PRELIMINARY ADDRESS LIST OF ELECTRONIC MUSIC STUDIOS

The IEMC is gathering the addresses of all known electronic music studios. The attached list is a first attempt in this direction. The IEMC requests that each recipient of this list make any necessary deletions, corrections, and additions.

The following entries have been obtained from a large variety of sources, some of them quite informal. In cases of doubt, entries (occasionally incomplete) have nevertheless been made in the hopes that clarifications will be received.

Some of the studios may possibly be only in the planning stages; others may be under construction. Accordingly, we ask that such a studio indicate its status in this respect.

Personal "home" studios are being included. There are doubtless more of these studios than appear in the following pages. We request that each recipient furnish the IEMC with all additionally known addresses of such studios.

Studios in the U.S.A. are requested to correct or complete their zip codes if necessary.
