## Several Slain In Bombardment of Spanish Barracks

### TOTAL SLAIN IN DISORDERS GIVEN AT 83

Government Troops Capture Military Barracks After Hour Of Terrific Fighting; Seven Rebels Slain in Combat; Situation Reported As Tense; Martial Law Being Considered by Government

Madrid, Spain, Dec. 11—(AP)—Government troops moving under a merciless barrage of gunfire today captured the Villanova military barracks in which rebel forces had held under terrific bombardment for an hour. At least seven rebels were slain.

Those known dead brought to 83 the number slain in the anarchists' revolutionary movement which broke out Friday and which continued with new violence in the central and northeastern sections yesterday.

Swarming over the walls of the improvised fortress, which was formerly a convent, soldiers quickly took over the barracks which had been the most violently contested point in most of the three days' fighting.

Through the night the civilian defenders under a renegade army sergeant maintained machine gun fire. Finally two army planes were ordered from Madrid to bomb the barracks. But when the time came the planes had not arrived, the colonel in charge of the troops ordered a final charge. The extremists fell back for inner posts as soldiers climbed over the walls. Seven bodies of the rebels were found but none of the soldiers.

Troops began search of the 100 tiny cells, meanwhile the situation in other parts of the revolt affected region remained tense. The government considered declaring martial law.

### TO BUILD LAST LINK IN MEMPHIS ROUTE

Canton, Ga., Dec. 9—(AP)—Congressman John S. Wood Thursday said he had been advised that Secretary Ickes had approved an allotment of \$41,800.86 for paving an eight mile stretch in Rabun county that will be the last link in the shortest route to Memphis from points in North and South Carolina.

The Georgia link will connect the paved systems of North and South Carolina by way of the highway through Clayton, Ga., connecting the Carolines with Chattanooga through North Georgia counties.

The road is now practically impassable in winter.

White Plague Scourges Africa Johannesburg, So. Africa—(AP)—Dr. A. D. Pringle, one of South Africa's authorities on tuberculosis says the disease claims 3,600 victims a year in the union.

### Swift Creek Child Dead

D. J. Stallings, Jr., 6-year-old child of D. J. Stallings of Swift Creek township, died last night at 9:10 o'clock. Funeral services were conducted from the late home this afternoon at 1:30 by Elder Laughinghouse. Burial was made in the Williams cemetery.

Surviving are the parents and the following brothers and sisters: Inez, Pauline, Ruby, Marjorie and Elizabeth Stallings, and Harvey, Leon, James, Milton Ray and Charles Ben Stallings.

### Seek Fund For N. C. Paper Mill

Washington, Dec. 11—(AP)—The office of Senator Reynolds of North Carolina said today a decision is expected tomorrow on the application of the Wacamac Fiber Farm Co., of Bolton, N. C., for a \$1,300,000 public works loan for building a pulp and paper mill.

While making no prediction as to whether the loan will be granted, the senator's office said it would be very disappointing if the decision is not favorable.

F. L. Finkelstalt, president of the company, and his associates asked for the money as a public works project to be worked out in conjunction with the State of North Carolina.

Despite a fight to avoid it, James A. LaRue appeared to be headed back to a Florida chain gang from Chicago, where he was arrested following his escape. A judge had promised to give him every break, but extradition was granted anyway. (Associated Press Photo)

## LATE NEWS FLASHES

Find Pritchard's Body. El Reno, Okla., Dec. 11—(AP)—A man's body believed to be that of Harry Pritchard, missing Wichita, Kansas, merchant, was found today along a gravel highway three miles north and one mile east of El Reno by two officers, the sheriff's office was notified.

Plenty Liquor in Augusta. Augusta, Dec. 11—(AP)—A statement charging there are 200 speakeasies in Augusta was made by Councilman R. E. Allen, Jr., following a Sunday citizen's meeting which urged the city council to reconsider its plan to license liquor in the face of Georgia's bone dry law.

There are at least 200 speakeasies in Augusta and city council does not legalize whiskey but recognizes and licenses conditions which already exist," said Allen.

He explained the counsel had no police jurisdiction on which is vested in a five man civil service commission.

Roosevelt Calls Conference. Washington, Dec. 11—(AP)—President Roosevelt called a conference of government leaders to meet with George N. Peek late today for the organization of a foreign trade agency.

The summoning of the parley indicated the President agricultural adjustment administrator would take over the direction of this new agency. Peek and other Department of Agriculture officials, headed by Guy Rexford Tugwell, assistant secretary, have been at odds over policies.

Representatives of the State, Treasury and Agricultural departments, the R. F. C. and the Federal Alcoholic Control Administration will join in the trade talk.

### Women Fliers Forced Down

Miami, Fla., Dec. 11—(AP)—Inability to refuel their plane because of high winds today forced down Viola Jentry and Frances Harrell Marsalis, who were trying to set a refueling endurance air record here.

They took off at 2:33 p. m. yesterday and landed at 11:50 a. m. today. The women plan a new flight to start tomorrow.

### King's Button Betrays Forgery

Brussels—(AP)—A tunic button on the uniform of King Albert has betrayed a large number of forged 1,000-belga notes, worth about \$230 each. The button, white on genuine currency, is black on the counterfeit.

## SEN. OVERTON GIVES VIEWS ON LA. PROBE

Denies He Was Shown Partiality in Investigation of Election Charges

Washington, Dec. 11—(AP)—Senator John H. Overton, Democrat of Louisiana, today characterized the Senate committee investigation of his nomination and election as "another nation-local campaign for state and political purposes," in which next Senator Broussard has been used as a "dummy" contestant.

In his first public statement on the Senate investigation started at the request of former Senator Broussard who Overton defeated last year with the aid of Senator Huey P. Long, Overton denied as absurd charges the committee was partial to him.

"Federal investigators," he said, "have for months honeycombed Louisiana to find witnesses against me and none for me and four of the five weeks of the committee hearing were assigned to the opposition to produce evidence; only one week was given me for rebuttal."

Overton said the Senate committee had indicated that no further hearings would be held but he deemed it proper in justice to himself to correct what he termed "countless false statements" about his election.

## URGE GROWERS TO SIGN UP NOW

Farm Department to Push Tobacco Sign-up Campaign to Close This Week

Forces engaged in the tobacco sign-up here were putting on full steam ahead here today with a view to completing the campaign this week.

E. F. Arnold, director of the Pitt County Department of Agriculture announced today that around 600 growers signed up last week, but with 3,000 to go it is going to take some rapid work to wind up the sign-up this week.

All farmers who have not yet signed were advised by Mr. Arnold to do so at once. Invitations have been mailed out to growers giving the date on which they are expected to appear before committees in the various townships of the county. Growers were asked to watch the dates closely and be on hand at the specified time.

The farm demonstration agent, who is directing the sign-up in this county, stated that Ernest Dudley would be at the courthouse each night this week from 7 to 10 o'clock to take care of contract signers unable to visit committees during the day. Numbers of persons are engaged in business who have found it impossible to sign during the day time and this special feature has been provided to help speed up work during the last week of the campaign.

Three thousand farmers of Pitt county in a former campaign agreed to sign the government contract for reduction of acreage the next two years, and they must do so this week if they wish to receive the benefits from the government drive to give growers adequate returns for their crop.

## J. A. Whichard Dies at Stokes; Funeral Sunday

John A. Whichard, 71, well known farmer of the Stokes community, died Saturday night at 10 o'clock after serious illness of several days, although he had been in declining health for a number of years.

Funeral services were conducted from his late home Sunday afternoon at 2 o'clock and burial was made in the family burying ground near Bethel, Elder J. B. Roberts, Primitive Baptist minister, was in charge of the final rites.

## HAIL! THE CORN KING OF 1933!

Meet the corn king of 1933! He is C. Worn Harden of Jay, Ill., who was awarded the title at the International livestock exposition in Chicago. Winning the prize with his Krug's yellow utility type corn came as a surprise, Holmes said, for he never had won any other major awards. (Associated Press Photo)

## MR. HARDEN IS START WORK LAID TO REST ON SWIMMING AT GRIFFIN, GA. POOL TODAY

Funeral For Pastor of Presbyterian Church Held Here Yesterday Afternoon

Rev. W. S. Harden, 59, beloved pastor of the Presbyterian Church here for the last ten years, who died at his home on Ninth street early Saturday morning after two days' illness from a heart attack, was buried at Griffin, Georgia, this afternoon at 2 o'clock.

The body left here yesterday afternoon after funeral services at the Presbyterian Church at three o'clock. Hundreds of people who loved and admired the minister for his fearless defense of the great truths of the Bible, attended the service and a wealth of flowers told in a mute way of the high esteem in which he was held.

The services were in charge of the Greenville Ministerial Association, of which Mr. Harden was president for a number of years. Rev. A. W. Fleischmann, pastor of Memorial Baptist Church, presided. Assisting in the impressive services were ministers of the Albemarle Presbytery, of which the deceased was Stated Clerk. The Presbytery was represented by Rev. J. T. Wildman.

Tributes to the exemplary life of the minister who had led so many campaigns for moral and spiritual improvements of the city and community, were paid to the deceased by various members of the association and Presbytery.

Ministers of the city who had labored daily with him in their battle to smash the shackles of sin and liberate the human soul from its effects, were free in their praise of the high standard of living exemplified by Mr. Harden. They described him as one of those intrepid spirits blazing the way for others to follow and declared his sacrificial life would leave an indelible stamp on the community for years to come.

J. T. Wildman, speaking in behalf of the Albemarle Presbytery, dwelled upon the fine services of the deceased in activities of the Presbytery, and the fine work he had accomplished as Stated Clerk. He called attention to the fact that Mr. Harden was one of the oldest men in the Presbytery from the point of service.

B. W. Moseley, representing the local church, spoke feelingly of his relations with Mr. Harden during his long years of service to the church. He said he was on the board that called the minister from Columbia, S. C. ten years ago. He declared Mr. Harden's pastorate had been one of loyal, sacrificial service, and that under his leadership the church had progressed in all fields of activity.

## German Town Has Cigar Week

Klein-Hausen, Germany—(AP)—Cigars were made obligatory for all tobacco users here for a week in order to help the local cigar factories. The tradesmen's union forbade shopkeepers to sell cigarettes, smoking tobacco or chewing tobacco on pain of expulsion from the organization.

## RUSH COWBOY OUT OF REACH OF OKLA. MOB

Jack Wisdom Carried To Kansas To Protect Him From Violence of Enemies

Hutchinson, Kan., Dec. 11—(AP)—Rushed out of Oklahoma to forestall possible mob violence, Jack Wisdom, Kansas cowboy, who is wanted in connection with three killings, was brought to the Kansas State reformatory here today for safe-keeping.

Governor Alf M. Landon of Kansas, announced at Topeka that he would call out the national guards if it becomes necessary to protect Wisdom.

"I intend to maintain law and order in Kansas," the governor said. The governor and Brigadier General Milton McLean were keeping in close touch with the situation and had national guards in readiness for immediate mobilization if it becomes evident mob action was imminent.

National guards had been mobilized at Enid and Kingfisher, Okla., last night on orders of Governor W. H. Murray, after vague reports had been circulated that a mob was forming to seize Wisdom who was captured near Jay, Okla.

The Oklahoma governor instructed troops to shoot to kill, if necessary. Wisdom had been taken after the body of Mrs. Harry Pritchard of Wichita, Kansas, was found under a culvert near Kingfisher. A search was being prosecuted in Oklahoma today for the body of Mrs. Pritchard's husband.

## PLANNING FOR NEW CONGRESS

Administration Casts About to do Away With Dissenters Soon As Possible

Washington, Dec. 11—Mindful of the conflict ahead the administration has begun to plan for the approaching session of congress with a view to advancing its program and dismissing dissenters as effectively as possible.

Actual formation of recommendations will start this week. At the front President Roosevelt has placed the treasury policy asking his aids for conferences on what the federal government must spend in the next fiscal year and how to raise the money.

Whatever is decided it will provide the hub for one of the many controversies to resound in the senate and house. Involved is the whole public works administration relief policy, liquor and income tax, budget balancing and the necessity for protection of the nation's credit.

The part to be taken by the monetary dispute depends on what happens between now and January 3 when congress meets.

For days the government gold program has been studied with no assurance of stabilization impending.

## C. W. A. WILL MEET TONIGHT

Central Committee Will Meet in the Mayors Office at 7:30 o'Clock

The central committee of the Civil Works Administration has been called to meet at the mayor's office tonight at 7:30 o'clock to talk over other projects for this city.

Persons with projects in mind have been asked to present them to the committee at once so that they may be sent to the state and federal committees for early approval.

## Uncover Efforts To Smuggle Gold Over The Border

Freed In Attempt At Mercy Killing

Johnny Stephens, 32-year-old Atlanta, Ga., recluse, was exonerated of killing his aunt after doctors said her death was caused by cancer rather than a blow that Stephens admitted striking her on the head. He said he sought to end her suffering. (Associated Press Photo)

## MANY STILL LEAP IN DARK

Race to the Altar Continues With Unabated Zeal in Pitt County

The business of getting married has turned out to be a marathon in Pitt county—a race in which apparently everybody believing in the old saying "that two can live as cheap as one" is taking part or contemplating such action.

The rush to the altar has been quite pronounced in this county for the last two months, reaching its climax in November with the issuance of nearly two hundred licenses the majority around the Thanks giving holidays. With November's fine record, employees in the office of the register of deeds were looking forward to something even better in December, the main month for weddings.

And it looks now as if their belief is going to be justified in view of the issuance of 43 licenses to wed during the first nine days of the month. Sixteen of these applied for legal sanction papers Friday and Saturday. Five of the applicants were white and the remainder colored.

The real scramble for the altar will begin Christmas week and if the present situation may be counted as an index to the future the number for this month is going to shoot well above that of the previous month.

Those applying for licenses to wed were:

- Richard Baker to Miss Eloise Walton, Falkland.
  - Gussie Harrison to Miss Jennie Powers, of Martin county.
  - Heber Cannon, Winterville, to Miss Nannie Lee Rouse, Ayden.
  - Herman Davis to Miss Ada Harris, Ayden.
  - L. H. Evans to Miss Nellie Gray, Chicod.
- Colored
- Ed Little to Nora Blaw, Fountain.
  - King Daniel to Vester Marshall, Bethel.
  - Benjamin Whitley to Clarie Barnes, Wilson.
  - Henry Harris to Fannie May Green, Farmville.
  - Ellis Harris to Estelle Phillips, Farmville.
  - Willie Cox to Lillie Dunn, Ayden.
  - Glinwell Coward to Mary Sanders, Winterville.
  - Roosevelt Sanders to Mary Coward, Greenville.
  - Lyman Harper to Christine Corey Lenoir county.
  - Joe Adams to Henrietta Baker, Greenville.

## AMERICANS ARRESTED IN CANADA

American and Canadian Border Patrol Capture Two Men With 100 Ounces of Metal; Belief That \$1,000,000 Worth of Gold Has Been Smuggled Over Border During the Last Six Months or More

Washington, Dec. 11—(AP)—A telegraphic report disclosed today that the United States apparently suspects and organized effort to export gold in violation of President Roosevelt's monetary policy.

A telegram to the customs bureau said the border patrol had cooperated with the Canadian officials in an active effort to stop gold smuggling which resulted in the arrest in Canada of two Americans with a 100 ounce gold bar.

Customs officials declined to say how large a gold movement might be involved. Reports from Canada indicated belief that \$1,000,000 worth of gold had been smuggled over the border in the last half year.

The Justice Department bureau of investigation said it was without evidence of any large smuggling operations. This reply indicated the border patrol was acting on information not known previously at Washington for customs officials also lacked knowledge of their part in the Canadian seizure until they asked the border patrol for its report.

Under regulations issued by President Roosevelt, only licensed dealers may handle gold as all other gold and gold certificates must be handled through the treasury.

## THREE INJURED IN AUTO WRECK

Cecil Hemby of Ayden and Two Others Hurt in Crash Near Ayden

Three persons were painfully injured in an automobile wreck last night four miles below Ayden on the Greenville-Kinston highway, it was revealed today by records in the office of the highway patrol.

An automobile driven by Cecil Hemby, of Ayden, crashed into another car, driven by Tom Gorman, of Greenville which officers said, was parked on the highway.

Hemby received painful cuts from flying glass and two other companions, whose names were not learned, were similarly injured.

Hemby told officers he was blinded by lights from an approaching car and did not see the Gorman car which had been left partly on the pavement.

The injured men were carried to Ayden for medical attention. The two cars which were bound in the direction of Ayden, were said to have been badly damaged.

## 'MOTHER BIND MY HAIR' NAZI SLOGAN FOR GIRLS

Berlin—(AP)—Fair Gretchen with the long blond plait is becoming again the German ideal of feminine beauty.

The revival, stimulated by officialdom, is based on the fact that long locks need ribbons and the ribbon industry is languishing.

Nazi statisticians figure that if all German mothers bind their daughters' hair, there will be an immediate daily demand for close to 2,000,000 yards of ribbon.

Old Miniature Sold in London. London—(AP)—A miniature manuscript, only fifteen-sixteenth of an inch by eleven-sixteenth, dated 1567 and containing Petrarch's sonnets, brought \$225 at an auction here. Some authorities consider it the world's oldest miniature book.

There will not be a session of the Rotary Club tonight. The regular meeting will be resumed next Monday night, December 18.

### U. D. C. Meets.

The George B. Singletary Chapter of the United Daughters of the Confederacy held their regular monthly meeting Wednesday afternoon with Mrs. E. W. Harvey.

The business hour was presided over by the president, Mrs. W. P. Moore. Reports from various committees were read and approved, also proceedings of last meeting.

The historian, Mrs. J. L. Fleming, reported the meeting held at the high school on the birthday of Jefferson Davis. The talk was made by one of our most outstanding citizens, Honorable F. C. Harding. Mr. Harding is ever ready to laud the praises of our Southerners and lends his time and talent whenever called.

The chapter voted to remember our veterans and Confederate women at Christmas.

The program for the afternoon was given by Mrs. Harvey. Her subject was "Women of the South in War-time." She spoke of the heroic struggles of our women and their daring efforts in trying to help those at the front.

At the close of the program the hostess served delicious refreshments.—Reported.

## Return From Wilmington.

Mrs. H. A. White, Miss Doll White, W. W. Lee, Master Herbert White, Bill and Jimmie Lee have returned from Wilmington, where they spent the week to be with Mrs. Lee and little Robert Edward Lee who is in a hospital.

Reports from the hospital today stated that the little boy was improving and it was hoped that he would not have to undergo an operation.

## MR. AND MRS. HENDERSON HOSTS AT DINNER

Mr. and Mrs. E. L. Henderson were hosts at a lovely buffet dinner Friday evening at their home on East Ninth street, honoring Mr. and Mrs. A. P. Hudson of Chapel Hill.

The home throughout was attractive with yellow chrysanthemums and lighted tapers.

The central table was very pretty with a silver bowl of yellow chrysanthemums and burning tapers in silver holders. The same color note was used in decorating the individual table.

Mrs. L. R. Meadows, Mrs. R. J. Slay and Mrs. A. D. Frank assisted Mrs. Henderson in serving the twenty-four guests.

## LITERATURE DEPARTMENT MEETS WITH MRS. WOOLARD

The Literature Department of the Woman's Club held one of the most enjoyable meetings of the year Saturday morning, December 9, with Mrs. W. H. Woolard hostess.

Mrs. W. A. Durden, chairman, presided. The roll was called and answered with a current event. There were twelve members present and two visitors, Mrs. W. A. Ryan and Mrs. J. B. Spilman.

Miss Frances Wahl urged every one to attend the concert of the Slaviansky Russian Chorus at the college on Monday evening, Dec. 11.

Mrs. K. T. Futrell and Miss Eunice McGee gave the program for the morning, using as their subject "Italy." In a most interesting manner, Mrs. Futrell took us on a visit to Naples, Florence, Venice and Rome. Miss McGee gave a splendid paper on "Modern Education in Italy" and "Yuletide in Italy." Miss Bessie Brown, accompanied at the piano by Miss Hodgson, rendered two beautiful Christmas solos, "Oh, Lovely Voices of the Sky" and "Bethlehem Lullaby."

At the conclusion of the program the hostess invited her guests into the dining room where she served a delicious barbecue luncheon, assisted by Mrs. W. H. Williams, Miss Helen Settle and Miss Mary Woolard.—Reported.

## SLAVIANSKY CHORUS AT COLLEGE TONIGHT

The hour for the concert this evening at East Carolina Teachers College, by the Slaviansky Russian Chorus, is at eight o'clock, and the place in the Campus building auditorium.

This chorus has a long record of

successful concert tours in many parts of the world. The press notices speak very highly of them. These singers were featured in both "The Miracle" and the "Passion Play" presented at the Hippodrome in New York City. Their programs have been considered very pleasing combinations of various kinds of music, with a number of folk songs, some of which are familiar. They appear in costume. Madame Slaviansky, one of the few women conductors, is carrying on a generation ago. Her daughter, Mara Slaviansky, is the chief soloist with the company.

## EDUCATION IN BELGIUM DISCUSSED AT A. A. U. W.

In a talk Friday night, December 8, before the local branch of the American Association of University Women, Miss Mary York, a teacher in the high school, discussed interestingly the situation in education in Belgium today.

In spite of the fact that the state has two nearly equal groups—French, and Flemish, each with its own language, education is handled through the central national government. A law of the country requires eight years of schooling for every child.

By use of a chart, Miss York showed the three courses open to a student after he has completed the work of the first six years—the return toward the university, the trade schools, or the normal; but in any case, he is carefully guided.

The standard twelve years of training, she said, includes one year in a university or trade school.

One of the most significant trends in Belgian education, according to Miss York, is the Laborers' Educational System, separate from the regular system, though working in harmony with it, which has taken up adult education among workers on a plan of its own, with the specific intention of training leaders within its own ranks.

The great man of the Belgian educational system, said the speaker, is Decroly, whose basic principle is expressed in his slogan—"Learning by Living." Under Decroly, a child chooses a "center of interest" in art or science or some other field, and spends his time during a certain period learning all he can about that particular thing.

"Tool subjects" being taught early but only incidentally.

This is the third of a series of programs of the A. A. U. W. devoted to education in other countries.

Miss Laura Rose and Miss Annie Newell were hostesses to the group.—Reported.

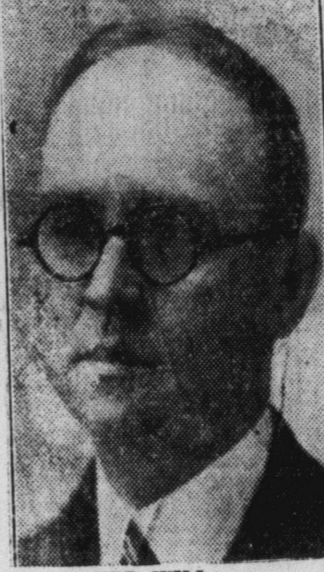

## WHITE SERVICE AT COLLEGE SUNDAY

One of the most beautiful and impressive ceremonies held on the campus during the year was the White Gift service on Sunday night in the campus building auditorium.

Every major organization on the campus was represented by one of a number who brought the gift from her organization.

The scene was dramatized by having Mary at the side of the cradle seated at the foot of a large white cross, framed in by curtains.

The representations and the gifts were as follows: C Class—Grey Powell—Friendship, D Class—Dorothy Brooks—Honor, Freshman Class—Saxon Bray—

## WANAMAKER WILL SPEAK HERE TONIGHT

Dr. W. H. Wanamaker of Duke University, has arrived in the city and will be the honored guest and speaker at the annual Duke Alumni dinner which will be held at 7:15 o'clock at the Episcopal parish house tonight. Dr. Wanamaker is Dean of the University and is well known and admired by the numerous alumni of Pitt county. The parents of students now attending Duke have also been invited to attend the dinner and a large crowd is expected to attend.

#### ANOTHER MILESTONE

Yesterday, December 10,  
marked another birthday of  
this paper, and today we  
start our 40th year as a  
daily newspaper. While The  
Reflector, including its 13  
years as a weekly, will pass  
its 52nd birthday early in  
January, as a daily paper it  
first appeared on December  
10, 1894 and since that time  
has been a regular week-  
day visitor to the homes of  
Pitt County.

During this half century  
of existence The Reflector  
has seen great changes in  
this city and county and has  
gladly heralded the growth  
of Greenville from a small  
village of a few hundred in-  
habitants to a city of 12,000  
recognized as the Educa-  
tional and Shopping Center  
of Eastern North Carolina  
and the world's largest To-  
bacco market.

While neither time nor  
space here will permit a re-  
view of the activities of our  
community and this paper  
during these years, our files  
reveal almost a complete  
history of our city and coun-  
ty for the half century re-  
cording therein the achieve-  
ments of our citizens and the  
growth of our city and  
county from a religious, ed-  
ucational, industrial and  
agricultural standpoint.

Like other businesses, our  
own has not been smooth  
sailing all these years, but  
the support of our people  
has made it possible for us  
to carry on in our determi-  
nation to endeavor at all  
times to strive for the up-  
building and betterment of  
our town and county.

Today beginning another  
year, we are inspired with  
the same desires to continue  
to render a service to Pitt  
County and its people. With  
the worst of the recent de-  
pression now apparently  
passed, it is our hope that  
in the years ahead of us we  
will be able to herald even  
greater accomplishments by  
our people.

#### Contest in 'Original Oratory.'

Iowa City, Ia.—(AP)—A new  
championship event, a contest in  
"original oratory" has been added  
to the 1934 schedule of the Iowa  
high school forensic league. Each  
orator must write his own speech  
of not more than 1,000 words on  
some current topic.

## Greenville Tobacco Market Report

### A WORD OF APPRECIATION:

All Eastern Carolina markets will close after sales Friday, December 15, and reopen Tuesday January 2, 1934. Greenville market this season has led the entire Belt in number of pounds sold and prices paid for tobacco. We desire to express our appreciation to every grower for the patronage given us, and to assure you it will pay you to market the balance of your crop with us. We know that the fine spirit manifested on our market by the tobacco buyers has not been excelled by any other market. This, and the fact that everybody has been pulling together in behalf of the tobacco growers selling on our market, has made Greenville the outstanding tobacco market of the entire flue cured belt.

This joint market report has been sent you through the courtesy of all the Greenville Ware-  
housemen, and before it is discontinued on December 12th, let us urge everyone to promptly  
sign the government contract for controlled production of flue cured tobacco, which we  
agreed to do during the marketing holiday. The most constructive accomplishment ever achiev-  
ed by our tobacco growers was when we persuaded the government to step in and save us  
from destruction. This 1933 crop, in the opinion of government officials, would not have  
average 11c, had this crop control program failed, and next years crop would have been lower.

There is a growing decrease in demand for our tobacco in foreign countries, notwithstanding  
present uncertain favorable exchange, and we must raise less tobacco if we expect to market  
our crop at a profit. Let us urge for next year the practice of every possible economy, as it will  
cost more to produce 1934 crop than 1933.

Eastern Carolina today is the Brightest Spot on the map of the United States. Lets keep it so.

New York, Dec. 11.—(AP)—Cotton futures opened five to eleven higher in response to higher Liverpool cables and more active commission house buying.

Trading was moderately active at the start and increased after the call with commission house buying in evidence. This was supplied by some southern selling and realizing and after selling up to 10.22 for March and 10.33 for May or about 9 to 11 higher than the market eased off two or three from the best with trading quiet at the end of first half hour.

The market continued quiet and steady later in the morning. The advance above 10 cent level for near months again appears to bring in a little more southern selling but the offerings were not heavy enough to materially affect the market and prices at midday held steady at advances of about 4 to 6 points.

N. Y. Stock Market

New York, Dec. 11.—(AP)—Stokes started the week with a brisk sprint today, rain into some profit taking hurdles and then settled down to a steady jog in the direction of higher price levels.

Although the inflationary forces received no stimulus from the domestic gold price which was again unchanged traders were urged by indications of improving business and industry at a time when there should be a seasonal letdown.

Equities moved vigorously in the early hours and the ticker dropped behind for awhile. There were some reaction on later but resistance shown to realize.

Periodic buying surges gave the market a firmer appearance. All improvements were spotted and a few spots persisted. Transfers were 2,600,000 shares.

The President intends to go over the entire valley development from the new Norris dam which is being built on the Clinch river down to the Muscle Shoals power and nitrate plant on the Tennessee river.

He sponsored the valley improvement program now getting under way under the direction of special authority.

The senators said Mr. Roosevelt is counting on an adjournment of Congress early in the spring. He has previously stated he would return to Warm Springs next spring and he probably would go there by way of the Tennessee Valley.

**Save Killer From Mob.**  
Hutchinson, Dec. 11.—(AP)—Jack Wisdom, 27, cowboy, was brought to Kansas state reformatory today to save him from possible mob violence and was said by W. O. Lyle, Wichita detective captain, to have made a verbal statement that he participated in the kidnaping and killing of Mr. and Mrs. Harry Pritchard of Wichita.

Lyle said the prisoner declared that the actual killing was done by one Buck Smith but that Wisdom was present. Officers expressed belief that Smith was a fictitious character but reached no conclusion pending further questioning of Wisdom.

COLORED SCHOOLS HONOR EZRA SMITH

The Industrial graded and high school of this city (colored) assembled in the school auditorium and touching tributes were paid to the memory of Dr. Ezekiel Ezra Smith, who for more than forty-five years was president of the first normal school established for Negroes in North Carolina. Succeeding Robert Harris, its first principal and founder who at the beginning of the administration of Governor Zebulon B. Vance, appealed to him and upon the Governor's recommendation the school was established. He was appointed American Minister to Liberia and held the post four years, returning to the United States he was for a year a representative of the American Colonization Society. He has demonstrated such loyalty and his state and the controlling forces that he was placed in charge of the Fayetteville State Normal and held on until his passing. He was held in high esteem by all citizens, especially the white people of the Cape Fear section.

WHY LUCKIES ARE SO MILD, SO SMOOTH

Open a pack of Luckies and lay the 20 cigarettes side by side. You can't tell one from another. Every Lucky is round, firm and fully packed—with choice Turkish and domestic tobaccos. And every Lucky is free from annoying loose ends. The tips are clean-cut—the tobacco doesn't spill out. That's why Luckies draw easily, burn evenly—and are always mild and smooth.

ALWAYS the finest tobaccos  
ALWAYS the finest workmanship  
ALWAYS Luckies please!
