

SOUTHERN CROSS HAS REACHED HONOLULU

AUSTRALIAN FLIERS LAND AT WHEELER FIELD TODAY SHORTLY AFTER NOON HOUR

Landing Made Just In Time To Avoid Being Forced Down By Rapidly Diminishing Fuel Supply And Crippled Radio Receiving Set.

Wheeler Field, Honolulu, June 1.—(AP)—The trans-Pacific monoplane Southern Cross, bearing four men, came safely to earth here today at 12:15 Pacific coast time. The landing was made after a 2,400-mile flight from Oakland Calif., begun at 8:51 a. m. yesterday. The Southern Cross made its landing only after hours of tenseness during which she had lost her position and her fuel supply ran low. She finished the long air journey with little gasoline left to spare. Escorted by army and navy planes, the Southern Cross came into the field, 20 miles from Honolulu, announced by sirens of enthusiastic welcome. Thus ended the first leg of an air adventure 300 miles over seas to Sydney, Australia. The next air passage is to Suva, Fiji Islands, more than 3,100 miles over swelling waves broken only by occasional dots of coral and volcanic rock. Honolulu, June 1.—(AP)—Last night the Southern Cross, flying from Oakland to Australia via the Hawaiian island was near the goal of its recent lap at 11 a. m. Pacific Coast time today. Reported from various success as 100 miles from Honolulu at that time the flight had become a race against time in view of a rapidly diminishing fuel supply. Without some mishap it was generally agreed the fliers could make it. It was estimated by aviators here that the monoplane should arrive between 12:30 and 1 p. m. if the distance reported by the ship was correct.

Honolulu, June 1.—(AP)—At 11 a. m. coast time Port Shafter radio station received a message from the Southern Cross saying that the plane was 165 miles out and "we have just got enough fuel to make it."

San Francisco, June 1.—(AP)—Here are brief biographies of the two Australians and two Americans comprising the crew of the monoplane Southern Cross:

Captain Charles E. Kingsford-Smith, commander and chief pilot was born in Brisbane, Australia 31 years ago. From 1915 to 1918 he was with the Australian army in Egypt, the bloody campaign of Gallipoli and France. Later he joined the British royal flying corps and was credited with bringing down six enemy planes in combat. A German aviator wounded him during a "dog fight" and he was sent to England to convalesce. He was a navigator, instructor and after the war he was a commercial aviator. He retired from service with the rank of captain and calls Sydney, Australia, home.

Captain Charles T. P. Ulm, copilot, of Sydney, was born in Melbourne, Australia, 30 years ago. He was wounded three times while serving with the Anzacs during the world war. He has been a commercial flier since the war.

James W. Warner, 36, retired a month ago from the United States Navy with the rating of chief radio man, is the radio operator of the expedition. For sixteen years he followed the seas under the Stars and Stripes. While he called San Francisco home, he was born in Michigan. He was left an orphan at an early age.

Harry W. Lyon, Jr., 41, is considered one of the most experienced navigators in the United States naval service. The son of Rear Admiral Harry W. Lyon, U. S. N., retired, he attended the United States Naval Academy and commanded navy and merchant marine vessels for 13 years. During the war he served as lieutenant aboard the cruiser St. Louis. Lyon, a soldier of fortune, served under Mexican and central American rebel leadership as well as under the American flag. He is a lieutenant commander in the naval reserves.

CITY SCHOOLS END CLASSES

Closing Exercises Will Begin Sunday Evening With Annual Sermon.

The Greenville city schools ended all classes today. The closing exercises will begin Sunday evening, June 3, with the annual sermon to the members of the graduating class by Rev. Stephen Gardner, rector of St. Peter's Episcopal church, Washington, N. C. The sermon will be preached in the Methodist Episcopal church, due to the fact that the Episcopal church is not large enough to accommodate the crowd that will attend. The glee club of the high school will furnish the special music for this occasion. The senior class numbering 66 this year, is the largest class to ever graduate from the local high school. This class is unique also in that it has a large number of boys in it and again in that every member of the class passed every subject.

There will be no gathering of the children in any of the schools on Monday morning, except the Senior class activities. This day will be used by the teachers and school authorities for the purpose of tabulating all the reports and compiling the necessary data for all the children in the various grades. On Tuesday morning, at the regular assembly hour the children will gather in their respective rooms to receive their promotion cards. At 9:30 o'clock in the old auditorium at the college will be held the graduating exercises of the seventh grades. At this time these pupils will be received into the high school. The general public is invited to this program which will last about 45 minutes. There will be special music by the band and orchestra and by the intermediate school glee club.

The class day exercises of the senior class will be held in the old auditorium at 11 o'clock. At this time the senior class will put on a program of its own. The general public is invited to this program. The closing event of the school year will take place Tuesday night at 8 o'clock in the Campus building of East Carolina Teachers College. The address of the occasion will be delivered by Dr. Charles E. Brewer, president of Meredith College, Raleigh, N. C.

Seats will be reserved for the members of the school board and their families and the families of all the graduates.

JUDGES TO BE IN HOME DISTRICTS

Raleigh, June 1.—(AP)—Superior court judges of North Carolina will preside in their home districts during the term beginning in July for the first time since 1923, according to announcement yesterday by Henry M. London, legislative reference librarian.

Several Lost Today When Boat Sinks Big Freighter

Vineyard Haven, Mass., June 1.—(AP)—An undetermined number of the crew of the freighter Kershaw, variously estimated from seven to twelve, were drowned here this morning when their ship was rammed and sunk by the Boston bound dollar liner President Garfield. Thirty members of the Kershaw's crew including Captain Brooks were rescued. The collision occurred a few miles off East Coast, Island of Martha's Vineyard, at 12:30 A. M. with a clear sky and smooth sea. According to Captain G. H. Mir, spokesman here for the Dollar line company the President Garfield was proceeding at 14 knots when it struck the Boston to Norfolk bound Kershaw on the latter's portside, just forward of the bridge. The Kershaw rolled over and the vessels held together for a few moments. Then the freighter broke apart and went down within 10 minutes of the crash in 80 feet of water.

Medal for Bravery

President Coolidge awarded Charles W. Van Buren a medal of honor for his bravery in saving a little girl who had fallen in front of an approaching train. Van Buren is Illinois Central station master at Jackson, Miss.

CANDIDATES MAKE FINAL PLEA TODAY

Democrats to Elect Five Congressmen And Lieut. Governor Tomorrow. Raleigh, June 1.—(AP)—Candidates for the Democratic nomination in five of the state's congressional districts, and for Lieutenant Governor and Commissioner of Labor and Printing today they presented their final appeals for support in the primary of tomorrow. Congressional races are on in all districts except the first, fifth, eighth and tenth in which the incumbents, Lindsay C. Warren, Charles L. Abernathy, Major Charles M. Steadman, R. L. Dougherty, and Zebulon Weaver are unopposed. J. Byard Clark and Herbert McClammy are candidates in the 6th district to succeed Representative Homer L. Lyon, who did not seek re-election. Congressmen opposed are: John H. Kerr, of the second, by H. G. Robertson and Oscar P. Dickinson; Edward W. Pou, of the fourth, by Thomas Creechmore and Paul W. Mack; William C. Hammer, of the seventh, by T. E. Battle, and A. L. Bulwinkle, of the ninth, by John G. Carpenter and Arthur Talmadge Abernathy. In the two state races, Commissioner of Labor Frank Grist is opposed by M. L. Shipman, former Crist four years ago, and O. J. Peterson, Pittsboro newspaper publisher, who ran also in the last election, while John D. Langston, R. T. Fountain, and W. H. S. Burgwyn are seeking the lieutenant governorship. O. Max Gardner is unopposed for the gubernatorial nomination, and all other state officers will be re-nominated for the same reason. Interest centered largely in local races throughout the state on account of the light state ticket.

Baseball Fund Still Increases

The children's baseball fund continued to increase today with contributions of seven dollars from two local citizens. The total amount needed for this purpose is \$115.00. This will make it possible for all children of the city between the ages of 6 and 10 years to attend the remainder of the ball games here free of charge.

TAMMANY MAN IS CALLED BY SENATE BODY

Political Leader and Jersey City Mayor Summoned by Funds Committee. New York, June 1.—(AP)—The senate Presidential campaign funds investigating committee issued subpoenas today for George W. Olvany, leader of Tammany Hall, and Mayor Frank Hague, of Jersey City. The committee was informed that Mr. Olvany had left town yesterday on a fishing trip and would not be in New York before Monday. At one o'clock this afternoon no return had been received on the subpoena issued for Mayor Hague. A subpoena also was issued for Oscar Miller, chairman of the New York Civic League and a resident of Albany. His name was furnished yesterday to the committee by Senator Heflin, Alabama.

New York, June 1.—(AP)—The senate campaign funds committee was brought to New York today to be played upon a dozen or more witnesses during the next two days in an attempt to determine expenditures in behalf of Governor Smith, Secretary Hoover and Senator Curtis of Kansas. Senators Frederick Steiwer, Republican, Oregon, and S. C. Bratton, Democrat, New Mexico, were the inquisitors who came prepared to continue the search begun in Washington. They devoted the morning to arranging for the appearances of witnesses and to learning in general what they would offer, in order to save time in the actual examination.

Three witnesses were to be heard this morning. These were George Gordon Battle, New York attorney, who contributed \$2,500 to the Smith campaign in North Carolina; Thomas P. Moffett, manager of the New York headquarters of Frank O. Lowden, and James A. Hoyer, manager of the Smith publicity bureau.

From eight to ten other witnesses will be heard tomorrow before the senators return to Washington, while their plans for further investigation are not settled. They contemplate visiting West Virginia, Ohio, and Indiana in the near future.

Rockingham Woman Brutally Murdered And Robbed Today

Greensboro, June 1.—(AP)—Mrs. W. T. Ma'herly, 50, wife of a Rockingham county farmer, was apparently brutally murdered and robbed by an unidentified assailant this morning at her home near Reidsville, according to telephone messages received here.

Her husband was in the field at the time of the attack and came running to the house when he heard his wife crying for help. He found her lying in an unconscious condition on the kitchen floor. She had been shot and her head crushed in her chest was also crushed. She died shortly afterwards. A pistol was found nearby.

Matherly notified Sheriff J. P. Smith of Reidsville, who, with J. W. Chaney, police chief of Reidsville, and deputy sheriff R. H. Stokes, brought bloodhounds to the scene. The dogs picked up what was thought to be the trail of the assailant and were following it. Nearly five hundred automobiles filled with curious persons, had congregated near the house about noon after news of the attack had spread. Matherly's house had been ransacked and about \$15 in cash was discovered missing. He and his wife lived alone in the farmhouse. They had several children, all of whom are married.

DURHAM MAN FOUND GUILTY AT PITTSBORO

W. H. Lawrence Guilty of Second Degree Murder For Slaying Mrs. Terry.

Pittsboro, June 1.—(AP)—W. H. Lawrence, Durham contractor today was sentenced to thirty years in jail on a second degree murder charge in connection with the killing of Mrs. Annie Terry. He was denied bail. Defense, filed notice of appeal to the Supreme Court.

Pittsboro, June 1.—(AP)—W. Herbert Lawrence, Durham contractor, was found guilty of second degree murder today by the jury trying him for the slaying on March 24 of Mrs. Annie Terry, middle-aged dressmaker of Durham.

The contractor was apparently nervous as the 12 jurors, headed by foreman M. W. Duncan, filed in at 10:20 o'clock, and announced they had reached a verdict. Sentence was not passed immediately. Judge R. A. Nunn agreeing to a request by J. Elmer Long, Lieutenant Governor, and one of Lawrence's attorneys, for a delay to permit a consultation.

Four ballots were said to have been taken by the jury, with an agreement being reached shortly after resumption of deliberation today.

The first ballot was reported to have stood: three for first degree murder, five for second degree and four not guilty. On the second, seven voted for a second degree conviction, two for first degree and three for acquittal, while the third ballot showed ten in favor of a second degree murder verdict and two holding out for first degree.

Lawrence was accused of slaying Mrs. Terry and throwing her body into the Cape Fear River at Avenet Ferry bridge. The body was found ten days after the crime is alleged to have been committed and officers immediately started a search for a green automobile seen on the bridge by fishermen.

The search went into South Carolina, Georgia and Virginia, several traveling men with green cars and reported in the vicinity being investigated. All proved alibis.

When the search appeared to have about been given up Lawrence was arrested at Durham. The arrest was based on information supplied by relatives of the dead woman as to her relations with Lawrence who was about to be married. A spot on the cushions in his green car was believed by officers to be blood and figured in the case.

Lawrence, during the trial attempted to commit suicide by cutting his throat. Despite the injury which was inflicted on Saturday morning, the trial was delayed only one day. Lawrence was taken to a Durham hospital and given a blood transfusion and was strong enough after two days to return to the courtroom.

ALL BALLOONS NOW REPORTED

Three Bags of National Contest Rode Out of Storm Without Damage.

Pittsburgh, June 1.—(AP)—All 14 balloons entered in the national elimination contests for the Lithfield trophy and right to represent the United States in the International balloon races at Detroit, June 30, have been accounted for.

Three contestants rode out the death dealing electrical storm that caught 11 of the bags shortly after they left Bettis field, Decoration Day. A recapitulation showed two balloons dead two seriously injured and practically every one of the 24 others in the race bruised.

The three balloons that rode out the storm, the W. W. J. American Business Club of Akron and Army No. 1, landed yesterday in Virginia. All three will be entered in the Detroit Tourney, race officials here believe. Distance must be checked before the actual winner is known.

Succeeds Each

Patrick Joseph Farrell, nominated for the Interstate Commerce Commission to succeed John J. Each, opposed by numerous Southern senators because of his vote on coal rates from the South to the Northwest.

SEVILLE FLIERS SHATTER LONG FLIGHT RECORD

Two Spaniards Forced Down Yesterday After Covering 3,911 miles

Karachi, India, June 1.—(AP)—The Spanish airplane Jesus Del Gran Poder attempting to break the distance flight record came down yesterday at Nai Criyah near Ur of the Chaldees.

Captains Ignacio Jimenez and Francisco Iglesias made a forced landing. Nasiriyah, in Mesopotamia, is approximately 3,000 miles from Seville, from which point they started on at noon Tuesday.

Seville, Spain, dispatches last night credited the two fliers with having beaten the long distance flight record set by Clarence Chamberlin and Charles A. Levine at 3,911 miles on their flight. A radio message was received at the Tablada airfield, Seville, saying the fliers had reached Nasirabad, capital of the district of Ajmere, British India. Nasirabad is approximately 4,500 miles east of Seville and was some 500 miles beyond the fliers goal, Karachi. After an English radio message was received at the airfield confirming the first one.

Seville and Spain immediately began to celebrate what was considered to be a record breaking feat.

Dismisses Suit. Cleveland, June 1.—(AP)—Judge Willie Stephenson today dismissed a suit brought against the Good-year Tire and Rubber Company by Kent P. Johnson, of Kenton, Ohio, which sought to invalidate a transfer of stock amounting to \$16,000,000.

Two Men Killed In Explosion At Big Acid Plant

Kearney, N. J., June 1.—(AP)—At least two men were killed and a score injured in an explosion of acid today at the duPont Viscolac Company plant in Deforest avenue. The bodies of the two men were recovered from the ruins by the police and firemen who, protected by gas masks, began the search a few minutes after the blast had occurred.

About a score of girls, employed in departments near the scene of the explosion, were treated at the plant's emergency hospital for shock. The cause of the blast was not determined. The acid home a two-story brick structure about 100 by 200 feet, was demolished, its roof being blown off and the walls collapsing.

CHANG TSO-LIN TO EVACUATE PEKING TODAY

All Powers of Peking Concentrated For Defense of Concessions.

Tokyo, June 1.—(AP)—A dispatch to Reigo, the official Japanese news agency, from Peking, says Marshal Chang Tso-Lin has informed the representatives of the powers that he is evacuating Peking shortly.

Peking, June 1.—(AP)—The families of prominent Manchurian officials are beginning an exodus from Peking. Four special trains left the northern capital for Mukden last night and another four went out today. An officer of the Japanese legation today stated that all the powers in Peking are cooperating for the defense of the concessions with a view to holding a line of defense near the boundaries. If a disorderly mob should advance toward the concessions, the foreign troops may go out further to meet them and to establish a defense line.

There are approximately 12,000 foreign troops in Peking, Japan having 5,000, the United States 3,700, Great Britain, 1,500, France 1,000 and Italy 389.

Peking, June 1.—(AP)—At an impressive gathering in the Presidential palace at 3:30 this afternoon Marshal Chang Tso-Lin addressed the diplomatic corps. He intimated that he was remaining in Peking, pending the outcome of a decisive battle which he expected to be waged at Lulihlo, 35 miles to the southwest.

Chang recounted his efforts since he took over the reins of government at Peking seventeen months ago to maintain peace and protect foreigners. He gave assurances that he was arranging such protection and would continue to do so in the immediate future, regardless of his personal whereabouts.

Wisconsin Jubilant Over Coming of Pres. Coolidge

Superior, Wis., June 1.—(AP)—A jubilant Wisconsin hummed today with eager preparations for a President's vacation.

So far as the vacation itself was concerned there remained nothing to do, for nature dresses most attractively in the Brule river country always. The forests of Jack Pine, the wild life, the crocotalear waters are there. Trout flash in the streams, while an occasional deer flits between the trees.

These things are ready for President Coolidge at the Cedar Island lodge of the late Henry Clay Pierce New York and St. Louis financier. There are, however, a myriad of details of communication and transportation to be worked out in the fortnight remaining before the President plans to arrive. When these arrangements are complete, the little island will be equipped as a place where the President not only may have every opportunity for rest, but also facilities for keeping a constant finger on the pulse of a nation.

Meeting with Irvine L. Linroot, former United States Senator from Wisconsin, a committee of eleven headed by J. T. Murphy, Superior publisher, last night went over complete plans to make the President's stay convenient and satisfying. The executive headquarters of the nation is expected to be established in the Superior, Wis., Central High school from the time of the President's anticipated arrival on June 13 to his departure early in September. President and Mrs. Coolidge's entourage will include 14 house servants, ten secret service men, Everett Sanders, the President's secretary and 60 soldiers to serve as guards. The President probably will drive daily, excepting Sundays, between Superior and the lodge, a distance of about 40 miles. It is probable, said Mr. Lenroot that the President will attend church services at Lake Mebagamon Congregational church, 10 miles from the estate of the late Henry Clay Pierce, the President's White House choice. The President told Mr. Lenroot that he desired a place within easy reach of all facilities, including rail water, telegraph and telephone. A naval yacht will lie at anchor in the Duluth Superior harbor during the President's stay Mr. Linroot said.

STILL SEARCH FOR ITALIA IN FROZEN NORTH

Four Men On Foot Proceeding to Region Where Ship Is Believed Landed.

Kings Bay, June 1.—(AP)—While at least a half dozen air expeditions were being organized in Europe today to search for the missing dirigible Italia, five men were slowly making their way by foot in an effort to reach the lonely region where the Italia is thought to have come down.

Paul Bremer, a Spitzbergen hunter, and four Italian Alpinists were proceeding along Red Bay, in northern Spitzbergen, and along Liefde Bay near Amsterdam Island, and will try to go east over the glaciers to reach the most easterly winter house on Mosel Bay. If the Italia landed or crashed over land it is thought at Kings Bay that she will be found on north east land, a large desolate island northeast of West Spitzbergen. The plane, Hobby, which is expected at Spitzbergen on Sunday, will search for open water near the land on the north coast so that it can press forward toward the east and will also search for the Italia's crew in the winter houses on northeast land.

Moscow, June 1.—(AP)—The ship Perseus has been instructed to search for the missing airship in the region between Novaya Zemla, Franz Josef Land and Spitzbergen. In the meantime another exploring expedition is continuing to search along the northern coast of Russia.

The foreign ministry proposed to Sweden, Norway and Japan that they co-operate with the various messengers being dispatched by the Soviet.

An Exchange telegraph dispatch from Copenhagen said that Lincoln Ellsworth, of New York, was financing an independent expedition to hunt for the Italia. The searching party will be headed by Roald Amundsen, who with Egeberg and Nobile flew across the north pole in 1926 in the dirigible Norge. The enterprise was expected to start in about 10 days and preparations were already under way. Lieut. Dietrichsen, who was to have joined the Antarctic expedition of Commander Richard E. Byrd shortly, will be a member of the Ellsworth expedition and will try to obtain a Dornier plane for it at Friedrichshafen, Germany.

Rome, June 1.—(AP)—The Italian hydro-airplane S-55, completely equipped for an extensive trip, will leave Milan Monday for Spitzbergen to help in the search now going on for the missing dirigible Italia. The plane will be piloted by Major Maddalena with Lieut. Cagnas as auxiliary pilot. Two mechanics will be taken along. Major Maddalena is one of the best pilots in the Italian hydro-airplane force. The plane will be under the orders of Captain Romagna, commander of the base ship Citta Di Milano which is not at Kings Bay.

New York, June 1.—(AP)—Lincoln Ellsworth, who flew over the north pole with Roald Amundsen, and General Umberto Nobile, in the dirigible Norge in 1926, today said he had cabled Amundsen asking what he could do to aid in the search for the missing dirigible Italia. He denied he planned to finance a search expedition as announced at Oslo by Lieut. Dietrichsen, Norwegian flyer.

Seven Killed When Street Cars Crash At Danville, Ill.

Danville, Ill., June 1.—(AP)—Two interurban cars of the Illinois traction system crashed head on near Fithian, seven miles west of here last yesterday, killing seven persons. Five were probably fatally hurt and 15 others were injured less seriously.

Failure of airbrakes of the east-bound limited, which was to have taken a siding to let the westbound local pass, was blamed for the accident.

Wake Forest Class. Wake Forest, June 1.—(AP)—Commencement exercises at Wake Forest college came to a close today with the conferring of diplomas to 134 members of the senior class.

ROCKY MOUNT AGAIN DROPS DOUBLE BILL

Continuing their winning streak "Deacon" Joliff's Tobacconists yesterday afternoon won both games of a double header from Rocky Mount at the fair grounds here by the scores of 2 to 0 and 5 to 0. It was the sixth straight victory of the week, Wilmington furnishing the first two in the opening series Monday and Tuesday and Rocky Mount the last four, two of which were nightcaps of a double header.

In the first game yesterday Allen for the locals, was opposed by Krider. Both pitched effectively and furnished local fans with one of the best mound duels seen here this season. Culloty and Mattox accepted several difficult chances and enabled the Tobacconists to hold the lead which they gained in the sixth and seventh innings.

Dudley, hurling masterful ball for the locals in the final game, allowed the visitors but six hits. Stafford allowed six hits, which, well bunched, resulted in the Joliffians sending five runners over the rubber. Boss McMillan returned with the stick for the visitors, securing the only two bingles credited to his club.

The fielding of Daniels for Greenville was of an exceptionally brilliant nature, especially in the nightcap. He made running catches at several chances that apparently were labeled for hits.

As result of these six victories in a row the Tobacconists today found themselves with five hundred per cent in their credit in the standing of clubs column and only two and a half games from Fayetteville who is leading the league.

The Tobacconists left this morning for Fayetteville for a three game series. The first two games will take place this afternoon and the last tomorrow. "Deacon" Joliff left confident of anchoring at least two out of three, although the fight promises to be the outstanding of the season by reason of the crucial test for supremacy of the league.

Pyle to Promote Foot Race in N. Y.

New York, June 1—(AP)—C. C. Pyle, who will promote most anything, gives New York something new tonight—a 26 hour team running race with some of his transcontinental foot racers as the competitors.

The race is scheduled to start at Madison Square Garden at 9 P. M. and close at 11 o'clock Saturday night. The make up of the teams has not been announced but Pyle says some of those who finished well up in the standings on the cross country grind will be entered.

The promoter, incidentally, reiterates that Andrew Payne, of Claremore, Okla., and the other nine runners in the money on the Los Angeles to New York jaunt will receive their share of the \$48,500 prize money at eight o'clock tonight.

The reiteration was made necessary when the prize money which Pyle had promised would be in Tex Rickard's hands yesterday afternoon failed to materialize. The promoter explained that there had been some delay in getting authorization from a mid-western bank.

LIGHTWEIGHTS FIGHT IN NEW YORK TONIGHT

New York, June 1—(AP)—Weather permitting Tommy Loughran will put his light heavyweight crown on his head at Ebbets field tonight and let Pete Latzo, Scranton coal miner try to knock it off in 15 rounds. The battle originally was scheduled for Wednesday but rain knocked those plans into a cocked hat.

Forced to weigh in a gain today Loughran and Latzo went back to their training stunts yesterday in an effort to keep down to the class limit if 175 pounds.

What little betting there was came on a 3 to 1 basis with the champion the favorite.

Asheville Vies With Macon for First Position

(By The Associated Press) Asheville and Macon took the field today, each full of determination to win the game, with no less a prize than first place in the South Atlantic Association at stake.

The Peaches whittled the Tourist lead down to one game yesterday, winning a hard fought game, 4 to 3. Stuffy McCrone did most of the whittling, his homer, double and single driving in three of the winning markers.

Niehaus, the Southern Association veteran, lasted the route for the Peaches and allowed the Skylanders eight hits while his mates got next to Smythe for eleven.

Heavy stick work, bunched in the big innings, resulted in Asheville's victory. Each team used two hurlers but the Tiger flingers were a little more effective.

Home runs by worth and Clark were largely responsible for Columbia's 4 to 2 victory over Knoxville. The Smokes outdid the Comer but had eleven men stranded on bases, fine work by the winning infield cutting off scores.

Charlotte pushed across runs in the early innings to win from Spartanburg 5 to 1. Wical sent the Spartans down with a quartet of bingles.

Patriots Licked By Winston Salem

(By The Associated Press) There was considerable "static" in the Piedmont league menue yesterday. Counts marked up by clubs made but little difference in preferences, although the Greensboro Patriots cut by ten when they divided a double bill with Winston-Salem. The Patriots clinched the initial mixup 4 to 1 and dropped the night cap 5 to 3.

The High Pointers strengthened their hold on second berth with a win from Salisbury, 11 to 9 and Winston-Salem continued in third position with a wide margin over the second division detachments.

In the second division Salisbury clung to fourth place and Raleigh climbed further upon the Bull's shoulders by snatching a hard fought skirmish 7 to 6.

Track Stars At Chicago Contest

Chicago, June 1—(AP)—Eight hundred track and field stars from 182 high schools and academies in 24 widely scattered states massed today for an assault on records, championships and for an opportunity to qualify for America's Olympic team at the University of Chicago's 24th annual interscholastic outdoor meet on Stagg field.

Preliminaries comprised today's program for two divisions, high schools and academies, with the finals billed for tomorrow.

Three teams were outstanding favorites to win the national championship. These were Detroit Northeastern, the 1924 champion, Fort Collins, Colorado, 1927 runner up and twice winner of former meets and Central high of Columbus, Ohio.

PITTSBURGH WINS OVER SAINT LOUIS

(By The Associated Press) The Pittsburgh Pirates, National League champions last year, have checked their losing streak at least temporarily.

With their infield still a makeshift affair, the floundering Corsairs, harassed at every turn, pulled themselves together at Forbes Field yesterday and nosed out the St. Louis Cardinals 3 to 2. That victory checked the Pirates run of defeats at six in a row and sent the Cards into fourth place in the standings.

George Sles hit his first National League home run as the Braves made it four in a row from the down-trodden Phillies, 9 to 4. All told, Sles contributed three of the Braves 13 hits off three Phil hurlers.

The news along the American League front was much as usual. The New York Yanks shut out the Washington Senators 4 to 0. Babe Ruth got his 19th homer of the season.

Cleveland took its third straight beating from the oncoming Detroit Tigers 9 to 4.

The St. Louis Browns and Chicago White Sox ended all square after a double header at St. Louis. Lyons held the Browns to seven scattered hits in the first set-to, the Sox galloping away with an easy 7 to 2 victory. Schulte's homer in the tenth gave the Browns an even break on the day 2 to 1. Home runs by Manion and Clancy gave each team a run in the third. The Cincinnati Reds turned in a victory but it didn't get into the standings. The National League leaders scored seven runs in the eighth and three more in the ninth to gain a 10 to 2 verdict over Buffalo of the International League.

same stage of the season. Homer No. 19—A high fly that dropped just inside the right field barrier—was propelled at the Yankee stadium yesterday with Hadley of Washington as the victim. The dive put Ruth ten games and 12 days ahead of his 1927 pace when he hit sixty for a new record. He did not smash his 19th homer last year until June 11 and his 52nd game. Yesterday was his 42nd contest of the season.

Fast Games In East Carolina

(By The Associated Press) Fayetteville found little difficulty in pounding out a 9 to 1 victory over the Wilmington Pirates yesterday to increase their margin of leadership in the Eastern Carolina league. Though suffering a setback the Pirates continued to hold the third berth.

By bunching hits in the seventh inning for three runs, the Goldbugs took the contest from Kinston 4 to 2 and strengthened their hold on second position.

Snatching a double bill for the second successive day from Rocky Mount rocketed Greenville up to the 500 class. The Tobacconists blanked the visitors in both affairs accepting the first 2 to 0 and the night cap 5 to 0.

Sitting in a cramped position is immediately tiring. A sagging bed curves the spine the same way—prevents restful comfort.

When you sleep on a Rome De Luxe bedspring the spine is straight and natural; the body is fully relaxed.

MANY sagging beds seem comfortable because of long use. But actually the body is forced into strained, tiring positions. Most people sleep this way, never realizing the harmful results of the unnatural position they have become accustomed to.

Enjoy this new deep sleep right now. We will gladly bring a Rome De Luxe bedspring to your home for a trial. Phone us today for details, and let us give you a copy of Dr. Royal S. Copeland's interesting booklet, "How Better Sleep Builds Better Health."

Program Announcement.

If you want to see something unusual in Western photoplays, don't fail to see Hoot Gibson, Universal's well known cowboy star, in "The Wild West Show," which is to be the feature attraction at White's Theatre Saturday.

It's a circus from beginning to end, with Hoot appearing in the role of Rodeo Bill, star cowpuncher of the country, and the complications he gets into surpass all he has ever previously experienced. He's the whole show with an extra "side-show" thrown in by the other members of the cast.

To begin at the beginning, he takes a gang of his cowboy cronies to a small town circus and because the performers don't come up to expectations they start a riot. The noise frightens the horses hauling a stage coach used in the show and the leading lady is carried away in one of the most breath taking dashes ever screened.

Rodeo Bill and his gang go in pursuit and finally rescue the girl. Bill discovers he is in love with her. He hires out to work in the circus as a general handy man and as the villain doesn't like him he is forced to undergo many humiliations. To cap the climax, Bill is the victim of a frame-up carried out by the orders of the bad man.

The villain has his confederates rob the owner of the circus and plant the money so Bill will be the

suspect. However, the heroine who is the daughter of the owner, overhears the plot and helps Bill to elude arrest, when suspicion falls on him.

How it all ends happily is told in thrilling fashion by Hoot and his supporting cast.

Master Billy Alford Entertains. Master Billy Alford delightfully entertained about thirty of his little friends on Monday, at his home on Summit street, in honor of his fourth birthday.

After playing several games, they were served with ice cream and cake.

He was the recipient of a number of beautiful and useful gifts.

U. D. C. Meets. On Thursday afternoon the George B. Singletary Chapter U. D. C., held a most delightful meeting with Mrs. Richard Williams as hostess.

Mrs. Frederick Jones, the president, brought several items of business before the chapter. A letter from Washington and Lee University School of Journalism was read acknowledging receipt of a check to the school. Invitation from the J. E. B. Stuart Chapter at Fayetteville, to attend the marking of the site of the Confederate arsenal was read. The local work of the chapter for near future will be placing portraits in the schools to replace some that were burned. The N. C. Division is concentrating on the memorial chapel at the Confederate Women's Home at Fayetteville and to this end the chapter hopes to sponsor one of the Yale historical films during the month of June.

Mrs. J. S. Willard was graciously received as a new member. Mrs. Delia Marshall McGee was welcomed home after a long residence in another city.

The hostess, assisted by Mrs. Bruce Warren and Miss Hennie Long, served a delicious ice course.

TRUSTEES OF COLLEGE MEET

Announce Change in Members of Faculty For The Coming Session.

The board of trustees of East Carolina Teachers College met in Greenville today in regular session. Most of the day was taken up with routine business. President R. H. Wright made his annual report to the board.

The president's report showed an enrollment during the past year of 1479 students. During the past year the college has graduated 259 students.

The following resignations have been accepted for the coming year: Misses Bonnie Howard, Ruth Town send, Willie M. Bomar and Annie Redwine. Miss Ruth Bonnewitz of the industrial arts department has been granted a leave of absence for the coming year.

The following additions have been made to the faculty for the coming year: Miss Mary W. Peterson, teacher of Geography; Miss Ella Graves Thompson, a former teacher of Meredith College, will teach Latin for the coming year; Miss Catherine Cassidy, Science; Dr. Herbert Rebarber, now professor of mathematics in Peabody College practice school, will be head of the department of mathematics for the coming year. Miss Eunice McGee will teach third grade in the practice school, Miss Lucy Nulton second grade and Miss Eugenia Thomas, public school music. Miss Mary Grace Wilson will be assistant dean of women.

Dr. Wright recommended to the board of trustees that they appoint a committee to look into the advisability of running a summer school at the seashore either at Beaufort or Morehead City. This recommendation was adopted and the salaries and policies committee was instructed to look further into the matter.

The regular commencement exercises of the college will begin on Friday night of this week and run through next Monday.

A Pullman Custom Built Suite

A Living Room Furnished in Good Taste

Beautiful clothes, beautiful cars and, above all, beautiful homes are significant of the modern quest for keener enjoyment of life. There is a luxurious feeling of satisfaction in having one's living room furnished fashionably, beautifully and in smart good taste with a suite like this. Not expensive either, when quality is considered.

To the People of Pitt County:

I greatly appreciated the vote given me for Judge of the County Court four years ago, and I shall again be a candidate in the Democratic Primary on Saturday, June 2, 1928.

I am not a politician and I do not represent any faction. I do not ask for this office for personal profit, but in order to render service for the public good. To help make Pitt County a better place in which to live is my ambition.

If I am nominated and elected to this office, it shall be my purpose to give everyone a square deal and to administer justice with equality, fairness and impartiality to all according to law and the dictates of an honest conscience.

Assuring you that your support would be most sincerely appreciated, I am Yours to serve,

Local Committee Aids Patient At State Sanatorium

Members of the local Tuberculosis Christmas seal committee today received a letter from the North Carolina Sanatorium, telling of the progress of a patient from this community, receiving aid through funds derived from the sales of Tuberculosis seals in Pitt county. The letter is reprinted so that the public may know how the money is being spent. Mrs. E. B. Ailsbrook is chairman of the health department of the Woman's Club.

Mrs. T. A. Person, Treasurer, Tuberculosis Funds, Greenville, N. C. Dear Mrs. Person:

Your recent letter inquiring about little Kathleen Hammond and enclosing check for \$32.70 for her account is to hand.

I am glad to report that she has been getting along nicely since her admission. She has gained seven pounds in weight and is gradually improving. We think she has a very good chance of eventually getting well. She will probably need to be in the Sanatorium some months yet.

With sincere appreciation of your interest in the tuberculosis people of your community, I am Yours very truly, P. P. McCAIN, Supt.

ABOUT TOWN

Entered at the Post Office at Greenville, N. C., as second class mail matter. Member of the Associated Press The Associated Press is exclusively entitled to use for publication of all news dispatches...

BE SURE TO VOTE Tomorrow is the time for the Democratic primaries and all good and true Democrats should exercise their privilege and duty of going to the polls and expressing their wishes as to candidates for the various offices.

A GOOD INVESTMENT Again we urge you to donate to the fund being raised in order that the kids of the town might get free tickets to the baseball games. Only about one-fourth of the necessary \$115 has been raised so far...

THANKS GOVERNOR SHOULD APPOINT Next Saturday the Democratic voters of the State will be called upon to nominate a candidate for the office of commissioner of Labor and printing, and not one voter will know anything about the duties of the office...

PRAYER FOR JUDGMENT IN MANSLAUGHTER CASE Rocky Mount, N. C., June 1—(AP)—Prayer for judgment will be continued for one year in the case of W. D. Blissett who yesterday pleaded guilty to involuntary manslaughter in connection with the slaying of Luther Williford.

"Now, what have you to say about the old ball team?" queried a loyal fan today, as he gave a detailed description of the sixth straight victory of the Tobaccoists yesterday.

"Didn't I tell you they had it in 'em? I knew all the time they were in a slump and only needed a start to show the public what they had in them."

With this off his mind, the loquacious one spat at an unimagined target on the sidewalk, tucked his hands in his pockets and marched off down Main street like he owned the world and had an option on the next.

"We had a good time with the 4-H club boys and girls at Camp Leach yesterday," declared members of the local Rotary club, following their return from encampment of the Pitt county boys and girls on Pamlico Sound, below Washington.

"That is a wonderful news service," remarked a reader of the Reflector as he stood in the front office and watched the leased wire typewriters ticking off news from all sections of the world.

"This is the first time I ever had the opportunity of watching one of the machines in operation. To tell the truth, I didn't have the slightest idea how you got all the news, but I knew there was some rapid service by reason of the timely service the paper gives us."

"With numbers threatening to forget party ties, America today is in the grip of a 'vote for the man' slogan that promises to gain greater momentum as the national election draws nearer," declared a local citizen today.

"The party is not for putting out a losing candidate any more than the Republicans are, and the convention vote will be an expression of the popular sentiment of the party."

"It is to be hoped members of both parties get straightened out before the election and that they may go to the polls and vote their conviction regardless of personalities and party allegiance."

Market Report Cotton--Stocks--Grain

NEW YORK COTTON

The cotton market was rather quiet today although there was a brief spurt of activity after the start and again after mid-session. Following an early decline of 15 to 17 points on a bearish Texas crop summary, the market rallied in the afternoon trading on buying promoted by rains in Oklahoma, July trading to 20.35 and October and December to 20.15 or 18 points up from the highest and 1 to 2 points above the previous close.

Exports for the day totaled 24,233 bales for week 121,657 bales.

Futures closed firm, unchanged to 6 points higher; spot steady, middling 21.05.

GRAIN MARKET

Chicago, June 1.—(AP)—Higher prices current today for wheat appeared to indicate that bearish aspects of monthly private crop exports for June had been discounted in advance. An average of the various forecasts today pointed to 47,000,000 bushels greater production of domestic winter wheat than was suggested by the government revised figures in May.

Wheat close firm: 1-1/2 to 2-1/4 cents net higher; corn 1-8 to 5-8 up. Oats varied from 3-8 cent decline to 1-8 cents advance and provisions 10c off to 5c up.

STOCK MARKET

New York, June 1.—(AP)—Profiting sales and sporadic short selling interrupted but failed to check completely the resumption of the upward price movement in today's stock market. Extreme gains of 1 to nearly 10 1-2 points in the morning trading were cut down, and in a few cases converted into losses, but the wave of selling which swept through the market at mid-day, but prices headed upward again in the early afternoon.

Mid-day selling may have been influenced by the calling of about \$10,000,000 in loans to strengthen bank reserves for the weekend statements. Out of town funds continued to pour into the market and call money was in plentiful supply at the renewal figure of 3 per cent. With about half a billion dollars to be disbursed in dividend and interest payments this month, operators for the advance counted on a large investment demand for stocks.

Radio was again the spectacular feature. The stock ran up to 219 in the morning, dipped to 214 3-4 in the noon recession and then shot to a new high record at 221 3-4.

an extreme rise of 8 1-4 points. Case Threshing ran up 9 points to 324 1-4. To 318 1-4 and Manhattan Electrical Supply climbed 7 1/2 points to a new high record at 65. Midland Steel Products preferred, White Motors, Fox Film, Montgomery-Ward, International Nickel and Standard Milling sold 4 to 8 1-2 points above yesterday's close.

Renewed weakness cropped out in Freport, Texas, which sagged four points to a new 1928 low at 63 1-2. Wright Aeronautical fell from 181 to 714 and Postum, American International and Dodge Bros. preferred, sold 2 to 3 points below yesterday's final quotations. Chrysler, General Motors and Studebaker also yielded ground readily when selling pressure was applied.

Despite the disappointing freight traffic reports of the last few months, a brisk inquiry developed for the rails on buying influenced by the belief that the last half of the year will make a more favorable comparison with the corresponding periods of the last two years than the first six months. Texas & Pacific scored an extreme gain of 10 1-2 points, Canadian Pacific ran up nearly 4 and St. Louis Southwestern, Texas & Pacific and Western Maryland sold 2 or more points higher.

The close was heavy. Total sales approximated 3,500,000 shares.

Mrs. J. B. Spilman

To the Voters of Pitt County:

Having been a resident of this county for more than thirty years I am taking this liberty to request my friends of Pitt County to give careful consideration to the candidacy of my brother Richard T. Fountain, of Rocky Mount, for the office of Lieutenant Governor. R. T. "Dick" Fountain has for many years served his community and state in public offices and his record is one of achievement. His work as Judge of Recorder's Court, as Representative of his county in the General Assembly, as Speaker of the House of Representatives and work on various important committees has well qualified him for the office he now seeks and if elected I am sure he will fill the said office with honor.

Your support and vote in the Democratic Primary to be held Saturday June 2 will be greatly appreciated by my brother as well as myself.

Thanking you in advance for your support, I am

ROTES VISIT 4-H CLUBS AT ENCAMPMENT

Trip to Camp Leach Made Last Night Under Favorable Circumstances.

Members of the Greenville Rotary Club journeyed down to Camp Leach last night to visit members of the 4-H clubs of Pitt county who have been in annual encampment there since the first of the week. The trip was made by fifteen members of the club, who reported a splendid time and much entertainment at the hands of eighty odd boys and girls representing the various county clubs.

The Rotes left Greenville at six o'clock arriving at the Pamlico encampment about seven o'clock. Supper was served shortly after arrival, and for one time in their lives they had an opportunity of seeing what Pitt county girls are able to do in the way of providing appetizing menus.

After supper the guests were invited into the recreation hall where the boys and girls rendered several popular song selections. Each group put on stunts that provoked considerable merriment on the part of their guests.

Oratorical effort was marked by brevity for an occasion of this kind and only Sam White, Haywood Dall, Jasper Winslow and June Rose had an opportunity of extolling the efforts of the boys and girls to make farm and home life of the county more desirable.

Mr. White, who is chairman of the Pitt county board of commissioners, told his young hearers that they were behind the movement and expressed belief that the future held forth greater opportunities than ever before for continued development along this line.

Mr. Dall talked about the county fair and the part which the club members did toward its success. He said Pitt county club boys and girls ranked one point higher from standpoint of exhibits than any other county of the state. He encouraged greater activities in this line and urged more exhibits at the next attraction.

Jasper Winslow and June Rose expressed appreciation of the efforts of the clubs and told them to strive for greater achievements in the days to come.

The encampment will come to a close tomorrow and the members will return to their respective homes throughout the country. The Rotarians were told that the few days spent on the Pamlico had resulted in helpful discussions for the youngsters, and that the future should witness greater development in their line of endeavor.

STRAWN TO ADDRESS STATE BAR MEMBERS

Charlotte, June 1.—(AP)—Sias H. Strawn, president of the American Bar Association, and Dr. Edmond M. Morgan, of the Harvard law school, will address the 30th annual convention of the North Carolina Bar Association at Asheville, June 28 to 30, according to programs received here today.

The convention will be held at Grove Park Inn. Mark W. Brown, president of the North Carolina Association, will preside. O. Max Gardner, Democratic nominee for Governor, will respond to the address of welcome.

ALL SET FOR PITT PRIMARY

The Principal Interest Centers On Race for Judgeship of County Court.

Candidates were making final rounds of their constituents today preparatory to the county primary tomorrow. Interest in the election has been gaining right much impetus in the last few days, especially in the race of the judgeship of Pitt county court where three candidates are out for the office at present occupied by W. A. Darden.

The race for solicitorship of the

county court promised much interest two or three months ago but the withdrawal of all opposition left Bill Tyson with a clear field.

The board of county commissioners promises to be filled with entirely new faces, there being nine candidates out for honors. Only one former member, Paul Davenport, is running for re-election.

An unusually large vote is expected owing to the increased interest on the part of women in various parts of the county.

Only minor interest centers about the state ticket to be voted for tomorrow. The only contest is in the office of the Lieutenant Governor and the office of Labor and Printing. The county and state tickets follow, with the exception of those who have already been certified: For Judge Pitt County Court, W. L. Wheabee, S. T. Carson and James L. Evans.

For County Commissioners, F. M. Wooten, M. W. Smith, W. C. Faucett, P. L. Stone, J. P. Davenport, L. A. Thigpen, R. H. Mc-

Lawhorn, A. C. Jackson, W. S. Mills. Highway Advisory Commission, J. H. Allen and J. G. Taylor. For Lieutenant Governor, W. H. S. Burgwyn, J. D. Langston, R. T. Fountain. Commissioner Labor & Printing, M. L. Shipman, Frank D. Grist, and Oscar G. Peterson.

Textbook Commission Meets. Raleigh, June 1.—(AP)—Members of the state high school textbook commission, recently named by the board of education to examine the list of textbooks used in high schools with a view to choosing a multiple list to be submitted to the 100 counties of the state, were called to meet here today for organization. Members are Ray Armstrong, Goldsboro; Miss Kate Finley, Rockingham; Leon R. Meadows, Greenville; Clyde A. Erwin, Rutherfordton; and J. Watson Moore, Winston-Salem.

DESPONDENT MAN SUICIDE

Garland Alderman of High Point Takes His Life Because of Ill Health.

High Point, June 1.—(AP)—M. Garland Alderman, 33, committed suicide here shortly before 3 o'clock this morning by shooting himself with a revolver. Ill health of long standing was the generally accepted theory of the cause. His wife was with him when he shot himself.

Several years ago he was injured

in an automobile accident that affected his spine near the base of the brain. Since then he has suffered severe headaches.

Alderman was active head of a commercial photography business here. He was a son of Mr. and Mrs. Sidney L. Alderman, of Sedgewick and Greensboro. His mother was a daughter of the late Miles O. Sherrill, former state librarian. His grandfather was the late Prof. W. F. Alderman, of the faculty of Greensboro College for Women.

Sidney S. Alderman, of Greensboro, a brother, and Mrs. Sidney Gayle and Mrs. E. L. Stamey, Jr., and his parents survive. Col. C. O. Sherrill, former military custodian of the house grounds and parks of the city and now city manager of Cincinnati, is an uncle. Dr. J. G.

Sherrill, of Louisville, Ky.; C. M. Sherrill, of Milwaukee; and E. G. Sherrill, of Greensboro, are uncles. Miss Mary Sherrill, a member of the Holcombe College faculty in South Hadley, Mass.; Mrs. Charles H. Ireland, Mrs. J. Norman Willis, and Mrs. R. T. Willis, of Greensboro, are aunts.

Five years ago Mr. Alderman married Miss Florence Adams, daughter of Mr. and Mrs. B. B. Adams, of Four Oaks, N. C. He was an alumnus of Trinity College, now Duke University, and a veteran of the World War. For several years after the war he was commander of the High Point company of the national guard.

The funeral will be held here Saturday afternoon at 2:30 o'clock

at his residence. Internment will be made in the family plot at Greensboro.

LINDY OFF AGAIN. Long Beach, Calif., June 1.—(AP)—Again displaying his fondness for disregarding previously arranged plans and for avoiding newspapermen, Col. Charles A. Lindbergh stole away from the municipal airport here at 5:10 a. m. today in his Ryan monoplane. He headed, presumably for San Francisco.

We call for your car and deliver same when washed. Blue Bird Filling Station, Phone 107.
