

THE WEATHER

Partly cloudy tonight and Tuesday; local thundershowers Tuesday and in extreme west portion tonight; gentle southwest winds.

MISS EARHART FLIES OVER TO BOSTON TODAY

Trans-Atlantic Flyer Accompanied by Wilmer Stultz in Another Plane.

Boston, July 9.—(AP)—Amelia Earhart, first woman to fly across the Atlantic, came home today to warm a greeting from her fellow townsmen. With her were Wilmer Stultz and Louis Gordon, who made the notable flight with her last month.

As Miss Earhart stepped out of the Ford plane which had brought her from New York to the East Boston airport, Lieutenant Governor Frank G. Allen and a reception committee presented her with a large bouquet of flowers.

After being greeted by her mother and sister Miss Earhart and her companions entered an automobile for a parade through Chelsea and Charleston to Boston, where they were to be taken to the chamber of commerce for luncheon.

The remainder of the way was to be given up to a reception by the staff of Denison house, the south end settlement where Miss Earhart is employed; a brief rest, a reception by Governor Fuller at the state house, a public reception at the Parkman stand on the common late in the afternoon and formal exercises at the arena this evening.

Curtis Field, N. Y., July 9.—(AP)—Miss Amelia Earhart, first woman passenger on a successful flight across the Atlantic, hopped off for Boston at 9:06 a. m. today in a tri-motored plane.

M. C. Brown, pilot of the Ford Motor Company, was at the controls of a Ford plane containing Miss Earhart, George P. Putnam, backer of the Atlantic flight, and Mrs. Putnam, and four Boston reporters.

Miss Earhart's plane was followed a minute later by a tri-motored Pucker-plane, with Wilmer Stultz, her pilot on the trans-Atlantic venture, at the stick. With Stultz were Lou Gordon, mechanic on the ocean flight; Miss Anne Bruce, his fiancée; Stultz, Miss Marie O'Connor, representative of Mr. Putnam, two newspapermen and Lieut. Colonel John Hamilton, of the New York airways which furnished the plane.

The two planes are due at the Boston airport at 11:30 a. m.

Chicago, July 9.—(AP)—If Amelia Earhart has her way, Lou Gordon, mechanic of the monoplane Friendship, will be married soon. Alderman Grossman, back from New York representing Chicago at Miss Earhart's arrival from Europe, said he had Gordon's promise that "if we can postpone it that long we'll be delighted to be married in Chicago."

"I'm particularly anxious to have the wedding take place here," Alderman Grossman explained, "because our Amelia begged us to feature Gordon. She insisted that it was his superhuman courage and skill that made the Friendship's trans-Atlantic flight possible and she complained that he hadn't received an iota of the credit."

If Gordon's wedding does take place here, the ceremony will be held at the reception July 20, the newspaper said.

Christian Voters Requested to Vote For Dry Element

Lake Junaluska, July 9.—(AP)—Resolutions calling upon Christian voters to vote for the election of national and state officers "whose records and acts show them to be favorable to prohibition" and whose enforcement were adopted here yesterday by the social service conference of the Methodist Episcopal Church, South.

The meeting which ended yesterday, was held under the auspices of the denomination's board of temperance and social service. His action reaffirmed the church's position on the question of temperance and social service.

The resolutions expressed the belief that the church, as an organization, should avoid alliance with any political party; declared faith in prohibition as a national policy; conviction that moral and civic conditions under prohibition, while not ideal, "are incomparably better than under the old policy; urged a law enforcement crusade to counteract the "campaign for nullification of the 18 amendment and called upon preachers and teachers to give voice to the social creed of the church and upon members to "assert their influence as patriotic citizens."

Bishop James Cannon, Jr., chairman of the board, was elected the board's representative to the international conference on alcoholism at Antwerp next month.

CALL FARMER-LABOR CONVENTION

The farmer-labor party meets in Chicago July 10 to nominate a President and vice-President and adopt a platform declaring for the McNary-Haugen farm relief bill. The meeting was called by Bert Martin (right) of Denver, national secretary, and Charles C. Shirley, of Chicago, northwestern chairman.

Three Hundred Drown When Chilean Steamer Goes Down On Rocks

Santiago Chile, July 9.—(AP)—Of some three hundred persons who were aboard the army transport Angamos only four were alive today to tell how the vessel had pounded to pieces on the rocks. The catastrophe which claimed upward of 300 lives occurred at Punta Chumpe, near the south Chilean coast town of Lebu, Friday night.

The captain unable to avert disaster, committed suicide on the bridge. Eighty bodies were found on the beach near Coronel but the exact number who perished probably will never be known since after leaving Punta Arenas with 291 persons aboard the vessel made several stops enroute picking up additional passengers.

Public funeral services will be held at Concepcion on Tuesday. The flags of the provincial government building and the consulate were flying at half mast today.

The ship had been loading material for the Chilean navy in the Gulf of Arauco when a storm broke late in the afternoon. The vessel left the bay to ride it out. For several hours she struggled against wind and wave and was badly battered. The heavy seas smashed the rudder. The ship started to drift toward the breakers. Frantic appeals for help were sent out. None came. At 10 P. M. the vessel crashed on the rocks about 300 yards from the shore.

Frantic attempts to launch life boats were made. They capsized as soon as they were lowered into the tremendous seas. Their human freight was tossed on the rocks by the breakers or drawn back into the angry sea.

Men, woman and children perished in the seas while others remained huddled on the deck crying piteously and in vain for help. Through the roar of the storm, the shrill blasts of the ship's whistle sounded continuously, calling for aid. Above the bedlam the sharp report of Commander Ismael Suarez' pistol rang out and he fell dead at his post on the bridge.

The vessel had filled rapidly with water and three hours after she struck was virtually buried under the waves. The ship then broke in two and the few who remained aboard were thrown into the sea. One of the survivors, Jose Aguilera, an army conscript, said in a hospital at Belen:

"My companions and I were saved only because God is great. The only thing I remember is that after being thrown into the water I clutched a floating timber. A huge wave raised me thirty feet into the air and dashed me against a rock. I do not recall what took place afterward. When I recovered consciousness, I found myself, stark naked, sprawled upon the beach."

Another survivor, Andrew Carrillo a sailor said he could not explain how he was saved. After being cast on the beach naked he looked for the ship but could see nothing. He thought it had gone down.

Carrillo made his way to the nearest house. He was refused admittance, the inhabitants thinking him a tramp. After an hour of argument he convinced the housewife that he really needed assistance. After a brief rest they set out in search of other survivors. They found three army conscripts, Aguilera, Humberto Sepulveda and Humberto Diaz, all naked.

The ministry of marine announced that when the cruiser Zenteno and the destroyer Williams reached the scene they found no trace of the Angamos, nor any survivors. They had been ordered to proceed there with the tender Elcubana from the naval station at Talcahuano. They were sent in response to signals picked up by the steamer Tapapaca and relayed to the naval station.

The Tapapaca intercepted a weak message from the Angamos at 10:40 Friday night saying the transport was in difficulties but not giving its position.

The passengers aboard the Anga-

BIG RAILROAD MAGNATE DIES AT CAPE COD

Howard Elliott, New Haven and Hartford Railroad Head, Dies of Heart Trouble.

Dennis, Mass., July 9.—(AP)—Howard Elliott, noted railroad executive whose success in establishing public confidence contributed largely to prosperity of three great lines, is dead.

The former president of Northern Pacific and New York, New Haven and Hartford railroads and vice president of the Burlington, succumbed late last night to an attack of heart disease at the Cape Cod summer house of his daughter Mrs. Frederick Wilson.

Under his guidance the Northern Pacific regained good will to the extent that under his regime it doubled its capacity and business. He made such a record that his services were obtained by the New Haven railroad and as president he was credited with rehabilitating it.

He started railroading while still a student at Harvard when he accepted a job as a roadman in a survey crew. His rise was rapid.

He was a vice-president of the Burlington system when the late James J. Hill, picked him for the presidency of the Northern Pacific, a post he held for 10 years until the New Haven found itself badly in need of someone to revitalize the system replacing the late Charles S. Mellon, whose policies had been under fire. Mr. Elliott averted a financial crisis for the New Haven, staved off a threatened government investigation and worked the complete physical and financial rehabilitation of the road.

He was born in New York on December 6, 1860, and in 1892 married Janet Algeron of St. Louis who died in 1925. They had two daughters and a son.

In addition to his many other activities, Mr. Elliott was president of the board of overseers of Harvard University. He made his home in New York City.

PROFESSIONAL WOMEN MEET IN NEW ORLEANS

New Orleans, July 9.—(AP)—More than 1,200 business and professional women from all parts of the United States, were here today for the National Federation of Business and Professional Women's Club convention which opens tonight with a program of addresses and a reception to the national officers. The formal opening of the sessions will take place tomorrow morning, with the final session coming Friday.

Addresses of welcome at the reception tonight will be delivered by Governor Graves, of Alabama, Governor Bilbo, of Mississippi, and Col. William T. DuFour, representing Governor Long of Louisiana.

ONE KILLED, 10 HURT IN TRAIN WRECK

Two Georgia Passenger Trains Collide Head-on at Blind Curve at Curtis.

Blue Ridge, Ga., July 9.—(AP)—W. H. Miller of Atlanta, an engineer, was killed, and six trainmen and four passengers injured when two local passenger trains running on the "old line" between Atlanta and Knoxville, Tenn., collided head-on at Curtis, Ga., four miles north of here, last night.

The wreck occurred on a blind curve, giving neither engineer time to apply brakes. The injured were brought here immediately and placed aboard a special train bound for Atlanta where they will be placed in a hospital. A local physician accompanied them.

The engineer who was killed, was running the northbound train and Ben Miller, his son, was fireman. He was only slightly injured. Other injured trainmen included Wade Lyons, of Knoxville, engineer of the southbound train, both legs broken; George B. Olvey, Knoxville, his fireman; G. R. Sims, Knoxville, express messenger; J. L. Kerr, Knoxville, flagman, and M. G. Bailey, baggageman, also of Knoxville. All of the injured trainmen except Miller were members of the crew of the southbound train. Cause of the wreck has not been definitely determined.

Shunning as long as possible the actual tasks of convention routine which will continue through Friday, many of the delegates arranged to desert their headquarters after breakfast and motor to De Lido Island for an amateur and professional trap shooting match.

Twenty Children Killed By Blast Of Hand Grenade

Vienna, July 9.—(AP)—Dis-patches from Kattowitz, upper Silesia, say that twenty children were killed today when one of them picked up a hand grenade which exploded. Kattowitz was the scene of much fighting during the world war.

SMITH SEEKS ADVICE ABOUT HIS CAMPAIGN

New York Governor To Confer With Senator Robinson of Arkansas Today.

Albany, N. Y., July 9.—(AP)—Governor Smith is shaping up his campaign plans in consultation with others.

Although he will have the final say both as to organization and strategy, he is indicating that he has no reconceived ideas as to what should be done by seeking the advice of various party leaders.

Already he has gone over the situation with some of his close friends who attended the Houston convention, and has as his house guest Senator Pittman of Nevada, who served as chairman of the convention platform committee.

Today the Governor looked forward to a chat with Senator Robinson of Arkansas, his running mate. He had the assurance of Senator Reed of Missouri that he would come east to co-operate in campaign planning. He has arranged to take part in the deliberations of the Democratic national committee. At that time it is expected that a campaign manager will be named and dates set for the official notification of both of the Democratic nominees.

Senator Robinson, on his way from his home in Arkansas to the New York committee meeting, advised Governor Smith that he would stop in Albany late today, and that he would have with him Jesse H. Jones, of Houston. After a ninety minute stay here, both planned to continue on their way, leaving the Presidential nominee and Senator Pittman to make the trip down the Hudson by automobile tomorrow.

Just when and where Senator Reed of Missouri, who made a determined fight for the Democratic nomination, would see the man named by the Houston convention has not been disclosed but it was reported that they would meet at the Biltmore in New York. Reed, one of the most vigorous of campaigners, has declared a willingness to do his utmost in behalf of the Smith-Robinson ticket and he is coming east to confer with the New York Governor at the nominee's request. He planned to leave St. Louis today.

The stumping plans of neither Governor Smith nor his running mate has been determined, although it is expected that both will take to the road about labor day and press their campaign, vigorously and extensively, without letup until election day in November. Smith has declined to be drawn out as to what he has in mind until after his mid-week meeting with the national committee, but has indicated that after that he will give some inkling as to the type of campaign he will pursue.

In his motor trip down the river tomorrow, Mr. Smith plans to pay his annual visit at the Boy Scouts camp at Bear Mountain Park, and to drop in at the national guard camp across the river near Peekskill. He will arrive in New York either late tomorrow or early Wednesday, and he plans to return to Albany Thursday or Friday.

SPANISH-AMERICAN WAR HEROES AT DURHAM

Durham, July 9.—(AP)—Men who fought Spain that Cuba might be freed today gathered in Durham for the annual encampment of Spanish American war veterans who reside in North Carolina.

The opening session got under way this morning at convention headquarters, Washington Duke Hotel, with Commander J. C. Benjamin of Raleigh, presiding. Report of the resolutions committee, which met last night in preliminary session, was scheduled to be made, as was further business and election of officers later in the day.

COTTON PRICE BREAK AFTER ACREAGE REPORT

New York, July 9.—(AP)—Cotton prices broke more than \$2.50 per bale today on the New York cotton exchange when the government report estimating cotton acreage in cultivation showed an increase of 11.14 per cent over last year.

COURTNEY IS FORCED BACK BY ELEMENTS

British Flyer Hops off At Azores, But is Forced To Return in Storms.

Horta, Island of Fayal, Azores, July 9.—(AP)—Captain Frank T. Courtney, who attempted a trans-Atlantic flight last year and got no further than the coast of Spain, has failed in his first attempt this year.

Hopping off at 6:25 a. m. Greenwich meridian time (1:25 a. m. eastern standard time) Sunday for Halifax, he returned ten hours later. Fog and strong winds forced him to put back.

Before he turned his progress westward had twice been reported. At 8:30 a. m. Greenwich time, the steamers LaFayette and Balmoral Castle received this radio message from his flying boat: "Bound for Newfoundland. All well."

A radio message relayed by the liner Homeric from the steamship Sagamore stated that the plane had been sighted headed northwest at 10:18 a. m. the position given was latitude 41.46 north and longitude 34 west, or about one-fifth of the distance between Horta and Halifax.

Captain Courtney arrived at Horta on June 28 from Lisbon, Portugal. With him were E. B. Hosmer of Montreal, backer of the flight; Fred Pierce, mechanic, and E. W. Gilmore, radio operator. In E. W. Gilmore, radio operator, the flight his radio was damaged and he was held at Horta until it was repaired. The flyers did not wish the venture upon the long flight across the Atlantic without the wireless as it had proved of great value in direction finding on the Lisbon-Horta flight.

Last year Captain Courtney took off from Plymouth, England, on a trans-Atlantic flight and landed near Corunna Spain. He was delayed there a long time by bad weather and finally gave up the attempt.

SENATOR FROM OREGON DEAD

George E. Chamberlain Dies at Washington After Lingering Illness.

Washington, July 9.—(AP)—Former United States Senator George E. Chamberlain, of Oregon, died at his apartment in the Wardman Park Hotel today, after a lingering illness.

Mrs. Chamberlain, to whom he was married two years ago, and his daughter, Mrs. George F. Blain of Norfolk, Va., were at his bedside.

Funeral arrangements for the former Senator and member of the United States Shipping Board, were not made pending arrival of members of his family.

The former Senator surprised his friends in Washington in July, 1926 when he quietly went to Norfolk and was married to Mrs. Carolyn B. Shelton, who had been clerk to the Senate Military Affairs Committee. Mr. Chamberlain at the time gave his age as 72 and his bride gave hers at 49.

Governor Urges More Economy

Raleigh, July 9.—(AP)—The only remedy for the tax situation in North Carolina is to be found in the series of county government acts passed by the last legislature, Governor McLean declared in a statement issued here yesterday.

"One of the most important considerations coming before the officials in the counties, cities and towns of North Carolina at the present time is that of holding their local tax rate down and practicing rigid economy in the operation of these local units," his statement said.

"The question of the tax burden is becoming more and more a matter of prime importance in the operation of business enterprises," Gov. McLean declared. "The cost involved in the tax burden has become a most important element in the cost of doing business, not only in North Carolina but throughout the United States. Aside from the question of saving to the taxpayers by keeping down the tax rate, it is essential to the continued development of industry."

Aids Arctic Search

Louise A. Boyd, big game hunter of San Rafael, Cal., who had chartered the Norwegian arctic ship Hobby, has turned the ship over to be used by searchers for Roald Amundsen and his five companions, lost in the Arctic.

BEGIN PROBE POSTOFFICES IN GEORGIA

Republican Patronage Given Consideration By Senate Subcommittee.

Atlanta, Ga., July 9.—(AP)—Denial that they had solicited or levied any funds for the Republican state organization from postal employees or others, was made today before the Senate investigating committee by Benjamin J. Davis, negro, former national committeeman, and John W. Martin, treasurer of the state central committee.

Both men declared that any contributions made by postal employees were voluntary so far as they knew.

Atlanta, July 9.—(AP)—An investigation into alleged irregularities in appointment of postmasters under Republican patronage in this state was begun here today by a sub-committee of the senate post-office committee.

Senator Brookhart, Republican, Iowa, sat as chairman of the inquisitorial body, which was empowered by Senate resolution to conduct similar hearings in any state.

With the Iowa senator was Senator Locher, Democrat, Ohio. Senator Oddie, Republican, Nevada, the third member of the subcommittee, was unable to be present but Senator Brookhart said he held the absent member's proxy.

The resolution under which the inquiry was ordered was adopted shortly before adjournment of the last congress. Senators Walter F. George and William J. Harris, of Georgia, co-authors of the resolution, were present today by request of the sub-committee.

Charges of irregularities in distribution of post-offices in Georgia reached a climax last spring with the suicide of L. J. Peterson, Douglas Postmaster, who left a letter blaming his predicament on levies by Republican party leaders in this state.

Similar charges from other sources followed Peterson's letter and other southern senators added their voices to the demand of the Georgia senators for an investigation, claiming that like conditions existed in their states.

The inquiry is expected to be taken to other states upon completion of the hearings here, which probably will last several days.

Ben J. Davis, negro, former Republican national committeeman for Georgia, was the first witness called.

HOOVER'S FATHER-IN-LAW REPORTED IN BAD CONDITION

Placerville, Cal., July 9.—(AP)—Two specialists were called from San Francisco to Placerville last night to attend C. D. Henry, father-in-law of Herbert Hoover, Republican presidential nominee. Mr. Henry, who has been ill here for several days, was reported to have suffered an adverse change in condition. Physicians attending Mr. Henry declared he had completely lost the power of speech and use of his right side. He suffered a light stroke of apoplexy following a heart attack while camping near Placerville.

Mrs. Hoover in Washington, was advised of her father's condition by Mrs. A. V. Laige, Mrs. Hoover's sister, of Palo Alto. Mr. Henry's home is in Monterey, Calif.

EAST GRIPPED BY HEAT WAVE; MANY DEATHS

Twenty-One Drownings Reported; Fifteen Die From Heat in Chicago.

New York, July 9.—(AP)—Eastern states today sweltered in the grip of a heat wave. Twenty-one or more drownings occurred among the millions who sought relief Sunday in streams and at crowded bathing beaches. Two persons died from the heat in New York City.

In Washington the thermometer registered 98 and there were five prostrations. The highest recorded in New York was 91.

The hot wave struck the east after three days in the mid-west, where it caused several dozen deaths.

Ten persons were drowned in the metropolitan district, two deaths and two prostrations were attributed to the heat and one person was fatally injured in an auto accident resulting from the unusually heavy traffic. A young man at Milford, Conn., saw his fiancée drown as he rescued two younger girls after their swim had capsized. She could wince but was caught by the undertow.

Chicago, July 9.—(AP)—Arctic and equator lent phenomena add torridity to the mid-west over Sunday.

Aurora Borealis streaked the night skies, while the daytime was a succession of blistering hours that claimed at least 32 lives and sent sweltering thousands to beaches for relief.

Chicago with its massed millions had 15 deaths directly attributable to the heat, directly, Wisconsin, Michigan and Kansas also reported fatalities either from drowning or heat prostrations.

Out of the west last night there came relief, borne on the backs of thunder clouds which dumped cooling storms over much of the heat-afflicted area. Throughout the night the mercury sagged slowly from marks as high as 100 degrees.

"Old Hickory" At Camp Jackson

Raleigh, July 9.—(AP)—Three thousand North Carolinians, members of the Thirtieth Division, were at Camp Jackson, Columbia, S. C., for Old Hickory's first mobilization since the world war. Approximately eight thousand men from North Carolina, South Carolina, Georgia and Tennessee make up the division.

Adjutant General J. Van B. Metts is in command of the Sixth Brigade, which comprises one regiment from North Carolina and one from Tennessee.

Troops to be at the two week camp include those from Raleigh, Durham, Graham, Leaksville, Reidsville, Wilkesboro, Winston-Salem, Madison, Albemarle, Shelby, Gaston, Charlotte, Gaston, Wilson, Warrenton, Oxford, Henderson, Wilmington, Whiteville, Burlington, Montanton, Salisbury and Concord.

By Wednesday the guardsmen will be down in earnest in their training for the game of war. Infantry drills, artillery practice, observation drills, sharpshooting and various other military maneuvering will be the daily order until July 22 when the encampment ends.

McLean To Begin Vacation Soon

Raleigh, July 9.—(AP)—Governor McLean probably will leave the latter part of this week for his camp in the backwoods of Wisconsin for his vacation, it was said at the mansion today.

One of the governor's sons usually accompanies him on the trip. Governor McLean is expected to stop in Washington and New York on business, on the way to Wisconsin.

DISCUSS PLANS FOR LEGION CONVENTION

Raleigh, July 9.—(AP)—The executive committee of the North Carolina department of the American Legion, a week-end session on board the coast guard cutter Pamlico, sailing in east Carolina waters, for the discussion of routine business and fishing. South General Albert L. Cox held the delegation which include South Carolina Department Commander Reed Elkins of Greenville, and Herbert Booney, secretary to Congressman Lindsay Warren.

MORE COTTON BEING GROWN THIS SEASON

Report of Census Department Shows 11 Percent More Than Last Year.

Washington, July 9.—(AP)—The acreage of cotton in cultivation on July 1 was estimated today by the department of agriculture at 46,695,000 acres which is 11.4 per cent more than in cultivation a year ago.

Owing to late planting, the department announced, the need for repeated replanting in many sections, and owing to the impossibility of working the crop out at the proper time, the reported stand of cotton is six per cent below the stand reported by correspondents on July 1 last year.

The estimate of acreage, like those of previous years, does not refer to the total acreage planted but only to that portion remaining in actual cultivation on July 1. Allowance has been made in the 1928 estimate, the department explained, for about 150,000 acres of cotton flooded out in Arkansas during the last week of June and for a small acreage similarly flooded in Missouri.

The increase in acreage this season are most marked in the less important cotton states, in the extensive area flooded last year and in some other areas where the acreage was sharply reduced last season. California and Arizona are the only states where the acreage this season is greater than in 1926.

Last year's area in cultivation on July 1 was 41,995,000 acres and the quantity of cotton ginned from the harvested area was 12,950,473 equivalent 500 pound bales.

Washington, July 9.—(AP)—Cotton in cultivation on July 1 totaled 46,695,000 acres or 11.4 per cent more than in cultivation on July 1 last year, the department of agriculture announced today in its first estimate of this year's acreage.

This year's acreage in cultivation on July 1 and its percentage of last year's average by states follows:

- Virginia 84,000 and 130 per cent of last year's acreage.
 - North Carolina 1,831,000 and 107.
 - South Carolina 2,577,000 and 105.
 - Georgia 3,556,000 and 113.
 - Florida 100,000 and 149.
 - Missouri 390,000 and 128.
 - Tennessee 1,133,000 and 115.
 - Alabama 3,471,000 and 108.
 - Mississippi 3,748,000 and 111.
 - Louisiana 1,888,000 and 119.
 - Texas 18,366,000 and 109.
 - Oklahoma 4,899,000 and 117.
 - Arkansas 3,813,000 and 115.
 - New Mexico 114,000 and 114.
 - Arizona 200,000 and 143.
 - California 2,230,000 and 171.5.
 - All other states 29,000 and 126.
- The acreage in lower California (Old Mexico) not included in California figures nor in United States total is 160,000 and the acreage of all other states is made up of 4,000 acres in Illinois, 160,000 in Kansas and 23,000 in Kentucky.

CONDEMNED NEGROES HELD ON DEATH ROW

Raleigh, July 9.—(AP)—Pending action of the state supreme court on their appeals, Larry Newsome and Wilbur McLeod, negroes condemned to die in state prison electric chair on Friday, July 13, will remain on death row. Pardon Commissioner Bridges said today.

Mr. Bridges said that the supreme court must dismiss appeals in both cases before an execution can take place. This was learned when Mr. Bridges and Attorney General Brummitt conferred about the status of the Newsome case.

Newsome was convicted of slaying a 15-year-old girl in Wayne county last December, following a sensational trial at Goldsboro during which court officials used fire arms to prevent possible mob violence.

McLeod was convicted at Sanford of the murder of Mrs. Rebecca Matthews, aged white woman, several months ago.

Divorce Mill Creates Stir In Gay Paris

Paris, July 9.—(AP)—Four officials and a number of lawyers were facing disciplinary action today for being involved in what was termed the "American quick divorce mill." The activities have been quietly investigated for some time and the Minister of Justice and the public prosecutor have the action to be taken by the government under consideration.

It is understood that the reins of the law, already drawn pretty tight where American divorcees are concerned, will be tightened.

Three process servers and one court clerk and eight lawyers were involved. Newspapers today said that for high financial considerations this "mill" arranged fictitious divorces, provided fictitious domiciles and eliminated certain tedious and delaying legal formalities.

Three of the lawyers involved were stated to have resigned from the bar and the bar association has asked the others to submit their resignations at once. The attorneys are not punishable in the criminal courts, being responsible to the bar association only.

The clerk is subject to prosecution for malfeasance and the process servers are liable to disciplinary action.

GERMANY WELCOMES BREMEN TRANS-ATLANTIC CREW

The trans-Atlantic crew of the German plane Bremen received a rousing welcome at Bremen and Berlin on return to Germany from the United States. The three aviators are shown as they arrived at Bremen.

REPUBLICANS CONCENTRATE IN THE EAST

Herbert Hoover to be In Washington in the Fall to Direct Campaign.

Washington, July 9.—(AP)—Republican campaign plans are concentrating on the east and it appears likely that Herbert Hoover himself will return to Washington in the fall to be near headquarters here in the final drive.

Another front porch campaign is in the making although in the case of Mr. Hoover it seems a more appropriate name for his prospective battle would be a back yard campaign. The spacious residence of the secretary on R street here has a very insignificant front porch but the home has a commodious back yard.

The residence is just a few houses away from the place where Woodrow Wilson, the last Democratic President, spent his last days and died. Mr. Hoover has lived in this place almost since coming to Washington in 1921 as Secretary of Commerce.

But before he decides on his plans for the fall, Mr. Hoover must this week arrange definitely for his departure for Palo Alto, Cal., where he will be officially notified of his nomination early next month. An early definite announcement was expected today, calling for departure late in the week or early next week.

Henry J. Allen, of Kansas, in charge of Republican publicity, is responsible for the statement that the party leaders believe the east to be the battle ground of the campaign with confidence on their part that the west will stay Republican.

An eastern advisory council has been organized, with Senator Moses, of New Hampshire, at its head, which will dictate policies for the drive in the Atlantic coast states.

WOMAN COMMITTS SUICIDE BY JUMPING INTO WELL

Greensboro, July 9.—(AP)—Mrs. Mattie May Nicholson, 47, committed suicide yesterday morning by jumping into a thirty-foot well. She was said to be suffering from pellagra.

Her body was found by R. C. Nicholson, her husband, who called neighbors to help him get it out of the well. She had threatened to jump in the well Saturday afternoon but was kept from doing so by her husband.

ITALIAN FLYERS HOP FROM ROME TO SOUTH AMERICA

Using the same plane in which they recently set a new world endurance record, the Italian aviators, Capt. Arturo Ferrarin (right) and Maj. Carlo Del Prete sought a nonstop record for a distance flight by flying from Rome to Brazil.

Joan Clement Crashes Into Italian Plane

Roosevelt Field, N. Y., July 9.—(AP)—Aviators today were inclined to believe that Joan Clement would be as good a flyer as an actress. Learning to be a pilot, she crashed into the Bellanca monoplane, Roma, which is being made ready for a trans-Atlantic flight, in order to avoid hitting persons who walked in the path of her plane.

Miss Clement had made a perfect landing yesterday in one of the school ships and was taxiing to the line when a group cut across her path. Intent on getting as close as possible to the plane in which Lieut. Cesare Sadelli hopes to fly to Rome.

Seeing no opening in the crowd, Miss Clement kicked her rudder over in time to miss the sightseers, but crashed into a wing tip of the Roma and came to a stop.

When he heard the crash, Sabelli, who has worked day and night to get the plane in readiness, rushed out to see who was responsible. He saw a tall beautiful girl in a white flying suit climb from the cockpit of the offending plane. "I am so sorry," said Miss Clement, glancing from the damage to Sabelli.

"It is nothing," answered Sabelli, adding, sotto voce, "it is nothing. My wing was kissed by a beautiful woman. That is all."

Coolidges Again Attend Church At Brule Lake, Wis.

Superior, Wis., July 9.—(AP)—Undeterred by rainy weather, the President and Mrs. Coolidge and their son, John, attended church at Brule as usual yesterday.

Crowds of town folk and tourists had gathered by the hundreds to catch a glimpse of the presidential family. On account of the smallness of the church which only allowed accommodation to the local congregation. They waited outside the chapel in the showers throughout the service.

John Taylor, the blind preacher at Brule, chose the story of Jonah for his sermon, in which he warned against the doubting of the events described in the Bible.

After the service Mr. and Mrs. Coolidge and John Coolidge returned immediately to Cedar Island Lodge where they spent quietly the rest of the day.

One portion of the road between Brule and the executive residence had been damaged by the raids during the night and the automobile carrying the secret service operatives following Mr. Coolidge's sank in a bed of mud. It was soon dragged out but the chief executive reached home without the usual full protection.

IMPERIALISM SEEN IN U. S.

President of N. C. C. W. Tells Student Conference of Change in Nation.

Blue Ridge, July 9.—(AP)—"American marines were sent into Santo Domingo because of our capitalistic investments there, and this morning the marines are shooting Nicaraguans because our bankers have seen fit to invest in that country," declared Dr. W. C. Jackson, vice president of North Carolina College for women, in an address here this morning.

He was speaking before the Southern Student Conference of the Y. W. C. A. on the topic, "American Imperialism," the second in a series of addresses on the general subject, "economic factors in civilization."

He pointed out the leading role property plays in the laws and courts of this country, and added that the army and navy were primarily for business, the protection of American property. "This economic imperialism is one of the developments of the industrial revolution, and is one of the big factors in international relations today."

Dr. Jackson cited four reasons why, he said, America is embarked upon a policy of economic imperialism:

1. The surplus of production necessitating the finding and holding of new fields, and the record of the American Tobacco Company, Durham, was cited as an example.
2. The development of transportation facilities, demanding an ever-increasing volume of goods to transport.
3. The need of America for raw products, such as rubber, for the countries of the tropics.
4. The surplus of capital in America, seeking new fields for investment. The American banker can invest his capital in Nicaragua for 10 per cent, as contrasted with four and a half per cent in New York, he said. He invests in Central America and then demands that the army and navy protect his investment.

The south has been caught up in the sweep of this economic imperialism, and its whole life is being changed, he asserted.

Reviewing the history of America, Dr. Jackson said: "And yet, withal, the American people are given to thinking that they are God-blessed in not being imperialistic!"

French Banker Dead.
Paris, July 9.—(AP)—Michael Lazard of the Lazard Freres Bank, and internationally known in banking circles, died suddenly today.

WEEKLY FOREIGN NEWS REVIEW

(By the Associated Press)
The Balkan volcano is rumbling and smoking again but whereas a few years ago these symptoms would have sent messengers scurrying among the chancelleries of empires and kingdoms, the democracies of modern Europe seem content to let the troubled region settle their own affairs.

What started as a partly political row in Jugo-Slavia developed last week into a threat against the enemy of the kingdom. The Serbs, Croats and Slovenes make up the realm of King Alexander and the Croats are in open rebellion against political domination by the Serbs. They have uttered a threat thru Serfan Raditch that they are about ready to disregard the ties of the combination.

"If the present coalition continues to govern, a catastrophe is inevitable," said Raditch. "For Croats: only two possibilities remain—the king and the people."

Back of the present scene are the Nueno treaties granting Italian citizens the right to own lands on the Adriatic littoral of Croatia, for out of the debate over those facts came the shooting in the House of Deputies in which two Croats were killed and Raditch himself wounded. The Croats insist now upon dissolution of parliament and they have even refused to accept leadership of a new cabinet under any other condition. King Alexander has about decided upon a non-political combination of educators, technicians and other professional men to bridge the chasm between the rival racial elements.

In Greece Eleutherios Venizelos, staunch Republican and foe of Communism and royalist alike, returned to the premiership, a decree dissolving the parliament of that country was issued and new elections were called for August. New strikes were also called by the dissatisfied elements.

Austria returned to normal relations with Italy, Mussolini sending the Italian ambassador back to Vienna after an absence of four months. This break arose from complaints of Germanic residents of the old Austrian tyrol, annexed to Italy after the world war. Chancellor Siepel of Austria ended the affair by assuring Italy that Austria officially realized that the dissatisfied Germans should have appealed to Rome instead of Vienna. But many of his constituents are accusing Siepel of kicking down to Italy.

Some thrilling drama was recorded in the "foreign news. Three hundred lives were lost in the wreck of a Chilean government steamer.

Captain Alfred Lowenstein, spectacular Belgian financier, disappeared from a plane that crossed the English Channel at a height of 4,000 feet, and the stock exchanges of London, Brussels, Paris and Berlin reacted sharply.

Lieut. Lunborg, Swedish flier who was marooned on the Arctic ice after he had heroically rescued General Umberto Nobile, was himself rescued by an equally daring Swedish officer, Lieut. Snyberg. Five of Nobile's men remain on the ice near Foyr Island. The fates of nine of their companions and of six headed by Roald Amundsen, are enshrouded in the Arctic silence.

While mariners and fliers of six nations continued their perilous efforts to succor the Italian polar explorers, two other Italians, Capt. Arturo Ferrarin and Major Gen. Carl P. Delprete, performed a splendid exploit by flying from Rome to the coast of Brazil. They established a new record for distance on a non-stop flight, taking laurels which had been in the United States since Chamberlain and Levine traveled from Long Island to Germany in June, 1927.

Sale of Real Estate.

Pursuant to the power of sale contained in that certain deed of trust in the office of the Register of Deeds of Pitt County, of record in Book K-15, at Page 584, executed by Blanche F. Davenport and husband, J. F. Davenport on date of March 1st, 1926, to the undersigned trustee; default having been made in the payment of the indebtedness therein and thereby secured, and at the request of the holder of the notes, evidencing such indebtedness, the property hereinafter described, the undersigned Trustee in said deed of trust will offer for sale, at public auction, to the highest bidder for cash, at the Court House Door in Greenville, Pitt County, North Carolina, at 12 o'clock noon, on Monday, July 23rd, 1928, the following described real estate:

That certain tract or parcel of land lying and being situated in Pactolus Township, Pitt County, North Carolina, bounded on the north by the lands of Lunsford Fleming and the crooked ditch, on the east by John Fleming, on the south by Lot No. 4 in the Matthias Harris division of land, on the west by the Lunsford Fleming land, and more specifically described as follows, to-wit:

Beginning at a bridge over the crooked ditch in Lunsford Fleming's line and runs thence with said Fleming's line and the crooked ditch as follows: S. 37-30 E. 16 2-3 poles, S. 82-30 E. 5 poles, S. 55-30 E. 6 poles, N. 75 E. 10 poles, S. 23 E. 17 poles, S. 78 E. 19 poles, S. 20-30 E. 19 poles, S. 65-30 E. 4 1-2 poles, S. 59-30 E. 10 poles, S. 17 E. 11 poles, N. 75 E. 16 poles, S. 11-30 E. 16 poles, S. 82 E. 8 poles, to where the ditch runs into the woods, thence S. 55 E. 56 poles to a stake centered by two trees in John Fleming's line; thence with said John Fleming's line, S. 2 3-4 W. 16 poles to a cy-

POLES TRY FRANCE-U. S. FLIGHT

press, S. 2 3-4 W. 11 poles to a pine, S. 2 3-4 W. 13 poles to a pine, a corner of lot No. 3 and lot No. 4 in the Matthias Harris division of land; thence with the dividing line between lots Nos. 3 and 4 of said division, N. 58-30 W. 282 poles to a stake, a corner between lots Nos. 3 and 4 in said division in the line of the Lunsford Fleming land; thence with the line of the Lunsford Fleming land N. 10 E. 131 poles to a stake, a corner between lots Nos. 2 and 3 in said division, thence N. 10 E. 4 poles to a sweet gum; thence S. 68 3-4 E. 62 2-3 poles to a pine stump, an old corner, thence N. 67 E. with said Lunsford Fleming's line 40 poles to the bridge over the crooked ditch, the beginning, containing 70.5 acres, as is shown by map of the division of the Matthias Harris lands, recorded in Division of Land Book No. 2 at page 76, in the

office of the Clerk of the Superior Court of Pitt County and being lots Nos. 1, 2 and 3 in said division.

This the 20th day of June, 1928. Raleigh Savings Bank and Trust Company, Trustee, Sam T. Carson, Attorney, 20—11 wk 4 wks

NOTICE OF SALE OF REAL PROPERTY

By virtue of a power of sale contained in that certain deed of trust executed by Reuben E. Mayo and wife, Willie E. Mayo, to the Raleigh Banking and Trust Company, a North Carolina Corporation, Trustee, of Raleigh, Wake County, North Carolina, which said Deed of Trust is dated the 7th day of January, 1927, and is recorded in the Register's office of Pitt County in Book P-16, page 315, the

undersigned Trustee will on Monday, the 30th day of July, 1928, at 12 o'clock noon,

expose to public sale before the court house door in Greenville, Pitt County, North Carolina, to the highest bidder for cash, the following described real property to-wit:

That certain tract or parcel of land about four miles from Greenville, situated in Greenville Township, Pitt County, North Carolina, bounded on the North by the lands of R. L. Smith, on the South by the W. A. Teel land, the Mayo land and the John Proctor land on the East by the lands of O. W. Harrington and on the West by the lands of R. L. Smith and lying on both sides of the Greenville Fleming School House road and being specifically described by metes and bounds in the Deed of Trust herein before referred to, recorded in Book P-16, page 315 in the office of the Register of Deeds of Pitt County, containing 110.5 acres by actual survey and being the same land allotted to Reuben E. Mayo in the division of the lands of Lula Mayo deceased.

This sale will be made for the purpose of satisfying the terms of said Deed of Trust. This the 27th day of June, 1928.

Raleigh Banking & Trust Co., Trustee. June 28-11w-4wk.

Notice of Sale.

Under and by virtue of the authority contained in that certain mortgage from J. B. Williams and wife to W. B. Brown, of record in the office of the Register of Deeds of Pitt County in Book X-16, page 139, default having been made in the payments thereby secured, the undersigned will offer for sale, and sell, to the highest bidder, for cash at the court house door in Greenville, at noon, on the

3rd day of August, 1928, the following described property: Being lots Nos. 38, 37, 15, 16, 17, 18, 19, 49, 50, 51, 52 and 53 in the Brown and Williams subdivision in West Greenville, according to map of record in Map Book 2, page 11 Pitt County Registry.

This the 2nd day of July, 1928. W. B. Brown, Mortgagee. J. L. Atkins, Assignee. Arthur B. Corry, Atty. July 7-11w-4wk.

"WE AMERICANS" TO BE SHOWN HERE FRIDAY

"We Americans," an intensely human story, directed with much understanding, with an excellent cast, will be shown at White's Theatre Friday matinee and night, for the benefit of the Auxiliary of the American Legion. This is one of the biggest pictures of the year. When you see it, you will not forget it, and you don't want to forget it. Be sure and see it at White's, Friday matinee and night.

OLDSMOBILE SETS NEW HALF YEAR RECORD

More than 50,000 Oldsmobiles have been shipped during the six months of 1928 just ending. This sets a new high all time record for any half year period. Oldsmobile officials report:

Retail sales are keeping pace with factory shipments and the demand for cars from dealers is increasing each month. Oldsmobile distributors and branch managers have reported that sales during the second ten-day period in June show a 20 per cent increase in demand over the first ten-day period. This increase in retail sales is considered unusual at this season.

June is the fourth consecutive month in which Oldsmobile shipments have attained record figures. In March more than 9,000 Oldsmobiles were shipped and in April, May and June more than 11,000 Oldsmobiles were manufactured and shipped each of these months.

It is practically six months since the new Oldsmobile was first introduced at the New York automobile show. Since that date many departments at the factory have been operating on an overtime basis to fill dealers' requirements. Production of entirely reorganizing the factory for the production of the new Oldsmobile. Production was advanced as rapidly as is consistent with good manufacturing methods and Oldsmobile's rigid inspection system, and in February more than 5,000 Oldsmobiles were shipped, with the following four months establishing new high records.

While the demand has been universal throughout the country the central west section is reported to be showing the greatest increases. Every sales section, however, north, east, south and west, has produced substantial sales gains each month.

Noted Violinist To Appear Here Next Wednesday

Bernard Ocko, the violinist who will give a concert at East Carolina Teachers College on Wednesday evening of this week, is considered one of the best of the young American violinists. Three years ago he made his formal debut under most auspicious circumstances and has been rapidly traveling along the road to fame ever since, according to the critics.

He was the soloist with the New York Philharmonic Orchestra in the Lewisohn stadium, three years ago this summer, having won the honor from a number of contestants. He has won numerous prizes, medals, and honors of various kinds, and has remained unspoiled, working hard and going forward. He has achieved some success as a composer and has such an enormous repertoire that he is familiar with the range of violin literature.

Last summer he appeared at the college and was considered the finest attraction in the series. When the opportunity came for securing him this summer, the management of the summer school, without hesitation, booked him for the return engagement. This is the highest honor a committee can pay an artist.

Those who love good violin playing can be assured of a delightful evening. The old auditorium, in the Administration Building, will be used. Desirable seats in the center of the house, directly under the electric fans, will be reserved for the public.

Bridge Prizes.

We have just received a lovely new assortment of Gifts, suitable for bridge prizes and general gifts. And all are most reasonably priced.

AMERICA'S GIRL FLYER AND CREW COME HOME

The tribute which New York accords to trans-Atlantic flyers roared in the cars of Louis Gordon, Amelia Earhart and Wilmer Stultz as the crew of the Friendship rode up Broadway on return from Europe, to receive the city's formal welcome at City Hall.

Aurora Borealis Makes Appearance

Numbers of Greenville people today reported seeing the Aurora Borealis that streaked the sky with its fiery hue Saturday night.

The celestial phenomenon was first seen between nine and ten o'clock and continued for quite awhile. It was seen by persons in many parts of the country, who despite the intense heat, manifested more than passing illumination of the heavens.

Bank Robbers Are Identified In Other Crimes

Elizabeth City, July 9.—(AP)—Joe Rock and Earl Edwards, accused of robbing the Bank of Currituck at Moyock Saturday, today were identified as the men who held up two filling stations in Tidewater section of Virginia last week. Victims of the robbers came here and identified the men.

Charlotte Man Killed In Auto Smashup Today

Charlotte, July 9.—(AP)—Henry Hammond of Charlotte was killed and three passengers in his automobile were seriously injured in a head-on collision late yesterday between Hammond's automobile and that of H. D. Heavener of Lincoln.

Mrs. Hammond is at a local hospital with injuries about the head and arms and legs and Mr. and Mrs. Ward M. Crow are recovering at their home.

Heavener is being held in the county jail on a charge of assault with a deadly weapon.

Former Rich Man Dies in Poverty

Atlantic City, N. J., July 9.—(AP)—Years after spending a fortune in a car that he had not long to live, Emory Titman, who weighed 545 pounds is dead. At 49 he died of heart disease, a po man who had eked out an existence at odd jobs.

Fifteen years ago Titman inherited \$250,000 from his father, a Philadelphia manufacturer. When physicians diagnosed his excessive weight as a symptom of elephantiasis and warned him he had only a few months to live, he called his friends together and announced that he would spend the sum on one big party.

Heavener is being held in the county jail on a charge of assault with a deadly weapon.

Few Strikers Report Today In Strike Zone

New Bedford, Mass., July 9.—(AP)—Police reported today that only 18 operatives sought work today when the gates of 27 textile plants were opened at the beginning of the 13th week of the strike of 28,000 workers against a ten per cent wage cut. Six operatives returned to the Wasmutta Sheet Mill and 12 to the Pemaquid Mill, the official report said.

Pickets were out in force but the 400 police on duty about the mills found nothing to do but to direct traffic. Strike leaders asserted that pickets lines would be maintained throughout the week but they were confident no appreciable number of strikers would report for work.

The New Bedford Cotton Manufacturers' Association through its secretary, Andrew Raeburn, announced that unless present plans were changed the mills would be opened again tomorrow and every day thereafter.

COLORED THEATER OWNED IS HELD FOR MURDER

Denver, Colo., July 9.—(AP)—A. E. (Dick) Dickson, Colorado theatre owner was held without bond here today after he admitted killing Herbert H. Powell when he found the 19-year old youth with his wife at the Dickson home.

Dickson told the police that he had been informed that Powell had visited Mrs. Dickson several times while he was out of town. He said that after announcing he was leaving town yesterday, and had been accompanied to the station by his wife, he returned to a point near his home where he had waited until he saw Powell enter.

On entering the house, Dickson said he found Powell with his wife and that during a fight over a pistol he (Dickson) carried, two shots were fired. One bullet struck Powell in the shoulder and one pierced the youth's head. Dickson said he had no intention of shooting Powell.

TO NOTIFY HOOVER ON AUGUST 1ST

Republican Presidential Candidate To Hear Of Nomination At Leland Stanford.

Washington, July 9.—(AP)—Secretary Hoover will be formally notified of his nomination for President by the Republicans at Leland Stanford University in California on August 1.

This announcement was made today at the office of Mr. Hoover where it also was said that the secretary would leave Washington for Palo Alto, Calif., next Saturday night. He will stop off at the summer residence of President Coolidge near Superior, Wis., reaching there Sunday night or early Monday.

Before making the announcement of the date for notification exercises, Mr. Hoover conferred with Senator Curtis, of Kansas, the vice-presidential nominee, and Chairman Work of the national committee. Mr. Curtis probably will be notified of his nomination a week later than Hoover at his home in Topeka, Kansas.

LET'S KEEP IT GROWING

With the opening of the tobacco markets of this section just a few weeks hence plans are already on foot in the various towns to advertise their markets in order to attract the growers to their respective cities. In Greenville this year, as heretofore, a fund for this purpose is being raised, and it is to be hoped that the solicitations of those in charge will meet with liberal response. The Greenville tobacco market is something that every person in our city is interested in and something that means much to every business, large or small. The advertising of the Greenville tobacco market throughout this section is likewise advertising Greenville as a shopping center and the visits of the growers to the local market means much more business for merchants and other lines of business. The spirit of hearty co-operation between the business houses and the tobacco market last year made the season the biggest in the history of the market. Let's do the job even better this season and help put the market up to the seventy-five million pounds mark. By bringing a larger number of people to our city we will be making more business for everybody.

FEWER LYNCHINGS

We have had occasion from time to time to speak of the new spirit of order, tolerance and decency that is making itself felt and that is getting concrete results despite all the blare of Ku Kluxery. More evidence of what it has done has just come to hand. The Tuskegee Institute reports that for the first six months of the current year there were only five lynchings. This sets a record. It is four less than the corresponding period of last year and thirty less than the corresponding period of 1923.

When it is recalled that as recently as ten years ago the annual number of lynchings ran into the sixties and seventies, it can be seen what tremendous progress has been made. The time is coming, obviously, and coming very soon, when we shall have no lynchings, and a blot on the name of this country will be wiped out forever.—N. Y. World.

ABOUT TOWN

"Many a knocker has been transformed into the best booster a town ever had, so don't despair everytime you hear a cynic talking—he is not as bad as he appears to be." This was confided to us today by a man who has a philosophical bent of mind. He thinks about things in logical order, and is more of an optimistic than anything else. He believes the world is getting better despite the staggering rate we are going. He has faith in the ability of men and women to still mould their destinies, and thinks the future is far brighter than the pessimistic would have us believe.

"There are lots of old boys around Greenville who used to knock. They discouraged everything that came up for public consideration until they learned that the seemingly impossible is capable of being accomplished with proper application of our mental and physical faculties. They are among the most optimistic business men we have today, and have used their influence to no little extent in advancement of the city the last few years."

WASHINGTON MAN RESCUED AFTER JUMP FROM SHIP

New York, July 7.—(AP)—The steamship Rochambeau, due here Monday from Havre, has among other passengers, Morton Hoyt, member of a socially prominent Washington family, who jumped overboard off the grand banks and was rescued in twenty minutes. At 8 o'clock last night when the ship was plowing its way through a dense fog, the cry "man overboard" was raised and it was learned that Hoyt had plunged into the Atlantic. The vessel immediately turned in a complete circle and started back along its course with Captain Leon Rollin directing the search from the bridge. Within twenty minutes Mr. Hoyt was located and heard crying for help. A lifeboat was lowered and he was picked up completely exhausted from his struggle with the waves. He said he regretted jumping overboard and asked that he be allowed to sleep. The jump and the rescue were described in radio advices to the Associated Press.

SUMMONS BY PUBLICATION

North Carolina—Pitt County In the Superior Court Tom Goor vs. Julia Metrick, J. G. Foley and the heirs at law of Paul Metrick. The defendants, Julia Metrick and the heirs at law of Paul Metrick, deceased, will take notice that an action has been instituted in this court by Tom Goor upon tax certificates of sale executed to him by the Sheriff of Pitt County on the 6th day of June, 1927, and also upon tax certificate executed to the plaintiff by J. O. Duval, Tax Collector of the town of Greenville, of the same date. Said certificates covering the purchase price of the property of Paul Metrick and Julia Metrick, and being three lots on Third and Fourth streets of the town of Greenville known as the United Development Corporation property and fully described in Book B-10, page 140, and that the action above referred to is to foreclose the property as under a mortgage and have sale of same by Commissioner to enforce the collection of the said certificates as provided in the laws under Chapter 221, Act 1927, of the General Assembly, and the said Julia Metrick and heirs at law of Paul Metrick will take notice that if they do not appear and file answer, or other plea, to the complaint filed in this office on this day, on or before the 18th day of July, 1928, that the plaintiff will be granted the relief sought as provided under the Statutes referred to for the foreclosure of tax certificates of sale, and referred to herein and which will more fully appear from the complaint filed in this office duly verified on this date. The amount due on the certificate of sale from the Sheriff is \$45.53 with interest and penalty and cost from the 6th day of June, 1927, and on the certificate as made by the tax collector for the town of Greenville, \$59.85 with interest and penalty as provided by law from the 6th day of June, 1927, which said amounts were for taxes due upon the property referred to herein. The heirs at law of Paul Metrick will further take notice that if they do not appear some fit and suitable person will be named to represent them in this action in this Court as provided by law. This the 8th day of June, 1928. J. F. Harrington, Clerk of the Superior Court June 11-1w-4wk.

Administrator's Notice Having qualified as administrator of the late R. J. Cobb, all persons holding claims against the said R. J. Cobb will hereby take notice that they are required to present said claims to the undersigned administrator on or before the 20th day of June, 1928, or this notice will be pleaded in bar of any recovery thereon. All persons indebted to said estate will please make immediate payment. This June 19th, 1928. C. R. Cobb, Administrator. June 19-1w-6wk.

ROBINSON AND FORMER TEACHER

When Sen. Joseph T. Robinson, democratic vice presidential nominee, returned home to Little Rock, Ark., one of the first to greet him was his former teacher, C. C. Rice, now a farmer near Lonoke.

Sale of Real Property. By virtue of a power of sale contained in that certain Mortgage executed by J. J. Mills and wife, Nettie Mills, to Mary J. Arnold, dated the 24th day of December, 1918, and duly recorded in the office of the Register of Deeds of Pitt County in Book T-12, page 336, the undersigned Administrator of the estate of Mary J. Arnold will on Saturday, the 21st day of July, 1928 at 12 o'clock noon expose to public sale before the court house door in Greenville, Pitt County, to the highest bidder for cash the following described real property, to-wit: Situated in Chicod Township, Pitt County, North Carolina, beginning at a large pine, an old corner and runs with John A. Hudson and R. M. Vainwright's line South 40 East 24.70 chains to a large pine, Vainwright's, Noah Buck's and Cora Boyd's corner, thence with Cora Boyd's line South 29 1-2 East 28.70 chains to a sweet gum, her corner on the hillside near Cow Swamp, thence South 46 1-2 West 5 1-4 chains to lightwood knot an old corner in the mouth of long branch, thence up the run of said branch to the mouth of the ditch in said branch, 18 1-4 chains, thence up said ditch 20 4-5 chains to a stake, R. M. Wil-

Are You "Climbing" Or Just "Gliding"?

A very lucid illustration of the operation or promotion of modern business is found in a comparison with the operation of a heavier than air flying machine.

The machine may be equipped with all the modern appliances and the Pilot may, by practical experience and training, be thoroughly qualified to successfully manipulate its intricate mechanism and safely conduct it to its intended destination.

Yet in spite of all these advantages and qualifications there is just one thing he is always absolutely dependent on for flight and that is the Propeller. Without it he can never rise from the ground. It is the fundamental principle of progress.

It is only when the Propeller is running with smoothness and regularity that he is able to climb upward, avoiding danger and disaster, and continues to climb only as the Propeller continues to function without intermission.

What would you say of an Aviator who started out to make a record for altitude and after climbing to a certain height decided that as everything seemed to be running smoothly he could dispense with the expense of operating the Propeller and still continue to climb?

But that is the very thing that many Retail Merchants are trying to do today. They use the Advertising Propeller to start with and after getting a good start feel secure enough to neglect its use.

Do they continue to climb? Do they maintain the same altitude? Do they affect a saving? They do not. At that very moment they start to "glide"—not a sudden fall to the ground but a gentle easy descent—for there is no such thing as remaining stationary.

When you stop the Propeller you start to "glide"; when you start the Propeller you commence to "climb."

ARE YOU "CLIMBING" OR JUST "GLIDING"?

Notice of Trustee's Sale. Evans Street, between Third and Fourth Streets, beginning at a point 25 feet from the southeast corner of lot 91 in the plan of said town, running thence in a westerly course 132 feet to the line of lot 80 in said town; thence running in a southerly course and towards Fourth Street, with the line of lots 80 and 92, 25 feet, thence at right angles with the line of lots 80 and 92, and in an easterly direction 132 feet to Evans Street, thence with the western edge of Evans Street 25 feet to the beginning, being a part of lot 92 in the plan of the town of Greenville and being the same parcel of land conveyed by P. E. Dancy, commissioner, to J. S. and W. H. Smith in 1884. This 30th day of June, 1928. JULIAN PRICE, Trustee. Brooks, Parker, Smith & Wharton, Attorneys-at-Law, Greensboro, N. C. 1 wk 4-7-2

ABBOTT NEW MANAGER OF LOCAL CLUB

Tommy Abbott is the new manager of the Greenville Baseball Club of the Eastern Carolina League, according to announcement made this morning by club officials.

Abbott succeeds Joliff, who has headed the organization since the opening of the league during the latter part of April. Joliff will continue in the capacity of pitching ace. He has pitched seventeen games this season, and was victorious in twelve of them.

Abbott has been with the club the whole season, having caught most of the games. He is a player of exceptional ability, having seen managerial experience in both Virginia and Piedmont Leagues. He was offered the management of the Richmond Club of the Virginia League several weeks ago, but declined because of desire to remain in Greenville.

Olympic Weight Star

Lillian Copeland of Pasadena, Cal., American champion, won a place on the Olympic team when she put the shot 40 feet 4/4 inches in the final tryouts at Newark, N. J.

BUCKY HARRIS SETS OUT TO CLEAN HOUSE

By HERBERT W. BARKER (Associated Press Sports Writer)

Bucky Harris has started house cleaning at Washington. It is a little late for such operations considering that the major league season is past the half way mark but Bucky probably feels that his Senators can't do much worse.

Horace Lisenbee, sensation of the league last season, is the first to feel the keen edge of the official axe cutting him off the Washington payroll. The young right hander, unable to get started this season, was sent on option yesterday to Minneapolis of the American Association. He won 18 games against only nine defeats in 1927 but this year he's won only two and lost six. Lisenbee finished only third of the nine games he started.

Lisenbee pitched the last inning of the Senators' crushing defeat at the hands of the Chicago White Sox yesterday 13 to 1. He was the ninth Senator hurler to see action and was no more effective than his predecessors.

After losing seven of their last eight games the St. Louis Browns came to New York eager for revenge. They got it. The Yankees took it on the chin in both ends of a double header, 10 to 4 and 5 to 3. Alvin Crowder registered his ninth successive victory in the opener. The second game was a battle of home runs. Circuit drives by Lou Blue, Schulte and Blaeholder and by Babe Ruth and Tony Lazzeri accounted for all of the eight runs scored. The Babe's was his 32nd of the season and put him 19 games, 18 days and five home runs ahead of his pace in 1927.

The St. Louis Cards pulled away to a three and a half game lead over the National League field by defeating the Boston Braves, 7 to 4, and 12 to 8. Rogers Hornsby hit his 15th homer of the season in the closing encounter.

Callaghan's triple with the bases loaded in the ninth gave the Cincinnati Reds the edge over the Fighting Phillies, 6 to 5.

The Chicago Cubs, in fourth place, dropped back one and a half games behind the Reds, losing to Brooklyn 6 to 2.

College Net Champ

Julius Seligson, Lehigh university sophomore, won the national intercollegiate tennis championship at Philadelphia, defeating Ben Gorkshoff of Occidental college 11-9, 9-0, 9-7.

VIES IN THREE OLYMPIC EVENTS

Etta Cartwright of the Northern California A. C. staged an "iron girl" performance at the women's Olympic tryouts at Newark, N. J., capturing the 50-yard dash, 100-meter dash and broad jump.

HIGHLANDERS BEAT LOCALS

The Tobaccoists lost Saturday's game with Fayetteville 6 to 4 because they couldn't hit in the pinches.

The locals found Joyner for 16 hits and had 14 men stranded on the sacks, while the visitors only secured nine hits.

Dudley was Deacon Joliff's selection to do the twirling but his life on the mound was brief, Fayetteville having found him for three singles and after he had walked one in he was relieved. Wilson the next choice, was wild and after forcing a run in by passing the batter and with two balls on another, Al Cherry was called to check the Highlanders and he did so in a creditable manner allowing but six hits in eight innings.

Williams lead Greenville with the willow, hitting safely four out of five, twice for two bases. Finlator also pounded the sphere well, getting three out of five.

Buckner was the hitting star for Fayetteville with three out of four.

Fayetteville	Ab.	R.	H.	O.	A.	E.

Record Holder

Eleanor Holm of the New York Women's Swimming Association set a new world mark in the 300-meter medley swim at Rockaway Beach, L. I., to win a place on the United States Olympic team. The new mark is four minutes 56 seconds.

PADDOCK MAY LOSE PLACE IN OLYMPICS

By ALAN J. GOULD (Associated Press Sports Writer)

New York, July 9.—(AP)—Charged with professionalizing himself in a "personal appearance" motion picture tour, Charley Paddock today faced the imminent prospect of losing his place on the 1928 American Olympic track and field team and the chance to seek world sprint honors for the third time in eight years.

The sudden and unexpected hour demand by the Olympic authorities for a showdown on Paddock's status came as a climax to selection of the American team and furnished a sensational prelude to his departure Wednesday for Amsterdam.

Paddock, first of the severest tests of his career Saturday when he staged a sensational comeback to qualify for the team in the 200-meter dash, finishing second to Charley Lynch, after being shut out of the race before in the 100 metres. But the blonde Californian veteran, long a storm center of athletics, faces an ever more exacting test of eligibility before he can earn the unquestioned right to represent Uncle Sam at Amsterdam.

The court which held "Good Time Charley's" fate in its hands today was the registration committee of the Amateur Athletic Union, headed by Daniel J. Ferris, chairman of the National A. A. U. secretary-treasurer and composed of A. A. U. representatives in various parts of the country. It was placed there by the action of both the A. A. U. track and field committee and the American Olympic selection committee in challenging Paddock's amateur status.

Ferris and his committee after a special hearing for Paddock that was scheduled for today, must determine whether Paddock has violated the letter or spirit of the amateurism rule by making public appearances and giving talks in various theatres. If he is cleared, Charley will sail with the team this Wednesday and run at Amsterdam. If he is ruled out and as a result professionalized, his place will be taken by Roland Locke, of the New York A. C., former University of Nebraska star, who was fifth in the 200 meter finals Saturday at Cambridge.

If no decision is reached by Wednesday both Paddock and Locke will be taken along, the expectation being that the verdict will be received by radio before the final entries are to be filed on July 10. The delay in a final decision is anticipated by Ferris because members of his committee are scattered throughout the country and difficult to reach, even with a telegraph pole.

TENNIS TOURNAMENT OPENS AT LOUISVILLE

Louisville, Ky., July 9.—(AP)—The racketeers of Dixie tennis, more than a hundred strong, entered the first round of the southern tournament here today—the crown now gracing the youthful head of Bryant Grant, Atlanta, being the prize honor for the tournament survivor.

Play was to start this morning on the courts of two city clubs with hopes of getting both first and second rounds out of the way by night.

The entries came from 12 states, including Missouri, Texas and Ohio, in addition to North Carolina, Georgia, Florida, Louisiana, Alabama, Tennessee, Arkansas and Kentucky.

Fine Outlook For Dixie In 1928 Olympic

By HORACE C. RENEGAR, Associated Press Sports Writer

Louisville, Ky., July 9.—(AP)—Seven southerners have won the right to compete in the 1928 Olympiad—thus giving Dixie prospects of the greatest point scoring combine in history.

While Eddie Hamm, Georgia Tech's jumping jack, who smashed the world's broad jump mark Saturday, apparently is the greatest certainty for a first place in the international games where nevertheless remains six others who look for a place somewhere in their events.

Henry Cummer, running under the colors of the Newark A. C., but a University of Virginia student, raced himself into a place on the boat sailing Wednesday for Amsterdam when he finished second to Scholz in the 200 meter dash.

In the sprints, Emil (Snitz) Snider, Alabama Polytechnic Institute star, who does the quarter at full speed, will be at Amsterdam for the 400 meters event. He will be cheered on by his widely known coach, Wilbur Hutless, developer of many track and field stars, who is on the American team's coaching staff.

Mississippi A. & M.'s maroon will fly higher than any other for numbers, however, with a couple of Aggie's winning places. Sid Robinson, now of the New York A. C., but who attended the Starkville Institute, will compete in the 500 meters and W. O. Spencer, another A. & M. star who now wears the spangles of the Chicago A. A., will do his flips in the 3,000 metre steeplechase.

A couple of Dixie entries will try their skill in the hop, step and jump. Sid Bowman, Hammond, La., high school lad and Lloyd Bourgeois, New Orleans, both having won places in that event.

With a few others athletes from the old South taking places in a scattering field of endeavor in addition to those from the southwest, critics are conceding the southern portion of the nation the possibility of a great point scoring splurge.

Spencer is the only member of the squad from the south having previously participated in the games. He went over in 1914.

HAPPERSBERGER does the finest watch repairing in Greenville. A trial will convince you. Ours is the best. Greenville, N. C.

Send Us Your Job Printing Daily Reflector Job Department

It was also announced this morning that the club had a new acquisition in the person of Rigan at shortstop. He is a former Atlantic Christian College player, and during the present season has been with the Kinston club of the Eastern circuit. He will appear in the lineup the remainder of the week and is expected to play an important part in the climb to the top of the percentage column which the locals plan to start this week.

It was stated other changes in the personnel of the club would more than likely take place in the next few days. Weak spots will be made as invulnerable as possible and when the Tobaccoists begin their trek out of town the latter next few days. Weak spots will be with them a superior club in many respects.

Globe Trotters Crossing Siberia

Moscow, July 9.—(AP)—John H. Mears and Charles G. D. Collyer were flying across Siberia today in an attempt to break the record for circling the globe. They landed at Novolista at 9:30 last night and started at 3 a. m. for Krasnoyarsk, Siberia. They left Krasnoyarsk at 7 a. m. for Chita, Siberia.

Macon Ceases To Worry Asheville

By the Associated Press.

Primal of South Atlantic Association activities for the past week leaves one impression stamped upon the reader—Macon has about shot its load without doing any great damage to Asheville's pennant chances.

After playing around Tourist heels for the past month with more or less success, the Peaches have curled up and ceased to be such a strong contender for first place—and in fact their second place position is in danger from a persistent Spartanburg attack.

The Spartans showed a strong battling spirit during the six day period just closed and are now only three games to the rear of the Macon entry.

Ray Kennedy's league leaders on the other hand were taking no chances of being overhauled and played such a brand of baseball that gave them four full contests to spare over the Goodmen.

Knoxville, the fourth member of the first division, did not enjoy such a good week, terminating when the Tourists won a double header on Saturday in retaliation for a vice versa result of the day before.

Pennant Series For This League Announced Today

Rocky Mount, July 9.—(AP)—A seven-game pennant series for the Eastern Carolina League championship with the two high clubs at the close of the season participating, was announced today by W. B. Bramham of Durham, president of the league. The decision was made at a meeting of the directors of the league at Goldsboro yesterday.

Club officials decided that a baseball writer in each city in the league vote on the most valuable player in each city in the league vote on the most valuable rookie player in the league and that a cup would be awarded to this player. In case of a tie President Bramham would have the deciding vote.

Club heads voted to give the Fayetteville club a proportionate share of the holiday pool despite the fact that Fayetteville did not play the second game July 4. The club was delayed by bus trouble between Wilmington and Fayetteville.

Yesterday's Results

- SOUTHEASTERN LEAGUE**
Jacksonville 3; Pensacola 4.
Tampa 1; Montgomery 3. (Only 7 games played.)
- INTERNATIONAL LEAGUE**

Market Report Cotton--Stocks--Grain

COTTON TABLE

New York, July 9.—(AP)—The government report estimating the acreage under cultivation at 46,895,000 acres, an increase of 11.4 per cent as compared with July 1, last year, was followed by a very sharp break in the cotton market here today. The figures were much larger than expected, and general liquidation caused net losses of about 70 to 78 points around 2 o'clock in active months.

Futures closed easy 78 to 84 points lower; spot quiet; middling 21.95.

CHICAGO GRAIN

Chicago, July 9.—(AP)—Wheat prices underwent an early setback today after an upturn at the outset. Houses with connections southwest took to the selling side, and reports current indicated that the wheat harvest operations would be resumed today despite rains. Opening unchanged to 1-2 higher, wheat scored some advance all around, but then averaged lower. Corn, oats and provisions were easy, with corn starting unchanged to 3-4 off and later showing a general sag.

Wheat closed heavy 3 3/8 to 4 1/8 net lower; corn 2 1/4 to 4 5/8 off; oats 1 5/8 to 6 1/8 down and provisions showing 10 to 35 decline.

STOCK MARKET

New York, July 9.—(AP)—Major speculative activity in today's stock market was again on the up-side, but the buying continued selective in character. Early gains of 1 to 2 points were interspersed with several soft spots. Trading was on a slightly larger scale than last Friday, total sales in the first three hours running close to 1,300,000 shares.

There was no change in credit conditions. Call money renewed at 5 1/2 per cent, but the amount available was reduced by the calling of about \$15,000,000 in loans.

An increase in Pennsylvania crude prices and a sharp break of \$2.50 a barrel in cotton prices following the publication of the government crop report showing an increase of 11.4 per cent in acreage were the most interesting trade and business developments of the day.

Nearly a dozen issues mounted to new high ground for the year, the list including Montgomery Ward, Indian Refining preferred, Motor Products, Warner Bros. Pictures A and General Gas B, General Railway Signal, Allied Chemical, Davis Chemical and American Express all sold 4 to 5 points higher.

Case Threshing broke nearly 6 points. Hearings also dropped out in General Motors, Radio, International Telephone and Atlantic Refining.

Week-end market reviews of the leading commission houses were largely devoted to a discussion of business prospects during the last half of the year with the majority expressing the opinion that comparisons with the last half of 1927 will be favorable.

The closing was firm. Total sales approximated 1,700,000 shares.

BERT ACOSTA FINED \$1,000 FOR STUNTING

Washington, July 9.—(AP)—Bert Acosta, well known aviator, has been fined a total of \$1,000 by the department of commerce for "stunting." He was assessed \$55 for flying that resulted in an accident at Curtis Field, L. I., and an equal amount for low flying over the Chicago municipal airport last May.

RUSSIAN ICE BREAKER NEAR IZILIA CREW

Stockholm, July 9.—(AP)—Captain Tornberg, leader of the Swedish rescue expedition, reported that the Russian ice breaker Krassin today has advanced to about 25 nautical miles from the five members of the crew of the "Italia" marooned off Northeast Land. The captain stated that if ice conditions improved the ice breaker should be able to reach the group.

Planes Off for Marfa.

San Antonio, Tex., July 9.—(AP)—All planes in the national reliability tour hopped off here this morning for Marfa, Texas, en route to El Paso, terminus of today's flight leg. A 30 minute refueling stop at Marfa was scheduled.

The Pathfinder plane and four of the slower ships took the air at 8 a. m., with the other airplanes getting away at 8 o'clock.

It was expected the flight to El Paso would take seven hours.

BOSTON WINS FIRST GAME TO DETROIT

Boston, July 9.—(AP)—Boston won the first game of a double header from Detroit 4 to 0 today. Russell held Detroit to five hits while Whitehill gave Boston only four.

"SNAPPED" IN THE "GAY NINETIES"

Senator Joseph T. Robinson, vice presidential nominee of the Democratic party (right) looked like this when he was courting Miss Ewilda Gertrude Miller (left), a childhood sweetheart. They were married December 15, 1896, after Robinson, at the age of 23, was elected to the Arkansas legislature.

HISTORIC HOSTELRY DESTROYED

The Yarborough Hotel, home of many North Carolina governors and a social and political center for more than a half century, was the center of a spectacular blaze in the heart of the Raleigh, N. C., business center.

FINEHURST MAN KILLED IN AUTO WRECK TODAY

Pinehurst, July 9.—(AP)—Jack Lattig, 42, of Pinehurst, was killed instantly today when his automobile skidded and rolled over an embankment on the Pinehurst-Carthage road.

He is survived by his father, Edward T. Lattig, of Pinehurst; two brothers, E. T. Lattig, Jr., Pinehurst, and Harry D. Lattig, New York; and three sisters, Mrs. Frank Dudgeon, Pinehurst; Mrs. Theodore Van Maanen, Pinehurst, and Mrs. W. H. Shopwell, of Brooklyn.

STATE WEALTH SHOWS PHENOMENAL INCREASE

Chapel Hill, July 9.—(AP)—North Carolina has increased in wealth 190 per cent since 1912 and stands third among the United States in increase, the University News Letter said today.

It was revealed that estimates placed the wealth of the nation at \$336,175,000,000, an increase of 80 per cent over 1912, and wealth of North Carolina at \$4,883,000,000, an increase of 190 per cent during the 15 year span.

These figures put North Carolina twenty-first among the states in wealth.

VARE INVESTIGATION MOVED TO PHILADELPHIA

Philadelphia, July 9.—(AP)—Investigation of the election of William S. Vare as United States Senator in November, 1926, was transferred to City Hall here today when Senator Charles A. Waterman, Republican, Colorado, chairman of the senate sub-committee on privilege and elections heard local witnesses.

Sheriff's Tax Sale

By virtue of the tax list executed and placed in my hands by the Board of Commissioners of Pitt County, and the levy made thereon, and the law authorizing such sale, I will, on Monday, July 22, at the court house door in the town of Greenville, N. C., beginning at 12 o'clock noon, offer at auction the real estate of parties hereinafter set out and the real estate as described in the said tax list unless the taxes and costs on the several parcels are paid by that time. Taxes for 1927.

This June 25, 1928.

S. A. WHITEHURST,
Sheriff of Pitt County
