

OCEAN FLIERS DRAWING NEAR BRISBANE AREA

Giant Monoplane Southern Cross Expected to Arrive Late This Afternoon.

Brisbane, Australia, June 8.—(AP)—The monoplane, Southern Cross, with its Australian-American crew of four men, today neared the birthplace of its commander, Capt. Charles Kingsford-Smith from the Fiji Islands, while the heart of Australia beat in sympathy with their heroic effort.

The plane was less than 400 miles off shore at 4:30 a. m., today, which was 10:30 a. m., Friday, on the United States Pacific coast.

Suva, Fiji, June 8.—(AP)—(Saturday)—The confidence and high spirits of the crew of the monoplane Southern Cross, as they cruised through the night on their way to Brisbane, Australia, was reflected in a series of radio messages sent out by Charles Uim, relief pilot.

"We are as happy as larks up here," he said in one message dispatched before the fliers ran into storm conditions described as the worst of their whole flight since leaving Oakland, Calif. The messages read:

"Smithy" (Captain Charles Kingsford-Smith, commander) at controls sandwich one hand. Me (Uim) writing you radio message with our two efficient American colleagues few feet behind us at their jobs."

"Cheerio everybody! It won't be long now. Possibility of fairly dirty weather tonight, hence self will relieve Smith at controls now that he may be better rested for night flying. We are as happy as larks up here."

"It will be good to see old Brisbane in the morning. This is the life."

Suva, Fiji, June 8.—(AP)—The dream of two Australian aviators to be the first to fly from America to their home land, was approaching realization today as the monoplane Southern Cross roared on its way to Brisbane, capital of Queensland.

The giant tri-motored monoplane hopped off this afternoon from Naselai beach, sixteen miles from Suva, on the island of Viti Levu and, heading across 1762 miles of sea was expected to land in Brisbane in about nineteen or twenty hours.

A radio message from the plane quoted co-pilot Charles Uim was saying "please tell Brisbane we will be there about 8:30 a. m. Brisbane time tomorrow" (approximately 2:30 p. m. Friday, Pacific coast time).

Arrival of the plane in Brisbane will mark completion of the trans-Pacific portion of the 7,900-mile flight from Oakland, Cal., to Sydney, Australia. After the fliers have remained in Brisbane a day Captain Charles Kingsford-Smith and Charles Uim, Australian pilots of the plane intend to fly south along the coast of their homeland to Sydney, New South Wales. This will be the final hop of their journey from America and will conclude the world's longest flight over the sea. Sydney is about 500 miles from Brisbane.

As the plane drew away from Suva radio messages were broadcast, thanking everyone who had had a part in promoting or encouraging the expedition. Captain Allan Hancock of Los Angeles, Cal., who financed the flight, friends of Hawaii, the mayor and other officials of Suva, the Fiji chiefs who conferred native honors and friends in Australia whose cablegrams of cheer gave promise of an overwhelming joyous greeting—all these were heartily thanked in messages broadcast from the plane as it sped 85 miles an hour through the night.

Portland Ore., June 8.—(AP)—The Southern Cross has escaped disaster after contesting successfully with a terrific storm the monoplane in which four men are winging their way to Australia from Suva, at 1:25 (Pacific coast time) was again safe on its journey. The danger to the four men faced was told in radio messages from the plane, received here by the Mackay Radio and Telegraph Co.

"We didn't want to worry anyone whilst we were in it," the message said, referring to the storm. "But now that we are out of it, we will tell you that for the past two hours we have battled the worst weather of the whole flight at 7,500 feet. Heavy rains, bumps, gave us several drops of over 400 feet at a time."

Timber Merchant Wins \$1,310,000 On Horse Races

Bombay, British India, June 8.—(AP)—The Evening News states that Ibrahim Dawed Kazi, a timber merchant and race-horse owner here, has received a telegram from W. K. Webb, employee of a Calcutta firm, informing Kazi that he had drawn Feistad, winner of the derby, in the Calcutta sweepstakes.

It is understood that Kazi purchased from Webb the ticket which wins the great prize of \$1,310,000.

FAILS TO SIGN NORRIS BILL

President Coolidge Subjects Muscle Shoals Bill to Pocket Veto.

Washington, June 8.—(AP)—President Coolidge has subjected the Norris bill for government operation of the nation's properties at Muscle Shoals to a pocket veto.

The ten days in which he could approve or disapprove the measure expired at midnight last night leaving it still without his signature.

Although White House and justice department officials have been represented as of the opinion that the bill thus automatically died, Senator Norris of Nebraska, who carried on a long and determined fight for the legislation, challenges the validity of this form of veto.

Upon the question of the pocket veto, the supreme court has never ruled. A case identical with that of Muscle Shoals is pending however, and the ruling of the Supreme Court upon it will apply, it is held, to Muscle Shoals as well.

Washington, June 8.—(AP)—Senator Norris, Republican, Nebraska, sponsor of the Muscle Shoals bill, which died last night through pocket veto, in a statement criticizing President Coolidge's action predicted today that the failure of the bill "may be the last straw that will bring a third party into the field."

"The failure of this bill may disappoint the American farmers interested in fertilizer," said the statement. "It may drive away from the administration candidate a large number of progressive, thinking citizens, but it will give us money in unlimited profusion and enable us to win the election by controlling the political machine and sources of publicity."

Woman Pleads Guilty to Save Two Brothers

St. Joseph, Mich., June 8.—(AP)—The trial of Miss Marguerite Bumbaugh, of Warsaw, Ind., and her two brothers, George and Guy, on charges of slaying Walter H. Cook, Niles basket manufacturer, ended abruptly today when Miss Bumbaugh pleaded guilty to a charge of manslaughter on condition that her brothers be freed.

The agreement came at a conference between Circuit Judge Charles E. White and state and defense attorneys after most of the testimony in the trial had been taken.

Miss Bumbaugh, formerly Cook's secretary, admitted she fired the shot that killed the manufacturer in his factory at Niles March 30 but insisted she did it after he had struck her with a basket. Her brothers were accused of having prevented interference in the slaying.

Support Plank Modifying Eighteenth Amendment

Washington, June 8.—(AP)—While a number of women's organizations are planning drives for the incorporation of prohibition enforcement planks in the Kansas City and Houston convention's platforms, the association against the prohibition amendment announced today the formation of "a women's national volunteer committee" which includes the names of two senators' wives and two of the four women members of Congress.

Before the resolutions committees of both the Republican and Democratic parties, the association plans to present pleas for planks urging modification of the Volstead act. The organization's representatives appearing before the committees probably will include women members under plans of the association's officials.

The membership of the committee, made public today, includes prominent women from nearly every section of the country. Among them were: Representatives Florence Kahn, Republican, California, and Mary T.

BOLL FLIGHT IS DELAYED AGAIN TODAY

Monoplane Columbia May Probably Get Away at Dawn Tomorrow Morning.

Curtiss Field, N. Y., June 8.—(AP)—The monoplane Columbia with Miss Mabel Boll as passenger will probably make a second attempt at dawn tomorrow to fly from here to Old Orchard, Maine, the first leg of a trans-Atlantic flight.

Captain Arthur Argles, co-pilot of the Columbia, telephoned the flying field this morning saying that he would inspect the motor later in the day, but that the flight would not get under way before dawn tomorrow.

Miss Boll, who was disappointed in her first attempt yesterday when the plane was forced back to Roosevelt field by fog, had a long sleep. She left orders that she was not to be disturbed. Neither Oliver Le Boutillier nor Arthur Argles, pilots of the plane on its flight yesterday, was up early. Before retiring Miss Boll said she was too superstitious to start anywhere on a Friday.

A difficulty arose when Lieut. Henry B. Clark, in charge of Roosevelt field, said yesterday's take-off from the field's runway had been made without his permission and that if necessary, force would be used hereafter to keep "intruders" off the field. However, he said, if permission to use the runway were asked with proper formality, it would be granted. This field is a private one and has the only runway which would permit a take-off with a heavily loaded plane.

FILM ACTRESS GETS DIVORCE

Dolores Del Rio Is Granted Separation From Husband By Mexican Court.

Los Angeles, June 8.—(AP)—A dispatch to the Time from Nogales, Sonora, says that a full decree of divorce was granted to Dolores Del Rio, film star, yesterday by a court in the Mexican city.

The suit, filed in Nogales April 21, charged incompatibility and followed a trial separation of four months, when Jaime Martinez Del Rio, left Hollywood for New York to pursue his career as a writer.

At that time he said he could not continue to live in the film colony where he was becoming known only as "Dolores Del Rio's husband."

Informed at her home that the divorce had been granted, Miss Del Rio said she believed her former husband was enroute to Europe, as he expected to sail yesterday from New York.

Miss Del Rio denied that she would wed her director, Edwin Carewe, who recently filed suit for a Mexican divorce from Mary Akin. Miss Del Rio was a member of the party which accompanied Carewe on a yachting trip to Matanzas, Sinaloa, Mexico, where Carewe's suit for divorce was filed.

The Del Rios were married in 1921 after a courtship which began at a Mexico City charity bazaar. Each was a member of a prominent Mexican family.

Norton, Democrat, New Jersey; two senators' wives, Mrs. William Cabell Bruce of Maryland, and Mrs. Thomas F. Bayard, of Delaware; Mrs. Henry B. Joy, of Detroit, chairman of the resolutions committee of the recent Daughters of the American Revolution congress Mrs. W. K. DuPont, of Wilmington, Del., a delegate to the Republican convention, Mrs. Elizabeth Marbury, of New York, Mrs. Charles S. Sabin, Republican national committeewoman from New York, Miss Julia Worthington, of Cincinnati, and Mrs. Speeche Penrose of Colorado Springs.

Other members of the committee were announced by Miss Livingston to include: Mrs. Thomas J. Anketell of Detroit, Mrs. John Cadwalader of Philadelphia, Mrs. M. Struthers Burt of Southern Pines, N. C., Mrs. W. S. Charnley of Sewickley, Pa., Mrs. Edward S. Harkness of New York, Mrs. George C. Williams of Hartford, Conn., Mrs. Mitchell D. Pollansbee of Chicago, Mrs. Horace L. Hill of California, and Mrs. John R. Ware of Minneapolis.

FEW MATTERS CONSIDERED BY ALDERMEN

P. L. Goodson Appointed Member Library Commission at Last Night's Session.

Members of the Board of Aldermen met in regular monthly session last night and considered a number of matters of more or less importance to the general public. All members of the board were present with exception of two. Mayor J. C. Lanier presided.

P. L. Goodson was appointed a member of the library commission. Other members appointed at the last meeting of the board are: Mrs. R. L. Carr, Mrs. J. B. Kittrell, James Ficklen, W. H. Woolard and J. E. Winslow.

The Board canvassed returns of the recent municipal primary and certified the election of the following aldermen: J. I. Smith, first ward; E. W. Harvey, second ward; W. H. Bradsher, third ward; J. Key Brown, fourth ward; E. W. Griffin, fifth ward. All are new members with exception of J. I. Smith, who was re-elected without opposition.

C. M. Tolar was granted permission to erect an electrically lighted clock in the front of his store on Evans street, near Five Points.

W. H. Woolard appeared before the board with a request for financial assistance in defraying the expenses of compiling information in connection with the proposal to open Tar River to navigation. The total expense was \$149.25. The board voted that the city pay half of the amount.

The cemetery committee was ordered to revise the map of Greenville cemetery. The revision calls for smaller lots than those contained in the original map.

The matter of purchasing rubber stop signs was placed in hands of the street committee with power to act.

A. M. Pullen, Raleigh auditors, were awarded the annual audit of city books.

Mayor Lanier and Chief of Police Jones were instructed to arrange a schedule for vacation of the various members of the police department.

WOMEN PRISONERS ON HUNGER STRIKE

Belfast, Northern Ireland, June 8.—(AP)—The agent of the Irish Republican party said today that five women prisoners at Mountjoy jail, Dublin, had been on a hunger strike since Tuesday. They claimed they were political prisoners and demanded political treatment.

He said the women were Mrs. McDermott and Misses Eva Jackson, Florence McCarthy, S. McInery and Humphreys.

Keeler Heads Liberty Body

Berlington, N. C., June 8.—(AP)—Wilmington was selected as the place of meeting for the 1928 convention of the North Carolina Sons and Daughters of Liberty at the concluding session here yesterday. J. C. Keeler, of Salisbury, was chosen state councillor at this time.

Preliminaries At Kansas City G. O. P. Frolic

Kansas City, June 8.—(AP)—The need of a running mate for Presidential nominees was brought out here today in maneuvers preliminary to the Republican national convention formal opening of a headquarters for representative John D. Tilson of Connecticut.

Mr. Tilson, Republican floor leader in the house, is the first Vice Presidential candidate to be represented by an office staff. John Jay Hopkins of New York is in charge.

Baseball Fund Reaches \$50.50

The children's baseball fund continued to rise slowly today with an increase of six dollars over the report of yesterday. The total amount today is \$50.50. The sum needed to make it possible for children between the ages of 6 and 10 years to attend the remainder of the games played on the local diamond is \$115.00.

Contributions today were J. C. Penny & Company, \$5.00; C. B. Rowlett, \$1.00.

BIRD WOMAN DETERMINED TO GO TODAY

Heavy Fog and Light Wind, However, Still Holds the Friendship Fliers at Trepassy.

Trepassy, N. F., June 8.—(AP)—Fog and a light southeast wind prevented an attempt early today to lift the monoplane Friendship from the harbor here and start for Europe. The three fliers, Wilmer Stultz, pilot; Louis Gordon, mechanic, and Miss Amelia Earhart, passenger and relief pilot, slept late and it was not until 7:30 o'clock (local time) that any of them left their boarding house.

At that hour Gordon appeared. He rowed out to the plane and proceeded to make another inspection of the oil tank in which he repaired a leak last night.

The wind at that time had shifted to east northeast but was still very light, with indications that there was little probability of its strengthening during the day. This made it unlikely that a hop-off could be made before evening at the earliest, as a strong wind is needed to life the plane and its heavy load of fuel.

Two hours later all of the party were still in their boarding house. It was believed they had observed unfavorable conditions and had decided to take the opportunity to get more sleep.

Weather conditions changed little during the forenoon although the clouds disappeared. The wind shifted to the south and continued too light to be of any help in an attempt to take off.

Inspection of the oil tanks was not completed and Stultz was of the opinion that no attempt would be made to fly today, even if the wind should become strong enough as reports of conditions over the Atlantic were far from favorable.

Democrats To Name Delegates To State Meeting Tomorrow

With Cordell Hull definitely established as the favorite Democratic presidential candidate in Pitt county, delegates from the fourteen precincts will gather at the court house in this city tomorrow at 11 o'clock to name delegates to represent the county at the state convention at Raleigh next Tuesday.

The presidential candidate from Tennessee piled up a two to one vote over Governor Smith in the precinct primaries held over the county two weeks ago. The vote for Reed was negligible.

Smith went out in every precinct with exception of Ayden, Grifton and Pictolus. Hull will be represented by 74 delegates and Smith 40 at the convention tomorrow.

Frustrate Attempt To Take Life Of Japanese Premier

Tokyo, June 8.—(AP)—Alert members of his bodyguard today frustrated an attempt to assassinate Baron Gichi Tanaka, premier of Japan.

When the premier arrived at Ueno Station a man in the clothes of a laborer tried to stab him with a dagger. The bodyguard prevented the attempt and arrested the would be assassin. Baron Tanaka was not hurt.

The premier was enroute to Utsunomiya to attend a meeting of his party, the Seiyukai.

DEMOCRATIC CONVENTION ON SATURDAY

Delegates to State Convention to be Chosen by 100 Counties of State.

Raleigh, June 8.—(AP)—Democratic Presidential candidates tomorrow will take their fight for delegates to the 100 county conventions in North Carolina.

County conventions will elect delegates to the state meeting here next Tuesday.

Up until the last minute, managers of Congressman Cordell Hull and Governor Alfred E. Smith, issued statements charging each other with spending huge sums of money in this state in order to secure instructed delegates favoring their candidate.

Zeb Vance Turlington, legislator and prohibitionist of Mooresville who is managing Hull's North Carolina campaign, called upon Hull supporters to see that definite sets of delegates are named at the county conventions.

W. B. (Buck) Jones, Raleigh attorney and leader of the Smith workers, charged Hull men with using the office and rank of Senator Simmons to further their candidate's chance in North Carolina. Mr. Jones continued to express expectation that Smith supporters tomorrow would acquire the majority of delegates.

Mr. Turlington and Frank H. Hampton, secretary to the Senator, said they would not reply to Mr. Jones' charge that Senator Simmons is "prostituting the high office of United States Senator" by use of his rank in sending out Hull propaganda.

FOG FORCES FLIERS DOWN

The San Diego to New York Flight Ends As Plane Forced Down In Ohio.

Columbus, Ohio, June 8.—(AP)—Undaunted by failure to set a new non-stop trans-continental air record when they were forced to land here today, Lee Schaefer, pilot, and Harry Tucker, sportsman-passenger, of the monoplane, Yankee Doodle, will attempt a dawn-to-dusk flight from New York to San Diego, early next week.

Tired and near exhaustion after their unsuccessful battle to pierce heavy banks of fog over the Pennsylvania mountains, the fliers announced their plans as they retired at a local hotel.

Columbus, Ohio, June 8.—(AP)—The monoplane Yankee Doodle, in which Louis Schaefer, pilot, and Harry Tucker, sportsman, were attempting a non-stop flight from San Diego to New York, landed at Norton field here at 9:45 o'clock this morning.

The fliers said they had gone as far east as Harrisburg, Pa., but were unable to break through the fog, and turned back on their tracks, landing here. They said they had enough gasoline to have taken them to New York.

G. O. P. Faction Set On Defeating Hoover

Kansas City, June 8.—(AP)—The line of battle for the Republican presidential nomination stood clearly defined today between Herbert Hoover and a determined group organized and pledged to defeat him.

Mobilized to stem the cabinet member's progress toward the nomination, the combined strength of Lowden, Curtis, Watson, Goff and the remnants of the Willis organization has fixed one immediate objective—the blocking of Hoover's selection on an early ballot.

HEAVY FIGHTING BREAKS OUT NEAR TIENSIN

Tientsin, June 8.—(AP)—Fighting broke out this morning on the banks of the Pailo River above Tangku, to the northwest of Tientsin. The firing was continuous and severe. All river traffic was stopped.

Two Japanese steamers, escorted by a gun boat, on their way to Tientsin from Tangku, were compelled to turn back.

The Chinese police at Taku, a pilot town, fled last evening, and a detachment of Italian marines was sent to Taku to protect the foreign pilots' families.

CARLTON WINS FOR GOVERNOR

Senator Park Tamm Returned to Senate By Vote in Florida Primary.

Jacksonville, Fla., June 8.—(AP)—With only a few more than 100 of Florida's 1200 precincts still unaccounted for in Tuesday's primary election, it appeared certain today that Senator Park Tamm had been returned to his post over the bid of Governor John W. Martin, and that Doyle E. Carlton, of Tampa, was leading the five cornered race for Governor.

F. F. A. Hathaway, chairman of the state road department, was second in the race, trailing Carlton by nearly 10,000 votes, and closely followed by his berth by Sidney J. Catts, ex-Governor, only 2,000 votes away.

Tabulations compiled by the Associated Press early today showed the following lineup for Senator: Tamm 116,775; Martin 95,949. For Governor: Carlton 65,381; Hathaway 55,613; Catts 53,629; Taylor 28,211; Carson 2,487.

In the fourth district Congressional race, Ruth Bryan Owen, the daughter of the late William Jennings Bryan, was running more than 12,000 votes ahead of Congressman W. J. Sears, of Kissimmee, in 301 of 354 precincts in the district. The latest unofficial tabulation gave Mrs. Owen 49,823 against 37,633 for Sears.

Legion to Promote Oratorical Contests

Charlotte, June 8.—(AP)—Oratorical contests in which white students of North Carolina schools will participate as a means of creating greater interest in voting and of broadening popular conceptions of citizenship will be promoted next fall by the American Legion, according to a tentative decision reached by the executive committee in session here last night.

This proposal, based on a report submitted by the Americanism committee, will be presented to the department's annual convention here in August for formal approval. The details of the contest will be worked out by the committee under the general instructions the convention is expected to give.

Negro Begins Sentence

Raleigh, June 8.—(AP)—denjamin Brodie, negro, today began serving 15 years at state prison, following conviction in Wake superior court of attack upon a 15 year old negro girl. The state accepted his plea of guilty after his trial had begun.

All these activities in the enemy camp, which now will be under the command of Louis L. Emmerson, Republican gubernatorial nominee of Illinois, found the Hoover forces still confident and clinging to their claim of at least 500 votes on the first ballot.

The possibility of injection of Coolidge into the fray produced little reaction in the Hoover ranks, where it was remarked that the whole campaign for the commerce secretary has been based on the conviction that the President had definitely eliminated himself.

RUSSIAN FLIER BEGINS SEARCH FOR DIRIGIBLE

Radio Amateur Near Archangel Reports Third Message From Missing Italia.

Moscow, June 8.—(AP)—Tchurukovsky, noted Russian flier, will start today from Leningrad in a powerful two-motored plane for Archangel. He will fly from here to Nova Zemlya and Franz Josef Land, in search of General Nobis and the missing dirigible Italia. The rescue commission expects news from the flier about June 14.

Moscow, June 8.—(AP)—A radio amateur named Smith of Voronezh, Dvinsk, near Archangel, who last Sunday received what was thought to be the first SOS message from the missing dirigible Italia, reported today that he had heard a third call from the Nobis expedition at 4:15 o'clock this morning.

Smith said that the call read: "Storm NW SOS Pateman" (There is no one named Pateman in the crew of the Italia. The name of the radio operator aboard the ship is Giuseppe Biagi).

Kings Bay, Spitzbergen, June 8.—(AP)—Increasingly doubtful that direct radio signals have been heard from the missing dirigible Italia, the base ship Citta Di Milano today kept sending out messages of confidence and cheer in the vague hope that the Italia might get them.

While the radio operator of the Citta Di Milano had picked up faint messages yesterday which he thought were from the Italia, he was unable to get any answer today in response to incessant calls.

Every hour he signalled for the Italia, sending messages telling her that wherever she might be, in Franz Josef Land or elsewhere, rescue expeditions were under way.

Weather conditions were again unfavorable today and Captain Zilser-Narset, the Norwegian aviator, was unable to make the flight to northern Spitzbergen that he had been planning. The Captain is anxious to fly north to help Lieut. Loelsof Holm, a brother officer, to carry on the air reconnaissance north of Spitzbergen.

Great Damage By Floods in Coastal Plain Territory

Montgomery, Ala., June 8.—(AP)—Myriads of miniature lakes, two small tent cities and a host of broken bridges today comprised the visible traces of a week's flood in the coastal plain states of Alabama, Mississippi and Louisiana.

Far more important, however, was the dilemma of lowland farmers who contemplated ruined or delayed crops and ruminated over a loss of between ten and thirty per cent. In some localities they went about replanting where possible, but for the most part they were surveying conditions while waiting for work only the sun can do on soil made soggy by almost unprecedented rains.

To Canvass Election Returns

Raleigh, June 8.—(AP)—With at least eight counties having already reported their official returns and others expected in today, the State Board of Elections will meet here Monday to canvass the vote, it was announced by R. C. Maxwell, assistant secretary.

Grady Urges Repeal Of Iniquitous Law

Raleigh, June 8.—(AP)—Recommendation for repeal of "this iniquitous law that requires sheriffs to sell lands on June 4 or on the first Monday in June, and the 20 per cent penalty also" was urged upon Governor McLean yesterday in a letter received from Judge Henry A. Grady, of Clinton.

The jurist wrote the letter after having been petitioned by 3,500 Duplin county taxpayers seeking restraint of sale of their lands for taxes, he explained. Failure of truck crops in Duplin was blamed for inability of property owners to pay their taxes.

Judge Grady explained that he had granted injunctions such as sought in several eastern counties although he knew of no legal grounds for basing his action.

Breaks Engagement to Marry

Madrid, June 8.—(AP)—Premier Primo De Rivera, has broken off his engagement to marry Mercedes Castellanos, says an official announcement issued late today.

The decision to break off the engagement was made at 2 o'clock this afternoon and announcement of it was made at 6 o'clock this evening.

KINSTON WINS LAST GAME OF SERIES HERE

Greenville and Kinston made an even break of the two game series at the fair grounds here yesterday afternoon when the visitors won the afternoon's tilt by the score of 3 to 2. There was nothing at all spectacular about the contest. It was simply a case of too many errors on the part of the locals and the ability of the visitors to hit when-hits counted for tallies.

Kinston took the lead by stoving two runners across the rubber in the third inning, another in the sixth and three more in the eighth. Greenville made a desperate effort to overcome the lead in the ninth frame when five runners were shown across the plate in rapid succession. Finlator had a splendid opportunity of saving the day after the five runs were made when he went to the bat with two down and two on the sacks. He fell before the masterful hurling of Elmore, however, whose teammates left the field consoled by the even split of the series.

Allen did mound duty for the locals. He was wild and ineffective and was credited with three errors that resulted in the first two runners getting around the circuit. Sprull hurried effectively for Kinston until the ninth when the locals found him for six bingles in a row. He yielded a total of eleven hits which his teammates succeeded in duplicating off the delivery of the Greenville moundman.

The game was devoid of anything out of the ordinary with exception of a running one hand catch by Hartley, playing centerfield for Kinston, and three fast double plays by the visitors.

Greenville left today for Wilmington where they will take on the league leaders for a two game series. These will be two of the most crucial games of the week as the Pirates will fight harder than ever to hold the berth at the top of the standing of clubs column which they succeeded in acquiring yesterday.

The box score of yesterday's game follows:
Kinston: AB R H PO A E
Orvin, 2b 5 0 0 1 6 0
Renzan, ss 5 1 2 5 5 1
Batley, cf 5 1 1 4 0 0
Walker, 3b 3 2 1 2 0 0
Parks, lf 3 3 2 0 0 0
Whitnell, lb 1 0 1 14 0 0
Epps, rf 4 0 2 2 0 0
Hubert, c 4 0 2 2 0 0
Sprull, p 4 1 1 0 4 0

Wilmington Gets On Topmost Deck In E. C. League

(By the Associated Press)

Hal Weaver's Pirates clambered on top deck of the good ship, Eastern Carolina League, yesterday after making the Goldbugs walk the plank. The game with four homers among the numerous thrillers exhibited was taken by the score of 7 to 6 in the tenth after two batters had already been retired. The Highlanders were downed by the Rocky Mount Buccaneers 5 to 4, pressing the aggregation closer to the second division percentage. Rocky Mount remained in the cellar, however, held by a small but substantial margin.

The Kinston Eagles evened the series count with Greenville by taking the second game 9 to 6. No appreciable change in the standing of these clubs was marked up.

Yesterday's Results

EAST CAROLINA LEAGUE.
Rocky Mount 5; Fayetteville 4.
Kinston 9; Greenville 6.
Wilmington 6; Goldboro 5 (10 innings).

PIEDMONT LEAGUE
Winston-Salem 4; Raleigh 1.
Salisbury 6; Greensboro 5.
High Point 8; Durham 5.

AMERICAN LEAGUE
Detroit 5; Boston 2.
Washington 7; Chicago 5.
St. Louis 4; Philadelphia 1.
New York 8; Cleveland 2.

NATIONAL LEAGUE
Pittsburgh 8; Boston 6 (12 innings).
New York 4; St. Louis 3.
Philadelphia 4; Chicago 2.
Brooklyn 1; Cincinnati 0.

Salisbury Halts March of Pirates

(By the Associated Press)

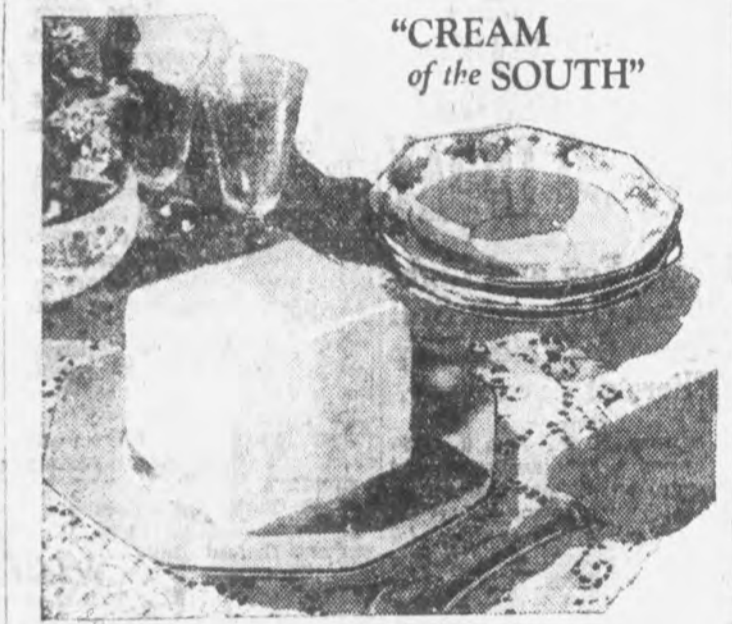

For the second successive day the league leading Greensboro Patriots were checked in their march for the Piedmont championship flag by Salisbury. With tight play being exhibited by both aggregations, the Colonials pushed through the final stretch with a 6 to 5 victory chalked up.

By making it two straight from the Durham Bulls, the Painters gained prestige in the percentage column and became a visible contender again for the pennant rating column. The Bulls were let

down in the seventh, and trampled back to their cellar stall, where they appear to have set up quarters for an extended stay. Winston-Salem had little difficulty in claiming a 4 to 1 victory over Raleigh and thereby strengthening hold on third position, which has not rocketed high into the percentage clouds.

Detroit—Sergeant Sammy Baker, Mitchel Field, N. Y., and Jack McCarthy, Chicago, no contest (5).

The GENERAL TIRE

It's the SECOND year that makes the big hit.

You wouldn't sit unnaturally

—why sleep in a bed that sags?

Sitting in a cramped position is immediately tiring. A sagging bed curves the spine the same way—prevents restful comfort.

When you sleep on a Rome De Luxe bedspring the spine is straight and natural; the body is fully relaxed.

MANY sagging beds are comfortable because of long use. But actually the body is forced into strained, tiring positions. Most people sleep this way, never realizing the harmful results of the unnatural position they have become accustomed to.

Enjoy this new deep sleep right now. We will gladly bring a Rome De Luxe bedspring to your home for a trial. Phone us today for details, and let us give you a copy of Dr. Royal S. Copeland's interesting booklet, "How Better Sleep Builds Better Health."

Sagging, with its many ill effects, is impossible when you sleep on a De Luxe bedspring. Every coil in a De Luxe moves independently of all other coils, yielding to the pressure of hips and shoulders yet rising to relieve all strain on the vital organs between. The spine lies naturally, straight and free from strain. Nerves and muscles are fully relaxed... refreshing sleep comes quickly.

Bennett Moseley returned yesterday from Augusta Military Academy, Fort Defiance, Va., where he has been a student for the past session.

A Letter From Mrs. Barnes.
Dunn, N. C.
Claude Tunstall, Agent, Provident Life & Accident Co.
Dear Sir:—
Your company recently mailed check in full payment for cut hair. Wish to say your \$5.00 auto. and travel policy is a good one. Thank you for prompt attention, I am,
Yours truly,
Mrs. J. H. Barnes.

Heath-Allen.
(By Rev. C. J. Harris.)
Yesterday, at 9:30 o'clock, in Belvoir township, at the home of the officiator, a quiet and beautiful marriage in the presence of a few friends was solemnized by the writer when Miss Nora Lee Allen, the accomplished and charming daughter of Mr. Henry Allen, became the loving and attractive bride of Mr. Herman Heath.

Miss Allen is one of Pitt county's pretty and highly esteemed women, and her friends are many. She resides a few miles from Greenville.

Mr. Heath is the young and handsome son of Mr. Ben Heath, of Greenville, and has a bright future before him.

Immediately after the ceremony Mr. and Mrs. Heath left for parts unknown to the writer. They will make their home near Greenville, May peace, joy and prosperity ever accompany them on their happy voyage on the beloved sea of marriage life.

Man in his natural state. Craves a fair, sympathizing mate. That his heart in hers may beat. Where's love's ideal and aspirations meet.

Hence:—
"There came a female form more soft, more fair,
And Eden smiled to see the stranger there;
Then tones of joy from harp's seraphic sung;
The stars of morning in their chorus sung,
Earth echoed back a heart of grateful love,
From every valley, cavern, stream and grove,
Man filled with praise in praise in solemn rapture stood,
God bowed to view His work and God pronounced it good."

Therefore, man should take a wife. An essential helpmeet thru life. Created by the All-Wise Hand, To excel all for the glory of man.

University Commencement Begins.
Chapel Hill, June 8.—(AP)—The University of North Carolina campus, traditional of many things, today began its 133rd annual commencement.

Annual class day exercises with the seniors in charge were held today. Governor McLean was to address the 346 graduates at their banquet tonight.

Saturday will be alumni day.

Attend Brown-Howard Wedding.
Mrs. Nana Brown, Mrs. Jack Dillon, Mrs. Nannie White, Mrs. J. L. Fleming, Mrs. Curtis Perkins, Mrs. S. T. White, Miss Margaret Fleming and Miss Mary Lou White left today for Rocky Mount to attend a reception at the country club given by Mrs. M. I. Fleming in honor of Miss Elizabeth Howard, who will be married to Mr. Jack S. Brown, Saturday evening in Whitakers. They will go from Rocky Mount to Whitakers for the wedding. David Moore and J. H. Waldrop will also attend the wedding.

T. E. L. Class To Meet.
The T. E. L. Class of the Immanuel Baptist church will meet at the church tomorrow evening at eight o'clock. Officers of the church will be hosts. A large attendance is desired.

Says Republicans Will Stand With Herbert Hoover
Kansas City, June 8.—(AP)—Mrs. Ruth Hanna McCormick, director of publicity for the anti-Hoover coalition, declared today that the campaign of opposition was not based on personalities and that if Hoover is nominated all Republicans will support him.

The plan of the coalition, she said before the delegates the superior merits of Lowden, Curtis or Watson over Hoover for the nomination in order for the Republican party to be placed in a better position to carry the election.

The campaign to show that Hoover's nomination would mean a hard fight for the party in November, will continue, Mrs. McCormick added, in the hope that the delegates will realize that the Republicans will have an easier time next November by accepting some one else than Hoover.

"There is nothing sinister about our campaign," she said, "and we are in no way to be considered as booters or with the intention of bolting. We will do all we can to nominate someone we think it better for the party nationally than Mr. Hoover, but if he should win the nomination all Republicans will support him. There are no personalities involved in this movement."

Called To Edenton.
Mr. and Mrs. J. B. Spilman and children were called to Edenton Wednesday evening on account of the critical illness of Mrs. Spilman's mother.

Notice To Shareholders.
The annual meeting of shareholders of the Home Building & Loan Association will be held Friday evening, June 8th, 8 p. m., in the Mayor's office, Greenville, N. C. All shareholders are urged to be present.

H. A. WHITE.

Asheville Flower Show Nears End

Asheville, June 8.—(AP)—With 14 pretty girls to parade before group of judges in the festival of the states ball at Kenilworth Inn, Asheville's first annual rhododendron festival will close tonight. Last night 20,000 persons witnessed the burlesque parade and street dancing carnival on Battery Park Hill.

EXECUTE BOYS AND GIRLS AT CANTON
Canton, China, June 8.—(AP)—Fourteen girls and three school boys all arrested in communist raids and described as confessed "Red" were executed today.

AIRPORT NEEDED
 An airplane, apparently
 an army plane, circling over
 our city for about thirty
 minutes shortly after noon
 today, then heading off into
 the northeast, again
 brought forcibly to our at-
 tention just how badly
 Greenville needs an airport.
 To begin with the flying age
 is at hand, and no city with-
 out a place to take care of
 airplanes can be considered
 up-to-date. Knowing that
 we were without landing
 fields except one private
 field, and that unmarked,
 we wondered just what a
 predicament today's visitor
 would have found himself in
 had it become necessary for
 him to land here. By all
 means our city should have
 a suitable airport and the
 roofs of the buildings in our
 city should be so marked
 that visiting fliers might easily
 get their bearings when
 they arrive here. An airport
 is a good advertisement and
 a great asset to any city.
 Why shouldn't we have one?

**LET US HAVE "REAL"
 TAX REDUCTION**
 If we are to enjoy "real"
 tax reduction, it is not nec-
 essary to cut out progress
 and needed improvements,
 but it is necessary to cut out
 nonessentials, experiments
 and political hobbies which
 add to the overhead of gov-
 ernment without giving added
 advantages comparable
 with their cost.

**CARELESSNESS CAUSES
 MOST ACCIDENTS**
 Ninety per cent of all in-
 dustrial, home, street and
 highway accidents are from
 trivial causes.
 "Major violations of the
 law and spectacular acts of
 criminal negligence produce
 but a small fraction of the
 total number of deaths and
 injuries that occur annually,"
 declared Marcus A. Dow,
 eminent safety engineer.
 "Boards left lying on fac-
 tory floors with nails stick-
 ing up in them cause more
 serious injuries than boiler
 explosions. In private homes,
 more people are killed and
 seriously hurt by falling
 down stairs than are killed
 and injured in fires.
 "The majority of street
 accidents are caused by lit-
 tle acts of thoughtlessness
 rather than by drunkenness
 or other violations of the
 law in driving automobiles."
 A careful analysis of
 street and highway acci-
 dents shows that about 15
 per cent are caused by back-
 ing up carelessly to get out
 of parking spaces. Failure
 to get under proper control
 when approaching street
 intersections causes another

15 per cent. Following too
 close behind a vehicle to al-
 low proper braking dis-
 tance accounts for 12 per
 cent of accidents. Im-
 proper signalling causes 10
 per cent, and skidding eight
 per cent. Miscellaneous
 small of neglect cause 30
 per cent, while drunkenness
 and other violations of the
 law cause only 10 per cent
 of accidents.

**ABOUT
 TOWN**

We are beginning to move a few
 Irish potatoes at present time, but
 our season hasn't opened by any
 means yet," S. M. Jones, well known
 Bethel citizen told the writer while
 visiting Greenville yesterday.

"We have produced one of the
 greatest crops in years, but the price
 situation is so unfavorable we will
 not get much for our labors.

"There is no reason for the poor
 man not eating all the potatoes he
 wants this year. He may have de-
 nied himself in the past because of
 high prices but he can buy all he
 wants now without his pocketbook
 being much worse off.

"Such low prices are to be de-
 plored but they invariably accom-
 pany bumper crops."

"Greenville people are responding
 slowly to the call for funds to pro-
 vide season tickets to ball games for
 children of the city between the
 ages of 6 to 10 years."

This expression came from a busi-
 ness man who contributed liberal-
 ly to the fund when it was first
 mentioned. He believes there are
 numbers of children in the city
 that will not be able to attend the
 games unless the movement to raise
 \$115.00 is a success.

"This is mighty little money to
 provide a wholesome brand of rec-
 reation for the children between
 these ages, and it is to be hoped our
 people will get busy and contribute
 so liberally that the season tickets
 may be delivered before the first
 of next week.

If you haven't given to this great
 cause get busy and do so at once."

"Invest in Greenville real estate—
 it's one of the best investments you
 can get at this time," was the
 advice of one of our realtors today,
 as he discussed the number of homes
 going up in different parts of the
 city.

"Greenville is experiencing the
 most healthy growth of any town
 in this section of the state and it
 will not be long now before the
 splendid residential sub-divisions
 within easy reach of the business
 district will be completely disposed
 of.

"People are building every day now
 New homes make their appearance
 almost like magic. They spring up
 not over night—but the end of
 every week and month seems the
 beginning of some and completion
 of others.

"If you are contemplating build-
 ing, buy a lot in one of these good
 locations and erect a comfortable
 little home of your own. You will
 be glad you did, before the town
 grows much older."

"The growth of the Greenville
 Merchants Association is like that
 of the great town it represents—
 steady and wholesome," remarked a
 local business man today.

"The Association has added sev-
 eral new members during the last
 few months. It is today considered
 one of the most thriving organiza-
 tions of its kind in the state.

"It is doing a work in Greenville
 no other organization is capable of
 doing. It has taken the place of
 a chamber of commerce for so long
 that the general public accepts it
 in this light, content with letting
 its membership put across projects
 of expansion handled by chambers
 of commerce in other cities of the
 country.

**FUNERAL DIRECTORS
 CONCLUDE SESSIONS**
 Elizabeth City, June 8.—(AP)—
 After elevating Dan G. Shaw, of
 New Bern, from first vice-president
 to president, the North Carolina
 funeral directors today returned to
 their homes, having adjourned their
 annual session here.
 Ben Douglass, Charlotte, was
 elected first vice-president; Geo. B.
 Wynn, Durham, second vice-presi-
 dent; Henry L. Hanes, Greensboro,
 third vice-president and H. P. Yel-
 erton, Wilson, re-elected sec-
 retary-treasurer.

The 1928 session will be held at
 Pinehurst.

**HOLD FUNERAL FOR GIRL
 KILLED BY TRUCK**
 Asheville, N. C., June 8.—(AP)—
 Funeral services for Eleanor Wag-
 ner, 12, daughter of J. C. Wagner,
 of West Asheville, killed beneath
 the wheels of a truck here yester-
 day afternoon, were to be held to-
 day in Newton, former residence of
 the Wagners. B. D. Johnson, driver
 of the truck, was freed of blame in
 the accident when a coroner's jury
 found the child's death accidental.

Has Chance to Recover
 Greensboro, N. C., June 8.—(AP)—
 Though unconscious for the past
 nine days, Robert V. Kennett, Jr.,
 Greensboro lad, still has a chance
 for recovery, attending surgeons de-
 clare.
 He was struck by an automobile
 last week and received a severe
 skull fracture. An operation was
 performed to relieve the pressure of
 fragments of bone on the brain.

**INDUSTRY BASED ON MILK
 RISES IN NEW MEXICO**
 Portales, N. M., (AP)—New Mex-
 ico cowboys whose "store bought"
 lunch usually includes cheese, now
 are eating a produce manufactured
 in their own state.
 The steady increase in the num-
 ber of dairy cattle in a country
 once devoted exclusively to beef
 stock has resulted in the establish-
 ment of the cheese industry. The
 first factory is located in Portales,
 producing 1,000 pounds of cheese
 daily. The output eventually will

be increased to 8,000 pounds a day.
 The Joss brothers, who operate
 the plant, declare for the New Mex-
 ico climate is ideal for the industry.
 They learned cheese making in
 Switzerland, but they are manu-
 facturing American instead of the
 Swiss cheese.
 Air Navigation Classes.
 Paris, (AP)—Air navigation is
 being taught for the first time in
 regular classes here. Every passen-
 ger plane must carry a licensed
 navigator beginning next year.

**PLANES SCARE FOXES
 BREEDERS COMPLAIN**
 Wisconsin Rapids, Wis., (AP)—
 Airplanes whirling over silver fox
 farms in Wisconsin Rapids consti-
 tute a real menace to the animals.
 "A mother fox, when frightened,
 buries her young and unless the
 animals can be unearthed at once
 they die, breeders say. Keepers
 of one farm said six mother foxes
 were frantically burying their off-
 spring when a plane passed over.

**SERVICE,
 with every tire~**

OUR tire service means more than applying tires. The care and attention we give your tires after, adds greatly to mileage. We discover and repair tread cuts and nail holes, and align wheels to prevent dragging which grinds away tread rubber. We inspect rims, as bent flanges cause tires to break at the beads. We test valves, as slow air leaks cause loss of mileage through under-inflation. When you buy here, you get your money's worth. Use our service facilities and get full mileage from your tires. Come in today! We will save you money and serve you better.

Market Report Cotton--Stocks--Grain

NEW YORK COTTON

New York, June 8.—(AP)—Open declines in response to easier Liverpool cables were followed by rallies in the cotton market today. On apprehension of unfavorable weather developments over the week-end advances met a renewal of week-end realizing or liquidation, however, and trading was quiet; prices showing a tendency to sag off. October was selling around 20.60 in mid-afternoon, active months generally showing net losses of about 3 to 5 points.

Futures closed steady 2 points higher to 7 lower; spot quiet; mid-ling 21.05.

Cotton futures closed:

Dec. 20.42	20.60	20.41	20.51	10.54

CHICAGO GRAIN

Chicago, June 8.—(AP)—Good gains in the Red River valley and Canada together with more optimistic reports generally from the northwest had a bearish effect on wheat. Rallies were numerous, though on account of even-up for the government crop report due this afternoon. Export demand was better, and it was estimated that Europe took one million bushels from North America today for prompt shipment.

Wheat closed weak 1-2 to 1-1-4 net lower; corn 7-8 to 1 to 2 1-4 off; oats 1-4 to 1-2 down and provisions unchanged to 20 decline.

Prize Winning Letter

Below the letter written by Mrs. C. C. Hilton on "Why I send My Clothes to the Eureka Laundry".

"Above all things, value health," says a famous doctor. And that is why the modern housewife is learning to appreciate more and more the value of the laundry. She knows, by doing so, that her health is safeguarded to a greater extent, and that she thereby procures a longer and happier life. Every wife has tried at some time to cut down expenses by doing part or all of the family washing. This means that she must devote the most of two days each week to just that—washing one day and ironing the next. But the average housewife can't devote the majority of two days to just doing that because the house must be cared for and the meals prepared. Consequently, she attempts to accomplish all, and suffers physically as a result.

It is an accepted fact that laundry-washed clothes are cleaner. The housewife could not possibly wash and rinse her clothes in as much water as is employed by the Eureka Laundry in caring for clothes; that is, passing the clothes thru nine washings with about forty gallons of water to each washing. Likewise, it would be impossible for the home tub or washer to acquire every improved laundry equipment—such as is employed by the Eureka Laundry—thereby insuring the best results. Too, the housewife naturally lacks the scientific knowledge required for the preparation of the soaps, starches, and purifying agents which is employed in the care of clothes handled by the Eureka Laundry, and which is the true source of spotlessness of Eureka Laundry-washed clothes. Therefore, the author does not hesitate to state that Eureka Laundry-washed clothes touch par in the classification of immaculateness.

If every local housewife could realize that the Eureka Laundry not only safeguards her health and improves the appearance of her clothes, but also insures a longer life for her clothes and helps to keep the wolf "Economy" away from the door, there would never be another family home-washing. The softened water which the Eureka Laundry employs completely removes every germ and bit of dirt which might be a fabric destroyer. And the cylinder washers gently swish the articles of clothing instead of rubbing them, thus lengthening the life of the threads in the materials. Too, only agents which have been chemically tested are employed in the laundering of the clothes—thus eliminating the danger of the clothes being eat or rotted by cheap and unsafe "laundry-aids."

The average family washing for Damp Wash service at the Eureka Laundry costs from \$1.00 to \$1.50, while the same work at home would cost approximately \$2.50—including laundress' hire and meals, washing agents, heat applied, etc. The average family washing for complete service at the Eureka Laundry costs from \$1.50 to \$2.00, while the same work at home would cost approximately \$3.50. So it is easily understood why the Eureka Laundry abets economy.

Therefore, I am forced to concede that it is not only economical from a financial standpoint to send my clothes to the Eureka Laundry, but also it is a preservation of health, insures longer life for my clothes, and guarantees their appearance—thus performing a four-fold duty.

MRS. C. C. HILTON.

STOCK MARKET

New York, June 8.—(AP)—Speculative uneasiness over monetary conditions which was intensified by the increase of nearly \$100,000,000 in brokers' loans last week, was reflected in a sharp downward readjustment of prices in today's stock market. Extreme losses in the active issues ranged from 2 to nearly 10 points although some recoveries took place during the afternoon.

In view of the sharp decrease in prices last week, the huge expansion of loans came as a surprise and was generally attributed to the heavy financing of new securities offerings. Call money was in such plentiful supply that the renewal rate was fixed at 1-2 per cent, as against 6 yesterday and 6 1-2 the day before.

There was little in the day's news to influence the price movement. The Sinclair company announced an advance of 1-2 a cent a gallon in the tank wagon price of gasoline. The National Lumber Association reported that the seasonal curtailment of operations and sales was beginning to make itself felt. Chain stores sales continued in excess of the corresponding period last year.

Selling pressure was most effective against the high priced specialties. Case Threshing broke 9 1-2 points. Wright Aeronautical 8. Archer Daniels Midland 7 1-4 and International Harvester 7. Declines of 4 points or more were recorded by more than a score issues including A. M. Byers, Delaware and Hudson, Atlantic Refining, Frank G. Shattuck, Packard Motors, Adams Express, and Midland Steel Products preferred.

The closing was heavy. Total sales approximated 3,200,000 shares.

Purdue Has Big Program

Lafayette, Ind., June 8.—(AP)—Flying tackles, guards, ends and backs will be something more than figures of speech if coach Jimmy Phelan's plan to transport his Purdue university football team to the West Coast next year is executed.

Phelan hopes to arrange a game with California at Berkeley for October 5, 1929. By chartering three airplanes he could leave here with his squad, arriving at Berkeley the next day. The squad would start back by plane after the game, arriving Monday, October 7, in plenty of time to practice for the Michigan game October 12.

DODGERS LICK REDS IN HARD FOUGHT GAME

(By the Associated Press)
Raked by Brooklyn rifle fire, the Cincinnati Reds today found most of the National League park yelping uncomfortably close upon their heels.

Old Bill Doak, who gave up baseball to dabble in real estate and then decided it was a mistake, pitched the Dodgers to a sensational 11-inning 1-0 victory over the Reds at Brooklyn yesterday.

Meanwhile the New York Giants nosed out the St. Louis Cards 4 to 3 at the Polo grounds and moved up to within a game and a half of the league leaders.

Pete Scott's home run, a single by Sparky Adams and Lloyd Warner's double gave the Pittsburgh Pirates two runs in the twelfth inning and an eight to six triumph over the Boston Braves. Five home runs were made, Scott getting two, the others going to Hornsby, Barnhart and Taylor.

The Philadelphia Nationals broke their nine game losing streak at the expense of the Chicago Cubs, Ray Benge turning in a 4 to 2 six-hit victory.

The New York Yanks stretched their American League lead to 10 full games by defeating the Cleveland Indians 8 to 2. Ruth hit his 20th homer of the season and Gehrig got his 12th.

Alvin Crowder allowed but four hits as the Browns defeated the Athletics at St. Louis 4 to 1.

The Boston Red Sox found Owen Carroll a puzzle and Detroit took a 5-2 win at Navin field.

Chicago fell into last place in the standing when the Red Sox bowled to Washington 7 to 5. Bucky Harris returned to the lineup.

MIKE STILL HAS PLENTY OF PUNCH

New York, June 8.—(AP)—There is still plenty of life in the body of Mike McTigue, the ancient mariner of the right racket, plenty of sting in his right hand and plenty of grey matter under his thinning thatch. For the benefit of Armand Emanuel, latest light heavyweight sensation from San Francisco, Mike proved all that last night in Madison Square Garden, although he lost the decision in ten rounds to the clever, strong youngster who fought him a draw several weeks ago. Mike thrilled 8,000 customers with a stirring display of ringmanship and ship and punching power that had Emanuel on the floor for a count of nine in the first round.

Sally Leadership At Stake Today

Asheville and Nagon are out for blood in their current series, the second game of which is being played today with the leadership of the South Atlantic Association at stake. The Peaches cut the Tourist lead down to a slim three and one-half games yesterday, winning out 8 to 7, in an 11-inning battle. An uphill fight was waged by the good men, two runs in the ninth putting them on even terms with the Skylanders for the first time. Thirty-three hits were made during the contest, the winners coming through with 17 of them. Columbia was unable to weather a storm of 16 Knoxville hits and the Smokies won out 10 to 5. Seven double plays featured the fray, Knoxville turning in five of the twin killings. Williams and Clarke, rival short-fielders, had big times in the field, the former handling 11 chances perfectly and the latter doing his stuff on ten. Brown was stingy with base hits, giving up only four and Charlotte romped to a 6-0 victory over Spartanburg. The Hornets got next to Warhop for an even dozen bingles. Greenville nosed out 4 to 3, Tille Walker's 13th homer of the season with one on base providing the margin of victory. The winners secured only five hits off Stauffer while the losers were connecting for eleven off of Mitchell.

Fights Last Night

New York.—Armand Emanuel, San Francisco, defeated Mike McTigue (10). Joe Monte, Boston, beat James J. Braddock, Jersey City, (10). Harry Ebbeis, New York, technically knocked out Ollie Joyner, Orlando, Fla., (4). Fort Thomas, Ky.—Harry McCarthy, Cincinnati, won from Willie Yap, Indianapolis (10). Earl Baker, Cincinnati, beat Casey Jones, Indianapolis (six).
