports on the World Series games between the Pittsburgh Pirates and the New York Yankees. These reports will be megaphoned in front of our office and all interested fans are invited to be on hand for these games.

The series will begin Wednesday afternoon and will continue until one of the teams wins four games. The first two games will be played in Pittsburgh and then the scene shifts to New York for the next three contests. All games are scheduled to begin at 1:30 p. m.

to change its mind between mound and plate.

Manager Bush points out that he also has Vic Aldridge, who has a reputation for never throwing a ball while he has a curve left. The Yankees reported for opening engagement in the pink of condition. The general health of the Pirates also was good although Harris, who has also done time in the American League and was a world's series hero in his own right when he wore the spangles of Washington, has been a bit indisposed.

There has been a disposition on the part of the Pittsburgh fans to overlook the Yankees in their scramble to get a good look at Babe Ruth. "Where is he?" was a frequent question at the station, hotel or ball park. With the Babe once in evidence, it was never a case of "Which is he?"

Call us today—22.

FOOTBALL

Wake Forest, Oct. 4.—(AP)—Opponents of the Elon Christian football team should not underestimate their strength, in the opinion of coach Baldwin of Wake Forest, who saw his Beayon eleven held scoreless by coach Walker's charges on Saturday.

Teams that meet Elon this season will go up against a strong team and should use their varsity instead of second-stringers in the game. The Wake Forest mentor said.

The Deacons continued workouts today for the fracas with Presbyterian College at Asheville Friday. Twenty-five Deacons will make the trip.

State College, Oct. 4.—(AP)—With the Wolfpack about recovered from minor battle wounds received at the hands of the Furman hurricane last week, coach Tebell put his squad down to serious training today. Clemson invades the local fair Saturday and Wake Forest follows on the next Thursday—two big games in six days.

Clemson won from State 17-3 at Clemson last season.

Duke University, Oct. 4.—(AP)—The Duke Blue Devils suffered no serious injuries at the hand of Boston College, trainings reported today, as the squad got down to practice for the Washington and Lee tussle at Lexington, Va., this weekend.

Chapel Hill, Oct. 4.—(AP)—After being prevented from outdoor training yesterday, due to rain, the Tar Heel squad renewed prepara-

tions today for the invasion of the strong Marland University eleven Saturday, the third straight opponent to come to the "Hill" for a contest this season.

After the Maryland encounter, the team takes the road for three straight Saturdays to meet Georgia Tech, State College and V. M. I. Davidson comes here Nov. 12.

Davidson, Oct. 4.—(AP)—Coaches Younger and Tilson brought their Wilkesboro team today and after receiving hearty applause from the student body got them down to work in earnest for the battle with Wofford at Spartanburg Saturday.

The work of Hampton, untried sophomore at center, in the Florida game was pleasing to the mentors though Dearmon, another pivot man, continues to contest the former for the position.

Pennock Hurt

Pittsburgh, Oct. 4.—(AP)—Herb Pennock, star Yankee southpaw suffered a ruptured blood vessel in his left leg today when he was struck by a line drive during practice at Forbes Field. The ball hit him just above the knee.

Farmer Killed

Statesville, Oct. 4.—(AP)—G. Daniels, 55, a farmer was killed and four other men cut and bruised early today when an automobile overturned on the Wilkesboro road, 22 miles north of here.

Mr Daniels was pinned under the car when it ran off an embankment six or eight feet high on the approach to a bridge. He died within a short time.

In the car with him were Mack Laws, who was driving, Lloyd White, J. Oscar White and Burr Nicholson. They were not seriously hurt.

Dempsey Not To Fight Again Until Spring

New York, Oct. 4.—(AP)—Tex Rickard and Jack Dempsey have emerged from a business huddle with the announcement that the former heavyweight champion will not do any fighting for Rickard this winter.

Rickard said today that Dempsey is too good an attraction to be wasted on indoor bouts, where attendance is restricted by limited seating capacity, and that he had just about reconsidered altogether his plan to send the Manassas Mauler against a half dozen or more aspirants in the heavyweight division.

Supporting his objections to Dempsey fighting indoors, Rickard cited interesting figures regarding the earning powers of the ex-champion and Gene Tunney. Dating from the first fight with Tunney, Rickard said, Dempsey was instrumental, if not the exclusive magnate in drawing exactly \$5,637,692. He drew \$1,895,228 at Philadelphia in 1926; \$1,083,204 on July 21 in the Chicago battle last month. Dempsey's income from these

three fights amounted to \$1,531,600 including his share from motion picture rights.

Tunney's ring earnings for the year amounted to \$1,209,000, Rickard said. As the challenger for the title a year ago Gene collected \$204,000 including motion picture money. His reward for the Chicago defeat was \$1,000,000 and he received \$15,000 for his interest in the motion pictures.

Rickard said he planned to match Dempsey for an outdoor bout next spring. If successful in this contest Dempsey would fight later in the summer for a chance to get another bout with Tunney for the title, which Tunney is scheduled to defend next September.

Winter is near and your cut offs and heating plants may need some repairs. If so call J. D. Aman for service and quality at the lowest price possible.

LADIES' CUP TOURNAMENT TO BEGIN AT THE CONTRY CLUB TOMORROW P. M.

The annual cup tournament for ladies of the Greenville county club will begin tomorrow afternoon at two o'clock. It was announced this morning. Play will continue for several days, and the cup will be awarded as soon as all eliminations have been announced.

Celebrates Birthday

Miss Ruth Willard delightfully entertained a number of her friends Monday in honor of her twelfth birthday. As the guests arrived, they were served punch by Miss Sibil Clarke. During the afternoon games and contests were enjoyed of which Janice McGowan, Frances Willard, Florence Perkins, Sally Edwards, and Lillian Haymore were winners. After an enjoyable afternoon, the hostess, assisted by her sister, Dorothy Willard and Martha Dean Rogers, served an ice cream.

The guests were Misses Elizabeth Carr, Mary Elizabeth Ferguson, Ruth Horne, Edna Proctor, Janice McGowan, Lillian Haymore, Frances Willard, Florence Perkins, Edith Clarke, Sally Edwards, Martha Rogers, Lucratic Rogers, Laura Waddell and Sibil Clarke.

D. A. R. Meeting

The September meeting of the Greenville Patriots chapter, D. A. R. was held Saturday afternoon at the home of Mrs. W. L. Best with Me-dames S. T. White and H. Boyd assisting hostesses.

Reports were heard from various committees and the work for the coming year discussed. The chapter wishes to thank the Mayor of Greenville and each of those who aided in the restoration of the old cemetery at the lower end of Evans street.

After the business meeting, a social hour was enjoyed, during which an attractive ice course was served.

ONE MARRIAGE LICENSE ISSUED SINCE SATURDAY

One marriage license has been issued by the register of deeds since the reports of yesterday, that being to W. M. McBride of Carthage, to Miss Thelma Lee Cordell, of Washington.

MEMORIAL BAPTISTS TO HOLD BUSINESS MEETING WEDNESDAY

The annual business meeting of the membership of the Memorial Baptist church will be held tomorrow evening at 7:30 o'clock. H. P. Jones, pastor of the church.

HAPPERSBERGER does the finest watch repairing in Greenville. A trial will convince you.

announced this morning. Every member is urgently requested to be present. Mr. Jones stated, as matters of vital importance will be discussed.

Syd Chaplin

Syd Chaplin as Old Bill in Bairn father's "The Better Ole" will be the attraction at White's Theatre for two days beginning Thursday. His impersonation of the lovable old British soldier has generally been accepted as the outstanding piece of motion picture acting of the year. In it Syd leaps to the heights of comedy fame.

The picture itself has been acclaimed everywhere as the funniest thing that has come out of the war villages of France. It has been given a monumental production of Warner Bros., with Charles Reisner, the former gag man of the Charlie Chaplin comedies, emerging as one of the star directors of laugh shows.

Parent-Teachers Meet Tomorrow

Wednesday afternoon at 3:30 o'clock, at the Evans street school the Parent-Teachers Association will hold its regular monthly meeting. Every parent and teacher is urged to be present and on time. The program will be rendered by the fifth A grade.

An attendance prize will be given.

Epworth League Council to Meet

The council of the Epworth League will meet Wednesday afternoon at 3:15 at the Methodist church.

Commissioners Sold Short Term Notes Yesterday

The board of county commissioners in regular monthly session yesterday morning sold short term notes to the amount of \$75,000 to care for current expenses of the county.

The notes were purchased by the Greenville Banking & Trust Company and the National Bank of Greenville, and bore an interest rate of 4-1-2 cents.

This was the only matter of outstanding interest considered, the major part of the session being consumed in the disposition of routine business.

Stage Is Set For Showing of Battery Minstrels at White's

After two weeks of intensive rehearsals under the direction of E. Storey, the stage is set for the Battery "E" minstrels at White's Theatre Wednesday night for one night only. With the cast of 100 of the most talented amateurs in Greenville, Mr. Storey has rounded out an exceptionally capable cast and chorus and the feature numbers will compare with the best that have ever been given in this city.

The final rehearsal of the minstrel will be held tonight at the Battery club and so for the rehearsals for the past week has satisfied Mr. Storey and a revelation to those who look on.

The chorus of 80 boys and girls, Mr. Storey says, is the best he has ever heard in a minstrel. A Dark Secret first act, with Tige Gardner, Tom Foley, "Soup" Porter, Dal Cox, Miss Virginia King the old favorites on the stage. "Whos Who" quartette, with a thousand pounds of harmony, composed of Ed Williams, W. W. Lee, Manly Sellars and "Lefty Storey." Out in the front, with Miss Rose Hadley and Miss Virginia King. The little High Stepper, the best of its kind, Miss Mary Luper. The dancers of the evening, Miss Virginia King and Leo Surrill. The theatre-goers will also have the opportunity to hear Miss Louise Phelps and Miss Edna Reid Surrill sing which will surprise and open the eyes of the public. The Battery "E" orchestra will play in the parade and at the theatre in the pit for the show.

WE REMOVE GREASE SPOTS
Men that run cars often come in contact with grease and get it on their clothes. Embarrassing, of course, but it's a simple thing for us to eradicate the grease and restore the garment to its original neatness. Let us send for the suit as soon as you can. We will dry clean and press your clothes and return them to you the same day.

WHEN BETTER AUTOMOBILES ARE BUILT... BUICK WILL BUILD THEM

You Need Never Change Your Oil if You Own a Buick.
Last year Buick said: "Change your oil only four times a year." Buick tests at that time had shown that oil changes would never be necessary, with the Oil Filter to remove impurities, and with the Crankcase Ventilator, Thermostatic Circulation Control and Automatic Heat Control to prevent oil dilution. Now, more than a year has passed, and Buick owners in every section of the world—under every climatic condition—have also proved that you never need change your oil if you own a Buick—replenishment and inspection of the Buick Oil Filter only are required.

WHY NOT A COMMUNITY CHEST?

Now that the fall season is really under way, the usual run of drives for this cause and that will be in vogue and our citizens will be called upon time after time for donations for the various funds. Of course, there are many causes that must be taken care of by public donations, but how much better it would be to have all this necessary money raised in one big fund and then apportioned out in keeping with the merit of the various causes.

Under the present haphazard and unbusinesslike plan of staging a number of drives during a season many are successful and many are not and as a result some worthy cause goes lacking. In cities where the Community Chest idea has been adopted the plan has been found to be most satisfactory and each branch of the public welfare work receives funds in proportion to its merit.

Last year the matter of establishing a Community Chest for Greenville was taken up by some of the civic organizations of the city and plans for carrying it out this year were partial-

ly laid out, but for some unknown reason the proposition died in that stage and Greenville this fall will suffer its usual epidemic of drives unless something to revive the Community Chest movement is done immediately. If some of the civic organizations want to do a real service for the community, getting behind the Chest movement will be a good way to do so, and we urge that this be done without further delay.

UP TO STATE

Chatham county, like Pitt, is suffering from having a good portion of its road money diverted to building of a bridge that is not essential to the county's needs, and like ourselves, the Chatham Record declares that if the State Highway Commission feels that the present bridges are not sufficient to take care of the inter-county traffic, the new bridges should be constructed at the cost of the state as a whole and the burden not be placed upon the county in which such bridge is built.

In a recent editorial, the Record says: "Chatham could agree with representatives of a down-east county in which a large part of the highway funds assigned to that county have been used in building bridges for inter-county traffic. The representatives of that county contend that the building of bridges intended principally for thru traffic should be a charge

upon the funds of the whole State and not upon the county in which the river happens to be. Chatham is suffering from the present policy. The steel bridges across the Haw and the Deep near Moncure were good enough for the Chatham traffic. The immense through traffic required great concrete structures, but it is hard upon Chatham to have to furnish the money to build them.

NOTICE OF SALE OF REAL PROPERTY

By virtue of the power of sale contained in that certain deed of trust executed by P. R. Hines and wife, Pauline Hines, to J. H. Waldrop, Trustee, bearing date of July 2, 1926 and recorded in Book N-15 at page 491 in the office of the Register of Deeds of Pitt County, default having been made in the payment of the indebtedness there secured, the undersigned trustee will, on Saturday the 5th day of November, 1927, at 12 o'clock, noon, before the Courthouse door in Greenville, North Carolina, expose to public sale to the highest bidder for cash, the following described real property to wit:

First Tract: Situated in Ayden Township, Pitt County, North Carolina, adjoining the lands of Adelaide Dudley on the north, the lands of Ellen Harris, Emma Alligood and Lena Harris on the south, the A. C. L. Railroad on the west and the lands of Robert Worthington on the east, containing 30 acres by actual survey and being the same tract conveyed by Elsie Hines to P. R. Hines by deed dated December 10, 1917 and recorded in Book S-12, page 315.

Second Tract: Situated in said

RAY A. YOUNG HEADS FEDERAL RESERVE BOARD

Washington, Oct 4.—(AP)—Ray A. Young of Minneapolis was designated today by President Coolidge as Governor of the Federal Reserve Board.

As We Grow Older
 Proper Kidney Action Is More Than Ever Important.
 As we grow older, there is apt to be a gradual slowing up of bodily functions. The kidneys are the blood filters. If their action becomes sluggish they do not thoroughly cleanse the blood of poisonous wastes. This tends to make one tired and achy, with often nagging headache, drowsy headaches and dizziness. A common symptom of imperfect kidney action is scanty or burning excretions. Elderly people recommend Doan's Pills. This tested diuretic is endorsed the country over. Ask your neighbor!

DOAN'S PILLS 60c
 Stimulant Diuretic to the Kidneys.

21 New Models—All SIXES

The most Powerful cars Nash ever built

The great POWER of these new Nash models will be a revelation to you. They "pull" the steepest grades or the heaviest going with absolutely amazing ease and smoothness.

For there's EXTRA power engineered into every Nash motor. They have the extra efficiency of the STRAIGHT LINE drive so that Nash power flows directly from the engine to the rear axle in a straight line.

They take hills without a note of strain—without the least of laboring. Come DRIVE a new Nash. Test out the QUANTITY of its power as well as the QUALITY.

The newly-refined 7-bearing motors give Nash the world's smoothest power-flow throughout the whole range of use.

All crankshafts are balanced integrally with clutch and flywheel to make the new Nash the smoothest, "sweetest" car you ever drove.

And they're the EASIEST riding, easiest steering cars you ever handled with their new secret process alloy-steel springs and newly-improved steering mechanism.

COME in today and select the model you want to drive. New LOWER prices make these new models the greatest values on the market.

Her Color Went Black. She Was Frightened To Death

Mrs. Waite, New Brighton, writes: "If I could only write as I can talk I would have many sufferers relieved of that deadly indigestion and gastritis. I must have had a severe attack as my color went black. Friends thought I was going to die and recommended CARTER'S LITTLE LIVER PILLS. All I can say is, your pills are a wonderful laxative and I take one after meals and at bedtime, and in this way I keep free from constipation and its torturing results. Indigestion or gastritis never bothers me now."

They are small, easy to swallow and can be taken by children as well as adults. Remember this is a Doctor's formula, free from Mercury, Calomel, poisonous drugs, and a safe vegetable laxative. CARTER'S LITTLE LIVER PILLS. All druggists—25c. and 75c. red pkgs.

GRAIN
Chicago, Oct. 4.—(AP)—Rain and now reported to be seriously interfering with threshers in Canada did a good deal to lift wheat value today. Fears were expressed that the unfavorable weather would result in an unusual percentage of Canadian wheat being of tough grade. On the other hand, immediate export demand for North American wheat today was slack.

STOCK MARKET
New York, Oct. 4.—(AP)—Selling pressure increased in today's stock market, but prices continued to forge ahead under the buying of powerful speculative forces. New leaders were quickly brought forward whenever the old favorites showed signs of wavering. More than 30 issues were elevated to new high levels for the year, or longer, several of the gains running from 5 to 11 points.
A wave of selling for both accounts swept the market after the marking up of the call money rate from 4 to 4 1/2 per cent this afternoon.

Pirates' Pennant Record Since 1900
(By The Associated Press)
The Pirates have captured six pennants since 1900 and have been out of the first division fewer times than any other club in the league over that 28 year period. They were in the second division only four times, over a four-year period from 1914 to 1917. Only the Giants have captured more pennants, ten, but the New Yorkers dropped out of the first division five times. Fred Clarke managed the Pirates winners of 1901-02-03-06, and Bill McKechnie was at the helm in 1925.
Here's how the Pirates have finished in the race since 1900.

1900	Second
1901	First
1902	First
1903	First
1904	Fourth
1905	Second

World Series Attendance And Receipts
(By The Associated Press)
Contenders—New York Yankees, champions of the American League, and the Pittsburgh Pirates, champions of the National League.
Schedule—First two games at Forbes Field, Pittsburgh Wednesday and Thursday, next three at Yankee Stadium, New York Oct. 7, 8, 9, last two at Forbes Field, Oct. 10, 11. All games scheduled at 1:30 p. m. Eastern Standard Time, except on Sunday at New York when starts at 2:01 p. m. because of State law. In event of postponement because of weather, teams remain in either city to play allotted games.
Crowd figures—capacity of Forbes Field 43,000; Yankee Stadium 65,000. If seven games played, probable total attendance, based on capacity crowds, about 360,000 and total receipts about \$1,400,000. World Series records, 328,051 and \$1,207,384 set in 1926 series between Yankees and Cardinals.
Managers—Clegg, Yankees; Miller J. Huggins, Pirates.
Probable opening batsmen—Smith for Pirates; Hoy and Collins, for Yankees.
Umpires—Nahin and Ormsby, American League; Quigg and Moran, National League.
Here are some salient facts and figures on world's series of the past:
Greatest single game crowd 63,600 at Yankee Stadium, New York, October 3, 1926, second game of series between Yankees and Cardinals. Gate receipts for this game \$201,828, also set a record.
Greatest series total attendance, 328,051, Cardinals and Yankees in 1926.
Greatest gate receipts for one series, \$1,207,384, Cardinals and Yankees, 1926.
Smallest crowd for one game, 6,210, fifth game, Tigers-Cubs, Detroit, Oct. 14, 1908.
Smallest gate receipt for one game, \$8,348, Athletics-Giants Philadelphia, Oct. 12, 1905.
Smallest attendance for one series, 62,232, Tigers-Cubs 1908.
Smallest gate receipts for one series, \$68,435, Athletics-Giants, 1905.
Largest winning player's share, \$6,183.49, Yankees, 1923.
Smallest winning player's share \$1,102.51, Red Sox, 1918.
Largest losing player's share, \$4,112.89, Giants, 1923.
Smallest losing player's share \$832, Athletics, 1905.
Total attendance (1905-26 inclusive) 3,984,212.
Total gate receipts (1905-1926 inclusive) \$10,770,212.
Total players pool (1905-26) \$3,797,314.90.

FRENCH DISCRIMINATING AGAINST U. S. A. GOODS BELIEVES THE PRESIDENT
President Coolidge regards the tariff dispute between the United States and France as confined strictly to the question of French discrimination against American goods.

OUR 25th YEAR **J.C. PENNEY CO.** **OUR SILVER YEAR**
A NATION-WIDE INSTITUTION
"where savings are greatest"
315-317 Evans St GREENVILLE, N. C.

Farm Home Week
A Real Harvest of Our Nation-Wide Values—Quality Goods—Low Priced!

It's Harvest Time for country folk in more ways than one. Folks are finding at this Store a real harvest of Values and Low Prices. No so-called "sales," but Lowest Possible Prices Every Day in the Year. Featured, Seasonable Goods ready now for your inspection. Why not Drive In with the Family! Let's get Acquainted!

Which Do You Choose? The Dime Or The Nickle?
We have always liked the story about the half-wit who was frequently asked to choose between a thin, small dime and a large five-cent piece, and who always chose the latter, to the delight of the on-lookers. "If I took the dime they wouldn't keep on asking me," he once explained, in private. Not so stupid after all!

Our store, too, believes that a small profit and a satisfied customer are the best combination for steady, solid growth. Let others grab the dimes and leave us the nickels and pennies. It is not a bad system. It has helped us grow from a small-town store into a nation-wide institution.

New Coats For Girls
Distinction! Charm!
Paris paints the youthful mode in gay colors, and these stylish winter coats for youthful fashionables are all that Daughters—Little or Big—would wish.

To help you Select the Color
Pee Gee Color Selector
PAINLESS
MAKES COLOR COMBINATIONS EASY

Your home speaks for you
EVERYBODY enjoys looking at an attractive home, and when it is your own there is natural pride in its possession.
No matter how beautiful the surroundings may be, no matter how well conceived your home may be architecturally, if its exterior surface has been neglected or the color contrasts are not harmonious, the whole effect is quickly spoiled.
A Pee Gee Color Selector for Exteriors (which may be had for the asking) affords a choice of fifteen complete color schemes—that simplifies your color problem.
There is a Pee Gee Paint for every purpose—in quality there is nothing better—that solves your paint problem. Come in and let's talk it over.

PEE GEE MASTIC PAINT
For home exteriors. Retains its color long after interior paints have gone dead. Economical because of its great covering capacity and unusual durability.

FORBES and BAKER

TODAY

Continued from Page One) the Albuquerque Journal has doubled its circulation recently...

F. G. Bonfilis and his Denver Post are one solid lump of optimism. A picture of Hereford cattle is labeled "Gold on the hoof..."

No black spots in front of Bonfilis' eyes. In his daily weather report begins, "This a privilege..."

Governor Ritchie of Maryland says both parties must deal with prohibition. "Why have political organizations unless they tackle great questions?" he asked.

President Coolidge in Washington talked on the telephone with President Calles in Mexico City. He said the telephone brings nations closer together and promotes friendship.

The flying machine problem could be solved rapidly, if the government, which should do it, would concentrate on their problems. Every time you cross this continent you find actual and visible improvement in railroad and sleeping car service...

Georgia Man Tells How He Found Relief for Many Complaints by Using An Old Home Remedy.

Athens, Ga.—"I have been married 51 years, and am the father of ten children," says Mr. J. C. E. Weatherford, R. F. D. "A," this city. "About the best home remedy I have ever found is Black-Draught. I can't remember when we haven't used it in the family, giving it to the children for colds and minor ills where a laxative is needed."

"We must have used Black-Draught for 40 years, anyway, and by that time we have tried it for many complaints. I would have dull, stupid feeling, and my head would ache and when I would lean over, I would get dizzy. I found that a couple of doses of Black-Draught would relieve this. I used to have gas on my stomach, and would spit up grease. Black-Draught relieved this."

"It is just an all-round good medicine. Now that I am 72 years old, I have to take a laxative, and Black-Draught acts easy and gives me satisfaction."

In use for over 85 years. Costs only one cent a dose. N. C. 151

Man and Wife Die Together In Automobile

Greensboro, N. C., Oct. 4.—(AP)—Satisfied that Philip D. Trice, 23-year-old cripple, and his 17-year-old wife, Lucy Key Trice, had either entered into an agreement to die together or that Trice had forced the girl to drive into the country and then killed her and committed suicide, Coroner W. W. Harvey today had decided that no inquest into their deaths was necessary.

The bodies were found yesterday afternoon seated in a small roadster standing almost in the middle of the Groomtown road, six miles west of here. The young woman had been shot through the body, the temple and the left arm. Trice had shot himself through the head.

The bodies were found by Thomas Carowder and Grady York, employees of a dairy. They told officers that at first they thought the couple drunk. Investigation, however, disclosed the tragedy.

The act had been contemplated by Trice was indicated by the fact that in his trousers pocket was

found a note, which read: "Please notify M. G. Trice, Box 1635, Winston-Salem, and Mrs. C. A. Lackey, 1001 Greenwood Avenue, Greensboro." Mrs. Lackey was Mrs. Trice's mother. The Trices were married at Roanoke, Va., in April. They came to Greensboro two months ago.

Buchanan Arrested On Murder Charge

Eastman, Ga., Oct. 4.—(AP)—Revealing an alleged conspiracy to take the life of W. H. Howell, 66, prominent farmer of Achord officers arrested Tom Buchanan, a white man after a near lynching of Willie Thomas, negro, had been arrested, and took Buchanan to the Macon jail where he is being held for safekeeping.

Howell's body was found in a shallow grave near his home yesterday with a bullet wound in the back of his head and his throat cut.

Later in the day Thomas, the negro, brought the dead man's car into McRae and negotiated a trade for it. The transaction led to the negro's arrest and he was hustled to the jail in McRae. A crowd

soon formed but relatives of the dead man pleaded with them to permit the law to take its course. Officers prevailed upon the mob to disperse informing them that they desired additional information from the negro.

Late last night the mob formed again at Eastman, 20 miles distant from McRae. They took the negro from the cell, cross examined him and he involved Buchanan. The

negro declared Buchanan had hired him to kill Howell, but gave no reason why Buchanan should want Howell's life. He told the mob that Buchanan gave him \$5.00 for the murder and promised that he could have Howell's automobile.

STODE BREAKERS SECAPE

Elizabeth City, Oct. 4.—(AP)—Lennie Griffine, 20, and Charlie Doxide

17, negroes, charged with store breaking still were at large today after escaping from the county jail here last night.

The negroes lured J. Ballance temporary jailer, into the cell corridor. One negro seized Ballance while the other stunned him by a blow on the temple. Taking the keys to the jail they left through the door and placed the key in the lock on the outside.

They were awaiting trial at the November-term of Court.

CUBA ADOPTS LAW TO REGULATE SUGAR

Havana, Cuba, Oct. 4.—(AP)—President Machado today signed the law adopted by both Houses of Congress last night regulating the production and exportation of sugar for the coming crop.

INVITED TO BREAKFAST AT WHITE HOUSE

Washington, Oct. 4.—(AP)—Members of the Republican national committee who are here for conferences with chairman Butler have been invited to breakfast at the White House tomorrow by President Coolidge.
