## WHARTON HELD FOR ROBBERY OF U. S. MAIL

### Former Congressman and Attorney Indicted in the Evergreen Train Robbery Case.

Chicago, June 2.—(AP)—Charles S. Wharton, who, as a former congressman helped make laws and as a former assistant state's attorney helped enforce them, has been indicted with six others on charges of robbing the United States mail. The indictment, which came from the federal grand jury yesterday, is the result of investigation into the \$133,000 train robbery at Evergreen Park, a suburb, last February. Thirty government agents have been engaged in building the case against the men under indictment.

They are, besides Wharton: Charles (Limpy) Cleaver, alleged leader; William Donovan, Frank Meola, Lawrence O'Brien, Virgil Latsinger and John Flannery. The latter two are at large.

Wharton, who is one of the city's well known criminal lawyers, was expected to surrender today. Bond already has been fixed at \$10,000 for him and \$100,000 for the others.

The indictment charges that Wharton and his wife were away from their home on February 25, the purpose, according to the government, being to leave the Wharton home free for the train robbers to use for dividing their loot. It is further charged that immediately following the robbery, the defendants, with the exception of Wharton, drove to the Wharton home, distributed the proceeds of the holdup, and remained there until midnight.

Cleaver, says the indictment, acting with consent of the others, left a package containing \$4,000 at the Wharton residence and later, by telephone, informed the attorney where the package could be found.

## Baseball Fund Mounts Slowly

Contributions to the children's baseball fund today had increased to \$32.50. The sum of \$150.00 is necessary to make it possible for children between the ages of 6 and 10 years to attend the remainder of the games this season.

Contributions should be made either to T. T. Hollingsworth or the Daily Reflector. The public is urged to contribute liberally so the entire amount may be raised as soon as possible.

## TWO NEGROES ARE LYNCHED

### Taken From Officers By Mob In Louisiana And Then Shot to Death.

Alexandria, La., June 2.—(AP)—Two negroes were taken from officers by a mob here last night and shot to death.

The negroes were Lee and Dave Blackman, whom the officers were taking from the jail at Leesville to Shreveport for safe keeping. The negroes were brothers of William Blackman, who killed Deputy Sheriff J. Frank Phillips near Long Leaf, three weeks ago.

Phillips had come to the negro's house to arrest him on a charge of violating the prohibition law. The negro fatally shot the deputy who before he died, killed the negro.

Lee and Blackman were arrested in connection with the affair and started with them when the mob appeared from Boyce, overpowered the officers and shot the negroes.

## Mrs. Alex Simonds Died Early Today

Mrs. Alex Simonds died at her home near Bethel this morning at two o'clock, following an illness of six weeks of enlarged heart.

Funeral services will be conducted from her late residence Sunday afternoon at three o'clock by her pastor, Rev. W. T. Phipps, assisted by Rev. W. S. Rogers.

Mrs. Simonds was 65 years old and a native of the Bethel community.

She was the mother of twelve children, all of whom survive except one: W. I. Simonds, Mrs. J. C. Dunn, Suffolk, Va.; Mrs. Roland Anderson, Aysen; Henry, James, Alton, Elliott, Ebb, Simonds, Mrs. E. A. Nelson, Mrs. Bert Dunn, Mrs. J. W. Wilkins, Bethel. She is also survived by her husband and a half-brother, J. J. Carson, of Bethel.

## MEMORIAL SERVICES AT DUKE FINAL

Durham, June 2.—(AP)—A memorial service in honor of the late Samuel F. Mordecai, dean of the Duke university law school will be held Sunday to mark the opening of Duke university 76th commencement.

J. P. Frizzelle, of Snow Hill, S. C. president of the alumni association of the Duke law school, will preside over the services and make an address. Dr. A. C. McIntosh, of the university of North Carolina law school, who formerly taught at Duke and was long a colleague of dean Mordecai, will also make an address.

## Few Women Delegates to Republican Convention

Washington, June 2.—(AP)—The women of America, constituting 49 per cent of the eligible electorate, will be represented at the 1928 Republican convention by less than 6 per cent of the delegates. Final returns from all states except West Virginia show a total of 64 Republican women delegates, in a total of 1,089 as compared to 120 with 11 votes, at Cleveland 4 years ago.

Women alternates this year will number 239, exclusive of West Virginia, as compared to 2798, 1924. This brings the number of women who will have seats in the convention hall up to 303, or about 15 per cent of the total representation. Four years ago 399 women were delegates or alternates.

Although several states have certified a large number of women as alternates, Missouri having an almost wholly feminine alternate women delegates, and five states of Columbia will send no women at all, either delegates or alternates. This last fact does not represent a change numerically since 1924, as

## WALL STREET NOT SOLD ON HERB HOOVER

### Lewis Strauss Tells Senate Committee of Sentiment in High Finance.

New York, June 2.—(AP)—The general sentiment in Wall Street is against the nomination of Herbert Hoover, Lewis F. Strauss of Kuhn, Loeb and Company, testified today before the senate Presidential campaign investigating committee.

STRAUSS, a former secretary to Hoover, made this statement when he was asked if his firm had made any contribution to the Hoover-for-President fund. While his own banking house gave no money, Strauss said he personally had raised around \$30,000 for the commerce secretary's campaign fund.

He said Julius Rosenwald, chairman of board of Sears, Roebuck and Company had contributed \$10,000; Henry L. Moses, a New York attorney, \$2,900 and V. E. Macy, of New York, \$2,000. Strauss told the committee he had sent some of the money to the Washington Hoover headquarters and that he still had some on hand. He was directed to furnish a complete list of contributions and expenditures.

John F. Harris, of Palm Beach, Fla., who described himself as a philanthropist, said he had contributed \$6,500 in the presidential campaign.

"This was made more for an instructed delegation from Florida," he said, "and also that Leonard Replogle might be known to the Republicans of Florida. My first purpose was not released nor my second. I am a delegate to the convention and I know I am instructed."

## HEAVY VOTING HERE TODAY

### Much Interest Manifested in Primary Battle in This City During Day.

Pitt county people went to the polls today to select a judge of county court, a board of commissioners and express their choice for a lieutenant governor and a commissioner of labor and printing.

Voting all through the morning hours in Greenville was decidedly lively and indications this afternoon pointed to a heavy vote.

It was a matter of impossibility to determine who was leading in the vote for judge of county court. The three contestants, W. L. Whedbee, S. T. Carson and J. L. Evans, were busy getting their followers lined up and declined to claim any distinct advantage.

While scattering reports were received from over the county tonight, it is hardly possible that full returns will be available before tomorrow morning, although sufficient information may be gained at a late hour tonight to determine the winner.

## SOUTHERN CROSS POINTS NOSE TOWARD AUSTRALIA

In the tri-motored monoplane Southern Cross, Capt. C. F. Kingsford-Smith, Charles T. Ulm, Capt. Harry W. Lyon, Jr., and James Warner yesterday arrived at Wheeler Field, Honolulu, Hawaii, after a hop from San Francisco on the first leg of their flight to Australia. Smith and Ulm, pilots; Lyon, navigator, and Warner, radio operator, are shown above from left to right.

## DENTISTS TO HAVE SCHOOL HERE IN JUNE

### Ten Weeks of Post-graduate Work to be Given Through University Extension.

Beginning Monday night, June 4 and on every Monday night thereafter for ten weeks, a post-graduate course in dentistry will be given in the Evans Street school here according to announcement from Malcolm G. Little, of the University Extension Division, who has made arrangements for the course in Greenville and four other cities of the state.

The five cities co-operating in having the course offered for dentists in their territory are Greenville, Raleigh, Greensboro, Winston-Salem and Charlotte. At the present time there is a total registration of 195 dentists among the five centers. In addition to these a number are expected to register for the course at the first lecture. The classes range in size from 23 to 45.

The lecturers will be members of the faculty of the Northwestern University Dental School, including Dean Arthur D. Black and Dr. Edward H. Hatton, head of the research and graduate department. Lectures will be given by ten different specialists.

The course is to be devoted primarily to the more important problems of oral surgery and crown and bridge work, but many related factors will be considered. "Virtually every type of mouth infection and disease is to be discussed, and the details of diagnosis and pathologic changes and treatment will be presented.

Dental service in its many relations to the general health will be a prominent feature throughout the course.

All of the facilities of the Northwestern Dental School will be available for illustrative purposes, including wax models and other specimens from the museum, especially prepared anatomic models of the head, face, jaws and so on.

## DR. WRIGHT IS HONORED

### Wake Forest College Bestows Degree of Doctor of Education On Local Educator.

Dr. Robert H. Wright has returned from Wake Forest college where he attended commencement yesterday. He was one of the college's guests of honor. It conferred upon him the honorary degree of D. E. (Doctor of Education). President Wright is one of the outstanding educators of the state and nation and this is a well deserved recognition of his accomplishments in the educational field.

## Presidential Sentiment Reflected In Primaries Over The State Today

Raleigh, June 2.—(AP)—Democratic Presidential sentiment will be reflected in North Carolina today when voters of the party in this state go to the polls to nominate candidates in five congressional districts and for lieutenant governor and commissioner of labor and printing. Nominations for some county offices will likewise be made.

The Smith-for-President issue has been brought to the fore front in some of the campaigns particularly among candidates for nomination as lieutenant governor. During the past several weeks claims have been issued by groups of voters and party leaders as to the relative strength of Al Smith and Cordell Hull in North Carolina and the sentiment was to some extent injected into the campaigns as a playing card for candidates. Considerable weight has been brought to bear on the chances of candidates in some quarters where emphasis has been laid on the campaign.

John D. Lanston, Goldsboro, and R. T. Fountain, Rocky Mount, candidates for nomination as lieutenant governor, have opposed the New York governor, while the third

## ASK BAIL FOR DURHAM MAN

### Habeas Corpus Proceedings May Be Instituted for Lawrence Monday.

Durham, June 2.—(AP)—Habeas corpus proceedings may be instituted Monday or Tuesday to secure the release on bail of W. Herbert Lawrence pending action of the Supreme Court upon his appeal from the second degree murder verdict returned against him by a Chatham county jury at Pittsboro yesterday. Jones Fuller, of the local bar, who was one of the attorneys representing the Durham contractor in the trial that resulted in his receiving a 30-year sentence for the slaying of a March 24 of Mrs. Annie Terry, today declined to say positively whether the defense would seek freedom for Lawrence but indicated no action would be taken before next week.

Lawrence was in a local hospital this morning, convalescing from throat wounds he inflicted with a safety razor blade two weeks ago today after the state began to unfold its chain of circumstantial evidence against him. Although he has been under medical attention since his attempted suicide, his trial was delayed only a day.

Judge R. A. Nunn, who passed sentence upon the contractor, denied a motion of the defense for bond.

## SOME SOUTH CAROLINIAN MAY BE A "DARK HORSE"

Anderson, S. C., June 2.—(AP)—Some South Carolinian is going to be voted for for the Democratic nomination for the presidency at Houston.

United States Senator Cole L. Blease who is resting at Summers, near here, after the strenuous Senate session, in response to a question to whom he favored replied: "I am going to vote for a South Carolinian."

## TWO ITALIANS BREAK RECORD

### Flyers at Rome Shatter Endurance Record and Are Still in The Air.

Rome, June 2.—(AP)—The Italian aviators, Major Ferrarin and Captain Del Prete, landed at 3:32 this afternoon at Montecelio field, having broken the world's record for a duration flight. They were in the air for 58 hours and 37 minutes.

Rome, June 2.—(AP)—Major Ferrarin and Captain Carlo P. Del Prete, Italian aviators, have broken the world's record for a duration flight, and were still in the air at noon today.

Flying the S-64, the aviators took off at 5:15 a. m. Thursday last from the Montecelio experimental field, confining their flight to a circuit of about 74 kilometers (50 miles approximately).

At noon today they had been in the air 54 hours and 45 minutes, or more than an hour longer than the record established by the Americans Hademan and Stinson. They had covered a distance of 7,000 kilometers (approximately 4,350 miles).

## MEEKINS TO HEAR CANNON FRAUD CASE

Raleigh, June 2.—(AP)—Judge I. M. Meekins of the United States eastern district court today resumed hearing of arguments by attorneys for the estate of James W. Cannon, Concord cotton mill magnate, for a bill of particulars to require the government to be specific in regard to alleged income tax frauds it charged against the mill man. The motion, which was presented to Judge Meekins yesterday, grew out of a suit by David H. Blair, now collector of internal revenue, and Charles A. Cannon, executors of the Cannon estate, for the return of \$1,504,723.83 alleged to have been overpaid in income taxes by Cannon. The charges of fraud were placed in the government's answer to the suit.

## PLAN TO TURN OVER PEKING TO INVADERS

### Tense Situation Said to Be Prevailing in Tientsin District.

Tokyo, June 2.—(AP)—Reports from Peking say that negotiations for the peaceful turning over of Peking from the Northerners to the Nationalists are in progress.

The reports state that replying to inquiries from the peace preservation committee of Peking, General Chiang Kai-shek, Feng Yuhsiang and Yen Hsi-shan, the Nationalist allies, have jointly announced that they will entrust to the committee the task of preserving peace and order during the transition period and will not allow troops to enter the capital for some time. A few troops under the Shansi General Kan Ching-lin, who will be appointed provost marshal temporarily, will be sent to the city, however.

Another report says that uneasiness prevails in Peking because of a rumor that Communists are planning disturbances after the withdrawal of the Northerners.

Tientsin, June 2.—(AP)—The situation in Tientsin was extremely tense today but not panicky. Chinese military authorities took over control of the city and the railroad station in view of the imminence of a general retreat of the Northerners.

Japanese sources reported disturbances at Fengtai, a railroad junction outside of Peking. It was believed, however, that the troops were under control at present.

There were prospects that the retreat of the Northerners would be orderly if the Nationalists did not press their pursuit but permitted an orderly withdrawal.

## KIWANIS CLUB GOING STRONG

### Local Club Outstrips District in Attendance for the Past Quarter.

The Greenville Kiwanis Club led the Carolinas district from the standpoint of attendance during the first quarter of the present year, according to announcement made at the regular twice a month meeting of the organization here last night.

The announcement was greeted by a storm of applause and President Frank Harrington was forced to use the gavel repeatedly before order was restored. The president urged the Kiwanians to give attendance as much attention the rest of the year as they did during the first quarter so that they might continue to lead the district.

The session last night was featured by reports of the various committees. These graphically portrayed the progress of each department and proved a gratifying nature.

J. B. Smith, a new member, was inducted into mysteries of the organization during the evening, words of instruction being delivered by J. B. James.

It was regular business night and no guests were present.

## Indict Members of Alcohol Ring At Chicago, Ill.

Chicago, June 2.—(AP)—One of the most comprehensive indictments in the history of prohibition enforcement in Illinois was returned by the federal grand jury yesterday. It names 101 persons of Melrose Park, a suburb, and charged the operation of an alcohol ring so large that its profits in one year ran as high as five million dollars.

Among those indicted were Gus H. Bohlender, village president; Anthony Palma, a trustee; and Joe Montana, described as leader of the combine.

The government charged that 119 stills were found operating in the community of 10,000 persons. In one plant the alleged ring used 11,000,000 pounds of sugar in the manufacture of alcohol.

Village officers were charged with having conspired with leaders of the syndicate, allowing them use of an unlimited supply of city water for cooling the stills at a cost of \$340,000.

## ALPINISTS TO HELP HUNT LOST ITALIA

### Steamship Braganza to Carry Troops to Spitzbergen to Assist In Search.

Kings Bay, Spitzbergen, June 2.—(AP)—Search for the missing dirigible Italia was given fresh impetus today with the arrival in Kings Bay of the steamship Braganza which will carry Italian Alpinists to northern Spitzbergen for a careful survey of the region.

The Braganza will wait here for the sealer Hobby which is due tomorrow carrying Lieutenant Luetzow Holm, Norwegian flier and his hydroplane in which the first air search for the Italia will be made.

During the day Commander Bonmagna, captain of the base ship Citta Di Milano conferred with the Captain of the Braganza. The present plan is to transport the Alpinists, who are eager to start out immediately, to northern Spitzbergen and to put them ashore there with sledges and all necessary supplies for an extensive overland search.

Kings Bay, Spitzbergen, June 2.—(AP)—Firm in the belief that the dirigible Italia crashed among the mountains and glaciers of northern Spitzbergen, Italian Alpine troops today were eager to start for the north on skis in the hope of finding the crew of the airship dead or alive.

Members of the base crew based their belief on the known wind direction on the morning of May 25 when the last radio message was received from the Italia. They estimated that the airship crashed between Wood Bay and White Fjord in the neighborhood of Hinlopen Strait. Hinlopen Strait separates the island of West Spitzbergen from north east land and this vicinity has been suggested by experts as a likely place to seek the Italia. It was calculated that the catastrophe occurred not further north than between 77 and 80 degrees and not further east than the eighteenth meridian.

If the airship crashed into one of the numerous mountain peaks in the prevailing fog, a belief which persists, it was thought that there was scant possibility of the crew being found alive.

Others who will seek the Italia from the air will start from Italy for the north Monday. A hydroplane with two Italian pilots will go to Spitzbergen to make a series of flights. Captain Hans-Larsen, Norwegian explorer and flyer, will replace one of the Italians on the plane.

An expedition using a German plane under the auspices of Lincoln Ells world of New York and Roald Amundsen, both of whom flew with General Noble across the pole two years ago, is also in prospect.

## S. C. BANKER FOUND GUILTY

### Vice-President of Defunct York Bank Is Guilty Issuing False Statement.

York, S. C., June 2.—(AP)—J. W. O'Neal, president of the defunct Bank and Trust Company of Rock Hill, was acquitted, and D. C. Johnston, vice president and director, was convicted by a jury today on a charge of issuing a false statement of the bank's condition. The trial which began Monday reached the jury shortly before 7 o'clock last night and the verdict was reported this morning.

The defense moved for a new trial and Judge Grinnell fixed Monday as the date for the arguments. The bond on which Johnston has had his freedom since his indictment by a York county grand jury several months ago was renewed.

The minimum punishment for the offense of which Johnston was convicted is a fine of \$500 or imprisonment of six months. O'Neal and Johnston are under indictments growing out of the failure of the bank last January but Solicitor J. Lyles Glenn said today that none of these cases would be called until after John R. Shurley, indicted with the two officials for the same offense for which they were tried here, is heard in Fairfield county two weeks hence.

Shurley, who was active vice president and cashier of the bank, was granted a change of venue.

## STORMS FORCE ARMEN DOWN

### Flight From Spain to India Is Interrupted When Plane Lands in Desert.

Bagdad, Iraq, June 2.—(AP)—The Spanish fliers, Captains Iglesias and Jimenez, who hopped off on a long distance flight from Spain to Karachi, India, last Tuesday, are now at Nasiriyah, having made a forced landing between the Tigris and Euphrates river Wednesday evening.

The fliers, whose exact landing place was not definitely known because of difficulty in obtaining reports from the remote districts, will arrive in Bagdad by train tomorrow and will be the guests of the Royal air force. Their landing was 200 miles north of Dawiyah in a desert region called Badiyah.

The airmen said that they had experienced heavy storms after passing over Aleppo. They passed Bagdad at four o'clock Wednesday afternoon at the height of 6,000 feet, but two hours later their engine failed and they were compelled to land in the desert of Dawiyah shortly before sunset. Failure of the engine was attributed to continuous dust.

The pilot and navigator were not hurt and the machine was not damaged in the landing, but the engine trouble prevented continuation of the flight. It is understood that the airman have cabled to Spain for new valves.

## SALEM FINALS TO BEGIN TOMORROW

Winston Salem, June 2.—(AP)—The 147 annual commencement exercises of Salem College will be formally opened tomorrow with the baccalaureate sermon by the Rev. Dr. William A. Lambert, pastor of Mt. Vernon Place Methodist Episcopal church, Washington, D. C., the senior class this year is composed of 45 young women from several southern states.

## STATE COLLEGE FINALS TO OPEN TOMORROW

No Service in Immanuel Baptist Church Sunday Morning.

There will be no preaching service in the Immanuel Baptist church on Sunday morning due to the fact that the commencement sermon is being preached at East Carolina Teacher's College and it has been an established custom to close the churches on that occasion.

At the evening services we shall hold an old time testimonial service at which time it is hoped that a large number will give expression to their joy in the recent Sunday meeting.

This service will be followed by a baptismal service for all who are ready for baptism at that time. Another baptismal service will be held soon for others who cannot be at the Sunday evening service.

BIG TABERNACLE REVIVAL AT WASHINGTON

It is to the everlasting commendation of Washington that the saints of that little municipality have unanimously united in a great revival meeting. They have fitted up at considerable expense, a warehouse with platform, choir loft, and seating capacity equal in every respect to the equipment made for the recent Sunday campaign. Except in numerical capacity Dr. H. Ellis Fuller, superintendent of evangelism Southern Baptist convention is the preacher and Mr. Pearson is the singer.

Washington is generally acclaiming Dr. Fuller as a superior preacher to "Billy Sunday" and the singer, Mr. Maury Pearson has possibly the most potential voice we have heard in the south. Surely many who have recently accustomed themselves to strong evangelistic messages will avail themselves of this great opportunity to hear these wonderful men of God.

BABY CLINICS TO BE HELD IN COUNTY

The county health department co-operating with the local physicians, is arranging to have a number of free baby clinics at various places throughout the county during the first and third weeks of each month. The purpose of the clinics is to examine babies who are apparently well and who are under two years of age. It is not our idea to treat sick babies; sick babies need to be under the care of your family physician, but the physician in charge will be able to give you valuable information concerning your little one. Maybe you are having trouble feeding your baby or perhaps he has some physical defect that the doctor will discover, which if corrected now may not be serious, but if allowed to go unnoticed may prove a serious handicap to him in later life. There is no charge connected with the clinic. We trust that you will bring your child and enroll him in the clinic which is nearest your home.

Places and dates for clinics are as follows:  
Greenville, at Health Office, on June 4, 10-11 a. m.  
Bethel, at School House, on June 5, 3 to 4 p. m.  
Grimesland, at Dr. Drewry's Office, June 6, 11 to 12 a. m.  
Ayden, at School House, on June 7, 3 to 4 p. m.  
Farmville, at School House, June 8, 3 to 4 p. m.

Washington, June 2—(AP)—June weddings are serving to keep Washington society from complete stagnation following the close of congress.

The marriage of Miss Carolyn Chamberlain, daughter of Major General and Mrs. John Loomis Chamberlain to Mr. Frederick Moffat Bradley takes place this afternoon at 5 o'clock in St. John's church on Lafayette square, the Rev. Dr. Robert Johnson, rector of the church officiating. General Chamberlain will escort his daughter and give her in marriage. She will wear a lovely costume of cream white satin trimmed in rose point lace, the wedding gown of her mother, with a train cut as part of the dress, completely covered with the

full tulle veil arranged with point lace and a bouquet of lilies of the valley.

Miss Helen Walsh Tiers of Philadelphia is made of honor and her costume is one of pale green chiffon with a horsehair hat, wide brim, exactly matching in color and showing a band of velvet. The bridesmaids are Miss Mary Bradley, sister of the bridegroom, Miss Louise Fitzhugh, and Miss Elizabeth Armstrong of Norfolk, Va. Their gowns fashioned like that of the maid of honor, are of pale peach color chiffon, their hats matching in tone, and all of the bride's attendant's carried clusters of butterfly roses and blue delphinium.

Mr. Fontaine Bradley is best man for his brother and the ushers are Mr. Thomas Bradley 5th, brother of the bridegroom; Mr. Arthur Hellen, Mr. John L. Newbold, Jr., Mr. Harvey L. McCoy Jones, Mr. Alfred T. Hobson, Mr. George T. Summerlin, Mr. Alan E. Reeside and Lieut. Paul B. Kelly.

A small reception at the home of General and Mrs. Chamberlain on Jefferson place is to follow the ceremony.

Doctor A... tries out an Oldsmobile

The doctor pulled his big car up to the curb and walked into the salesroom.

"A patient of mine has been talking to me about this Oldsmobile," he said, "and I'd like to see if it is really all he claims it to be. He tells me that I can drive for hours without fatigue. That's important because of the danger of arriving on a case, worn out before I've even started my work."

He was invited to examine the car first—but after a glance, he said impatiently, "I'll grant you that it is very striking in appearance. But I'm curious to know if it performs as well as it looks."

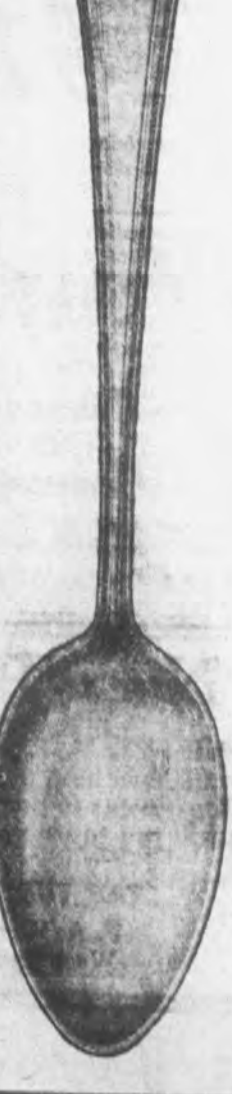

Doctor A. took the wheel during the demonstration, threading through the traffic knots until the open highway stretched ahead. Then he stepped on the accelerator. The speedometer climbed swiftly upward. The doctor glanced at it and slowed down immediately.

"Whew-w!" he said. "That's faster than I'll ever have to travel for any emergency case. Then he tried the car on hills and through hard pulling in high.

As he stepped out of the car an hour later, he smiled. "That patient of mine may not know medicine but he certainly knows cars. He told me that I could buy a bigger car but not a better one. And his diagnosis of the Oldsmobile was absolutely correct!" Come take that drive today.

## The Bride's Choice Is Here

The art of designing fine silverware is not something to be mastered in a year—or even in a lifetime.

That is the secret of the superlative loveliness of the many designs we now have in stock. One of the most beautiful of these is the

### STOCK MARKET

A sensational buying movement in General Motors, which ran up more than six points to 200, featured the late dealings. So swift was the advance in this stock that the high price did not appear on the tape until several minutes after the market had closed. Final quotations generally were around the high levels of the day.

New York, June 2.—(AP)—Disregarding tightening credit conditions prices ran up briskly in today's stock market under the impetus of pool operations. Buying orders were distributed over a broad list of stocks with the public utility, copper, farm implements and merchandising shares giving the best exhibition of group strength.

Copper shares, after running into heavy profit taking all week, suddenly darted forward under the lead of American Smelting, Anaconda, in which William C. Durant is reported to have a large market interest, also was heavily bought at advancing prices.

Chrysler and Dodge Brothers motors were heavy on profit taking by traders who bought these securities earlier in the week on announcement of merger terms. Hudson recorded substantial gains on reports of record-breaking May production but General Motors failed to make much progress.

International Telephone soared 9 1-2 points. Victor Talking Machine 8 and Radio 4 on unconfirmed rumors linking those companies in negotiations for the sale of Radio's communications business to International Telephone and a subsequent merger of Victor and Radio. Western Union dipped 4 points to a new 1928 low at 150.

Midland Steel Products preferred jumped 3 1-4 points and Paramount Famous Players, Advance Rummy common and preferred, and Allied Chemical sold or more points higher.

Except for moderate gains in New York Central and Atlantic Coast Line, there was little interest in the rails.

The close was strong. Total sales approximated 1,800,000 shares.

### ONE KILLED WHEN TORNADO HITS TRAIN

St. Albans, Vt., June 2.—(AP)—One man was killed and ten were injured, three seriously, when a Canadian Pacific passenger train was struck by a tornado today between Stanbridge and Bedford, Que., 20 miles north of here.

Three passenger coaches were thrown down, an embankment but the engine remained on the rails. Help was sent from Farnham.

The tornado started at Pike river and swept through the Mystic, a distance of six miles, leaving a trail of wrecked barns and houses in a path two acres wide.

## TEN YEARS AFTER BELLEAU WOOD, SECOND DIVISION RALLIES AGAIN

A decade ago Wednesday Second division troops of the A. E. F. left French rest camp for Belleau Wood battlefield to help resist a German offensive. Here are scenes from the fighting which ensued—an American 14-inch railroad gun supporting the advance (left); German reserves marching to the front (right); and German heavy cannon returning the fire those 40 days the Second spent in the front lines. This week survivors of the campaign rallied at St. Louis for the reunion of the Second Division association, headed by Col. Hanford MacNider (inset).

St. Louis, June 2.—(AP)—Men stop the Germans at Belleau Wood who piled into French trucks ten years ago at St. Louis Wednesday. Second Division was flying over St. Louis, while the former doughboys and leathernecks in that world war outfit started on their tenth

## annual reunion festivities.

Led by Colonel Hanford MacNider, president of the Second Division Association, a half dozen generals, a hundred or so colonels and majors and several thousand "top kicks," "second Looles," corporals and privates, were present or accounted for when the operation got under way.

Much can be obliterated from memory in ten years, but it is doubtful if any of these will have forgotten that daybrake a decade ago when the long convoy chugged out of the rest area near Chaumont-en-Vexin with themselves aboard.

Few but the officers who had seen the orders knew whether they were headed. Vague reports of the German success at Chemin-des-Dames had been heard, but the officers and men did not comprehend the gravity of the situation. For the second time in four years the German high command was throwing its gray clad troops toward Paris, and all the allied strength had been unable to stop them.

The Second division started out in gay fashion. The men cheered and yelled. Then the convoy came closer to the front. They passed a long line of refugees and the singing and cheering stopped. The spectacle of those thousands of terrified people, fleeing desperately from their homes, gave the men their first profound understanding of the horrors of war.

At Meaux the confusion was terrific. The city was choked with refugees, wounded men, troops and trains of every description.

North of Meaux the troops were debussed. The Ninth Infantry started immediately on a forced march to the line and the other regiments bivouacked for the night. German bombing planes made frequent visits over the camp and there was little sleep. At daybreak June 1, the infantry and marine regiments marched toward Montreuil-aux-Lions, reaching positions in the rear of the line through Boneuil Vaux, Boursches and Belleau Woods that night, with nothing but a thin line of heroic French soldiers between them and the enemy.

On June 2, the infantry began to block the Paris highway, and the next day all the infantry of the division was in line, with the Ninth on the right and the Marine brigade in the center. The Third Infantry, one battalion of Marines and the Fifth machine gun battalion had been thrown into the line through

Veully, Pricourt and Cambonne to reestablish liaison between two French corps which were holding the Germans at this point. Scattered French units still were holding the line. They had been engaged for six days, with little food and no rest. On the night of June 3-4 they were relieved and passed through the American lines. On June 4 the Second Division was holding a 12-kilometer front with no reserves between it and the Marne. It had crushed one enemy attack near Veully.

The first of a series of small but difficult advances began June 6. From then until June 25 the fighting, particularly in the front of the Marine brigade, was of the most desperate character. Division after division was thrown into the line by the German command in an effort to shatter the American lines between Vaux and Turey. The Marines ground their way slowly but steadily through the Bois-de-Belleau and on June 25 in a final brilliant dash, killed or captured the last German in the region. In recognition of the Marine's heroic work the French changed the name of the woods to Bois de la Brigade Marine.

In the meantime the Third Brigade had been holding its position at one time, morale unshaken by the constant and terrific shelling to which it was subjected. This outfit, like the Marines, had no other cover than the shallow "fox holes" dug in the early part of June; and no food except "monkey meat" and the one cooked meat day which came up at midnight. By July the brigade had captured Vaux and the Bois de la Roche.

On July 9 the division was relieved by the Twenty-sixth, taking up a reserve position along the line Montreuil-St. Aulde. It had been in the line 40 days. In that time ten German divisions had been used from which had been captured 1,600 prisoners. Not only had the Second stopped the German drive on Paris in that sector, but it had advanced to an average depth of two kilometers on a front of eight kilometers. The losses totaled 9,131, but the Second Division had demonstrated to the world that the American soldiers had "arrived."

# 5 Record Months

## THE GREATEST IN 20 YEARS OF WILLYS-OVERLAND HISTORY

### MAY SALES SET NEW HIGH MARK

With May reaching a new high peak—Whippet and Willys-Knight sales continue to mount; month after month, week after week, day after day.

The five months just completed were by far the greatest in all Willys-Overland history. In spite of the fact that April had produced the greatest sales on record, May established a new mark with an increase of 14% above the previous record-breaking month.

The perfected Whippet Four, at greatly reduced prices, is a tremendous national success. The new Whippet Six

—the world's lowest price six-cylinder motor car—is paralleling the Whippet Four in popular acceptance.

The recently announced low price of the Willys-Knight Standard Six has resulted in greatly increased demand for this splendid car. Sales of the Special Six and the Great Six continue in unabated volume.

Come in and see the Willys-Knight and the Whippet Four and Six lines. And for early delivery it will pay you to place your order now.

## Fliers Get Ready To Continue Trip Toward Australia

Honolulu, June 2.—(AP)—Encouraged by a successful 2,400-mile flight along the treacherous Pacific air lane from Oakland, Cal., the crew of the huge tri-motored monoplane Southern Cross today turned with confidence to preparations for the second and longest hop in the 10,888 mile flight to Australia.

After covering the distance from Oakland with some fuel in reserve

on their landing at Wheeler field here, Captain Charles Kingsford-Smith and his three companions faced the problem of planning to fly 3,144 miles to sea or to the Isle of Opolu, at British Samoa, about 2,500 miles from Hawaii. They pointed out that they had enough gasoline to fly for three hours when they reached here 27 hours and 28 minutes after leaving the mainland. They left Oakland with 1,200 gallons of gasoline and could carry 1,500 gallons.

## CHEEK-NEAL COFFEE CO. SELLS TO POSTUM CO.

Nashville, Tenn., June 2.—(AP)—Joe O. Cheek, president of Cheek-Neal Coffee Company, manufacturer of Maxwell House coffee, this morning confirmed the report that the company had been sold at a satisfactory figure but expressed the desire that announcement of the deal should come from the purchasers, reported here to be the Postum Cereal Company, of Battle Creek, Mich. Mr. Cheek said his sons had power of attorney to conclude the deal.

# THE NEW ALL-ENAMEL GREAT MAJESTIC

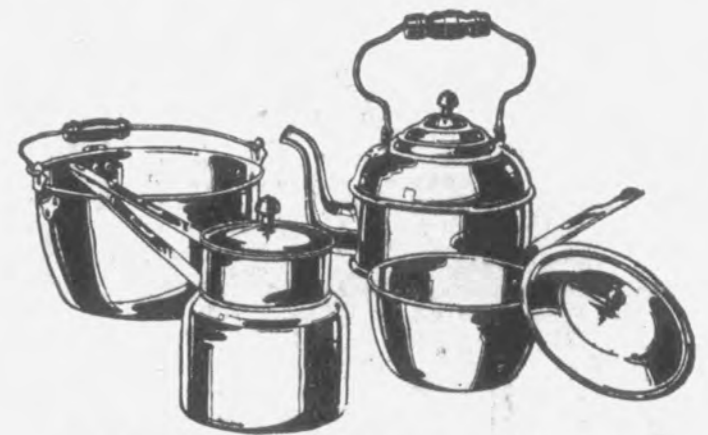

The Aristocrat of Ranges! The highest achievement of the Majestic Manufacturing Company, recognized for years as the leading manufacturer of fine ranges.

It is the range designed and built for the modern kitchen. New beauty is in its glossy all-enamel finish and bright nickle trimmings; new conveniences in the many features that have been incorporated in its design. With the same qualities of good cooking and baking that has earned for the Majestic its excellent reputation among housewives everywhere. It is the acme of modern range construction.

## MANY NEW FEATURES FOR YOUR CONVENIENCE

Exclusive features and refinements of design that make the All-Enamel Majestic the last word in range efficiency and convenience.

You'll like the ready-polished, solid-plate cooking top, which eliminates unnecessary lids and can be kept neat and shining without polishing; the sanitary shelf, which replaces the old warming oven—a handy place to put dishes and pans while you are cooking; the smoke pipe, back of the range and out of sight, which has been built straight up from the bottom of the oven, insuring a strong steady draft and eliminating clogged pipes; the complete insulation which makes this range perfect for baking. You'll appreciate, too, the new features that make the All-Enamel Majestic easier to clean—removable oven door stakes, removable clean-out door and grate housing, and many others. Don't miss seeing them.

## FREE NEXT WEEK

You'd be proud to have this in your kitchen! Handsome Deluxe Nickel Plated Copper Ware. A complete set, absolutely FREE, to every woman who buys a Majestic at our store next week. On display in our window now.

## The Majestic "Pay-as-you-use-it" Plan

To make it possible for every housewife to own an All-Enamel Majestic, we have made special arrangements with the Majestic Manufacturing Company whereby this range may be bought on a "pay-as-you-use-it" plan. We would be glad to explain it to you in full.

The All-Enamel Majestic is Now On Display In Our Store — Come in and See It — Today

Only the Majestic Manufacturing Company, with its years of experience, could have produced a range as fine as the All-Enamel Majestic... The name Majestic is its guarantee of highest quality. Come in and see it today!
