FOUR CONVICTS KILLED IN DARING PRISON BREAK

WOMAN FLIER CONTRADICTS SELF AT TRIAL

Mrs. Keith - Miller Says She Proposed Suicide to Clarke Before His Death

Miami, Fla., Aug. 4.—(AP)—Mrs. Jessie M. Keith-Miller, testified today at the murder trial of Captain W. N. Lancaster that she proposed suicide to Haden Clarke, her fiancé, only a few hours before he was found fatally shot in her home.

Her statement was contradictory to her testimony of yesterday, when she said she and Clarke discussed actual suicide several nights before the shooting, but did not mention the subject again.

She said Clarke, after a conversation with Lancaster, her former fiancé, about their proposed marriage, told her: "I can't stand it any longer. I'm going crazy." It was then, she said, her suicide suggestion was made.

They had agreed she said in conversation earlier in the evening that it would be necessary to postpone her wedding to Clarke until after Clarke's divorce decree, became final.

Under examination by James M. Carson, chief of defense counsel, she described as "highly cordial" Lancaster's attitude toward her and Clarke when the British flier came hurriedly to Miami from St. Louis on learning Clarke had succeeded him in her affections.

Women in great number in the courtroom crowd leaned forward eagerly to hear the testimony of the diminutive aviatrix. Extra seats were placed in the room to accommodate the crowd, but many failed to gain admission.

Mrs. Keith-Miller elaborated on her testimony on her earlier testimony regarding the arrival of Lancaster from St. Louis the day before the shooting and the quarrel of the two men over her at the dinner table that night.

Song Festival At Asheville

Asheville, N. C., Aug. 4.—(AP)—White men and red from the sun-bathed mountain peaks and shadowed valleys of Western North Carolina came to Asheville today to dance and to sing old tunes in the Fifth Mountain Dances and Folk Songs Festival.

Dancing teams from picturesque communities like S. Pook's Branch, Bee Tree, Hominy Valley and the Cherokee Indian reservation came to vie with one another in dance steps to the rhythm of songs in vogue when America was a collection of British colonies; to sing ballads heard in England and Scotland in the sixteenth century.

Banjos, guitars and fiddles were the tune and ready for the first rains tonight that will send some three hundred performers through their quaint routines in competition for various championships.

The rollicking rhythm of the mountains, plaintiff ballads and perky tunes from the Appalachians will be punctuated by the commands of the "callers" as the teams take their turns at McCormick field tonight and tomorrow night.

Eight teams of dancers will enter for the dancing championship of the Appalachians, won last year by eight dancing couples from Gap.

The fete will present the participants in their usual dress for the festival is to be a "cross-section of the social pastime of the native mountain people."

Five Thousand Men to Work on State Highways

Raleigh, N. C., Aug. 4.—(AP)—Five thousand men are expected to be put to work on highway projects in North Carolina when all contracts financed by emergency Federal aid are let.

August 16 will see the first letting of the contracts, expected to give jobs to 1,500. The Highway Department has "reluctantly agreed" to a minimum wage of 20 cents an hour for unskilled labor, E. B. Jeffers, chairman, announced.

Skilled workers will receive a minimum of 30 cents an hour. Contractors are expected to complete the projects by July 1, 1934, working two shifts, each for three ten-hour working days.

PROBE DEATH TOBACCO HEIR

Forsyth County Grand Jury Investigating Reynolds' Shooting at Winston-Salem.

Winston-Salem, Aug. 4.—(AP)—Stewart Warnken, manager of Reynolds, palatial estate of the millionaire Reynolds family near here, was summoned before the Forsyth county grand jury today.

Warnken entered the grand jury room carrying a large roll of drawing paper, presumably a chart of the premises on which young Smith Reynolds was shot to death about a month ago.

Sheriff Transou Scott, who has been investigating the shooting, was before the grand jury for several hours yesterday. The jury adjourned without official indication that it had taken up young Reynolds' death, but in courthouse circles the belief was strong that Scott's visit to the grand jury room was in connection with the case.

Warnken was one of the witnesses who testified at a coroner's inquest into the shooting that the automatic pistol with which Reynolds was killed was not found until four hours after the tragedy.

Warnken testified that he and others, including J. T. Barnes, son-in-law of R. E. Lasater, co-guardian of Reynolds, made a search of the sleeping porch on which the youth was shot without seeing the weapon, although it was found later lying on a rug in plain view.

On member of the coroner's jury said after the inquest that this testimony was the main reason for the jury's failure to return a verdict of suicide.

Winston-Salem, Aug. 4.—(AP)—The Forsyth county grand jury today resumed its regular session without any official indication that it had taken up the mysterious death July 6 of Smith Reynolds, 20-year-old tobacco fortune heir and husband of Libby Holman, Broadway blues singer.

But in courthouse circles it was believed the jury had decided to investigate the fatal shooting of young Reynolds, which occurred shortly after a birthday party at Reynolds, the elaborate family estate, at which witnesses said there had been considerable drinking of corn whiskey.

The principal factor supporting the belief that the case was being considered was the appearance before the jury of Lester Jones, patrol lieutenant.

Two Countries Continue Preparations For War

(By The Associated Press) Bolivia and Paraguay gave their approval today to international moves for peaceful settlement of the Chaco controversy, but they prepared for war.

Dispatches from Parico, Argentina a town on the Bolivian border, quoted a Bolivian commander as saying 11,000 troops would be in the Chaco in the next few days. Bolivia now has 6,000 men there, he said.

In La Paz it was said the government would raise serious objections to several clauses of the note sent by the United States and eighteen South and Central American nations yesterday in which a warning was given that any territorial gains made by armed force would not be recognized.

BATTERY TO GO TO CAMP

Military unit here to go to Fort Bragg Classed as Crack Battery of Regiment

Battery A, the local unit of the North Carolina National Guard, this week is putting the finishing touches on its army training in preparation for the actual training in camp. The battery leaves next Sunday for the annual 15-day encampment at Fort Bragg, where they will receive intensive training under the direct supervision of regular army officers.

This year Battery A will take its full quota of 65 men and four officers to camp. The battery will go to camp with the reputation of being the best battery in this entire region. During the federal inspection of the regiment last April Battery A received the highest rating in the regiment in the training of its personnel and in the performance of its duties in connection with firing of the guns.

Last year Battery A won two championships at Fort Bragg in boxing and second place in the baseball realm. This year they hope to capture more laurels.

The organization was formed in Greenville several years ago and is composed of boys from all over the county, making it a county-wide organization. It is commanded by Captain J. C. Lanier, and the lieutenants are J. H. Waldrop, first lieutenant; and C. W. Porter and W. S. Tyson, second lieutenants; Captain Rumsey Campbell of the. (Continued on page six)

DOLLAR DAY DRAWS CROWD

Hundreds of Shoppers Take Advantage of Splendid Values Offered Here Today

"Today was 'Dollar Day' in Greenville, and shoppers from a radius of many miles came here to inspect the extensive displays of merchandise which the merchants had to offer.

Some sections of the business district were fairly crowded during the morning hours, and it was expected the crowd would increase considerably during the afternoon.

"Dollar Day" is a semi-annual bargain event sponsored by the Merchants' Association to permit the merchants to share their profits with the thousands of patrons who trade with them during the year.

Many of the values today were worth several times the amount charged, and scores of housewives and men alike returned home fully satisfied with the long way they could make their money go in Greenville.

Values have increased in importance with each succeeding year, and so popular has the "Dollar Day" idea become that merchants are forced to send buyers to Northern markets to lay in extra stocks to take care of the demand. (Continued on page six)

COAL LEADER BACK ON STAND

James Francis Recalled in Government's Anti-Trust Suit at Asheville

Asheville, N. C., Aug. 4.—(AP)—James D. Francis, of Huntington, W. Va., president of Appalachian Coals, Inc., which the government seeks to dissolve for alleged violations of the Sherman anti-trust law, was recalled to the stand today to answer governmental contentions that the Carbinas would suffer from a monopolization in that area.

Francis has been on the stand at intervals since Tuesday in the trial before a three-judge Federal Court here.

Today he was recalled to explain whether North and South Carolina would suffer if Appalachian Coals were permitted to monopolize the industry in those states.

He admitted 68 per cent of North Carolina's total coal consumption came from Appalachian fields, but pointed out that "producers in the Appalachian fields not members of this agency have a productive capacity." (Continued on page six)

NEW ATTACK ON WALKER

Seabury Charges New York Mayor is Evasive and "Unworthy of Belief"

Albany, N. Y., Aug. 4.—(AP)—An attack on Mayor James J. Walker's credibility lay on Gov. Franklin D. Roosevelt's desk today as the case of New York's "Jimmy" pushed to the forefront of gubernatorial problems.

The documentary strife between Walker and Samuel Seabury, counsel of a legislative committee of investigation, reached a new climax when Seabury filed late yesterday 20,000 words calling Walker evasive and "unworthy of belief." It was a reply to Walker's defense against accusations of unfitness, on which the mayor's removal is sought.

Soon Governor Roosevelt is expected to make a decision public. He may give Walker a hearing. It also was considered possible he might remove or exonerate him on the basis of documents on file.

Seabury, whose tone has hitherto been coldly legal, unceremonious sharp language. Alluding to the mayor's contention that 10 of 15 removal counts are outlawed because they refer to a previous administration, Seabury said it was "a sorry sight indeed" to see a public officer con-. TWO CONVICTS RECAPTURED

Seven Convicts Kill Trusty Serving as Guard at Stockade and Escape; Terrific Gunfight Ensues When They Are Surrounded in Wood 25 Miles From Prison; Two Surrender After Three Are Shot Down and Two Injured

Tucker Prison Farm, Ark., Aug. 4.—(AP)—Four convicts were killed and three wounded in a daring break from a prison camp stockade and a subsequent gun battle between the fugitives and officers today.

Seven convicts, one of whom killed a trusty serving as a guard at the stockade here, were surrounded by officers in a wood 25 miles from the prison and three were shot to death; two were wounded and two others surrendered.

R. G. James, a trusty who was blamed by authorities for organizing the flight and killing Elsie Towell, the trusty serving as a guard, was one of those wounded. Jones was also blamed for wounding Cecil Allen, another trusty serving as a guard.

Howell, a crack rifle shot, was shot to death when he resisted attempts of the escaping convicts to take his rifle.

They seized what guns and ammunition they could carry and dismantled all other firearms at the camp before fleeing on horses.

Later advices disclosed the convicts killed in the gun battle were Loy Smith, 23; J. D. Brown, 25; and Hreshel Chaney, 23, all serving short terms for burglary and grand larceny. They were residents of Arkansas.

Everett Wackerley serving a life term for murder in Franklin county, was shot in the right knee and Jones was shot in the right arm.

Jack Clayton, 23, and Walter Higgins, 20 also serving terms for burglary and grand larceny, were the two who surrendered after the fight.

Farm Products Still Too Low for Hog Raising

Raleigh, Aug. 4.—(AP)—Though there has been a decided jump in the price of hogs since last May the general price index for all farm commodities is still too low for North Carolina farmers to make quick shift to large scale pork production, J. F. Griswell, agricultural economist at State College said today.

During July the price for hogs soared above the five dollar mark compared to record low of \$3.19 last May.

"The North Carolina farmer in a position to take advantage of the increased pork prices should prepare to do so but great changes should not be made without considering the risk involved," Griswell said.

"There is still the low price for all farm commodities to be considered as well as the fact that veal, mutton and beef can be substituted for pork and vegetable oils for lard if pork products go too high in price."

TENN. VOTERS GO TO POLLS

Primaries Mark Close of Angry Seige of Four Men Seeking Governor's Chair

Nashville, Tenn., Aug. 4.—(AP)—Tennessee Democrats and Republicans chose up sides today for the battle of politics this fall with the principal interest focused on a bitter fight over the Democratic nomination for governor.

The primaries today marked the close of an angry seige on the part of the four Democrats seeking the governor's chair.

Pitted against one another were Lewis S. Pope, 54, Nashville lawyer and former commissioner of institutions; Malcolm R. Patterson, 71, circuit judge at Memphis who was three times a congressman and twice governor; Hill McAllister, 57, Nashville lawyer who was five times state treasurer, and Rufus Campbell of Ripley, 29-year-old circuit court clerk making his debut in state politics.

Republicans voted on but two candidates for governor, Hal H. Clements of Knoxville, U. S. collector of internal revenue, and John E. McCall of Memphis, past commander of the American Legion. Both are lawyers.

The Democratic campaign for governor has been marked by animosity and personalities.

WATER SHALLOW AT THE POOL TOMORROW

Greenville mothers are indeed fortunate that their children can learn to swim in perfect safety at the local swimming pool. On Tuesday's and Friday the water is shallow enough for the youngest beginners and at all times there is a low end where the children can learn to swim easily and happily.

Grown people who wish to swim when they were small and mothers whose children learned to swim in the river and in dangerous creek swimming holes realize perhaps better than anyone else what a marvelous opportunity Greenville children have this summer.

The magazines are full of articles stressing the value of swimming as an exercise. Probably no other one exercise so perfectly develops the entire body and furnishes so many hours of pleasure and satisfaction. Let the children play in the water and as they learn to swim naturally and correctly, insure them a life time of healthful activity.

SAYS BOARD TO SELL COTTON

Carl Williams Tells of Activities of Federal Farm Board at Durham Meet

Durham, N. H., Aug. 4.—(AP)—Carl Williams of the Federal Farm Board today said the Board engaged in the stabilization of the cotton market, expected to dispose of 650,000 bales of cotton during the coming fiscal year with the same absence of price disturbance that marked its sale of wheat.

"So far as the Federal Farm Board is concerned," he said, "its stabilization activities are fairly on the way to a satisfactory conclusion."

He said the Board had reduced its holdings of wheat from 257,000,000 bushels to less than 25,000,000 bushels "without a ripple" in the market of the world.

"The same procedure," he said, "will come into being with cotton this fiscal year with as little disturbance as was the case with wheat."

IF YOUR DOCTOR WAS YOUR COOK—YOU WOULD NEVER NEED MEDICINE

Physicians and Scientists Now Know that the Body is Composed of Eleven Minerals and Six Vitamins All of which are Contained in Natural Foods.

Modern, Refined Foods, Improper Cooking and Poorly Balanced Diet Rob the Body of these Essential Elements so Necessary to Health. Science finds New Way to supply These Deficiencies and Rebuild the Body.

Medical science, constantly searching for ways to prolong life, frequently come forward with startling statements of their findings, but no more astounding announcement has been made in recent years than the statement of an eminent Chemist who now declares that "There is no natural death. All deaths from so-called natural causes are merely the end point of progressive acid saturation." An amazing statement indeed but a warning, that if heeded, should improve the health and well being, increase the joy of living, and prolong the lives of millions of men, women and children who might otherwise drag through a weary life to an untimely end.

ACIDITY KILLS MILLIONS. Health authorities now agree that 91% of all diseases originate in the stomach and are caused by poor cooking, improper diet, and the eating of highly refined foods. Your doctor knows that the 11 essential Minerals and all Vitamins are contained in foods in their natural state and could be live with you constantly, carefully select and prepare everything you eat, you would never need medicines of any kind. This being impossible, science has been searching for years, trying to compound a formula that would make up for the deficiencies of these vital elements—and at last their efforts have been rewarded.

AMAZING NEW COMPOUND. LEE'S MINERAL COMPOUND, a new and revolutionary formula, actually supplies the system with these vital elements so necessary to health and happiness. It contains the eleven essential Minerals in well-balanced proportion, together with Vitamins, and is an invaluable aid to nature in the building of blood, bone, nerve and tissue.

It will rid your system of excess acid, sweep away the dangerous poisons, supply the body with the needed minerals, stimulate the organs of digestion and assimilation, build rich, red blood, clear the skin, give you a keen, hearty appetite, help you to get sound, refreshing sleep, restore health, strength and vitality and enable you to enjoy life to the fullest.

Make This 10 Day Test Convince Yourself!

Stop dosing yourself with "patent medicines," harsh purgatives, oils and cathartics for just 10 days. Go to your nearest Drugist and secure a bottle of LEE'S MINERAL COMPOUND. Take it regularly and watch the results. You'll be amazed at the feeling of renewed strength and vigor that soon appears. No narcotics or alcohol to "boost you up" but a natural method of restoring health and energy.

Lee's Mineral Compound Will Build You Up

SOX ANNEX 3 TO 2 WIN OVER YANKS

This season looks just like the last one for Ted. Coming back from his worst year in 1931 he has pitched some great ball only to run into a succession of tough games.

The only other game on the major league schedule yesterday saw another six-hit mound performance as Vic Sorrell got the better of a battle with Al Thomas and Fred Marberry to give Detroit a 2 to 1 decision over the Washington Senators.

No less impressive than the world gathering of athletes at Los Angeles for the Olympic games was the turnout of the international press.

By a complicated system, all scenes of competitive activity, from the start of the games, were connected with a central distributing system for the benefit of those desiring the aid or comfort of the visiting experts overlooked in the accommodations provided in the main Olympic stadium.

PATS AND BEES TO TIE UP IN DOUBLE BILL

Charlotte, Aug. 4.—(AP)—Charlotte and Greensboro, held inactive by rain Wednesday, play a double bill tonight for the leadership of the Piedmont league.

A double win by either will provide a lead not to be sneezed at in this season of close pennant races.

Efforts to obtain passage of a city ordinance here outlawing Sunday baseball appeared quiescent when its proponents failed to appear at a meeting of the city council where the matter was to have been discussed.

Cotton--Stocks--Grain

New York Cotton

New York, Aug. 4.—(AP)—Cotton futures opened steady, unchanged to 3 higher on overnight trade buying and on absence of selling pressure due to a more favorable view of business conditions. Oct. 6 03; Dec. 6 17; Jan. 6 24; Mar. 6 38; May 6 52; July 6 64.

There was a fair scattering demand after the call which included more Wall Street buying as well as well as some price fixing by the trade. Liverpool was a moderate seller but offerings continued light with December selling up to 6.20 by the end of the first hour.

Grain Market

Chicago, Aug. 4.—(AP)—Wheat prices reacted sharply late today after rising to 43-8 cents above yesterday's low point.

Heavy profit taking sales developed in the last hour, and the big concentrated buying so much in evidence from eastern sources late yesterday appeared to have faded out. No new export business, of consequence in North American wheat was revealed.
