TENSE SITUATION DEVELOPS IN N. C. STRIKE AREA

Idle Mill Workers Increase In New England Strike Zone

TROOPS SENT TO 3 STATES TO HALT RIOT

Rhode Island, Connecticut and Maine Centers of New Disturbance; Dissension In Operation Causes Closing of Romper Factory At Pawtucket; Strikers Storm Silk Mills

Boston, Mass., Sept. 11.—(AP)—Idle mill operatives in New England increased today as national guardsmen troops were ordered in the three states of Rhode Island, Connecticut and Maine to cope with rioting and to relieve local police on strike duty.

Dissension in the operation of the Pawtucket, R. I., romper factory forced 400 out of work and increased the total idle to 158,826 in the six states with 77,819 still employed. A crowd of more than 1,000 strikers sympathizers and pickets stormed the Stalhi silk mill, one of the largest in the country, injuring a half dozen workers and overturning cars. The rioters were dispersed by city and state police.

LEWIS HOLDS S. S. RECORD

Raleigh Man Claims Title As World's Champion Sunday School Goer

The man who holds the world's record for Sunday school attendance was a Greenville visitor yesterday. He is E. F. Lewis of Raleigh, member of the Simms Baraca Class of the Tabernacle Baptist Church of that city.

Mr. Lewis, who is visiting D. C. Stokes at Ayden, came to Greenville yesterday to see his boyhood friend, J. C. Gaskins, register of deeds of Pitt county, and declared "The delight of my life up to the present is to meet my old boyhood friend, J. C. Gaskins, who is so well liked by the people of Pitt county that he has repeatedly been elected to the office of register of deeds."

Mr. Lewis has a record of attending Sunday school 1,785 Sundays without a miss. He is now on his 35th year of service and hopes to further increase his record to show what a man can do when he sets out to accomplish a thing.

Pinned to the lapel of his coat is a pennant denoting his record of Sunday school service. It is one of the greatest prizes of his life. On one occasion when he was confined in a hospital, Mr. Lewis telephoned his class president to send representatives of his class to his room so that he might not be counted absent. In a short time forty-four members of the class were on hand and conducted Sunday school in his room, thereby enabling him to sustain his long record of service.

Mr. Lewis established his record in Wilmington and Raleigh. He attended four years and six months in Wilmington where his record was started and it was maintained when he moved to Raleigh and became a member of the Simms Baraca Class of the Tabernacle Baptist Church.

PISTOL-TOTER IS GIVEN 3 MONTHS ON ROADS

Rocky Mount, Sept. 10.—Evidence brought out before Judge Ben Thomas in police court here Saturday showing that Isalah Powell had been engaged in the none too gentle game of having folks ride him around in automobiles and sticking a big gun in their ribs if they didn't comply with his wishes was sufficient to convict the middle-aged Negro, the judge sentenced him to three months on the roads.

WANTED
Men and women in every community in Pitt County to sell The Daily Reflector to families not now receiving the paper. Special introductory offer to new subscribers and attractive proposition for solicitors. No contest. A straight-out business proposition. Apply to D. J. Whichard, Jr., at this office.

Highest Price Average Season Recorded Here

The largest sale of the season was hung up on the local tobacco market yesterday along with the highest average price, it was made known today by K. W. Cobb, supervisor of sales. What is believed to be the largest amount of money ever paid out to farmers on a single day's sale was also recorded by the market, the report indicated.

Mr. Cobb said the market sold 1,441,742 pounds of tobacco for \$398,347.42 at a general average of \$27.63 per hundred pounds. The high price average was established in the face of another large offering of black tips and inferior grades of tobacco.

The price situation, which developed renewed strength the latter part of the week, was again in evidence yesterday, especially on improved grades of tobacco, and this played an important part in boosting the average to the highest point of the season.

Although the market paid out tremendous sums of money on sales in 1919, the peak year of that period, Mr. Cobb said the total amount paid yesterday was unquestionably the largest in the history of the bright leaf industry here.

Nearly four hundred thousand dollars was paid out last Friday, but that figure was eclipsed yesterday with a larger offering of bright leaf representing farms in a radius of many miles of Greenville. Improved prices continued in evidence on the floors of the various warehouses today, and farmers who followed the sales interestedly, were overjoyed by the steady climb of prices for their tobacco.

There was well over a million pounds of leaf on the floors today but indications pointed to the clearing of the bulk of the offerings late this afternoon to make way for continued heavy sales tomorrow and the remainder of the week.

HEAVY SALES MARK OPENING MIDDLE BELT

Average of \$25 a Hundred Prevails on Various Tobacco Markets Today

Raleigh, Sept. 11.—(AP)—Heavy sales and averages estimated at above \$25 a hundred pounds marked the opening of the Middle Belt tobacco markets today.

With approximately 400,000 pounds delivered to the four warehouses in Sanford, block sales were reported likely there. Despite a preponderance of low grades among the offerings early sales were at averages of \$25 a hundred.

Between 800,000 and 1,000,000 pounds were delivered in Oxford and first sales were reported at averages between \$26 and \$27 a hundred.

The site of the new postoffice at Breckenridge, Tex., had to be cleared of a "squatter's" vegetable stand before construction could start.

ALLOW 55 CENTS A BUSHEL FOR STORED CORN

Washington, Sept. 11.—(AP)—The R. F. C. today announced commitment of \$100,000,000 to the commodities crop for loans of 55 cents a bushel for corn stored and sealed on farms.

PREPARE TO SEIZE SLOT DEVICES HERE

Court Order Calling For Suspension Of Operation Effective Tomorrow

With the time limit for the closing of slot machines and other gambling devices in this county set for tomorrow, officers were busy today finishing notifying operators of the order of Judge James, of County court, calling for the suspension of all gambling devices throughout the county. Farmville was not included in the order because that town has an ordinance prohibiting the operation of slot machines and other such devices.

Officers were reported to have seized a number of slot machines and other devices for "test cases." The court order instructed officers to arrest operators and seize all machines in operation after the deadline tomorrow, and violators will be carried before the court to tell why they refused to abide by the order.

Judge James relieved officers of all responsibility in determining "what is a gambling device," declaring in that the status of all machines would be passed on by the court.

The action came after the report of the six months grand jury two weeks ago which recommended that county court take steps to halt the operation of slot machines. The recommendation was based on reports reaching the jury of wide spread operation of gambling devices in all sections of the county.

With the time limit up tonight, officers were expected to begin seizing machines in operation tomorrow.

Late News Flashes

No Progress In Settlement. Washington, Sept. 11.—(AP)—A delegation of leading manufacturers in the cotton textile industry left the President's mediation board meeting today asserting that no definite progress has been made toward settlement of the strike.

Attempt To Settle Strike. Washington, Sept. 11.—(AP)—While President Roosevelt's strike board sought a settlement on the walkout in conference with textile employers today, Francis Gorman, strike leader, warned there would be no further extension tonight of the union arbitration proposal.

At the same time the textile strike committee announced a movement to provide relief plans for workers had been started by a group of Washington residents.

Gorman delivered his ultimatum at a press conference as the manufacturers met the President's mediation board. The union has agreed to submit its case to arbitration by the presidential board provided the mills stay closed during negotiations but its spokesmen insisted the offer would be withdrawn if not accepted by 6 o'clock tonight.

(Continued on page four)

DRIVE CAREFULLY TODAY

NOT ALL CAPABLE
There are more than thirty million automobile drivers in the United States, but based upon the war-time intelligence tests, there are not thirty million drivers morally and mentally capable of operating cars with safety. The standard of our drivers must be raised, both through the removal of the reckless and irresponsible from the highways, and the education of those who do not fully realize or understand the responsibility which they accept when they get behind the wheel.

Georgia Man on Mill Strike Board

Marion Smith (above), Atlanta, Ga., attorney, was picked by President Franklin D. Roosevelt as one of three members of a board of inquiry for the textile strike. The other members are Gov. John G. Winant of New Hampshire and R. W. Ingersoll of Brooklyn. (Associated Press Photo)

MISS JOYNER BURIED TODAY

Final Rites Conducted From Methodist Church Here This Afternoon

Funeral services for Miss Em Joyner, who died at the local hospital here yesterday afternoon at 2:15 o'clock after being sick since June 1, were conducted from Jarvis Memorial Methodist Church this afternoon at 3:30 o'clock by Rev. G. R. Combs, pastor of the church. Burial was made in Greenwood cemetery.

Miss Joyner, a native of Pitt county, had lived in Greenville the last forty years and endeared herself to the public because of her desire always to render service in behalf of the community.

The final rites this afternoon were largely attended. The floral tribute was large and spoke in a mute way of the love and esteem of relatives and friends.

Miss Joyner was a faithful member of the Methodist Church always exhibited interest in the work of the denomination here and elsewhere.

She is survived by one sister, Mrs. M. S. Smith, Greenville; two brothers, Robert and Will Joyner, of near Farmville. A number of nieces and nephews also survive.

Pall bearers were: Active—E. G. Flanagan, Francis Bowen, D. J. Whichard, Jr., Frank Patrick, Dr. Joseph Smith and Graham Flanagan.

Honorary—Mitchell White, Nash Joyner, Jasper Joyner, Harry Joyner, Ray Nichols, Richard Nichols, Dan Nichols, Mary Joyner, Milton Tyson, Leon Jones, Jasper Jones, Raymond Tyson, Leon Tyson, Percy Tyson, Jim Joyner, Robert Joyner, Lynn Eason, Tom Dail, Jim Tucker, Lee Joyner, W. F. Dail, T. A. Person, R. C. Flanagan, Stewart Carr, Charles James, B. S. Warren, Dow Lassiter, Johnny Lassiter, F. C. Galloway, Lorraine Joyner, Jimmie Carr, Hogan Gaskins, J. C. Gaskins, J. F. Harrington, Rube Joyner, E. L. Baker, J. L. Little, J. R. More, Gables Gladson, Jim Brown, Shelle Nichols, Gladson Nichols, Joe Jones, Clifton Perry, Jesse Smith, Milo Smith, Linda Smith, Lloyd Mills.

MAINE GIVES NEW DEAL BIG VOTE OF FAVOR

Democratic Governor And Two Congressmen Elected In Balloting Yesterday

Portland, Me., Sept. 11.—(AP)—The election of a Democratic governor and two Democratic congressmen apparently was Maine's answer today to a Republican appeal for repudiation of Rooseveltian policies.

A United States senator and one congressman appeared to be the only offices held by the Republicans in yesterday's biennial election in this once rock-ribbed Republican state.

The birthplace of prohibition, Maine persisted in its stand of a year ago in the national prohibition repeal movement repealing state prohibition by an overwhelming majority. The vote for repeal: 601 precincts out of 631 gave: yes, 98,442; no, 56,883.

Governor Louis J. Brann, popular Democratic leader for whose defeat Republicans called, as an expression of disapproval of the new deal, was returned to office over Alfred K. Ames, Republican, by a plurality of nearly 30,000 votes.

Senator Frederick Hale, Republican veteran for 18 years in the senate, held a slender lead over F. Harold Dubord, Democrat, in contrast to the sweeping victory he had won in the past years.

Returns from 601 precincts gave Hale 136, 878 and Dupord 135,497.

Washington, Sept. 11.—(AP)—Postmaster General James A. Farley today called the convincing majority given to Governor Louis Brand in the Maine election "proof ample that the new deal meets with the approval of the majority of the people of this country."

Washington, Sept. 11.—(AP)—An "intensification" of Republican efforts was called for by Chairman Fletcher of the Republican National Committee on the basis of returns from Maine which Democratic chief-tain Farley called "ample proof that the new deal meets with the approval of the majority of people of this country."

COURT TAKES RECESS HERE

Civil Term Catches up With Its Calendar and Takes Time Off To Wednesday

The one week term of civil court convened in this city yesterday morning and recessed during the early afternoon until tomorrow morning after catching up with the calendar.

Several actions set for hearing yesterday and today were disposed of via the compromise route, and a few were continued until later.

Court went into one case, Town of Farmville vs. J. H. Paylor, involving approximately \$400 paving assessment and then recessed when a point of law became involved. Judge R. Hunt Parker, of Roanoke Rapids, will interpret the point in time for the opening of court Wednesday morning and the case is expected to move toward the end.

The interpretation centers about the time limit on paving assessments, Paylor claiming that it had expired and the Town of Farmville contending it had not.

The jury was excused when the recess order was announced but was instructed to report back Wednesday morning for completion of the controverted issue.

There are around forty or fifty cases on calendar for the term and it was hoped the major part would be completed by the end of the week.

AGREE ON NRA REORGANIZATION

Hyde Park, Sept. 11.—(AP)—President Roosevelt and General Hugh S. Johnson, NRA administrator, agreed today upon the principles of an immediate reorganization of the NRA to eliminate overlapping of activities and for simplification of the recovery unit.

Strikers Fail In Attempt To Close Kanapolis Plant

Sentenced to Death

Mrs. Eva Coe (above), inn keeper of Osego county, N. Y., who was convicted of first degree murder for the death of her handyman, Harry Wright, faces death in the electric chair at Sing Sing. (Associated Press Photo)

SIX PICKETS WOUNDED AT HIGH POINT

Soldiers Inflict Flesh Wounds On Strikers Attempting to Force Closing of Mill; Additional Workers Return to Work at Rutherfordton; Puritan Mill Employees At Fayetteville Demand Protection

Charlotte, Sept. 11.—(AP)—A flying squadron of approximately 1,200 strikers invaded Kanapolis today, found 300 national guardsmen and special officers a wall they could not penetrate and abandoned for the time being attempts to close the big Cannon Towel mill.

Coming from Gastonia, Salisbury, Mooresville and China Grove, the squadron members conferred here, taunted guards and employees who continued at their jobs and left without provoking any serious disturbance.

Bayonets and tear gas ready, troops and special guards deployed across the lawn and around the entrances to the plants. Among them was that Hornets Nest rifleman national guard troops of Charlotte which traces its lineage back from the little band of colonists of Revolutionary days, who stood Cornwallis at what was then Chatterton.

A similarly tense situation developed at High Point where last night soldiers inflicted flesh wounds on six pickets, members of a crowd attempting to force the closedown of a hosiery mill.

Three mills failed to open this morning while thousands of workers cheered as machine gun companies from Greensboro sought to clear the streets.

Although the hosiery strike has not succeeded in stopping operation the Huntley Jackson plant at High Point closed and forces were drastically reduced at East Guilford, Aline Harris, Covington, Melrose and Amos mills.

Managements said no more than 400 or 500 were striking at the five curtailed plants while union leaders claimed 1,000. Some whole departments were closed.

Thirteen hundred more workers returned to their jobs in Rutherfordton with the reopening of the Cliffside and Carolee mills. There were no pickets and two companies of national guardsmen were on duty.

The reopening brought the county's operating strength to 12 of its 15 plants.

Estimates said 3,500 of the 5,000 men in the county were on the job. Approximately 125 non-union employees of the Puritan rayon mills near Fayetteville marched to the sheriff's office today demanding protection for reopening attempts. They claimed to represent a majority of the mill's 450 employees. Officers were instructed to afford safe conduct for all wishing to work at the mill and the managements announced it would be reopened later in the day.

Headquarters of the three Battalions of the 120th Infantry of North Carolina National guards were ordered on strike duty at Asheboro, home station and one of the largest hosiery manufacturing centers.

Authorities said no trouble developed but that the residents of the countryside desired troops as a precaution. The order brought to 35 the number of national guardsmen on duty in the North Carolina strike area.

Judge Brady M. Stewart of Paducah, Ky., sentenced a father to serve 50 days in jail for spanking his 16 year-old daughter.

Three timber companies consolidated their interests to log the burned over area of the Tillamook, Ore., forest.

LIST OF PITT TEACHERS IS MADE PUBLIC

Number of Faculty Changes to Mark Opening of School September 17th

Members of the faculty of Pitt county schools, which will open for 1934-35 term September 17, were announced today by Donald Conley, director of public instruction in this county. There are 180 white teachers and 125 colored in the system this year.

Mr. Conley said there had been a number of resignations in the system the past year including four principals. The teachers list is practically the same as last year as far as numerical strength is concerned but Mr. Conley said he was hopeful of taking care of the increased enrollment as efficiently as they did last year.

Enrollment last year was given as 6,083 white children and 5,640 colored, making a grand total of 11,723. A pronounced increase of enrollment is anticipated this year, swelling the teacher load to no little extent. New principles have been sent to Belhel, Stokes and Grimesland.

Mr. Conley pointed out that the transportation problem would remain the same as last year. He said no additional funds for this purpose had been made this season and asked the public to bear with him until the next meeting of the State Legislature when it is hoped something will be done to improve the situation.

Under provisions of the transportation department children will continue walking two miles to school and those living a mile and a half to walk that distance.

The operation of buses was curtailed considerably under the new school law and a howl has been set up in all sections of the state without results. However, it is hoped the members of the next legislature will provide greater appropriations for schools and transportation probably will be one of the first things to be effected, the school head said.

The list of teachers follows:

Ayden: Mr. W. T. Byrd, Principal, Miss Leekie McLawhorn, Miss Elizabeth Gibbs, Miss Athleen Benton, Miss Ora Belle Pace, Mr. Faust Johnson, Miss Lucy Perkinson, Miss Christine Williams, Miss Susie Dixon, Mrs. J. L. Tingle, Miss Addie Read McDonald, Miss Henrietta MacMillan, Miss Dorothy Willard, Miss Maggie (Continued on page Two.)

Social and Personal

Mrs. L. C. Evans and family have returned from Ayden where they have been making their home, and are now living at 310 East Eighth street.

Mrs. J. B. Smith and little daughter Ann, have returned from Keny where they spent the week-end.

Billy Morton left today for Oak Ridge where he will enter school.

Mrs. R. A. Talbot who has been visiting her sister, Mrs. F. J. Deiner has returned to her home in Petersburg, Va.

Miss Helen Settle is visiting relatives in High Point and Concord.

William G. Teel of New York, is spending four weeks with relatives in Greenville.

Mrs. T. A. Ricks of Newport News, Va., is visiting her parents, Mr. and Mrs. D. L. Mangum.

Eastern Star To Meet.
Chapter 149 Order of Eastern Star will meet this evening at 7:45 in the Masonic Hall for practice in degree work.

German Club To Meet.
Members of the German Club are requested to meet at the home of Mrs. J. S. Fickler tomorrow morning at eleven o'clock.

In New York.
Reid Perkins left Sunday night for New York to buy fall merchandise for the Perkins Co. He will remain there all this week.

Presbyterian Church.
A congregational meeting will be held at the Presbyterian Church at the close of the morning service next Sunday morning. The purpose of this meeting is to consider the calling of a pastor for the local church.

U. D. C. Meets.
The George B. Singletary Chapter of the United Daughters of the Confederacy held their first meeting of the season Friday afternoon with the president, Mrs. W. P. Moore.

The meeting was called to order and opened with the Lord's Prayer, followed by the usual business session.

A review of the year's work was made and the members feel that a great deal has been accomplished during the past year.

Letters were read from various officers of the division representing cooperation for their objects.

Mrs. T. A. Person and Mrs. E. W. Harvey were named delegates to attend the state meeting in Chapel Hill October 10 and 11. Mrs. L. A. Stroud and Mrs. L. W. Redd were named as alternates.

The nominating committee for the coming year was named as follows: Mrs. T. A. Person, Mrs. L. A. Stroud and Mrs. J. B. Spilman. These will report at the October meeting.

The program for the afternoon consisted of questions bearing on the work of the division and brought out facts of the U. D. C. that we should all be familiar with.

At the close of the meeting the hostess served delicious refreshments.—Reported.

We are receiving and displaying daily new WEDDING GIFTS, CHINA AND NOVELTIES

See our window display and stock. Your inspection and comments welcomed.

HOOKEE-MEEKS HARDWARE CO., Inc.
323 Evans St. Fri.-Mon.

Attends State F. W. B. Convention.
Rev. C. J. Harris left this morning for Micro to attend the Free Will Baptist State Convention, where he will preach the introductory sermon at eleven o'clock.

The convention convenes annually in different parts of the state, and is by far the largest gathering of the Free Will Baptist churches held in North Carolina.

The meeting is featured by devotional services, preaching, testimonials, business periods, miscellaneous and the discussion of different topics considered to be the most vital to the interest and future progress of the church in general.

The convention will continue its session for three days. Rev. S. H. Styron of Pine Level, will preside over the meeting.

A recreational center for men, one of the largest projects ever attempted at the school is under construction at West Texas State Teachers college.

Fair Opens Office.

The Greater Greenville Fair opens offices in the Daily Reflector building today with Miss Mary Lou White assistant secretary in charge.

According to a statement given by N. G. Bartlett, secretary of Eastern Carolina Chamber of Commerce.

The fair dates are week of October 15. According to Mr. Bartlett, the program will be as good as any ever offered at Greenville Fair, \$1,500.00 being offered in cash premiums in all the departments usually received by the fair.

Kraus' United Shows will furnish attractions for the midway.

W. W. (Bill) Lee has been appointed chairman of local steering committee.

SMITHFIELD YOUTH SUCCUMBS TO BURNS

Smithfield, Sept. 11.—Funeral services for the late Hubert Johnson, who died Saturday at Johnston County Hospital, were conducted from his home Sunday morning, and burial was in Riverside cemetery.

He died as the result of burns which he received last Wednesday afternoon, while trying to build a fire in a stove with gasoline. The boy had been working in the store of his brother, David Johnson, and he wanted to heat an automobile wheel, so he set about building a fire in a stove in the Stevens building, which was adjacent to the Automobile Supply Co. The store room had been occupied by this company until recently and nothing but the stove remained in the room, it exploded and the fire was communicated to a bucket of gasoline setting nearby. Johnson was badly burned about the body, and while his injuries were not thought to be serious, he was rushed to the hospital.

One third of Egypt's motion picture theaters are open-air establishments which come to life only in the summer and have a special appeal to the public after the heat of the day.

UNHAPPY WOMAN ATTEMPTS SUICIDE

New Bern, Sept. 11.—Mrs. Flora Willis, wife of "Tuck" Willis, attempted to commit suicide early yesterday morning by swallowing poison at her rooming house at 113 Hancock street. Domestic troubles are said to have furnished the motive.

After having been unusually melancholy and worried during the night, Mrs. Willis took the poison around 3 a. m., after having previously threatened to do so. Friends were unsuccessful in attempts to prevent her from taking the dose. A physician was called soon after, and used a stomach pump. She is reported to be getting along nicely, but it often takes two weeks for fatal results to come from the particular kind of poison she took.

YOUTHS PLEAD GUILTY TO SERIES OF HOLDUPS

Wilmington, Sept. 11.—Johnnie Corbett, 19, Melton Batson, 18, and Andrew McGee, 17, pleaded guilty to a series of hold-ups when arranged in superior court here yesterday, Judge Poul Frizzelle presiding, delayed sentencing them until today.

The robberies they pleaded guilty to were two of six the trio confessed to committing when they were taken into custody last week by the sheriff's officers.

Their raids, which included a holdup at Elliott in Sampson county, where they wounded W. P. Collins, postmaster, and his wife in an exchange of fire, extended into three counties, Sampson, Onslow and New Hanover, and netted a tidy sum.

The bandits operated in a car stolen from a local taxi driver.

BOY INSTANTLY KILLED WHEN HIT BY TRUCK

Lexington, Sept. 11.—Odell Kooztz, 7 years old, son of D. O. Kooztz, local textile employe, was almost instantly killed on a principal street here yesterday as he and another child attempted to dash across the roadway. Odell was struck by a truck driven by Melvin Collier of Charlotte. The other child avoided the truck.

Collier and a companion, D. O. Gray of Charlotte, said that the children dashed into the road so unexpectedly that it was impossible to avoid the accident. They estimated the speed of the truck at less than 20 miles at the time.

Collier was required to furnish \$500 bond pending further investigation.

Italy Gathers Throngs Faithful As Pilgrims Eucharistic Congress

Rome—(AP)—Thousands of Italians, both from the peninsula and from among those resident in the Americas, are expected by Roman Catholic Church officials to form the largest national delegation to the eucharistic congress in Buenos Aires next month.

Fully a million pious souls are reported preparing for the journey and more than a thousand of them will sail from this homeland of the church.

Two big hotel ships flying the Italian tri-color and packed with clergy and lay pilgrims will form the nucleus of the big Italian delegation.

The ships selected to carry the pilgrims are the "Oceania" and the "Conte Grande." The first will sail from Trieste Sept. 20, gathering the groups of devout from ports of the Adriatic coast. This ship will serve also as headquarters for the official Italian delegation of ranking clergymen.

The Conte Grande will sail from Genoa Sept. 24, stopping at Naples for pilgrims from central and southern Italy.

Reduced fares on both boats and on the railroads have been granted by the government and arranged.

Stop Chills and Fever! Rid Your System of Malaria!

Shivering with chills one moment and burning with fever the next—that's one of the effects of Malaria. Unless checked, the disease will do serious harm to your health. Malaria, a blood infection, calls for two things. First, destroying the infection in the blood. Second, building up the blood to overcome the effects of the disease and to fortify against further attack.

Grove's Tasteless Chill Tonic supplies both these effects. It contains tasteless quinine, which kills the infection in the blood, and iron, which enriches and builds up the blood. Chills and fever soon stop and you are restored to health and comfort. For half a century, Grove's Tasteless Chill Tonic has been sure relief for Malaria. It is just as useful, too, as a general tonic for old and young. Pleasant to take and absolutely harmless. Safe to give children. Get a bottle at any store. Now two sizes—50c and \$1. The \$1 size contains 2 1/2 times as much as the 50c size and gives you 25% more for your money.

Special Offer!! To Victims of Gas—Indigestion

Pleasant to Take, Elixir Helps Food Distressed Stomachs or Money Back

You can be so distressed with gas and fullness that you think your heart is going to stop beating. Your stomach may be so distended that your breathing is short and gaspy.

You are dizzy and pray for quick relief—what's to be done? Just one tablespoonful of Dare's Mentha-Pepsin and in ten minutes the gas disappears, the pressing on the heart ceases and you can breathe deep and naturally.

Oh! What blessed relief, but why get rid of such attacks altogether? Why have indigestion at all? Especially when any druggist anywhere guarantees Dare's Mentha-Pepsin, a pleasant elixir, to end gas or indigestion, or money back.

DARE'S MENTHA-PEPSIN ANAID TO DIGESTION!

ments have been made to accommodate the pilgrims on the ships during the week's stay in Argentina.

Prelates under the direction of Monsignor Bartolomeo, president of the eucharistic committee, believe the Italian pilgrims at the congress will far outnumber those of any other country.

Supporting this belief they say only one delegation ship was contemplated at first, but numerous requests for reservations have made it necessary to add another steamer to the special service.

LEAKSVILLE PEOPLE INJURED IN ACCIDENT

Lebanon, Ind., Sept. 11.—(AP)—Five passengers from Leaksville, N. C., returning home on a chartered bus after a visit to the World's Fair at Chicago, were slightly injured today when the bus was side-swiped by a truck near here.

Arrest Labatts Abductor

Toronto, Canada, Sept. 11.—(AP)—Attorney General Arthur Roebuck today announced identification of one of the suspects wanted in connection with the kidnaping of John S. Labatts, wealthy London, Ontario, brewer. Roebuck said the man was known variously as Albert Pegram, Albert Long and Jack Smead. He said the man was a citizen of the United States, had a long criminal record and was believed to have driven the car in which Labatts was abducted.

Dark clouds hung low

in the skies threatening rain, but voters came out in large crowds, indicating that there would be a record ballot.

Support appeared for the most

depressed issues later and the early issues were more than conceded in several instances.

Transfers were 600,000 shares.
