ENFIELD MAN INSTALLED BY MASONS TODAY

R. C. Dunn Inducted Into Office of Grand Master of N. C. Grand Lodge.

Raleigh, Jan. 19.—(AP)—Installation of new officers was the order in today's closing session of the annual communication of the Grand Lodge of North Carolina, Masonic order.

Grand Master R. C. Dunn, of Enfield, Deputy Grand Master, moved into the position of grand master, succeeding John H. Anderson of Fayetteville, probably the last past grand master to have his picture hung in the grand lodge room in the present temple at the corner of Fayetteville and Hargett streets.

The present temple, built in 1907, will be replaced by a new temple on a six to seven acre site upon which options have been secured opposite St. Mary's school, adjoining the Hillsboro street home of the late Benhan Cameron.

"It will be seen by everybody that passes through Raleigh," said Grand Master Dunn who was also chairman of the special building committee which recommended that the lodge approve the committee's suggestion that an adequate building be erected to represent of North Carolina's 40,000 Masons. It is planned to use the new building for Masonic purposes exclusively and a special committee of five men, appointed by the grand master, will formulate plans for building the temple, decide upon the kind of building, its character, cost, and let the contract.

The present building is valued at \$400,000 and the lot at the corner of McDowell and Hargett streets owned by the local Masonic bodies is valued at \$100,000.

Other officers elevated were John J. Phoenix, Greensboro, deputy grand master; E. W. Timberlake, Jr., Wake Forest, senior grand warden, and B. S. Royster, Jr., Oxford, junior grand warden.

W. W. Wilson was re-elected to his twelfth term as grand secretary and B. H. Lacy and also of Raleigh, to his eleventh term as grand treasurer.

Grand Master Dunn announced his appointive officers today.

George McGowan Buried Today

Funeral services for George A. McGowan, 18, of Fleming's Cross Roads, were conducted this afternoon at three o'clock by Rev. L. B. Jones, pastor of Jarvis Memorial Methodist church. Burial followed in the McGowan burying ground, six miles from Greenville, on the Pectolus road.

Besides a mother and father, Mr. and Mrs. A. K. McGowan, he is survived by four sisters, Elba, Gene, Frances and Queenie; three brothers, Kinsey, Thomas and Ford McGowan, all of Pitt county.

He was a member of the senior class of the Greenville high school and would have graduated the coming spring. During the summer months, when he was not attending school, young McGowan was connected with the Daily Piling Station of this city. He had numbers of friends who will regret to learn of his demise.

The senior class of the high school acted as active and honorary pallbearers.

Cays State Is Giving Support To the Schools

Raleigh, Jan. 19.—(AP)—The state is rendering very substantial aid to the support of the six months public school term in a large number of counties, Leroy Martin, secretary, reported to the state equalization board today.

"Although the \$2,500,000 equalizing fund is a small part of the entire public school cost of the state, it is appropriated in such a manner that many counties are providing educational opportunities that, without the help of the state, would demand such a tax burden as to be prohibitive," he reported.

Of the counties participating in the fund, Dare is most favored, being able to maintain a school system calling for a rate of \$1.26 on the county's valuation with an actual rate levied of 51 cents, state aid meeting the additional 75 cents. Next to Dare is Clay county, with school costs requiring a \$1.45 rate, maintaining the schools by a 65 levy, 60 cents being met by the state. Rowan is at the bottom, costs requiring 65 cents and a rate levied of 60 cents only 2 cent being met by the state.

"This is evidence that the scheme of distribution at present in force extends most aid where the need is greatest."

TODAY

Coast to Coast-Crime. Bootleg and Fights. Annie Kills John M. Surprises for Faraday. (By Arthur Brisbane) Copyright 1927, by Star Co.

Callup, N. M., Jan. 17.—The beginning of our prohibition age which was to empty prisons, insane asylums and eventually put an end to crime is strangely the beginning of the worst crime age in our history. As you travel across this continent the fourth trip for this writer within six weeks, newspapers bring you their stories of robberies, hold-ups, kidnappings and other crimes at every railroad station.

The Winslow Daily Mail, only daily newspaper published in northern Arizona says in big type front page, "Jury Jokes Double Murder." Nearby a three column picture shows Ruth Snyder walking to the electric chair, her eyes fixed on a cross held before her and the electrician just beyond. The picture was sent by telephoto. Science killed the woman, then sent through space pictures of the killing.

Killing husbands all over this country usually like the Snyder murder have bootleg whiskey for their mainpring. The "Winslow Mail's" Arizona murder has a western atmosphere.

John and Annie Tillman, married but separated, asked the assembled company to excuse them and stepped outside the ranch house. He had a .38 automatic, she a .32 calibre revolver. She dropped dead, then he dropped dead. Other newspapers along the line bring their tales of holdups, robberies and kidnappings with murders, with bootleg whiskey playing a part in all. Something should be done to discourage bootleg whiskey.

Next in news importance to well planned or impromptu killings are carefully organized prize fights based on profits and legislative corruption. Messrs. Demossey and Tunney will fight again next June. Fifty thousand fools will spend several millions to see that.

SOUTH PAYS TRIBUTE TO GENERAL LEE

Many States Declare Holiday in Observance of Birthday of Confederate.

Atlanta, Jan. 19.—(AP)—The southland paused in its more mundane affairs today to pay tribute to Robert E. Lee on the 121st anniversary of his birth.

While states declared legal holidays and banks and most other commercial institutions suspended business for the day in memory of the celebrated leader of Confederate forces who has the rank with history's leading strategists, veterans of the sixties, their sons and daughters, and school children united in ceremonies of devotion.

In every state south of the Potomac there were ordered programs of formal praise of the gray leader, lauding him for the whole range of qualities which history credits to him—from the military genius which is held responsible for sustaining his cause against great odds to the human characteristics which made him forego wealth for service as a college president after his surrender to Grant at Appomattox.

In New Orleans, Major John Crowley, a survivor of the war between the states who has a dispatch rider for Jefferson Davis, president of the Confederacy, was cast in a role he has played for forty-one years—placing a wreath on the memorial shaft in Lee circle. Major Crowley has enacted this tribute each year since 1887.

United Daughters of the Confederacy and Sons of Confederate veterans took general charge of ceremonies in most states. In all cities school children took a leading part in the exercises, as did veterans of the wars since the sixties—veterans of the Spanish-American and world wars.

In Little Rock, Ark., the sons of veterans honored the veterans at a banquet, while the U. D. C. in Nashville, Tenn., paid the gray warriors similar tribute with Governor Henry Horton as an honor guest. The daughters' organization honored the flinching line of survivors in Charlotte and Raleigh, N. C., and the legislature adjourned for the day in Frankfort, Ky., as a sign of tribute.

FIND BODY OF THE FOUNDER OF MORMONISM

Grave of Joseph Smith Found in Basement Of Building at Nauvoo, Illinois.

Nauvoo, Ill., Jan. 19.—(AP)—From the basement of a soundly deserted house in Nauvoo at last has come final settlement of a controversy that has disturbed Mormonism for more than 83 years.

The controversy, centered over the location of the graves of Joseph Smith, founder of Mormonism, and his brother, Hyrum, who were shot and killed by a mob on June 24, 1844, after which their bodies were secretly buried, was terminated by the discovery of the graves in the mouldy basement. The discovery was made by W. O. Wand, a Kantrian City, Mo., civil engineer, and members of the local church, now reorganized.

Location of the graves has recalled a stirring episode in the pioneering of the Mormon Church in Illinois.

In addition to his leadership in the struggling sect, Joseph was mayor of Nauvoo, which then had a population of about 25,000 as compared to today's estimated 1,000. Hyrum, the brother, assisted him in his multiple duties.

It was at this time that the question of polygamy caused a split among followers of the sect. This difference culminated shortly after ward when the Nauvoo expositor, published its first edition in which it espoused the teaching of polygamy as an article of Mormon faith. The city council ordered destruction of the newspaper's plant almost immediately after the first issue. It was destroyed and the two Smith brothers and several others who were parties, or allied against the newspaper, were charged with treason and thrown into the Hancock county jail at Carthage, Ill.

Feeling against the prisoners was so intense that a company of Illinois militia, known as the Carthage Grays, was ordered to protect them at the jail. The angered mob, however, broke through and shot and killed the two brothers. The fate of the others has since been problematical.

Kansas City, Jan. 19.—(AP)—The bodies of Joseph Smith, founder of Mormonism, and his brother Hyrum, found at Nauvoo, Ill., will be placed in a tomb there, officials of the reorganized Church of Jesus Christ of latter day saints announced today at their headquarters in Independence, a suburb.

It was announced that the bodies would be placed in a large concrete tomb on the spot where they have rested for more than eighty years. Eventually a monument will be erected on the concrete base, described as visible for many miles because of its location a short distance from the bank of the Mississippi river.

Officials said they had made positive identification of the bodies along with those of Emma Hale Smith, wife of Joseph Smith, and Luck Mack, his mother.

Condition Of Albion Dunn, Jr. Very Critical

Reports today from the bedside of Albion Dunn, Jr., who is in a Lexington, Va., hospital, stated that there had been no change for the better and that his recovery was very doubtful. Young Dunn received a fractured skull in an automobile accident near Lexington Monday night and an operation yesterday was said to reveal that a portion of the brain was badly bruised.

Judge and Mrs. Dunn left this city for Lexington Monday night following receipt of news of the accident, and other members of the family left for Lexington early today.

Full details of the accident in which Dunn was injured have not been learned here, but meagre reports stated that in company with friends he was returning from Lexington to Staunton after a basketball game when the car in which he was riding, struck a telephone pole. Just what caused the fracture of his skull is not known here, but the report stated that he was not thrown from the car, nor did the car overturn. The report stated that two young ladies in the car also received injuries but not as serious as that of young Dunn. Dunn was not driving the car. It was said.

COOLIDGE OPENS CONFERENCE

President Coolidge is seen addressing delegates at the opening of the Pan-American Conference in Havana, Cuba.—Photo by International Illustrated News.

American Ambassador To Mexico To Leave Pan-American Confab

Havana, Jan. 19.—(AP)—Dwight W. Morrow, American ambassador to Mexico, will leave the sessions of the pan American conference Monday afternoon and return to Mexico City where he "has important work to do."

This announcement caused surprise among the delegates today as Mr. Morrow was regarded as one of the strategic advantages of the United States at the conference. It was believed his presence here would counteract any possibility of controversial or reactionary matters being brought up and also any movement against the United States which might be proposed by any Mexican delegate.

Mr. Morrow explained to the correspondent that he originally accepted the offer to become a United States delegate with the understanding he would not be forced to remain longer than the short time necessary to participate in the organization of the congress and to get his delegation to a favorable footing. He said his departure was not caused by the urgency of the political situation in Mexico but in fulfillment of the agreement reached when he became a delegate.

American-Mexican cordiality was visibly emphasized in the eyes of delegates when Ambassador Morrow entertained the entire United States and Mexican representatives at dinner last night.

All ceremony was definitely behind the conference today and the delegates were bent on immediate consideration of the agenda.

Charles Evans Hughes, chairman of the American delegation, worked out his committee assignments with his colleagues.

Since each delegation has only one vote in committee meetings the number of delegates from a country is arbitrary.

The quarters provided by the

Arrest One Suspect In Connection With Poisoning of Family

Jennings Allen, white man of the Grimesland community, is being held in the Pitt county jail here today in connection with the poisoning of four members of the family of Will Hardee, who reside on the Greenville-Washington highway, five miles from this city.

Allen was arrested by members of the sheriff's department yesterday afternoon on a charge of forcibly breaking in an entering the Hardee home with intention to commit a felony. He will appear for examination before the grand jury of the criminal term of Pitt county Superior court which convenes in this city Monday morning.

Information resulting in Allen's arrest was furnished Sheriff Whitehurst by a party who is said to have seen Allen leaving the Hardee home Sunday afternoon during the absence of the family. It was shortly after this that Mr. Hardy, his wife and two daughters returned and drank coffee containing poison believed to have been bichloride of mercury. The entire family was taken critically ill during the night and Mr. Hardy's condition was so precarious at one time that little hope was entertained for his life.

Allen today vigorously denied that he had had anything to do with entrance to the home and the placing of poison in the coffee. The sole witness against him, however, firmly declared that he saw him leave the Hardee home and there was plenty of evidence to show that the house had been forcibly entered by someone.

Three hogs that were fed the remainder of the poisoned coffee died within a few hours after members of the Hardee family were stricken.

BELIEVE TWO FLIERS WERE LOST AT SEA

Ted Moseley and Companion Thought to Have Been Forced Down off Cape Henry.

Elizabeth City, Jan. 19.—(AP)—Forced landing at sea in a dense fog somewhere off Cape Henry, Va., was believed today by coast guardsmen to have been the fate last Monday night of Ted Moseley and a companion, attempting a non-stop flight from Daytona Beach, Fla., to New York.

Captain Walter G. Etheridge, keeper of the Naghead coast guard station, about 25 miles north of Cape Hatteras, on the island fringe which includes Pamlico Sound, related today how a plane had been observed passing low over the breakers there on Monday night at 8:10 o'clock.

A strong northwest wind was blowing and he regarded the passing of a plane under such weather conditions so unusual that he reported it to other stations along the coast.

Later he learned that the plane had been sighted at Dam Neck station, six miles south of Virginia Beach, Va.

Owing to the heavy fog that hung over the Hatteras region, Captain Etheridge was unable to identify the craft but believed it answered roughly the descriptions of the Moseley plane.

Dam Neck is about 75 miles north of Naghead "as the crow flies." The plane was making considerable speed despite the weather, Captain Etheridge said, having covered the 25 miles between Chukamacco station and Naghead in 15 minutes.

An half hour after the plane passed, the fog settled down heavier and a light rain began falling, continuing until eight o'clock the next morning.

Previously, the plane had been reported seen passing over Southport, Swanboro and intermediate stations along the North Carolina coast.

Mrs. Clark Returns From Hobogood Mrs. Bessie Clark has returned from Hobogood where she was called on account of the death of her mother, Mrs. M. A. Jones. Mrs. Jones was well known in Greenville and had a host of friends who will regret to learn of her death.

Coolidge Back At Desk Today

Washington, Jan. 19.—(AP)—Greatly pleased with his reception in Havana, President Coolidge returned to his desk today in the hope that his first journey to Latin-America would result in a firmer foundation of good will among the Nations of the New World.

He reached Washington shortly after 7 o'clock and left his special train immediately with Mrs. Coolidge for the White House for breakfast.

SENATE DEMOCRATS GIVE VOTE OF CONFIDENCE TO SENATOR FROM ARKANSAS

East Side Youth Pays \$50,000 For Rare Old Violin

New York, Jan. 19.—(AP)—An east side youth whom Leopold Aucen, noted violinist, recently assisted in a Carnegie hall concert to provide funds for his musical career, was announced today as the purchaser of a \$50,000 violin.

Benno Rabinof, the youth, contracted to pay \$1,000 a month for four years, in addition to an initial payment of \$2,000. The violin, sent from London for his inspection, was once used by Lipinsky, a Polish contemporary of Paganini, and later purchased by Wilhelm I.

TO INCREASE REWARD FOR MISSING GIRL

Disappearance of Miss Frances Smith Continues to Puzzle Police Circles.

Northampton, Mass., Jan. 10.—(AP)—St. John Smith, wealthy New York broker and father of Miss Frances St. John Smith, missing since the 19-year old girl walked out of her room in Dewey hall last Friday.

The latest lead to be exploded had linked the names of Hugo Bezdek, Jr., son of the Penn state football coach, with the girl.

Bezdek is himself missing from Dartmouth college where he failed to resume his studies after the Christmas holidays but his family is understood to entertain no special concern. His place of seclusion is said to be known to them although unrevealed to the public despite the fact that Dartmouth college authorities were asked to help locate him.

Bezdek was brought into the Smith case when it was learned that he had registered at a Springfield hotel from January 7 to 12 and a jeweler of that city said he had sought to purchase an expensive ring.

Few Physicians To Be Found in Rural Sections

Raleigh, Jan. 19.—(AP)—Despite the fact that 5,111 persons died in North Carolina in 1926 without medical attention, this fact should not be taken to mean that there is a shortage of physicians in the state. Dr. G. M. Cooper, education director for the state board of health, said today.

The trouble Dr. Cooper said, is that most of the physicians have moved to the towns and cities leaving but few doctors in the isolated country sections.

Dr. Cooper said that Dr. K. P. B. Bonner of Morehead City, former secretary of the State Board of Medical Examiners, told him that more than 75 per cent of the physicians licensed during the past six years had located in towns and cities.

Detroit Flyers Forced Down in South Carolina

Detroit, Jan. 19.—(AP)—Austin F. Bement, Detroit advertising man and Leonard F. Flo, pilot who took off from Selfridge field at 10:42 a. m. yesterday in an attempted non-stop flight to Havana, Cuba, landed at 4:48 a. m. today at Paris Island, S. C., after having lost their way in the fog. A message received here, announcing their landing said they planned to resume their flight to Jacksonville, Fla., later today.

The two men became lost after holding to their course until late yesterday, when they passed over Washington. They carried a sufficient supply of fuel to keep the plane in the air for 24 hours. Both men are members of a Detroit flying club and planned the trip as "a few days vacation." The message was sent by Bement to his mother.

Light Sales On Tobacco Market Here Yesterday

The Greenville tobacco market yesterday sold 97,070 pounds of bright leaf for a total sum of \$17,781.48 at an average price of \$18.21 per hundred pounds, according to information made public this morning by K. W. Cobb, secretary of the Tobacco Board of Trade.

The market will close for the season January 27, according to announcement made by the tobacco Board of Trade yesterday morning. Farmers are urged to market their offerings as rapidly as possible from now on so that everything may be disposed of the closing date.

Members Rally Behind Robinson in Heated Controversy With Senator Heflin of Alabama.

Washington, Jan. 19.—(AP)—In overwhelming strength the Democratic party in the Senate rallied today behind its floor leader, Robinson, of Arkansas, whose captancy had been challenged after he rebuked Senator Heflin for the Alabama's repeated attacks on the Catholic church and Governor Smith.

By formal resolution, adopted in party conference with but one dissenting vote, the Democratic Senators declared their "confidence" in their chief.

Heflin himself, who issued the challenge to Robinson's leadership yesterday in as colorful a passage of words as the Senate has heard in many years, did not attend the conference. He said afterward that the resolution was no rebuke to him; and that he had "just begun" his Senate speech making against the New York Governor and his co-religionists.

The one negative vote was cast by Trammell, of Florida, who said he did not regard yesterday's tilt between Robinson and Heflin as a matter for party action. In all, a dozen of the forty-six Democratic Senators were absent from the conference. Three of them, Blease of South Carolina, Dill of Washington, and Neely of West Virginia, sat near by in the Senate chamber where proceedings were temporarily halted by the wholesale Democratic absences.

The conference resolution did not mention Heflin by name, but it did take direct issue with him on one feature of his attack on Robinson. The Alabama had demanded Robinson's removal from the Mexican slush fund committee, and the Democratic conference voted its confidence in the leader's work on that committee. The text of the resolution follows:

"Resolved, that this conference of Democratic members of the Senate expresses its confidence in the leadership of Senator Robinson and in his service on the special committee named to investigate the alleged secret Mexican documents."

Senator Heflin told newspaper men that in its original form the resolution mentioned him by name but that the conference eliminated the reference during its three-quarter of an hour discussion. On this point the Senators who attended the conference were not talkative.

The Alabama also said he himself had thought of going before the conference with a request that it take some action regarding his passage yesterday with Robinson, but that Senators Tyson of Tennessee, and Overman of North Carolina, asked him not to do so. Tyson later said he merely had advised the Alabama not to continue his attacks on the party leader.

The discussion behind closed doors of the conference room began immediately after Robinson had called the meeting to order, and had turned the chair over to Bayard of Delaware.

Wheeler of Montana, moved a vote of confidence, and it was 62 that proposition that the debate opened. Bruce of Maryland made an extended address in which he assailed Heflin for his attacks on the Catholic church.

Others who joined in the discussion included Simmons of North Carolina and Copeland of New York. As the debate progressed, Senator Glass of Virginia drew up a resolution which contained several "where-ases." These were stricken out before the declaration was adopted.

Glass declined to discuss this section of his conference saying that all information would have to come from the temporary chairman, Senator Bayard.

Informed that Heflin had said the conference eliminated his name from the original resolution, Senator Bayard said:

"Senator Heflin was not at the conference. That's all I have to say."

# RED SOX TO FEATURE NEW PERFORMERS

Boston, Jan. 18.—(AP)—A winter of vigorous house cleaning by president Bob Quinn of the Boston Red Sox leaves manager Bill Carrigan with the dusty corners of the roster swept clean and a host of new performers, mostly young and of more than average promise, ready to hustle the remaining veterans in the 1928 American League pennant race.

Last year's veteran infield has been intact and is expected to prove a foundation for Carrigan to build on in his second "come back" year along the managerial trail. Phil Todd at first base, Bill Regan at second, Russell Rawlings at third and Regell, Jack Rothrock and Charles "Buddy" Meyer as short-stop or utility points on the base path are again available. Regell plays either second or third, May at short or in the outfield and Rothrock can handle any infield assignment, exclusive of battery work.

The two outstanding infield recruits are Joseph Cicero, a 16-year old youth who batted for 330 in the Eastern Maryland circuit after leaving school for the diamond, and Paul Hinson, a third baseman, purchased from Joplin, Mo. Cicero's mother signed the contract for him.

The departure of Walter Shorer, Cleo Carlie and Frank Welch for the minors leaves Ira Flagstead and Arlie Tarbert, former Ohio State star, the only prominent freshmen of the outer gardens who graced the roster last year. The biggest gap was plugged promptly by the purchase of Ken Williams from St. Louis, followed by the acquisition of three promising minor leaguers, Doug Tate, a slugging left hander from Nashville, and G. H. Lopp and Denny Williams, both from Mobile. Lopp was hitting .372 while Williams, another left hander, is exceptionally fast and hit for .350 last year.

The pitching casualties of the liner season include Tony Weller, Demar Lunderen and Fred Wingfield. The outstanding replacement seems to be Herb Bradley, who was farmed to the Waterbury Eastern League club last year and was recalled in time to hurl several excellent games. Two more ex-Mobile players have been obtained in Ed Morris and Merrill Settemire, Morris won 15 games with a tail-end club and finished more than forty contests as a relief hurler. Settemire is a left hander. Cliff Garrison, of the Valley League, is another recruit, while the remaining pitchers are Slim Harris, Charlie Ruffing, Dandy MacPadden, Jack Russell and Hal Witte.

## Young Mother To Enter N. Y. Races

New York, Jan. 19.—(AP)—Mrs. Dorothy Wallace, 19 years old and mother of a six months old baby, is one of the entrants in the 300 meter race to be run at the Norwegian Turnverein Society games in the second Naval Battalion Armory at Brooklyn Saturday night.

The 300 meter event was added to the program at the request of A. A. U. officials who wish to determine American Girl's speed at the distance. A similar race for women is scheduled for this year's Olympics at Amsterdam.

## West Point Heads Declare Contest With Navy "Off"

New York, Jan. 19.—(AP)—West Point authorities feel that the last word has been said on the Army-Navy controversy over football eligibility rules and that the 1928 game is "off" definitely and finally.

Major Philip B. Fleming, graduate manager of athletics at West Point in a formal statement, said Army officials considered the issue had been closed when the superintendents of the two academies decided on January 7 to cancel a four year contract and announced that no game would be played in 1928. Fleming "deploded" the prolonged newspaper discussion of the dispute.

The army statement was made in answer to one issued by the naval academy which said the navy was holding open "for a reasonable time" the date for the 1928 contest in the hope that West Point would reconsider its stand against the three year eligibility regulation. This rule prohibits athletic competition by students with three or more years of varsity experience.

## Sport Jots

Atlanta, Jan. 19.—(AP)—The theatre of world heavyweight fighting activities has switched to Dixie, for a time at least, with Gene Tunney apparently preparing to inaugurate a serious training campaign at Miami Beach and Tex Rickard enroute to the Florida City with the plan of sending the champion possibly for two fights this year.

Tunney announced upon returning to Miami Beach Monday that he would remain there several weeks. He may stay longer. It will depend upon the progress of his conditioning there.

Sparring partners for the former marine will be on hand at least by Monday, Tunney announced, to begin that phase of work. It is probable that night ring work will start this week.

Rickard's plan as announced in New York this week calls for a title match either in June or July between Tunney and Jack Dempsey with the winner to fight one of five challengers in September.

Tunney's response has been "suits me fine."

Billy Gibson, the title holder's manager, will join Tunney immediately. It is understood, Trainer Lou Fink and secretary Jimmy Mahany are also expected in the Miami Beach camp shortly.

This will mark the second time Tunney has trained in the vicinity of Miami. Several years ago when he was considering a championship possibility, he was there to fight Young Stribling.

That match failed to materialize, being called off at the last moment because of various troubles encountered by the committee in charge.

## Wake Forest and State College To Hook up Tonight

WAKE FOREST AND STATE COLLEGE. Raleigh, Jan. 19.—(AP)—The same quintets which battled extra time last week until State College won a traditional hotly contested basketball game from Wake Forest by a three point margin, hook up again on the same floor here tonight in the second of a three-game series.

Freshmen outfits of the same institutions were hooked for a preliminary.

Saturday night will witness the first Big Five 1928 contest for the University of North Carolina Tar Heels, seeks of State and Southern honors, who meet Wake Forest here, also at the auditorium.

## LITTLE JAMES BOY IS BURIED IN LIBERTY

Liberty, N. C., Jan. 17.—Funeral services for Thomas Hassel James, Jr., three and a half year old son of Mr. and Mrs. T. H. James, were conducted from their home at two o'clock Tuesday afternoon by Elder W. C. Jones, assisted by Rev. A. O. Linley.

The little boy had been ill for three weeks with pneumonia, and was thought to be on the road to recovery, until Sunday, his condition was pronounced critical, and the end came about eleven o'clock, Sunday night. Death came as a shock to the many friends of the family who had become especially interested and anxious about the little fellow during his illness. Mr. James, father of the child, is a prominent tobacco farmer, and has many friends in this community.

In addition to his parents, he is survived by one brother, William James; one sister, Ina Claire James; grandparents, Mr. and Mrs. J. S. James, all of Liberty; and grandfather, R. W. Vainwright, of Greenville.

Palbearers were selected from the little boy's playmates, Glin Linley, Reese Jones, Oskia Lindsey, Jr., and Wane Isley.

Interment was made in Fairview cemetery.

## GOITRE REDUCED

Promptly for Wilmington Lady. External Treatment Used.

Mr. Clarence Holden, R. No. 2 Ardobon Wilmington, N. C. says in her own home paper, the Wilmington Star: "After using Sorbol Quindruple three times, I could see my goitre was reducing. Choking was relieved almost at once. Now my goitre is entirely gone and I feel no symptoms whatever. If any one cares to write I will answer all questions."

Get more information from Sorbol Company, Mechanicsburg, Ohio. Sold by all druggists locally at Warren Drug Co.

## We are speaking of this year's vacation!

The colored wheel of the Seasons moves forward; another quarter-turn and we shall catch the first glimpse of Summer's gold beyond the green of Spring.

Ceaselessly forward... Six short months will whirl us into the midst of the vacation period. Not unprepared, we hope—for there is still time to accumulate a Vacation-Fund by saving a little money every week.

To practically pay all your vacation-bills in advance, open a Savings account at this bank with some spare change, and deposit some each week or month until Summer. But start this month, or before you realize that Winter is over, travel-time will be here!

We Pay 5 Per Cent On Savings

# STUDEBAKER

## The Great Independent

Now holds every official endurance and speed record for fully equipped stock cars, regardless of power or price

### The New President Straight Eight 100 Horsepower

STUDEBAKER'S new 100 horsepower President Eight was developed by Chief Engineer D. G. Roos, formerly chief engineer of Marmon, Locomobile, and Pierce-Arrow. Speeds up to 80-miles-an-hour. Well-mannered—easy to start—easy to stop, due to new Amplified-Action, 4-wheel brakes which multiply pedal pressure 3 1/2 times.

Richly finished and appointed. Judge the new President Eight beside any car at any price! A leader in the fine-car field at a remarkable One-Price price! **\$1985** f. o. b. Detroit

### The Commander World's Champion Car

THE Studebaker Commander holds every official endurance and speed record for fully equipped stock cars, regardless of power or price! Nothing on earth or in the sky ever equalled. The Commander's record of 25,000 miles in less than 23,000 minutes.

You may never want to travel at such sustained speed but to you, as a Commander owner, this heroic test insures long life, low maintenance cost and superlative performance. Drive this World's Champion car today!

**\$1495** f. o. b. factory

### The New Dictator Champion of Its Class

THIS new and more powerful Dictator at \$1195 f. o. b. factory, is champion of its price class. Under supervision of the American Automobile Association, a Dictator Sedan recently traveled 24 hours at better than mile-a-minute speed!

This new Dictator is designed and finished in custom-built taste and luxury. It carries many items of extra equipment without extra charge, including shock absorbers.

**\$1195** f. o. b. factory

### The New American Edition of the Erskine Six

BIGGER—roomier—more powerful. Designed to fit American needs. More spacious. More brilliant in performance. Yet low in price—an unmatched value at \$795.

A smooth, 60-mile speed at your bidding. A fully equipped Erskine Sedan recently traveled 24 hours at better than 54 miles per hour average—a record unequalled by any stock car under \$1000! The new Erskine Six is another great Studebaker-built motor car! Shock absorbers included at this low price. **\$795** f. o. b. factory

# LOCALS

W. E. Little, of Tarboro, was here today.

Mr. and Mrs. J. H. Waldrop and son, have returned from Orangeburg, S. C. Mrs. Waldrop's father, Mr. George V. Zeigler, returned with them for a few days' visit.

J. J. Gilbert, of Greenville Lodge No. 284, A. F. and A. M., Dr. B. McK. Johnson and A. R. House, of Sharon Lodge No. 78 A. F. and A. M., have returned from Raleigh where they attended the annual communication of the North Carolina Grand Lodge.

Mrs. Agnes Blount, of Ayden, was here today.

H. C. Sugg and John McKeithan are in Charlotte attending an automobile dealers' meeting.

### Mrs. Little Improving

Friends of Mrs. J. L. Little will be glad to learn that she is improving following an operation which she underwent a few days ago in the local hospital.

### Miss Etta Harris in Hospital

Friends of Miss Etta Harris will regret to learn that she is still in Pitt Community hospital quite ill.

### Leave for Lexington, Va.

Mrs. R. J. Cobb and Miss Ward Moore, accompanied by Mrs. Biggs of Williamston, left last night for Lexington, Va., on account of the critical condition of Albion Dunn, Jr.

### MRS. HOGAN GASKINS ENTERTAINS BRIDGE CLUB

Mrs. Hogan Gaskins was hostess at an enjoyable meeting of her bridge club yesterday afternoon. Cut flowers and potted plants were used for decorations.

Miss Clara Moye won high score prize, a gorin, low score prize, a box of candy, went to Mrs. Curtis Perkins.

A frozen salad course was served following the game.

### MRS. WOOTEN ENTERTAINS IN HONOR OF MRS. WOODLEY

Mrs. J. L. Wooten delightfully entertained yesterday afternoon in honor of Mrs. Woodley, of Suffolk, Va., who is the guest of Mrs. J. L. Hassell. The home was attractively decorated with red carnations. Three tables were placed for bridge. Mrs. M. K. Blount, making high score, was awarded a cut glass vase filled with sweet peas and carnations.

Table prizes, bridge pads, were won by Mrs. S. T. White, Mrs. W. H. Dail and Mrs. J. L. Hassell. Mrs. Woodley, the honoree, was given a green crystal vase filled with sweet peas and carnations.

Mrs. W. I. Wooten and Mrs. W. H. Bradsheer assisted in serving a tempting salad course.

### MRS. BATEMAN HONOR GUEST AT BRIDGE LUNCHEON

Honoring her sister, Mrs. Herbert Bateman, of Wilson, Mrs. A. M. Moseley charmingly entertained the members of her bridge club and a number of other guests yesterday morning. Sweet peas and other spring flowers were profusely used. The library was in yellow, the living room in lavender and the dining room in red. A powder bouquet was given Mrs. David J. Whichard, Jr., for high score. Mrs. Bateman, the honor guest, was also given a powder bouquet. Mrs. John Glenn, of New York, and Mrs. Woodley, of Suffolk, Va., were remembered with sachets. Table prizes, novelty dolls, were won by Mrs. E. J. Garrett, Mrs. R. L. Carr, Mrs. L. H. Bowling, Mrs. P. M. Park, Mrs. Fred Forbes and Mrs. John Glenn. A two-course luncheon was served.

### MRS. A. J. MOORE HOSTESS AT BRIDGE

Mrs. A. J. Moore was hostess at bridge yesterday morning, at her home on Fourth street. Spring flowers were used throughout the home for decorations. Miss Homie Long was winner of high score prize, a deck of cards. Bridge numbers were won by Mrs. Frank Bendall, for low score. The root prize, a box of candy, went to Mrs. J. H. Blount. A tempting luncheon was served.

In the afternoon, Mrs. Moore entertained her bridge club and a few other friends. Mrs. C. M. Warrent made high score for the club and was given a deck of cards. Embroidered towels were won by Miss Jane Lyerly for high visitor's prize. A box of candy went to Mrs. A. M. Moseley for low score.

Mrs. C. J. Ellen assisted Mrs. Moore in serving a frozen salad course.

### METHODIST ORPHANAGE SINGING CLASS TO GIVE SACRED CONCERT HERE

The singing class of the M. E. Orphanage will give a sacred concert at Jarvis Memorial church Sunday morning at 11:00 o'clock.

### YOUNG WOMAN'S FEDERATION TO MEET TOMORROW AFTERNOON

The Young Woman's Federation will meet tomorrow afternoon at 3:30 o'clock with Miss Lill Wilson, Mrs. J. F. Brinkley, Sr., will be leader.

Two of a kind generally make a pair. You will find this so in the one-act comedy at Winterville, Jan. 20th.

### Round Table Club Meets

On Tuesday afternoon, Mrs. J. W. Higgs was hostess to the Round Table club. Thirteen members answered the roll call, and the club was delighted to have Mesdames O. G. Guley, R. G. Gaston and Mrs. Mamie Jenkins as guests for the afternoon.

The items of business were quickly dispatched by the president, Mrs. Vincent. It was moved and carried that the Round Table club co-operate with the Woman's club in their health work this spring. After the business session the meeting was turned over to the program committee.

A very interesting paper, "The Folk Lore of Slavic People," written by Miss Nellie Denny, was read by Mrs. H. E. Austin. She told us many interesting things concerning the folk tales of Russia and proved to us that superstition and the practice of magic has had an influence in the human mind in all ages and countries.

The club regretted the absence of Miss Denny on account of illness. Mrs. Higgs, assisted by her daughter, Miss Heiene, served an attractive and delicious salad course.

Circle No. 5 of the Methodist church will have candy, sandwiches, and hot chocolate for sale at the basketball game in Gormall's warehouse Friday night.

### SEVEN MARRIAGE LICENSES ISSUED HERE YESTERDAY

Seven licenses to marry were issued by the register of deeds of Pitt county yesterday, all of the applicants being colored. They were:

John Ellis to Carrie Mills, both of Chicod township.

Rest Jenkins to Cora Hardee, of Winterville section.

Sebastir Smith to Frances Harris, Greenville.

William Gorgham to Helen Peyton, both of Falkland.

Arch Clark to Bertha Johnson, Carolina township.

Charlie Guion to Queenie Smith, Chicod township.

Lonnie Lowe to Vietta Whitehurst, Bethel.

Uncle Tom Perkins insists on kissing all the females of the family—"Too Much of a Good Thing," Friday, Jan. 20th, at Winterville. Admission 25c and 35c.

### Skating Rink

Circle No. 7 of the Methodist church will have a skating rink on Friday night at 7:30 o'clock, at Forbes and Morton warehouse. Admission ten cents. Prizes will be given.

Can potatoes be peeled with a safety razor? See it in "It Can't Be Done" Friday, Jan. 20th, at Winterville.

### TWO NEGRO HOUSES WRECKED BY FLAMES HERE LAST NIGHT

The home of Janie McClaren, near the water and light plant, was totally wrecked by fire this morning about three o'clock, with a considerable portion of the furnishings. Total loss was not determined today.

A vacant house in the Riverdale section was destroyed last night about eleven o'clock. The building was not occupied and was virtually wrecked when the firemen arrived.

## COLDS THAT DEVELOP INTO PNEUMONIA

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. (adv.)

Winter is near and your cut off and heating plants may need some repairs. If so call J. D. Aman for service and quality at the lowest price possible.

# WHAT IS IT?

That is a question that has been asked hundreds—yes, thousands—of times, during the past week in the city of Greenville.

## What Is This MILLION DOLLAR CLUB

And the thousands who have asked the question, who have been interested in knowing what it is, will be more interested in it after getting that information.

## The Million Dollar Club Is—

A group of Greenville's leading spirits—men and women keenly alive to their own opportunities for success, but never forgetting their greater opportunities and responsibilities in service to Greenville.

An unofficial, unchartered organization of volunteers who during 1928 will make an investment of \$130,000.00 for themselves—an investment that will pay them approximately 6 per cent, TAX-FREE, with the utmost safety and security.

A body of men and women who, while thus profiting themselves directly, will profit themselves and all of Greenville by the investment of that \$130,000.00 in homes for a still Greater Greenville.

With an Individual Investment of only \$2.50 a week

# The Million Dollar Club

Will finance the building of over 300 new homes in our city during the next 6 1-2 years.

How will they do it? Simple enough: Each member of this Million Dollar Club will subscribe for at least ten (10) shares of stock of the Home Building & Loan Association. Their joint effort—a weekly investment of ONLY \$2.50 EACH—will make available \$130,000.00 a year for the financing of Greenville homes. The average home loan is slightly over \$2,800. That will mean the addition to our city of approximately 50 new homes a year for a period of six and a half years.

Can you imagine a finer service to the community, or one that is possible with so little individual effort?

The Million Dollar Club will be composed of many people who have never before discovered the opportunities and privileges for themselves, and the service to their city, offered in the Building and Loan plan; and of many others who have long participated in both its profits and its service. To the latter this story of service is more or less familiar, but a part of it is worth repeating:

We Aided 72 Greenville Citizens to Build During 1927

## Applications For Loans Now On File 43

A very large percentage of them for new construction.

## Are Much In Excess Over Available Funds

It is evident, therefore, that there is open to the Million Dollar Club a very large service to Greenville—one of which the city is in pressing need. It is a fortunate circumstance that the thousand rare spirits of this club can perform that service and at the same time profit themselves through steady investment in one of the strongest savings-investment plans known to the world; their money handled under direct State supervision and safeguarded to them by first mortgage liens on Greenville real estate! Of course you will want to join the Million Dollar Club. Its membership, being voluntary and unhindered, will not only be a mark of distinction in civic service, but a tribute as well to your keen business judgment—for here is an investment that pays profits in two directions, direct and indirect—Big profits, too!

Join at once—the first opportunity you have—Let's—write a club list that will make history in the home building of Greenville

his vision a reality and the South and nation a better place in which to live.

Information that several local residences will be converted into small apartments is indeed gratifying news. The demand for small houses and apartments here is growing daily and the creation of these several apartments will, to an extent, help to solve the housing problems. Even with these, however, there is still need for two or three large apartment houses and we have not given up hope that they will soon be forthcoming.

The Stokes county farmer who lost \$285 betting strangers on a trick knife they possessed only goes to bear out the statement that there is a sucker born every minute. If you would not be separated from your hard earned cash, make it a point never to butt into the affairs of strangers with the hope of getting something for nothing. It invariably works the other way, and it is the stranger who comes out at the big end.

**EMPLOYMENT BUREAU DOING GOOD WORK**  
 Raleigh, Jan. 19—(AP)—The state-federal employment bureaus of North Carolina found work for 547 of 835 persons registered for work last week, officials report.

The number included 202 women. These placed by bureaus: Wilmington, 114; Greensboro, 101; Winston-Salem, 87; Charlotte 77; Asheville 76; Raleigh 46; and Badin 45.

## ABOUT TOWN

"We can honestly say that you are far ahead of any collector of hard accounts that we have ever known in our business experience," states a letter received by the local Merchants Association from Oetinger's well known business house of Wilson.

"We are more than gratified at the expression received from this firm," C. B. Rowlett, secretary of the local association said this morning. It goes to show that our collection department is able to cope with a situation that has long been a constant menace to credit merchants in eastern North Carolina.

"We are striving to do everything possible to serve the business interests of this section and the expression from Wilson causes us to realize that we are meeting with success."

"The high school basketball team is meeting with gratifying success," C. W. Porter, director of high school athletics said today, commenting upon the game played with Elizabeth City here Tuesday night in which the local club merged with its second victory of the season.

"While the boys have been given splendid support so far, attendance has not been what it should be by any means. It is to be hoped the public will turn out en masse at the next game and let the boys know that they really appreciate what they are doing in the athletic field."

"Babe Ruth and Gehrig have signified their intention of establishing new home run records during the approaching baseball season," a Greenville admirer of the two great kings remarked to the writer today.

"If they equal last season's record they will be doing something worthy of the highest commendation. Both established enviable records that will be hard to shatter, although they may be determined to do so."

"They have set a stiff pace for those who could climb the shining ladder of swatton to fame and

success, and the player that undertakes to catch up will be compelled to go some."

"I want every civic organization of the city to worship with us next Sunday night and hear Judge Grady speak on the subject of 'Youth of Today,'" said Rev. H. F. Jones, pastor of Memorial Baptist Church, while stopping in at this department today to express greetings to the writer.

"Judge Grady is familiar with conditions as they confront modern youth. His long service on the Superior Court bench has given him a fund of valuable information upon the subject and those who hear him will be well rewarded for attending."

"All of the six towns of the newly formed Eastern Carolina League have begun to make arrangements for the hiring of manager and players," promoters of the Greenville Club intimated this morning.

"Each town quite naturally is going to do everything possible to put out a winning team and the majority of them have the funds to do it with, or at least the moral support of the public to accomplish such an end."

"Greenville will have to be up and doing if she keeps pace with Wilmington and Rocky Mount and it is going to be necessary for sports lovers to rally behind the club as they never rallied behind a baseball organization before."

"Today's news today. That's what subscribers to the Reflector get every day of the week except Sunday," complimented one of our readers today.

"No other paper in this immediate section of the state furnished such comprehensive news reports as does the Reflector. The leased wire

**MONEY TO LEND**

service brings in happenings from all over the world within a short time after they occur. It is a wonderful service—one which Greenville and Pitt county people should certainly be proud of.

"I have been a subscriber to this paper for many years and it is gratifying to me to note the painstaking efforts its publisher is making to give his readers a paper in keeping with the kind of town in which it is published."

"With the closing of the Greenville tobacco market officially set for January 27th, farmers of this community should get busy and market the remainder of their crop as early as possible," members of the Tobacco Board of Trade said today.

"Most of the crop has already been sold, but there yet remains considerable leaf scattered around among the farmers which should be sold within the next two weeks."

"Greenville has established an enviable record this season in the matter of number of pounds handled, and it is hoped the record will reach the sixty-two million mark by the closing date."

**Fair Bluff Cop Shot**  
 Fair Bluff, N. C., Jan. 19—(AP)—Expressing belief that he had incurred enmity of a local lawless element, chief of police, J. E. Hinson, Fair Bluff, today was recovering from a lead of shot fired into his shoulder by an unknown party in ambush.

## Looking Backward

Items Taken From The Reflector Of Twenty and Thirty Years Ago

**January 19, 1908**  
**Banks to Close Earlier**  
 Beginning February 1 the three banks of Greenville will begin closing at 3 o'clock p. m., instead of four o'clock, as heretofore.

The residence of Dr. Chas. O'H., Laughinghouse caught fire Sunday evening from a grate. The fire was discovered and put out before any damage of consequence was done.

**Among the locals:**  
 Thurman Moore came home today evening from the University at Chapel Hill.

W. R. Wilson returned home Saturday from Bingham School at Asheville and will go to the University.

Miss Verda Waldrop, one of the teachers of Bruce school, who had been to Hendersonville to attend the marriage of her sister, Miss Bertha, to Mr. John Staton, of Bethel, returned here Sunday evening.

The following school teachers of the county were listed in the voting contest for the gold handkerchief umbrella to be given away by the Aeolian Band:  
 Miss Mary Brooks, Miss Julia Bready, Miss Blanche Ferebee, Miss Lillie Bennett, Miss Melville Gibson, Miss Birdie McKinney, Miss Florence Felton, Miss Elizabeth

Jones, Miss Sallie Kilpatrick, Miss Bessie Hellen, Miss Lillie Savage, Miss Bessie Poe Law, Miss Mary Lee Woodard, Miss Verda Waldrop, Miss Hankins, Miss Abbie Smith, Miss Hennie Brown, Miss Lilly Hellen, Miss M. Theresa Cooke, Miss Eula Cox, Miss Bettie Jones, Miss Elizabeth Wade, Miss Elise Vincent.

**January 19, 1898**  
**Among the locals:**  
 O. L. Jyner went to Kinston today.

W. B. Wilson went to Bethel today.

Wiley Brown went to Portsmouth today.

The Pitt County Buggy Company has ordered lumber to build a large annex to its factory.

There is a rumor that there will be another tobacco warehouse here next season, making five in all.

## GOT RID OF POISON

**Kentuckian Finds Black-Draught a Great Aid in Relieving Constipation, and Soon Feels O. K.**

Catlettsburg, Ky.—Mr. Miles Hopkins, of 1218 Center Street, this city, says:

"There was a time when my health was not so good. I suffered a great deal from gas pains. My system was saturated with poison which was not properly eliminated. From time to time I had severe headaches, and I felt sluggish and dull."

"I knew of Black-Draught as a medicine for constipation, so I thought I would try it. For a while I took a small dose every night until my system was rid of the accumulated poison."

"I gained in weight and my general health was good. That experience made me realize the merits of Black-Draught. I kept it in my home and when I begin to feel lifeless and dull, I take a dose, after which I feel O. K. again."

"People generally do not realize the risk they take in allowing constipation to run on. I try to keep my system cleansed, and I find Black-Draught a great aid in doing this."

# Market Report Cotton--Stocks--Grain

**NEW YORK COTTON**  
New York, Jan. 19.—(AP)—Cotton prices were slightly higher in mid-afternoon trading on the cotton exchange today, active months selling about six to 12 points above earlier levels. The market was quiet, and sensitive to comparatively small orders either way.

An early advance on reports of continued dry weather in west Texas was followed by reactions to about yesterday's closing quotations but the market steadied up again on covering and a little trade buying.

Futures closed steady, 12 to 18 points higher. Spot quiet; middling 19.30.

**COTTON SEED OIL**  
New York, Jan. 19.—(AP)—Cotton seed oil closed steady; prime summer yellow 10.00; prime crude 8.00 to 8.37 1-2; January 10.00; February 10.00; March 10.01; April 10.18; May 10.25; June 10.39; July 10.50; August 10.59; sales 3,100.

**GRAIN MARKET**  
Chicago, Jan. 19.—(AP)—Insufficient rainfall southwest together with unexpected higher Liverpool quotations and reports of better British milling demand helped bring about upturns today in wheat values here. Chicago future delivery wheat trading was somewhat larger than of late and there were numerous bids for cash wheat at the seaboard, but generally below a working basis. Corn declined in the late dealings as a result of heavier purchases to arrive here and because of prospective better weather the remainder of the week.

Wheat closed firm 1-3 to 1-2 net higher, corn at 1-4 to 5-8c decline; oats unchanged to 1-4-3-8c lower and provisions unchanged to a rise of 10c.

**STOCK MARKET**  
New York, Jan. 19.—(AP)—Quiet strength characterized today's stock market. The abundance of money available on call at 3 1/2 per cent, after a renewal rate of 4, tended to rally uneasiness over the credit situation, although many traders showed a disposition to keep out of the market, pending publication of the weekly federal reserve report on brokers' loans after the close.

There was little in the day's business and financial news to influence the price movement. Publication of the 1927 report of the U. S. East Iron Pipe Company, showing \$21.11 a share as against \$35.08 the year before, apparently had been anticipated as the stock showed little change.

Despite the possibility of a United States senate investigation of super power projects and public utility financing, the power and light stocks continued in brisk demand. Chrysler ran up two points and Hupp was again active on the upside but the other motors showed little change.

The closing was strong. Total sales approximated 1,500,000 shares.

# CHILD KILLER SENTENCED TO LIFE IN JAIL

## Flint, Mich., Church Deacon, Pays Penalty for Death of Dorothy Schneider.

Flint, Mich., Jan. 19.—(AP)—A judge's vigorously expressed regret that he could not, under the law impose a death sentence followed Adolph Hotelling today on his journey to a life's cell at the Marquette state prison.

Solitary confinement at hard labor for the rest of his life was the punishment circuit Judge Fred M. Brennan decreed for Hotelling as the most penitentiary the state could exact for the kidnaping, slaying and mutilation of five year old Dorothy Schneider.

The trial and sentencing took place here yesterday after Hotelling had been spirited into the city from the state reformatory at Ionia. The proceedings required only a few minutes and Hotelling was immediately started on his way to Marquette by automobile as a precaution against mob violence.

"You appear to have no regrets," said Judge Brennan in passing sentence, after the defendant had admitted details of the assault and slaying without show of emotion. "The details as shown by this confession and the proof convince me that we should have capital punishment in this state."

"The sentence of this court is that you be confined in the Marquette branch prison in solitary confinement at hard labor for the balance of your life."

The prisoner made no response.

and the judge shouted:  
"Hard labor, in solitary confinement for the rest of your life! Do you understand?"

The slayer nodded his head in acknowledgement and the trial was over.

As the stolid church deacon was brought into the court room, Leslie Schneider, father of the child victim, sprang from his seat and struck the man squarely in the face. The room was thrown into an uproar, but quiet was soon restored and Schneider was taken from the room.

From Flint, Hotelling was taken to Saginaw and locked in a state day prisoner and guards entrained for Marquette. So secret were the entire proceedings that residents of Saginaw were not aware that the slayer had been harbored there until after the party had left.

# CIVIL COURT STOPS WORK

## Judge Grady Ordered Adjournment Yesterday Owing to Absence of Lawyers.

The civil term of Pitt county Superior court which convened in this city last Monday morning with Judge Henry A. Grady of Clinton, presiding, adjourned yesterday after disposing of only a few cases of one of the longest callenders in months. This action is said to have resulted from the absence of members of the bar which caused disarrangement of the calendar and prevented hearing of cases set for the last three days of the week.

A one week criminal term will convene Monday morning at ten o'clock with the Clinton Jurist presiding. The calendar had not been completed this morning but it is expected it will receive finishing touches probably this afternoon.

Numbers of cases of more or less interest are expected to receive action next week, principal among them being two or three murder issues of minor importance and several charges of violation of the prohibition laws.

The charge to the jury by Judge Grady Monday morning is looked forward to with interest and it was indicated today that the court room would be packed to capacity during the opening session.

# Candy Palace Installs Fine Soda Fountain

The completion of the installation of a new soda fountain by Lau-tares Candy Palace here, is not only a great improvement for the Candy Palace, but gives to Greenville one of the finest fountains of the entire state.

The fountain, built by the American Soda Fountain Company, of Boston, especially to suit the needs of the Candy Palace, weighs more than five tons and is said by the Pinehurst Warehouse Corporation, state distributors, to be the finest of its kind ever sold in this state.

To describe briefly the new fountain, it is built entirely of Mexican Onyx, marble, slate and nickel-silver, there being no wood to warp or iron to rust or corrode. The fountain is twenty-three feet long and is built for convenience, making it possible to serve a tremendous trade with the least effort. Included in the fountain are ice cream compartments to care for fifty gallons of cream and the fountain is mechanically cooled at all times. The York ammonia cooling system is used on the fountain and furnishes refrigeration equal to a ton of ice daily.

As stated above, the fountain is a specially built de luxe job including the very latest ideas in soda fountain construction and Mr. Lau-tares stated today that the public is cordially invited and urged to come in and inspect the new fountain.

# FAMOUS PRIMA DONNA TO COME HERE FEB. 23

The famous prima donna, "The Cinderella of grand opera," Mary Lewis, will appear in concert at East Carolina Teachers College on the evening of February 23, instead of the 22nd, as first announced. The date as it now stands is the one that was greatly preferred by those in charge of the arrangements, but it seemed at first difficult to secure this date.

The date for the concert by Frederick Gunster, the tenor, has been definitely settled. This will be on March 30.

The junior class play will be on March 2.

This completes the schedule of dates for the winter and spring entertainments with the exception of the Senior-Normal play. This will be in the late spring.

The concert by the Imperial Male Quartet on next Thursday evening will be at 8 o'clock and in the new auditorium, in the Campus Building.

# Plumbers Hold Institute At Chapel Hill, N. C.

Chapel Hill, Jan. 19.—(AP)—The North Carolina Association of Plumbing and Heating Contractors began a two-day plumbing and heating institute here today, springing through with a series of lectures of interest to health officers, waterworks officials, architects, and plumbing inspectors, contractors and manufacturers and jobbers.

The institute is the third ever held in the country and the first in the southeast.

Dr. H. W. Chase, president of the University of North Carolina, made the address of welcome.

# TODAY

(Continued from Page One.)

imitation of the brook trout, wet on forever.

Descent a haque, imported from the pyrenees, for prize fighting, as they used to import fair haired northerners for gladiator fights in Rome, "walks all over Ed Keeley of Boston, batters him into submission in two minutes, and fifty seconds." Rather a come down for Uzeyum, playing hired thug.

His ancestors, used to harpoon whales in the rough Atlantic off the west coast of France, two thousand years ago.

Boozing whiskey, paying a profit of seventy millions a year to the criminals of Chicago alone degraded public officials legalizing prize fighting, as a national amusement, intelligent and highly organized finance running the country and giving the 130,000,000 enough prosperity to keep them satisfied, such is the picture of our civilization. But even so, it is better than it was once.

Human beings as a whole, like individuals, do only one thing really well. The work of the human race today is scientific and industrial, making new discoveries in science, applying them to man's material welfare. Today scientific workers are like builders installing plumbing, heating and other conveniences in a big building, later families move in and live comfortably.

After a few years or centuries, of

industrial, scientific development, this nation will move into the finished structure and find for amusement something better than bootleg whiskey, crime waves, prize fights and struggling to get more money than it needs.

Little Faraday imagined all that was to follow when he discovered "electro-magnetic induction," showing that an electric current is produced by moving a magnet inside of coiled wire. George Ellier Hale, chairman of the national research council, says Faraday could not have imagined that this discovery would develop the entire electrical industry, and in the United States alone give work to six million people. When a practical British statesman asked Faraday "of what real use is your invention," Faraday told him, "some day it may be developed so that you can tax it."

That incident related by Mr. Hale shows that Faraday foresaw dimly the extent of his discovery. But he could not have imagined that it would be used to kill Ruth Snyder and send through the air, without wires, pictures of the killing. He could not foresee human beings talking across the ocean, and around the world. The wonder may go farther and produce eventually a race of really civilized human beings.

This planet is ready for an improved race. Colorado, Arizona and New Mexico would provide homes for tens of millions of them in magnificent scenery, brilliant sunshine and beauty. When and if human beings do become civilized they will fly out to these high plains to live under clear blue skies instead of crowding like ants in hideous cities, the cunning exploiting the simple minded, and the simple minded enjoying their prize fights, crime stories, and evolutions.

# Blade Motor Co. To Open Branch In Greenville

A branch of the Blade Motor Company of New Bern and Washington, distributors of the Dodge Automobile, will be opened in Greenville within the next ten days or two weeks, according to an announcement made by N. C. Brooks, of New Bern, representative of the firm, who was in the city today making arrangements for the formal opening.

The new concern will make headquarters in the building formerly occupied by the Williams Motor Co., Washington street, between Fourth and Fifth streets. The structure at the present time is being remodeled and will contain one of the finest automobile display rooms in the city.

Mr. Blades stated that they would give entire attention to the servicing of the Dodge automobile and would carry a complete stock of accessories and supplies for this purpose.

Formal opening of the new concern will be held immediately following completion of their Washington street home, Mr. Blades said, and the public is given a cordial invitation to attend and view a display of the late Dodge models.

# Break Chest Colds with Red Peppers

Ease your tight, aching chest. Stop the pain. Break up the congestion. Feel a bad cold loosen up in just a short time.

"Red Pepper Rub" is the cold remedy that brings quickest relief. It cannot hurt you and it certainly seems to end the tightness and drive the congestion and soreness right out.

Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into colds, congestion, aching muscles and sore, stiff joints, relief comes at once.

The moment you apply Red Pepper Rub you feel the tingling heat. In three minutes the congested spot is warmed through and through. When you are suffering from a cold, rheumatism, backache, stiff neck or sore muscles, just rub a jar of Rowles Red Pepper Rub, made from red peppers, at any drug store. You will have the quickest relief known. Always say "Rowles."

# To Build Airplane Landing Field on Top of Skyscraper

New York, Jan. 19.—(AP)—An airplane landing field atop a building in the heart of Manhattan is planned by Isaac Liberman, president of Arnold, Constable & Co., department store owners. The building is being erected on a site adjoining the store in East Fortieth street.
